THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

A Very Hot Sunday.

These are days of record-breaking, and the second Sunday in May broke the record of fifty years in the way of heat. The maximum heat registered in the shade at Toronto Observatory was 90 degrees, and the minimum 66. Such a hot day in May has never before been recorded since the Observatory was instituted. With the heat and dust the day was an uncreating one. The fragrance of the fruit tree blossoms and the beauty of the newly developed foliage counteracted in a large measure the discomforts of the day.

G. T. R. Trains in a New Dress.

The regular 6.08 train from the east on arriving Thursday evening was taken for a vestibule pullman train. It has been undergoing a thorough remodelling. The coaches are painted on the outside in myrtle green and beautifully lettered and bordered in gold. The window sashes are grained in rosewood. The interior of the coaches is repainted and varnished and the seats upholstered in old gold and cardinal plush. The engines are also painted to match the coaches. It is the intention of the company to have all their passenger trains in Canada remodelled in the same manner. The newly painted trains left Lon lon on Thursday for the first time

Wheelmen Have to Pay.

All the railway companies running in Canada except the International have decided to charge for the transportation of bicycles or tricycles after next Monday, May 18th. Each wheel, accompanied by a passenger, will be charged the same as for 50 lbs of excess baggage. They may be checked through to destination and collection made there the same as for ordinary baggage. A new rule affecting the storage of all baggage also comes into effect on the same day, whereby unclaimed baggage will be allowed to remain free for the first 24 hours only. For the second 24 hours 25c. will be charged, and 10c. for each additional hour or fraction thereof. No charge will, of course be made for Sundays or Dominion holidays.

An Editorial Reverie.

Editing a paper is a peculiar business. If we publish a joke, people say we are rattle headed. If we don't, we are an old fossil. If we publish original matter, they say we don't give them enough selections. If we give them selections, we are too lazy to write. If we give a man a "puff," we are partial. If we compliment the ladies, the men are jealous, if we don't, we're publishing a paper not fit to make a bustle of. If we remain in our office, we're too proud to mingle with the "common herd," if we are on the streets, we are not attending to our business. If we wear poor clothes, business is dull, if we wear good clothes we don't pay for 'em. Now what shall we do? Take a fearless, straightforward course and, generally, do as we like.

Married in May.

A quiet wedding was celebrated last Wednesday morning at the residence of Mrs. Langrill, Elora road, formerly of Knatchbull, when Miss V. Addie Langrill was united in marriage to L. H. Wilson, L. D. S., of Nassagaweya. Rev Dr. Henderson performed the ceremony. The bride was attired in light cream satin, and was given away by David Agnew, of Nassagaweya. A large number of relatives and intimate friends were present and sat down to an enjoyable repast after the ceremony. Among those present were: Mr. Joseph W. Cornell and wife, Beverly; Mr. H. Cornell and wife, Beverly; Mr. L. S. Allison, Knatchbull; Mr. and Mrs. Dredge, Nassagaweya; and William Ashdown, Guelph. The newly wedded couple left on the 2.50 express for the west. They will also visit Rochester and other points before returning. Guelph *Herald.*

A Versatile Elocutionist.

The extreme heat last Friday evening resulted in a comparatively small audience at the Epworth League's recital in the Methodist Church. Nevertheless an excellent programme was presented and the occasion proved most enjoyable to those who attended. Mr. Al A. Jakeway gave an excellent and varied series of selections and proved himself well qualified to entertain any audience. He has an excellent voice, capable of a wide range of modulation and change, and easily adapts himself to the characters portrayed in his various numbers. He was equally well at home in pathetic, humorous or descriptive delineations and carried his audience through each succeeding presentation with manifest interest and appreciation. Mr. Jakeway is very happy in his selections, ever careful that no objectionable phrase or sentiment shall have a place in any of the numbers of his repertoire. He is gentlemanly in manner and commands the esteem of those who form his acquaintance. The choir of the church acquitted themselves most creditably during the evening and in the numerous anthems, quartettes, etc., added much to the pleasure of the evening. A solo, "The Holy City," by Miss Jessie Nichlin, was rendered with excellent effect.

Welcoming Their New Pastor.

The Toronto Junction *Leader* says:—A large congregation assembled in the Presbyterian church on Tuesday evening, the occasion being the induction of the Rev J. W. Rae to the pastorate of that church. The Rev Mr Carruthers, of the Davenport Road Presbyterian church, Toronto, preached the introductory sermon, the Rev Mr Thyne addressed the minister, and the Rev Mr Mutch the congregation. The ceremony of induction is always interesting, but it was never more so than on Friday evening. A most profitable as well as pleasant time was spent by all present. On Friday evening a reception was given to the Rev Mr Rae and family and on Saturday afternoon Mr Rae will meet the children of the congregation. The Rev Mr Rae was the well beloved pastor of the Acton Presbyterian church prior to his removal here. He was not only held in high regard by the members of his own congregation there but by the members of other religious bodies as well. He is a noted Sabbath School worker, a christian, and a gentleman. The Junction Presbyterians should congratulate themselves that they have secured such an able minister as pastor of their church. Mr Rae is one of the class of men who carry sunshine with them wherever they go and who never shirk doing their duty, no matter what the consequences may be. The *Leader* extends a most hearty and cordial welcome to the Rev Mr Rae and family to this fair town and rejoices most sincerely that he has become one of our citizens.

Rev. Dr Carman, General Supt., Rev Dr Sutherland, Mission Secretary, Rev A. C. Crews, Supt. of Sunday Schools and Leagues; and Rev Dr. Griffin, Treasurer Superanuation Fund, of the Methodist church, are all in the North West.

DENTAL OFFICE.—Dr Wilkinson, over the Drug Store. Gold filling and artifica teeth a specialty. Charges as reasonable as elsewhere. Special office days Monday, Tuesday and Friday.
