(Continued from first page.)

butcher who leases a portion of the Shambles shall be allowed to sell within the prescribed limits.

Ald. Allen spoke in favour of selling meat in the Shambles. He also spoke against free trade in butchers' meat. He contended that they could not collect rent without giving value.

Ald. Drennan thought they should proceed cautiously in the matter and be careful not to stultify themselves. He spoke of how the law stood in Montreal and other places. The City Solicitor was at first inclined to the opinion that they could derive a revenue from the butchers without their occupying the Shambles; but he had changed his opinion. The Shambles could be used for something else.

The Mayor urged that a decisive conclusion should be come to at once. He argued against locating butchers, or any other business in any one place or locality. If the principle of free trade was carried out, the shambles could undoubtedly be utilized for something else.

Ald. Gaskin spoke strongly against free trade, arguing that wherever free trade existed, the poor men had a difficulty to make both ends meet.

Ald. McCammon spoke in favour of Ald. Walkem's resolution.

Ald. Dupuis spoke in favour of free trade.

The first clause was put and lost, and the Mayor's resolution was next put. It was also lost, only two voting for it. Ald Pense's resolution was next put and lost, Ald. Walkem's amendment being put and carried.

Ald. Thompson then moved that the Committee rise and report, and ask leave to sit again.

A scene of confusion here occurred, certain of the Aldermen wishing the by-law to be pushed through at once, while others thought the delay would do no harm. Ultimately the Committee rose and reported.

In Council Ald. Metcalfe asked the Council to pass a resolution referring the naming of the streets to the Committee on Streets with power to act, but this met with a decided negative, and the Council adjourned in confusion at 12:30.

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior cannot supersede a superior article. Illustrative of this principle are the family medicines of R. V. Pierce, M.D., of Buffalo, N.Y. By reason of superior merit, they have outrivaled all other medicines. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousand more. No business could grow to such gigantic proportions and rest upon any other basis than that of merit. It is safe to say that no medicine or combination of medicines yet discovered equals or can compare with Dr. Pierce's Golden Medical Discovery, for the cure of coughs, colds, and all pulmonary and blood affections. If the bowels be constipated and liver sluggish, his Pleasant Purgative Pellets will give prompt relief; while his Favourite Prescription will positively, perfectly and permanently cure those weaknesses and "dragging down" sensations peculiar to females. In the People's Common Sense Medical Adviser, an illustrated work of nearly one thousand pages, the Doctor has fully discussed the principles that underlie health and sickness. Price $1.50, post-paid. Adapted to old and young, single and married. Address R. V. Pierce, M.D., World's Dispensary and Invalids' Hotel, Buffalo, N.Y.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, *Station D, Bible House, New York City.*

AN EMINENT PHYSICIAN of large experience who has made Pulmonary Consumption a specialty, says that "although in the worst and most rapid forms of the disease we have still to confess that medicine is almost powerless, yet, in those less overwhelming, and in those more chronic, WHICH HAPPILY CONSTITUTE THE FAR GREATER NUMBER OF CASES, we have been able to adduce many proofs that much may be done to mitigate, to prevent, to retard, aye, and even to *arrest* and *cure*, this most destructive of human maladies." His experience of FIFTY YEARS leads him to assert that the "great remedy, more essential and more effective than any other, is Cod Liver Oil." BUT WHO CAN TAKE IT? *Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-phosphate of Lime* contains all the virtues of Cod Liver Oil, in a form and combination most desirable to obtain its fullest effects. ANYBODY CAN TAKE IT! Prepared by J. H. Robinson, Chemist, St. John, N.B., and for sale by druggists generally. Price $1.00 per bottle; six bottles for $5.00.
