## BORN.

FLYNN—In Acton, on Sunday, 20th June, to the wife and Mrs. John Flynn, a daughter.

McKAY—On Wednesday, 17th inst., to Mr. and Mrs. A. McKay, Milton, a daughter.

McEACHREN—In Erin, on Monday, 15th June, to Mr. and Mrs. Arch. McEachren, a son.

HENDERSON—In Esquesing, on Monday, 15th June, to Mr. and Mrs. Robert Henderson, a daughter.

McTINNON—In Georgetown, on Tuesday, June 16th, to Mr. and Mrs. Sam McTibbon, Clark House, a daughter.

McPHATT—At 3 Richmond Court, Rochester, N. Y., on Sunday, 21st June, to Mr. and Mrs. W. H. McPhatt, a daughter.

## MARRIED.

LINDSAY—COWAN—On Wednesday, June 10th, at the residence of the father of the bride, by Rev. Wm. T. Lipton, M.A., James H. Lindsay, Georgetown, to Jessie K., only daughter of Dr. S. Cowan, Wolfe Island.

McMILLAN—SCOTT—At the residence of the bride's mother, on Wednesday, 17th June, by Rev. L. Perrin, B. A., James McMillan, son of Lachlin McMillan, to Lizzie, daughter of the late John Scott, both of Esquesing.

COBBAN—QUINN—At the home of the bride's mother, on Wednesday, June 24th, by John G. Sycamore, Mitchell Cobban, of the Government Printing Bureau, Ottawa, to Estella J., daughter of the late S. Quinn, Esq., of Brockville.

BANFIELD—NORRISH—At the residence of the bride's brother, Mr. Amos Norrish, Nassagaweya, on Wednesday, 17th June, by the Rev. John Hough, of Guelph, Franklin Banfield, Guelph, to Miss Susanna Norrish, Nassagaweya.

## DIED.

LAMBERT—In Erin, on Friday, 19th June, Elizabeth, widow of the late Charles Lambert, aged 72 years.

ROBINSON—Suddenly, on the evening of Friday, June 19th, John Beverley Robinson, late Lieutenant-Governor of Ontario, in the 77th year of his age.

# The Acton Free Press.

THURSDAY, JUNE 25, 1896.

## DROPPED DEAD AT MASSEY HALL

### Hon. John Beverley Robinson, Who Was to Speak at the Conservative Meeting Friday Evening, Suddenly Expired.

TORONTO, June 20.—Honorable John Beverley Robinson dropped dead last night just as he was stepping on the platform at the great Conservative mass meeting held at Massey Hall, at which he was to have been a speaker.

Mr. Robinson was born February 21, 1820 and was the second son of Sir John Beverley Robinson, at one time Chief Justice of Canada, and a prominent figure in what was known as the family compact. Mr. Robinson was one of the best known men in the country. He had a strong inclination for public life, and in 1851 entered the City Council as alderman, and in 1857 he became Mayor. In the same year he was elected to represent Toronto in the House of Commons conjointly with Hon. Geo. Brown and was re-elected at intervals for different constituencies until in 1880, when he was appointed Lieut.-Governor of Ontario, a position he occupied for seven years, achieving great popularity therein. Since his retirement he has lived privately. Mrs Robinson predeceased her husband by about three years.

## ESTIMATES BROUGHT DOWN.

### The Public School Board Ask for Same Amount as Last Year.

An important meeting of the Board of Trustees of Acton Public School was held last Wednesday evening, when the estimates for the current year were brought down.

Members present, W. H. Storey, chairman, George Hynds, T. H. Harding and Robert Wallace.

The minutes of previous meeting were read and confirmed.

The estimates of receipts and expenditures for the current year were submitted as follows

RECEIPTS

| | |
|---|---|
| Municipal Assessment | $1,000 00 |
| Legislature Grant | 152 00 |

EXPENDITURES

| | |
|---|---|
| Salaries | $1,465 00 |
| Fuel | 95 00 |
| Insurance | 4 75 |
| Interest | 60 00 |
| Repairs | 35 00 |
| Supplies | 30 00 |
| Contingencies | 50 25 |

Moved by George Hynds, second by T. H. Harding, that the Secretary be instructed to request the Municipal Council to provide the sum of sixteen hundred dollars ($1600.00) by assessment, in addition to the Legislative Grant of $152.00, being the estimated requirement of the Board for the current year. Carried.

There being no further business the Board adjourned.

## HALTON ENDEAVORERS

### The Annual Convention at Hornby Rev. C. T. Tough Elected President.

The fourth annual convention of Halton Christian Endeavor Union was held at Hornby last week, the attendance being good and the meeting a very profitable and enjoyable one.

Some of the topics discussed were "Social Righteousness," by Rev. J. C. Tibb, of Streetsville; "Christ likeness; how Attained?" a paper sent by Mr. H. P. Moore, of Acton, "A Look Ahead," by Mr. Chas. Miller, Nelson, "How to Conduct a C. E. Meeting," paper sent by Dr. Speers, of Burlington; "Christ's Second Coming," by Rev. B. B. Craig, of Oakville, "Endeavorer's Weapons," by Miss Bastedo, of Hornby.

Devotional exercises were led by Rev. T. R. Clarke, of Omagh. Rev. Dr. Dickson, of Galt, was present during the different sessions and ably helped in making the convention a success. The solos by Mrs. Rev. Clarke and the music by the Palermo and Hornby choirs made the service of song an interesting feature.

The officers elected were: President, Rev. C. T. Tough, Hornby; 1st Vice Pres., W. S. Hall, Hornby; 2nd Vice Pres., H. P. Moore, Acton; Secretary, Miss Minnie Davis, Palermo; Treasurer, Miss Featherstone, Nelson.

The Hornby people were unbounded in their hospitality toward visitors.

## A SURE AND SIMPLE PROTECTION FROM COLD.

Good meals and warm clothing are of more value if you haven't got them than anything else. World-wide fame seems of small account if you are hungry or the wind is whistling through your body. So any new features which makes comfortable clothing possible for every one is of more real importance to us than the discovery of a new planet. This explains the great popularity of Fibre Chamois, an interlining made from pure spruce fibre, which gives a perfect healthful warmth without adding weight or bulk. The reason is that it is an absolute non-conductor of either heat or cold. The rawest winds can't get through the clothing lined with it, nor will it let the natural heat of the body escape. So that it ensures comfort in all weather, for a trifling expense.

WOOL WANTED.—The highest price in Cash or Trade for good clean wool. Can get in Trade, Factory Blankets, Yarns, Tweeds, and General Dry Goods. Wm. McLean, Georgetown.

## GOVERNMENT DEFEATED

### The Liberals Triumph on Tuesday With a Good Working Majority.

### HALTON REMAINS UNCHANGED.

The election on Tuesday was fought with the utmost vigor by all the candidates in the field. Every available vote was secured by all parties and the excitement in very many places was at the highest pitch. The people have taken a keener interest in the elections just closed than they have taken in a general election during the twenty-nine years since Confederation. It is unique for the duration of the campaign preceding it and the animosities with which it has been fought. The tariff question and the Manitoba School question aroused the enthusiasm and excitement of almost every voter in the Dominion. The returns from the elections of Tuesday show that the people of Canada are opposed to the coercion of Manitoba and that they consider that a change in the governing body and the trade policy will be advantageous to the country. The Conservative party who have had the upper hand for the last eighteen years will now have to hand over the reigns of government to the Liberals who will assume the management of the affairs of the country with a good working majority over the Conservatives, Patrons and McCarthyites. The total vote so far as can be learned at present gives the Liberals 116 constituencies; the Conservatives 82, and the Independents and Patrons 9. There are a few constituencies from which it has not been able thus far to get any returns but which cannot affect the general result.

The Liberals obtained their greatest victory in Quebec, that province giving them 46 seats as against 18 for the Conservatives, making a majority of 28. The three French Ministers, Messrs. Angers, Taillon and Desjardins were defeated. McShane and Israel Tarte also received a minority vote.

In Ontario the Liberals obtained 43 seats; the Conservatives 41; Independents 7; the two leading parties receiving almost an equal number of constituencies.

In Manitoba, the North West and British Columbia the Liberals also had a majority. Mr. Martin was defeated in Winnipeg, however, Mr. Hugh John McDonald being elected by a majority of 132. In the Maritime Provinces the Conservatives as usual obtained a majority but did not receive as large a one as was expected by many.

Among the Independents the most striking figures are those of Mr. D'Alton McCarthy, who scored a big victory in North Simcoe and was elected for a second constituency in Brandon, and Mr. John Ross Robinson, whose brilliant victory in East Toronto aroused a great deal of enthusiasm there on Tuesday evening. On the other hand, Col. O'Brien, who has so faithfully supported Mr. McCarthy, has been defeated. Mr. Laurier also has secured an election from two constituencies, through the returns from Saskatchewan are somewhat meagre. He received the large majority of 2,250 in Quebec East. The information received from Sir Charles Tupper's constituency says he has been elected but the majority has not been ascertainable as yet.

Toronto which has hitherto voted Conservative this election elected Osler and Clarke, Conservative; Lount, Liberal; and Robertson, Independent.

Hamilton elected two Liberals.

Mr. Innis who has represented South Wellington for some time was defeated by Mr. Kloeffer the Conservative candidate.

Among the Liberals who will be absent from the new House are Messrs. Patterson, Mills, Martin and Gilmour.

Hon. A. R. Dickey one of the late Ministers was defeated by the Liberal candidate in Cumberland, Nova Scotia.

### HALTON COUNTY ELECTION

The excitement in Halton County daily increased from the beginning of the campaign until by Tuesday night the culmination point was reached. Both Mr. Henderson and Mr. Waldie have been working with the determination to win and have been doing their utmost for some time past, each of them holding meetings at all the polling divisions and both parties prophesying victory. Mr. Henderson, however, was the man chosen and was elected with a majority of 122 an increase of 21 over last general election.

There are a few places with which there is some doubt connected as to the exact number but further reports are not expected to make more than a few votes difference. The poll throughout the county resulted as follows

| | HENDERSON | WALDIE |
|---|---|---|
| Acton | 82 | |
| Burlington | | 49 |
| Scotch Block | | 18 |
| Norval | 44 | |
| Stewarttown | 3 | |
| Dublin | | 11 |
| Thompson's Corners | 25 | |
| Glenwilliams | 62 | |
| Georgetown | | 64 |
| Milton | 10 | |
| Campbellville | 21 | |
| Brookville | | |
| Knatchbull | | 2 |
| Freeman | | 20 |
| Nelson Village | | 12 |
| Kilbride | | |
| Bell's School | | |
| Appleby | 4 | |
| Oakville | 9 | |
| Bronte | 6 | |
| Dromquin | 8 | |
| Postville | | |
| Munn's Corners | | |
| Palermo | 44 | |
| Bronte | | 14 |
| | 264 | 180 |
| Majority for Henderson | 84 | |

In Acton Mr. Henderson had a larger majority by 1 than at the general election. In Georgetown he gained 64 votes last election.

As soon as sufficient returns had been received here reporting in favor of Mr. Henderson to enable him to speak with confidence of his election he addressed the electors who were gathered together on the street to hear reports. In a few words he thanked the electors of Acton for their liberal support to him and for the large majority which they had given him. Mr. Henderson then left for Milton where he addressed a large gathering, returning to Acton somewhat later in the evening.

The following is a list of the men who won in Tuesday's contest as far as it

### SUMMARY

One lady last week at Wallaceburg, son of the late W. H. Dick, falling over a fence at the school, had her arm broken.

Mr. James Hume left last week for California. He was accompanied by Master Harold Earle, who goes to reside with his father, Rev. T. R. Earle.

Posters have been issued for the Fireman's Grand Demonstration on the first of July. Judging by the programme, the public can rely on a big day's sport.

As Master Fred White, in company with some other boys, was playing around the town hall the other evening, he ran against an iron bar, that was projecting near the weigh scales with such force that a gash, about an inch in length, was cut clear through his right cheek.

A lawn social, under the auspices of the Methodist Church, will be held on the grounds of P. J. Inglehart, Palermo, on Friday evening, June 26th.

Miss F. E. Dobson has passed her examination at Toronto University.

## A GLORIOUS AGE IN WHICH WE LIVE

We ought, more frequently, to cast our thoughts upon the marvellous achievements of the age in which we live. In the department of medicine alone there has been an advance all along the line, securing to mankind ever increasing exemption from pain and suffering.

Perhaps the discovery most important to that large class of sufferers known under the general designation of "Nervous" those people all run down in nerve and muscular force—is embodied in the preparation known to doctors as "Maltine with Coca Wine."

A builder up of nerve and muscular tissue is this as of buoyancy and nerve not, indeed, by a fitful galvanizing that speedily exhausts itself, leaving the last condition even more deplorable than the first. No! Maltine with Coca Wine gives the needed impetus to the flagging power of body and mind, strengthens the digestive organs, improves the assimilative functions, and sustains the vital forces until, by the improved conditions it brings about, the equilibrium of functions is restored and health renewed. Maltine with Coca Wine is sold by all druggists.

## ANOTHER BIG TRIUMPH.

### THE BOWMANVILLE NEWS INTERVIEWS MR. JOHN HAWKENS.

### And is Given Particulars of a Nine Years' Suffering From Asthma, From Which He has Been Restored to Health When His Case Was Looked on as Hopeless.

From the News, Bowmanville.

During the past five years the Dr. Williams' Pink Pills have developed into a household word, and from several cases that have come under our personal observation, there is not the least doubt in our minds but that they are a boon to mankind, and in scores of instances have saved life, when everything else had failed. The cure of Mr. Sharp, whose case we published some time ago, was one of the most remarkable that we have heard of. To-day he is as well as ever he was in his life, and is daily knocking about in all weathers attending to his farm duties. Recently another triumph for Pink Pills came under our observation, and, after interviewing the person cured, he gave permission to make the facts public, and we will give the story in his own words. Mr. John Hawkens, who resides in the township of Darlington, some ten miles north of Bowmanville, and whose post office is Enniskillen, came to the county from Cornwall, England, some 15 years ago, and up to the time of his sickness had always been a hard-working man. One day, however, while attending his work, he got wet, took a chill and a severe cold followed, which finally developed to asthma. During the succeeding nine years he was a terrible sufferer from that distressing disease and gradually grew so bad that he could not work, frequently spent sleepless nights, and had little or no appetite. Finally he could scarcely walk across the room without panting for breath, and would sit all day with his elbows resting on his knees—the only position which seemed to give him ease, and at one time he never laid down for six weeks. As it was a hardship for him to talk, all he asked was to be let alone. During this time he had been doctoring and had tried nearly everything, and spent over $100, but got no relief. Finally some one recommended him to take Pink Pills. He thought they could do him no harm at any rate, and procuring a supply he commenced taking them. After he had taken three boxes he found that he was improving, and after taking two more boxes, to the astonishment of all, he walked across the field to the woods and out up a cord of wood. He continued the pills and took two more boxes, making seven in all, and to day is as well as he ever was, but always keeps a box of Pink Pills in the house. The neighbors all began to ask him what he had done, as the asthma had left him, and they never expected to hear of him being well again. To one and all he tells that it was Dr. Williams' Pink Pills that did it, and has recommended them to scores of people since his recovery.

With such wonderful cures as these occurring in all parts of the Dominion it is no wonder that Dr. Williams' Pink Pills have achieved a greater reputation than any other known medicine. All that is asked for them is a fair trial and the results are rarely disappointing.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to pale and sallow cheeks. Men broken down by over work or worry will find in Pink Pills a certain cure. Sold by all dealers or sent by mail postpaid, at 50c a box, or six boxes for $2.50, by addressing the Dr. Williams Medicine Company, Brockville, Ont. or Schenectady, N. Y. Beware of imitations and substitutes alleged to be just as good.

## TEN THOUSAND LIVES LOST

### Japan Visited by an Earthquake and Tidal Wave—150 Distinct Shocks.

Yokohama, June 18.—Shocks of earthquake, accompanied by a tidal wave, have ravaged the northern part of Japan. The entire town of Kamaishi has been destroyed and 10,000 persons were killed. During 9 hours there were 150 distinct shocks of earthquake.

Yokohama, June 16.—Details show that 10,000 people lost their lives in the tidal wave and earthquake on the island of Yesso, the northern part of Japan. In addition to the town of Kamaishi, which was wholly destroyed, many other coast towns have been washed away entirely or in part.

Scorn no man's love though of a mean degree, love is a present for a mighty king much less make any man thine enemy.—Herbert.

## AN OCEAN STEAMER SINKS.

### 240 Persons Perish from a Mail Steamer from Cape Town.

Brest, France, June 18.—The British steamer Drummond Castle, Captain N. W. Pierce, from Cape Town, for London, collided at midnight with an unknown steamer and sank three minutes later with 111 passengers and 103 officers and crew on board.

Two men were picked up floating on some wreckage by fisherman off Ushant, near which point the steamer went down to-day, however, that some of the passengers and crew escaped in the boats.

The Drummond Castle belonged to the famous Castle Line of steamships, running between South Africa and London. She was of about 2350 tons register and was last heard of at Las Palmas, Canary Islands, on June 12, Friday last.

London, June 18.—The rumors about the office of the Castle Line steamships on Cheapside Street, to day, were most heartrending and the excitement increased this afternoon when the passenger list of the Drummond Castle was posted up. The list shows that there was an unusual proportion of women and children on board the sunken vessel.

## INCENDIARIES AT BRAMPTON.

### The Concert Hall Completely Gutted by Fire Last Thursday.

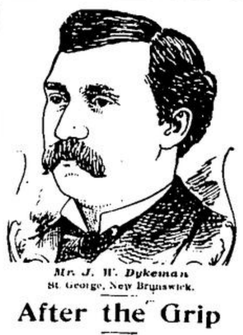
BRAMPTON, June 18.—Between twelve and one o'clock this morning the concert hall was discovered to be on fire. The building, which was an old one, was badly gutted. The fire was evidently started in the basement dressing room at the rear end by some person or persons unknown. The loss is fully covered by $1,000 insurance.

## IF WATCHES COULD TALK.

A base ball club captain would not be in it for kicking at the unpaid way they are used and abused by some of their owners. Just think of it sometimes they are made to run for several years, day and night, without any oil, and instead of the watch complaining the owner gets riled because it does not keep time to the minute. Some times they are hung up, sometimes laid down, sometimes one way and sometimes another, and yet they have got to keep good time or the watchmaker ha got to come in for a dressing down when the thought is real thoughtlessness on the part of the owner. A fall is not supposed to hurt them. Oh! no, don't you see how strong and heavy the case is? when that is the very thing which makes the fall do more damage, they fall so heavy and solid. They get knocked against the bedpost, struck with the plow handle, bruised in the back when you are carrying heavy stones. They are wound up one night at nine o'clock and another night at midnight. Their hands are set back an hour if you are sitting up with your sick and shoved forward half an hour to hurry up the supper time. But the watch must not go wrong itself, didn't I tinker it only a year or two ago. Yes boys but give me a chance, I have done my best to make your watch a time keeper, you help me to keep it so. If it does not go right after I repair it, let me try it again, but you do your part. Wind them regular and keep your pockets clean and every watch which I put in good running order will be a truthful time keeper if you give it a fair chance. I am a practical watchmaker of long experience and fond of my work. I will give any job you may entrust me with every possible attention.

GEO. D. PRINGLE,
Watchmaker, Guelph.

[illegible] father of the Emperor of China is dead.



Mr. J. H. Dykeman
St. George, New Brunswick.

## After the Grip

### No Strength, No Ambition

### Hood's Sarsaparilla Gave Perfect Health.

A big fighting letter is from a well known merchant tailor of St. George, N. B.

C. I. Hood & Co., Lowell, Mass.

"Gentlemen—I am glad to say that Hood's Sarsaparilla and Hood's Pills have done me a great deal of good. I had a severe attack of the grip in the winter and after getting over the fever I did not seem to gather strength, and had no ambition. Hood's Sarsaparilla proved to be just what I needed. The results were very satisfactory and I recommend this medicine to all who are afflicted with rheumatism or other

**Hood's Sarsaparilla Cures**

afflictions caused by poison and poor blood. I always keep Hood's Sarsaparilla in my house and insist when I need a tonic. We also keep Hood's Pills on hand and think highly of them. J. W. DYKEMAN, St. George, New Brunswick.

**Hood's Pills** are purely vegetable, and do not purge, pain or gripe. Sold by all druggists.

# The X-Rays

They claim to shrivel up disease germs but compared with the way we cause prices to shrivel up, they are mere novices. This is the way we do it, under our price shrivelling X-rays

# Hard at Work Every Day!

## PAINE'S CELERY COMPOUND RENEWED HIS LIFE.

### FARMER SMYE SAYS: "I AM A LIVING WITNESS."

Mr. George J. Smye, farmer, of Sheffield, Ont., writes as follows:

"It is with great pleasure that I testify to the value of your great medicine Paine's Celery Compound. For nearly two years I suffered from indigestion, kidney and liver troubles. After trying several medicines that did not effect a cure, I decided to try your Compound. Before using it I was so low in health that I could not eat or sleep. I could not lie in bed owing to pain in my back; it was only by resting on elbows and knees I was enabled to obtain a slight degree of ease. Before I had fully taken one bottle of your medicine I began to improve. I have now taken in all fourteen bottles with grand results. I am a farmer and am now working every day. Anyone may refer to me in regard to these statements, or to any of my neighbors around Sheffield, where I am well known. I am a living witness to the worth of Paine's Celery Compound."

The proprietors of Paine's Celery Compound have on file thousands of such strong and convincing testimonials from the best people in Canada.

No other medicine in the world could have met the requirements of Mr. Smye, as Paine's Celery Compound did. Sufferings such as Mr. Smye endured are not conquered by the common sarsaparillas, nervines and pills that are presented to the public for all the ills of life. Mr. Smye had made a trial of the majority of these advertised remedies before he heard of Paine's Celery Compound, and they failed to cure him. The moral taught by Mr. Smye's experience, and the past testimony of thousands of other people is, that kidney and liver troubles and indigestion can only be cured effectually by Paine's Celery Compound.

The great medicine Paine's Celery Compound, is as far apart from the guesswork remedies advertised as black is from white. In the judge of able physicians, the great medicine is the triumph of the century. They prescribe it for their patients, and carry it home to their own families.

Paine's Celery Compound is an able medical scientific prescription; it is a preparation that combines all the most approved ingredients that are so necessary for the making of pure and healthy blood and strong nerves. It keeps up perfect digestive action and vigor, thereby giving continued good health and strength of body.

If you are convinced that your condition of health demands the use of Paine's Celery Compound, avoid substitutes and the "something just as good" that many dealers recommend for the sake of profit.
