THE NEWS AT HOME.

Monthly of a Local Character, and Every Item Interesting.

Animals Astray.

Farmers who have any stray stock hanging about their premises, or who have lost any cattle or sheep, should promptly advertise them in the local paper. It is the proper thing to do and in the care of the FREE PRESS it costs but little and again saved a lot of trouble and expense.

Death of Mrs. Chas. Taylor.

A few weeks ago the home of Mr. Charles Taylor, Main Street, was a house of rejoicing and merry making, the occasion being the marriage of the eldest daughter To-day it is a place of mourning, the mother having departed this life on Monday morning. Shortly after the wedding Mrs. Taylor was taken seriously ill and has never rallied, but gradually grew worse, until death ended her sufferings. The family feel very keenly this heavy bereavement. The remains were laid at rest in Fairview Cemetery yesterday afternoon.

October Horse Sale at Georgetown.

The Georgetown Horse and Sale Association announce another horse sale for Friday, October 23rd. The Association are, at this early date, working vigorously to make the sale a success and are expecting buyers from Toronto, London, Hamilton, Montreal, Winnipeg and other places, who will be prepared to buy all classes of horses. The entry book is now open at Reid Bros'., Main St., Georgetown. Entries must be in by 12th October.

The Cancelled Midnight Train.

There is much dissatisfaction along the line of the G T. R. with the withdrawal of the midnight train. Councils and Boards of Trade at Stratford, Berlin and Guelph are taking action seeking from the railway authorities the restoration of the train. At the meeting of Guelph City Council on Monday evening the following resolution was passed. "Resolved that the chairman of the Railway Committee communicate with the General Manager of the G. T R., Montreal, urging the necessity of increased railway accommodation between Toronto and Guelph, and requesting that a train leave Toronto not earlier than 10 30 p. m. each evening except Sundays."

Died From Hemorrhage.

For several years Mr Frank Worden has been suffering from weak lungs. He taught school for a short time but found that the confinement aggravated his trouble and he was obliged to discontinue that profession. Latterly he has been working with his brother at farming and until lately his general health was fair, but the insidious disease consumption, had securely fastened itself upon his system and the result was inevitable. Frank was highly esteemed by those who knew him for his many excellent qualities. He was a sincere christian and proud to acknowledge the fact. He will be sadly missed in the circles in which he moved. The funeral will take place this afternoon at two o'clock to Fairview Cemetery.

Gospel Temperance Meetings.

There was considerable disappointment at the abrupt termination of the series of gospel temperance services announced to be held in the town hall this week by Mrs. Hitchcox, assisted by her daughter, Miss Irene. Meetings were held on Sunday afternoon and evening of a most interesting character. Mrs. Hitchcox's addresses were eloquent, pointed and forceful and were calculated to influence her hearers to adopt total abstinence with relation to the use of all intoxicants. Miss Hitchcox's elocutionary numbers and musical selections were of a high order and added much to the interest of the meetings. On Sunday evening after the service Mrs. Hitchcox was taken suddenly very ill, and on Monday it was found necessary, through medical advice, to terminate all present engagements and take a much needed rest.

News of our Churches

Rev Chas. A. Cook, of Bloomfield, N J, is invariably pressed into service when he comes to Acton to visit the scenes of his boyhood. Last Sunday he preached two earnest and impressive discourses. In the afternoon he occupied the pulpit of the Baptist Church and in the evening he preached in the Methodist Church. His former schoolmates especially are pleased to have the opportunity of hearing him.... On Sunday morning Rev. James Kestle, of Rockwood, preached a stirring sermon in the Methodist Church. Rev. Mr. Howell took part in the anniversary services at Crewsons Corners in the morning.... Rev. Father Lehmann, who is supplying at St. Joseph's Church in Rev. Father Haley's absence, conducted the semi-monthly service on Sunday. His ministrations are very acceptable to the congregation Rev Mr Gilpin preached a sermon in the Brick Church on Sunday afternoon appropriate to the harvest festival. The harvest home supper and entertainment last evening was quite a success.

The Halton-Peel Championship

The base ball season is over It has afforded much interest for the sporting fraternity Many well contested games have been played in the Halton Peel league and Acton team has put up very creditable ball throughout the season. At the outset they met with great success and until half through the season won nearly every game. Then Milton braced up and at the end of the ten matches the teams were tied The final game for the championship was played at Georgetown on Tuesday when Milton defeated Acton by the following score:

	1 2 3 4 5 6 7 8 9	R	H	E.
Milton	0 1 0 3 1 0 0 1 3	11	15	5
Acton	1 3 0 0 0 0 0 0 1	5	17	4

As will be seen Acton had the lead and the best of the game up to the eighth innings, when Milton tied them, and in the ninth won the game. One costly error gave the championship to Milton. It was an interesting match and was witnessed by a large crowd of spectators. Glick, of Toronto, umpired with complete satisfaction The season's games were played as follows

	won	lost
Milton	7	2
Acton	6	3
Brampton	0	8

A NOTABLE SUCCESS.

The *Family Herald and Weekly Star*, of Montreal, is away high up amongst the great newspaper successes of the present century. For farmers and farmers' families the *Family Herald and Weekly Star* seems simply indispensable, and judging from the enormous number of farmers who take it, we should think most wide awake farmers are alive to the extraordinary value of the paper. But the *Family Herald's* pages will bear close scrutiny, and will be found to be chock-full of amazing interest *for everybody.* Amongst things Canadian that are remarked by shrewd foreigners the *Family Herald and Weekly Star* certainly comes in for a large share of notice

THEIR GOLDEN WEDDING.

Rev. R. B. Cook and Lady Commemorate Their Fiftieth Wedding Anniversary.

COOK—KELSEY—At the residence of the bride's mother, on Wednesday, September 23rd, 1846, by the Rev. Joseph Clutton, of Dundas, R. B. Cook, of Brooklin, Canada West, to Sarah Elizabeth, daughter of Mrs. William Kelsey, of Flamboro Wentworth County.

The husband and wife who are spared to each other for half a century have reason for devout gratitude to a kind Heavenly Father that they have for so long been permitted to minister to each other and to participate in the joys and sorrows incident to the home. Rev. R. B. Cook and his estimed partner in life have been thus favored and on Tuesday their home on Fairview Avenue was the scene of a joyous celebration.

Robert Brisbane Cook and Sarah Elizabeth Kelsey were married on September 23rd, 1846, at the residence of the bride's mother, Mrs Wm. Kelsey, in the township of Flamboro, about four miles north of Hamilton. Rev. Joseph Clutton, of Dundas, performed the ceremony.

Their first home was in Brooklin, Whitby.

After several years in colportage work Mr. Cook was ordained into the Baptist ministry. It is an interesting fact that the ordination service took place in the old Presbyterian Church in Acton. Rev. Mr. Cook remained here about four years as pastor of the Baptist Church. He afterward served the churches in Arthur, Sullivan and Cape Rich. In these fields much pioneer work was done in what was at that time a newly settled country

About twenty-nine years ago the family returned to Acton, where the parents have since resided.

There have been eleven children in the family, eight sons and three daughters Five sons and one daughter are still living. All are married and there are eighteen grandchildren living, four others having died. Three of the sons are residing in the United States, Rev. Chas. A. Cook in Bloomfield, N J, Judson W and John R. Cook in Spokane, Washington.

The golden wedding brought together a happy gathering on Tuesday and Rev. and Mrs. Cook received many congratulations.

The following were present: Mr Henry H. Cook and wife, of Chicago, Ill., Mr Robert Grout and wife, Georgetown, Rev. O. G. Langford, B A, and wife, Georgetown; Mr. E. K. Cook and family, of Palermo, Rev. Chas A. Cook, Bloomfield, N J, Mrs John R. Cook, Spokane, Wash., Mr Wm Gripps and family, Acton, Mr W W. Cook and daughter, Hamilton.

Greetings were sent from many friends and relatives, the Acton Baptist Church sending a special message of congratulation and esteem.

The occasion was made memorable by a special address of affection and esteem presented by the children accompanied by a purse of gold, and by a review by Rev Mr. Cook of his married life Rev Mr Langford and others spoke kindly words of warm friendship and congratulation. Rev. Mr. Cook's fellow citizens add their tribute of congratulation The family has proved themselves worthy citizens and have always deserved and received the esteem of the community. May they still be spared for many years to come.

ICE CREAM MADE IN A MINUTE

I have an Ice Cream Freezer that will freeze cream perfectly in one minute, as it is such a wonder a crowd will always be around, so anyone can make from five to six dollars a day selling cream, and from ten to twenty dollars a day selling Freezers, as people will always buy an article when it is demonstrated that they can make money by so doing The cream is frozen instantly and is smooth and free from lumps. I have done so well myself and have friends succeeding so well that I felt it my duty to let others know of this opportunity, as I feel confident that any person in any locality can make money, as any person can sell cream and the freezer sells itself. J. F. Casey & Co., 1143 St. Charles St., St. Louis, Mo., will mail you complete instructions and will employ you on salary if you can give them your whole time Geo B.

Merit

Made and Merit Maintains the confidence of the people in Hood's Sarsaparilla. It's medicine cures you when sick. It makes wonderful cures everywhere, then beyond all question that medicine possesses merit.

Made

That is just the truth about Hood's Sarsaparilla. We know it possesses merit because it cures, not once or twice or a hundred times, but in thousands and thousands of cases. We know it cures, absolutely, permanently, when all others fail to do any good whatever. We repeat

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier.

Hood's Pills cure nausea, indigestion, biliousness. 25 cents.

Dress Goods AND Dress-Making

To day our Dressmaking rooms open for the fall season. Our manager has been away visiting leading centres of fashion and as usual will be able to supply her many customers with the newest and prettiest. Our stock of materials has had large additions during the past week. To say that it is complete would not be stating an exact fact, for our Dress Goods stock is never complete. We are all the time adding. Not a week but brings us fresh ideas. But to say that it is enormous, and we think away beyond anything you will find in the city, is what we believe to be a fact. It takes pluck to buy some of the lines, in point of quantity and novelty that we buy. Only a first-class trade like this could do it. Our study has always been to offer our customers the newest Dress Materials that are shown. Our intimate connections in the old country with the best makers and dealers offers us a wide field for our selections. We use this wisely. Don't fear that you must necessarily go to an extravagant price. Our low priced goods show the same good taste and correct styles as do our high priced and most select materials. We ask every lady to see our Dress Goods stock which will be shown gladly and without undue pressure to buy. It's a treat to see a stock.

Remember we deal only in Dry Goods. We study the Dry Goods trade and leave other branches alone. We sell Dry Goods to perfection.
