THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

America's First Dwellers.

"The Aborigines of America," is the subject for study in the Baptist Young People's Union on Friday evening. It will be treated by Rev. W. S. McAlpine, B. A., who will give an interesting sketch of the origon, characteristics and general life of the Indians of America. At the close a number of Indian relics will be exhibited. The public are very cordially invited.

A Pastor's Home Burglarized.

The daily papers give the following particulars of a burglar's work at Hamilton:—"The residence of Rev. T. Albert Moore of Zion Tabernacle, was entered Sunday night, while he was conducting services in his church, and a lady's watch, two chains, a bracelet and two rings, all of solid gold and valued at $150, were stolen. The watch was a present from Mr. Moore to his wife, and contained the date, "June 22, 1897"; also the words, "From Albert to Annie."

The 20th Batt. "Lorne" Rifles.

The grant of $125 by the County Council last Tuesday to the 20th Batt. "Lorne" Rifles was given on the representations of the deputation of officers that the money would be required to assist in defraying the expense of providing the non-commisioned officers and men of the corps with a regimental cooking outfit and dining marque at the camp at Niagara next June. It may be taken for granted now that the scheme will be carried out, and if so, the Halton regiment will be the first Canadian rural corps to adopt the proposed new system.—*Champion.*

Another Pioneer Called Home.

Another old pioneer has passed away in the person of Mrs. Wm. Michie, who lived on the town line of Esquesing and Nassagaweya. She died on Tuesday, 7th inst., from paralysis following la grippe. Deceased's maiden name was Ann McNaugton. She was born in Lister, Livingstone Co., N. Y., in 1819, and consequently was in her 81st year. For many years she lived on the homestead and her husband, the late William Michie, was particularly well known by the early settlers. One son Malcolm, on the homestead, and four daughters—Belle, at home; Maggie, in Hamilton; Mrs. George Michie, in Nassagaweya, and Mrs. Archibald Maddaugh, Guelph survive her. The funeral took place on Thursday last to Fairview Cemetery, Acton. Rev. Mr. Blair conducted the services. The pall-bearers were M. Chisholm, J. Chisholm, W. Hampshire, D. Campbell, J. McGibbon and J. Logie.

A Free Trip To Toronto.

For a month past Edward Sharp has been in St. Joseph's Hospital, Guelph, for treatment for blood-poisoning. He returned to Acton last week and Thursday evening was in Dr. Forster's surgury having the wound dressed when County Constable Lawson called and after a brief interview took Sharp away with him and he was taken to Toronto by Detective McGrath on the 10.15 train. Sharp is the husband of Rose Sharp, who served six months in the Mercer Reformatory for attempting to secure money under false pretence of supplying valuable information to Mr. H. R. Frankland and Mr. William Lount, Q. C., candidates in the Dominion Parliamentary elections two years ago. It will be remembered that while the woman was caught, her husband, who assisted her, escaped and has since eluded capture. The charge against him is conspiracy to defraud. He has been working here for several months and living with his mother on Guelph Street. The family have moved to Toronto this week.

NASSAGAWEYA.

James Harmer purchased a farm from John Cockburn of Puslinch and moved on Thursday last.

Geo. T. Ramsay, formerly of Nassagaweya, moved to his farm near Aberfoyle last week.

John Smith and family left for the North West on Tuesday. We wish him success in his undertaking. On Friday evening last a number of Mr. Smith's friends and neighbors gave him a surprise by presenting him with an an address and a well-filled purse, and Mrs. Smith a set of dishes, previous to their departure for the west. This shows the high esteem in which they are held in the neighborhood. A pleasant evening was spent.

Mr. James Boocher, of Esquesing, has rented the farm lately occupied by R. H. Wilson near Knatchbull and moved last week.

John Clark moved on the farm of Wm. Anderson, near Knatchbull last week.

Mr. Geo. T. Locker and family, of Knatchbull, moved to Acton on Tuesday last. He has secured a position in the tannery there.

The spring birds were singing gayly on Sunday morning, an indication that spring is not far distant.

CREWSON'S CORNERS.

Mr. Wm. Swackhammer removed to his farm in Esquesing last week. He has resided in this vicinity for the past three years and his departure will be much regretted by all.

The many friends of Miss Addie Lasby will be pleased to learn that she has recovered from her recent illness.

Mr. John Coleman was in Hamilton last week.

Mr. Robert Gibbons has been ill during the past week. He is slowly recovering.

Mrs. Robt. H. Allan, of Acton, visited at Mr. J. Gamble's last week.

Many an ignorant man is credited with superior intelligence simply because he doesn't try to show it.

And now the hat manufacturers are forming a trust and the combine is pretty sure to come to a head.

DEATH OF MRS. JOHN R. BARBER.

Following a Critical Operation at St. John's Hospital Toronto, Last Tuesday.

During the winter Mrs. Barber, wife of John R. Barber, M. P. P., suffered from a severe attack of la grippe which left ailments of a serious character. With a view to relief Mrs. Barber was taken to St. John's Hospital, and on Tuesday of last week an operation was performed. From the effects of the operation Mrs. Barber never rallied. She gradually sank until Thursday night when in the presence of her heart-broken husband and children her spirit took its flight.

The remains were brought to Georgetown and conveyed to the family residence on Friday and on Saturday afternoon one of the most largely attended funerals ever held in the county took place.

Mrs. Barber was held in highest esteem by the people of Georgetown and all who knew her, and the sudden death came as a severe shock to her many friends. Deceased was a daughter of the late Francis Barclay, Registrar for the County of Halton, and had spent her life in Georgetown. She was forty-eight years of age. A family of three sons and two daughters survive her, and they mourn the loss of a devoted mother.

During the funeral hour all places of business in the town were closed. The chief mourners were Mr. John R. Barber, M. P. P., and Messrs. Frank, Bert and Ray Barber, sons; Mr. Wm. Barclay, of Georgetown, brother; Mr. R. L. Hemstreet, Milton, brother-in-law; and Mr. John Barclay, of Oakville, uncle. Attached to the one o'clock train from Toronto was a special car, in which were the following gentlemen from the city:—Messrs. Robert and Walter Barber, of Toronto, and Dr. Barber, of Mimico, cousins; Messrs. S. F. McKinnon, J. F. Ellis, Jas. Dale, C. F. Mansell, G. E. Challis, Jos. Williams, Richard Brown, Edward Trout, John Waldie, John Flett, Neil McCrimmon, W. B. Ryrie, A. Nairn, S. Frank Wilson, R. G. McLean, Lud K. Cameron, T. J. Clarke, E. E. Shephard, James Murray, Atwell Fleming, D. A. Rose, John Pugsley, F. Denton, R. L. Patterson, R. Brown and W. Stone, and Messrs. W. H. Young, C. B. Patterson, and Thos. A. Reynolds, of Oakville.

The funeral services at the residence and the grave were conducted by Rev. H. E. Mason, pastor of the Congregational Church, assisted by Rev. Messrs. Perrin, McAlpine and Vesey of Georgetown, and Rev. T. H. Rogers of East Toronto, a former pastor.

The heartfelt sympathies of all are extended to the family bereft.

LIMEHOUSE.

Mr. William Newton delivered a fine thoroughbred Durham bull to Mr. James McCulloch, Rockwood, on Monday. The animal had a registered pedigree and brought a good figure. Mr. Newton's reputation as a stock breeder is widely known. Last week he received a letter from Antigonish, N. S., where one of his animals had gone last year, asking if he could supply another of equal merit.

What might have been a very serious accident occurred to Mr. John Nickell while felling a tree in his father's bush last week. In some way the tree while falling, caught Mr. Nickell under it. When taken out he was unconscious and remained so for two hours. At the time it was thought he was badly hurt but after farther examination it was found that in some way he had escaped with only a very badly bruised shoulder.

Miss McTavish who has been visiting at her uncle's, Mr. Paul Kennedy's has returned to her home in Iowa.

Lately our little village has put on quite as busy a look as any of our neighboring towns. With the lime kilns at work, and geting the large ship timbers drawn to the station ready for shipment, and a constant string of people coming and going to our new grocery store, managed so well by Mr. McDermid, things do look busy. All we need to make it complete is a good factory of some kind, for which there is a good site and water power, now standing idle.

On Thursday Miss Mary Lindsay gave an afternoon tea to the Ladies of the Foreign Missionary Society. Quite an enjoyable afternoon was spent.

We are sorry to report the death on March 2nd of Mrs. George Proctor of this place. Although she had been an invalid for some years, she was never heard to complain. She was a member of the English church, Georgetown, and a constant attendant when able.

Mr. John Lane is not improving as fast as we would like. However we hope to see him around again soon.

The farmers in general around here looked more cheerful last week with the good sleighing. They spent a busy week drawing in wood to the kilns.

CURED OF RHEUMATISM BY THE GERMAN REMEDIES.

SWORN STATEMENT.—I hereby state under oath that I have been troubled with rheumatism for years, and for the past six months was unable to get out of my chair, without the aid of crutches. I was persuaded to try the German Remedies and, after using the herbs and Oil for three weeks, I am able to walk without my crutches and do my daily work. German Remedies have done for me what all others failed to do,

ROBBED THE GRAVE.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cents a bottle, every bottle guaranteed, at J. D. McKee's drug store.

Could not express the rapture of Annie E. Springer, of 1125 Howard St., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praise throughout the universe." So will everyone who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 50 cents and $1.00 at J. D. The People's Faith

Firmly Grounded Upon Real Merit —They Know Hood's Sarsaparilla Absolutely and Permanently Cures When All Others Fail.

Hood's Sarsaparilla is not merely a simple preparation of Sarsaparilla, Dock, Stillingia and a little Iodide of Potassium. Besides these excellent alteratives, it also contains those great anti-bilious and liver remedies, Mandrake and Dandelion. It also contains those great kidney remedies, Uva Ursi, Juniper Berries, and Pipsissewa.

Nor are these all. Other very valuable curative agents are harmoniously combined in Hood's Sarsaparilla and it is carefully prepared under the personal supervision of a regularly educated pharmacist.

Knowing these facts, is the abiding faith the people have in Hood's Sarsaparilla a matter of surprise? You can see why Hood's Sarsaparilla cures, when other medicines totally, absolutely fail.

Mandscheuri Barley!

A Six-Rowed variety, imported from Russia, and for earliness, yield, and freeness from rust, is superior to all the Barley heretofore grown. The heads are about three inches long and very compact.

Ontario Agricultural College report says:—"Among thirty varieties of Barley which have been grown in the comparitive tests for the past five years the Mandscheuri stands at the head of the list in yield of grain per acre."

It is not at this station alone that this variety has done so well, but all over the province generally it has made an excellent record. In no single test was it surpassed by another variety. Our seed is an extra fine sample and very clean.
