SENTIMENT AND SENSE.

Nothing is so good as it seems before hand.

The eyes of other folks are the eyes that ruin us.

There is no killing the suspicion that deceit has once begotten.

Books are embalmed minds. Fame is a flower upon a dead man's heart.

Happiness and unhappiness are qualities of minds, not of place or position.

A propensity to hope and joy is real riches; one to fear and sorrow, real poverty.

True wit is like a diamond; it may sparkle, but never shines; is worn but never wears.

'Tis with our judgments as our watches; none are just alike, yet each believes his own.

In matters of conscience first thoughts are best; in matters of prudence last thoughts are the best.

The yoke a man creates for himself by wrong doing will breed hate in the kindliest nature.

Perfect love has a breadth of poetry which can exalt the relations of the least instructed human beings.

If one marches abreast with obstinate men, who will rush on guns and spikes, he must share the consequence.

He who does not look out for himself knows not the world. He who does not look into himself knows not men.

A head properly constituted can accommodate itself to whatever pillows the vicissitudes of fortune may place under it.

Words are messengers of good or evil—spiritual forces—angels of blessing or cursing. Uuttered we control them; uttered they control us.

The blessing of a house is goodness. The honor of a house is hospitality. The ornament of a house cleanliness. The happiness of a house is contentment.

If all men were to bring their misfortunes together in one place, most would be glad to take their own home again, rather than take a portion out of the common stock.

A bird upon the wing may carry a seed that shall add a new species to the vegetable family of a continent; and just so a word, a thought, from a living soul, may have results immeasurable, eternal.

March winds never made the buds blossom—only April showers. It is not the father's severity, but the mother's love, that makes the child regret the wrong that it has done, and resolve to do better.

It is not education that gives to the artistic eye power, but it can give it quickness and accuracy of execution. So the word-painters are not the men of most languages, but of keenest perceptions, and that instinct of utterance that snatches at the right word and sets it, flashing and scintillating, in the right place.

Read and Learn for Yourself.

Many valuable discoveries and much useful knowledge is kept from the world, because of the immense expense in making them known to the people. This is not the case with Boschees German Syrup, although but a few years introduced into this country, its sale now reaches in every town and village in the United States and Canada. Its wonderful success in curing Consumption, severe Coughs, Pneumonia, Asthma, and all other diseases of the throat and lungs, was first made known by distributing every year, for three years, over 400,000 bottles to the afflicted, *free of charge*, by Druggists. No such a test of merit was ever given before to any other preparation. Could you ask more? Go to your Druggist and get a bottle for 75 cents and try it. Sample bottles 10 cents.

Rev. A. Webster, editor of the *Christian Era*, writes: "I have used Davis' Pain Killer for many years in my family with much satisfaction.

I have derived much benefit from using Fellows' Hypophosphites in chronic constipation. JOHN B. MOORE, Forest City, Montana.

BEARDS FOR THE HAIR.—Use it once and you will have no other. Price, 50 cents per bottle.

ECLECTICITY! THOMAS' ECLECTRIC OIL! WORTH THE TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back, of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical: J. Collard, of Sparta, Ont., writes: "Send me 6 dozen Dr. Thomas' Eclectric Oil. I have sold all I had from you, and want more now; its cures are truly wonderful."—Wm. McGuire, of Franklin, writes: "I have sold all the agent left; it acts like a charm—it was slow at first, but takes splendidly now."—H. Cole, of Ione, writes, "Please forward 6 dozen Dr. Thomas' Eclectric Oil; I am nearly out; nothing equals it."—J. Bedford, Thamesville, writes, "Send me at once a further supply of Eclectric Oil; I have only one bottle left. I never saw anything sell so well and give such general satisfaction."—J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it."—Miller & Read, Elverton, P.Q. write, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop and Lyman are blown in the bottle, and *take no other*. Sold by all medicine dealers. Price 25 cents. NORTHRUP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE. *Eclectric*—Selected and Electrized.

MANY who have been relieved of Rheumatism, Sciatica, and various other pains in the kidneys, Breast or Side, believe it is solely done by the electrical qualities which MITCHELL'S POROUS PLASTERS contain, and which is imparted to the system, thus restoring them to a healthy condition. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs, Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption. Prepared by GEORGE B. MITCHELL, Lowell, Mass., and sold by all Druggists. NORTHROP & LYMAN, Toronto, General Agents.

PETITTE'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lacrymal glands, film and weakness of the vision from any cause. It is the most simple, safe and effectual remedy ever discovered. The materials of which it is made are pure, perfectly costly, compounded with elaborate care and exactness, safe in its application, being used externally, and, of course, avoiding the pain and danger which necessarily attends the introduction of caustic minerals and eye washes. Sold by all druggists. Northrop & Lyman, Agents for Canada.

A CARD.

To all who are suffering from the effects of indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, Station D, New York City.
