In addition to the sum of $100,000 which has been deposited in CASH with the Canadian Government for the exclusive benefit of Canadian Policy-holders, the Directors have decided to invest in first-class Canadian Securities the whole of the earnings of this Branch, which, from the fact of a higher rate of interest being obtainable in Canada, will enable the Company to reduce very materially its

CATARRH.

The Constitutional Remedy.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Constitution. It struck at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and what is remarkable, curing not only the Catarrh, but all other ailments at the same time. This is what it always does. The following statements are only samples of what we are constantly receiving, from well known people to whom you can write, and not bogus ones. Catarrh and its attendant evils, cold in head, hacking cough, incipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weakness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Littlefield's Catarrh Remedy.

T. J. B. HARDING, ESQ.,
Brockville, 12th Feb, 1876.

My Dear Sir,—I can carefully endorse, from my own experience, the favorable account of the Constitutional Catarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take proper care of my self in bad weather.

Yours respectfully, C. W. VOLNEY.

T. J. B. Harding, Esq.

Brockville, Feb. 9, 1872.—Sir: Having had Catarrh for a number of years, and having tried nearly all the remedies advertised that promised relief or cure, without the desired result. I came to the conclusion that it was useless in trying to cure the disease. I was advised last fall to give the "Constitutional Catarrh Remedy" a trial, and did so, with very little faith as to the result. But I am happy now to say, that after using three bottles, I am entirely cured and do not feel as if I ever had Catarrh. I also cheerfully recommend it to all those that suffer from that disease, and am satisfied that if they will only try one bottle, it will need no other recommend, and will convince the most sceptical.

Yours Respectfully,
JOHN C. BANN,

LIFE INSURANCE THEORIES, TESTED BY HARD TIMES, HAVE PROVED TO BE TRUE.

1. During the last twenty-four months business men have been compelled to give most of their time and energy to save their business from ruin.

2. This proves that the value of money invested in commercial pursuits is, to a great degree, contingent upon the life of its possessor. Your estate, as a whole, deprived of your personal management, must shrink in value from the moment of your death.

3. Since, therefore, your business and most of your investments will be of less value to morrow if you are dead, than to-day while you are living, it is evident that your life should be fully insured. The hardness of the times, instead of furnishing an excuse for delay, should add weight to the arguments in favor of immediate insurance, for if it is hard for YOU to pay a premium now how much harder would it be for your family to support themselves, in these times, if you were dead.

4. Then before your health becomes impaired, discharge this duty which you know you owe to your family. The feeling that your family and old age are provided for,—no matter what may happen,—will afford you permanent comfort, which an equal amount of money laid out in any other way could not purchase.

BE CAREFUL,

When you have made up your mind to Insure, that you invest in none but a First-Class, Economical Company. That there are first rate, and second rate, and third rate Companies, and Companies not worth rating, seeking business in Canada, must be apparent to all. The British Board of Trade have established the following rule: "TAKING INSURANCE AS IT EXISTS, THE PUBLIC CANNOT BE MISLED IF, WHEN SEEKING AN OFFICE IN WHICH TO EFFECT AN INSURANCE, THEY SELECT ONE WHICH TRANSACTS ITS BUSINESS AT A SMALL PER CENTAGE OF WORKING COST."

The following figures shew the "per centage of working cost," or working expenses per $100 of income, on the part of 15 of the Companies doing business in Canada, compared with the ÆTNA LIFE:—

Five largest Canada Companies	$35.36
" of the American "	27.50
" largest American "	10.78
The ÆTNA LIFE Ins. Company	8.58

The above figures shew the real cost of being insured in the different Companies. ☞ When you are asked to Insure by any Agent, see that he writes your application on the form of the

Ætna Life.

If he has none, write for a set of papers to

AN EVENING HYMN.

The day is done!
I thank Thee, Lord, alone.
'Tis evening, and I cry,
O Saviour, be though nigh!
This night from sin, me keep,
Preserve me while I sleep.

The day is gone!
I bless Thee, Mighty One.
'Tis evening, and I cry,
O Saviour, be Thou nigh!
This night from ill me keep,
Preserve me while I sleep.

The day is gone!
I praise Thee, Holy One,
'Tis evening, and I cry,
O Saviour, be Thou nigh!
This night from blots me keep,
Preserve me while I sleep.

Light to these afford,
O Christ, my God and Lord!
Dispel my soul's death gloom,
Lest I should sleep in death the day—
Lest my great foe should boast and say,
have him overcome!

Defend my soul, O God!
For snares beset my road.
Thou art my help alone.
Deliver me from sin and fear.
Preserve me in my peril here,
O good and gracious One!

JUST LIKE ED.

The San Francisco papers tell the following concerning the great impersonator of Hamlet. "Edwin Booth is proverbially opposed to having his private trumpet blown, but a little incident of his overland trip is too good to be lost. It seems that in the same parlor-car with the tragedian and his family was a lady more remarkable for the loudness of her style than for her refinement. She repeatedly stated that she would give $100 to kiss Booth. At Omaha a poor emigrant attracted the attention of the travelers as they returned to the car after dinner. He had started for California, but had been robbed while asleep. Booth's eyes fell upon his gorgeous admirer, who was standing near. He went up abruptly to her and asked, 'Did you say you would give $100 to kiss me?' she replied 'I did,' and opened a purse confidantly. He passed his arms around her neck and giving her a sounding smack, held out his hand for the fee. This was given. Booth wheeled around and forced it into the emigrant's hand."

How to Make Money.—A horse dealer residing in the vicinity of New York market, purchases "Darley's Condition Powders and Arabian Heave Remedy," by the dozen and feeds it to his horses; he says it is superior to anything that he has ever used as a condition medicine, that the horses are so much improved by its use as to sell more readily and command higher prices. Two other horse dealers, one residing at Huntingdon, the other at Glen Cove, L.I., also purchase it by the dozen and for the same purpose: those men, as well as many others similarly engaged, know too well the value and importance of this medicine ever to be without it.
