THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

Increased Pay to Section Men.

The management of the Grand Trunk Railway announces, taking effect on April 1st, an increase in the pay of section foremen on its lines in Canada of ten cents a day, and in the case of all trank laborers, who are at present receiving one dollar a day. The increase will effect a large majority of sectionmen on this portion of the system.

More Help For the Patriotic Fund.

The *Globe* acknowledges the following subscriptions to the patriotic fund "From a few friends at Acton," received on March 8rd: J. A. McCraill $5.00, Geo. Havill $5.00, W. A. Storey $5.00, John Mitten $1.00, A. J. McKinnon $1.00, J. R. Kennedy $1.00, J. H. Pearson $1.00, R. J. McNabb $1.00, W. Speight $1.00, Joseph Leahy $1.00, John Clark $1.00, Fred Eastwood 50c., J. J. Lawson 50c., Master Frank R. Havill 25, Total, $29.25.

An Error Corrected.

The Milton *Champion* says: "We wish to correct a mistake in the issue of a couple of weeks ago. In the report of the meeting of the Rural Deanery of Halton at Lowville in February it was said that the 'Rev. W. P. Sparling was elected secretary, vice Rev. W. K. Godden, of Acton, who was prevented by illness from attending the meeting.' It should rightly have been said that the 'Rev. C. P. Sparling was elected Secretary, pro tem, vice Rev. J. K. Godden.'"

Immense Shipment of Goods.

The FREE PRESS is in receipt of a copy of the Winnipeg Daily *Tribune* in which particulars are given of the shipment last week by special train of forty car loads of of hardware to customers west of Winnipeg, by Mr. J. H. Ashdown, wholesale and retail hardware merchant, Winnipeg. The train was hauled by two engines and the cargo was composed of miscellaneous hardware and was valued at between $60,000 and $70,000. Mr. Ashdown is uncle of Mr. Charles Goodeve, who occupies a situation in this colossal establishment, and who is at present visiting his parents here.

Masonic Supper Monday Evening.

An enjoyable oyster supper was held at the Dominion hotel on Monday evening, the occasion being the visit of R. W. Bro. F. A. Latshaw, of Dundas, D.D.G.M. A large number of visiting brethren from Georgetown Lodge were present, as was also P. M. Bro. J. F. Uren, M. D., Toronto. Mr. W. D. Frick, W.M., occupied the chair. The usual patriotic and fraternal toasts were drunk and almost enjoyable evening is reported. About forty sat down to the tempting menu provided by Mr. and Mrs. Agnew. The opportunity was also taken by the brethern of saying goodbye to Bro. R. G. Campbell, who removes this week to the Sault.

Important Sale of Thoroughbred Stock.

Messrs. Kinnard Bros., of the second line, two miles south of Acton, have been disposing of their real estate, and have arranged to make a clearing sale of their stock, etc., on Wednesday, 28th inst. The stock embraces a very fine herd of registered thoroughbred short-horn cattle, which are likely to attract a number of stockmen to the sale. The herd includes Rose of Acton, 1893; Nelly Gray 1893; Red Rover 1894; Rose, 1896; Lady Jane 2nd, 1897; Red Cherry 2nd, 1899; Daisy, 1899; Lady Anne 1899; and Lord Roberts 1899. The stock has the reputation of being of a first-class milking strain. Messrs. Kinnard Bros. are about to retire from farming. They will be cordially welcomed as future citizens of Acton.

The Funeral of the Late Morley Bryers.

The remains of the late Morley Bryers arrived from St. Paul by the Saturday morning train. Mr. Fred Bryers, brother of deceased, went to St. Paul and accompanied Mrs. Bryers and babe and nurse here. A funeral service was held at the home of Rev. Wm. Bryers on Saturday morning by Rev. J. A. McLachlan, M. A., assisted by Rev. H. A. Macpherson. The remains were taken to Napanee on the Monday morning train for interment in the family plot there. Mr. Fred Bryers, Mrs. Bryers, jr., and Mrs. Bryers, sr., went with the remains. Mrs. Hartle, of Niagara Falls, and Mrs. Robinson, of Kingston, arrived here last Thursday and spent several days with the friends here. The floral tributes sent by the officers of the Northern Pacific R. R. and other friends were magnificent.

A New Business Block for Acton.

It is stated on good authority that the Steel property, opposite the post office, has been purchased from the trustees of the Baptist Church, at a good price, and that operations for the erection of a first-class business block will be commenced as soon as spring opens. The gentleman who has purchased the property has had experience in the erection of business properties and intends the new block here to be modern and up-to-date in all its appointments. It is proposed that the ground floor be planned for three stores. The option for the corner store is held by Mr. Wallace, Manager of the Merchants Bank, and will probably be fitted up as premises for the bank. The other two stores will accomodate a dry goods and a drug store. This block will no doubt be the precursor of other business blocks and the consequent, much needed improvement of our mercantile business places.

Farewell to Mr. and Mrs. R. G. Campbell

The officers of Knox Church Sunday School and Christian Endeavor Society met last Thursday evening to wish Mr. and Mrs. R. G. Campbell God-speed in their removal to Sault Ste. Marie, Ont. After a brief but very timely address by Mr. Wm. McPhail, Superintendent of the Sunday School, in which he expressed the loss felt in the removal of Mr. and Mrs. Campbell, who had been energetic workers, he wished them success in their new home. Mr. J. J. Lawson then presented them with beautifully bound volumes of Scott and Longfellow and added a few words of appreciation. Short speeches were made by Messrs. John Cameron and J. R. Kennedy. Mr. Campbell, in behalf of Mrs. Campbell and himself, thanked the donors for their beautiful token of esteem. He said that the three years he had spent in Knox Church had been very pleasant ones and in his removal he felt that Providence was in the matter and there would be work for them to do for the Master in their new home. In closing he said that both Mrs. Campbell and himself would welcome any visitors from Knox Church to the Sault, in fact anyone coming from Acton would be welcomed. Mr. Campbell was also made the recipient on Sunday of a beautiful volume from his Sunday School class of girls.

—Pte. J. Cahill, of the 20th Battalion, has enlisted at Toronto for garrison duty at Halifax.

—Hager's Store with post office and dwelling at Palermo, were destroyed by fire last week.

NEIGHBORHOOD NEWS.

NASSAGAWEYA.

Mr. Peter Bayers arrived home on Monday from the General Hospital, Guelph, where he had spent a month or more. He is feeling remarkably well and says he's like a new man.

Dr. A. P. Husband, V. S., arrived home from Fort Plains, N. Y., last Friday. He has spent the winter with Dr. W. J. Darby assisting him in his practice there.

On Friday last Mr. Hugh Eveleigh, of Nassagaweya, received a cablegram stating that his brother, Major Eveleigh, of Her Majesty's 52nd Oxford Light Infantry, and in command of five companies of mounted infantry of the Sixth Division, under General French, had been taken prisoner by the Boers along with the whole of "E" division, and were at Pretoria. Major Eveleigh had lately resigned his position as Military secretary to Sir George Wolseley, commanding the Madras Presidency of India.

MILTON.

Mr. J. Roedler, tanner, asks exemption from taxes for five years in consideration of the re-building of his tannery.

The firemen's banquet and concert will be held in the town hall this evening.

Rev. R. W. Wordsworth will preach educational sermons in the Methodist Church next Sunday.

The progressive citizens of this good old town rejoice at the result of the carpet factory by-law. In the election last Friday 229 votes were cast, only 7 were against it. This gives 34 of a majority over the two-thirds vote necessary. Another important manufactory is now almost assured.

The curling and skating rink is in ruins. The weight of snow, soaked with rain, was too much for the roof. At about 9.30, with a report heard at a considerable distance, the entire roof, followed by the sides, fell in last Thursday morning. The wreck is a complete one, the timber being broken up badly. All that remains standing are the waiting rooms. For some years the building has been looked upon as unsafe and care was always previously taken to have the roof cleared of snow. It is most fortunate that the accident occured when there was no person in the building.

The spring assizes will be held next Tuesday at the Court House.

SPEYSIDE.

Owing to the large fall of snow, logs and wood are moving freely this week.

Mr. Alex. Campbell intends moving to Manitoba early in the spring. His friends here wish him every success in his new home.

Mr. James Ross, Check Line, visited friends in Speyside on Sunday.

Last week while Miss Sarah Livingston, of Speyside, and Miss Macdonald, of Toronto, were visiting friends in the Scotch Block, Miss Livingston had the misfortune to run against a board and seriously injure her eye. Her many friends wish her a speedy recovery.

The Sons of Scotland patriotic concert proved a failure to a young couple in our vicinity. The young man got as far as his best girl's home, and, owing to the snow storm on Monday evening, would neither venture the trip to the concert, nor back home.

While three of our young men from the Scotch Block were returning home from Acton on a recent Sunday evening they ventured in a horse race which did not prove very satisfactory to the winners. The couple succeeding in getting ahead lost their hats and the other two rigs ran over them and completely destroyed one of them, the other escaping with slight injuries. We are very sorry to hear of such Sunday work and we hope that in the future they will avoid such practices.

LIMEHOUSE.

Wood has come in in a lively manner during the sleighing of the past week to the kilns here.

An esteemed member of the Board of the Toronto Lime Co. died last Saturday, in the person of Mr. John Damp, of Toronto. He was an occasional visitor to the lime works here and was much esteemed. He was born near Newport, Isle of Wight, in 1822, and came to Canada when about thirty years of age. He settled on Davenport road in a cottage built by himself, closely adjoining the station of that name on the Northern, now the G. T. R. For many years he carried on business as a builder and contractor and had a large connection.

The following is the roll of honor for the month of February at the Public School:

IV Sr.—Robert Marshall, John Hainer, Joe O'Neil, Jas Nickell, Charlie Lane, Will McDowell, V. Swackhammer.

THE DONATIONS APPRECIATED.

Carbrook, Queen's Park,
Toronto, March 12th, 1900.

TO THE EDITOR,

Dear Sir:—Might I ask you in the next issue of your paper to thank the kind friends in Acton who sent a very large donation of hospital supplies to the Red Cross Rooms, City Hall, Toronto. The things have been all packed and shipped per "H. H. Monterey" to South Africa, where, from all accounts, they are much needed.

I have acknowledged most of the donations privately, but—as some of the addresses of the donors were destroyed in transit, I should be very much obliged if you would explain this in your columns.

All day long we have work going on in our rooms at the City Hall. At present we are making flannelette shirts, large sizes, and we hope to have a great number ready to send out to our Canadian soldiers by the first opportunity. Should any of your readers feel inclined to make shirts or socks and send them to us we shall be glad to forward them with ours to Africa.

I remain faithfully yours,
PATRICIA CAMPBELL,
Hon. Sec. Toronto Ladies Branch
Red Cross Society.
