THE NEWS AT HOME.

Mostly of a Local Character, and every item interesting.

Bicycling Baseball Match.

The first baseball match of the season was played on Monday night between teams picked from those employed on the east side and west side of Mill St. Although not particularly fast the game was very exciting and a large crowd assembled to view it. The game only lasted four innings when it became too dark to play longer, but the excitment ran high. The east siders led until the last innings, the score then standing 9-6, but a collection of errors and the darkness allowed the west siders to get in five runs and the score stood at 11-9. Following are the players and their positions:

Death of Mr. Andrew Warren, St. Louis.

It was with much sorrow the news was received here last Thursday of the somewhat sudden death that morning of Mr. Andrew Warren, of St. Louis. His brother, Ex-Councillor John Warren, and his nephew, Mr. R. D. Warren, left by first train to attend the funeral. Mr. Warren was born at Acton in 1832, a few weeks after his father and mother, the late Mr. and Mrs. James Warren, sr., arrived in Canada from their home at Kingussie, Scotland. At fourteen he went to Guelph and was for some time a clerk in the store of Jackson & Davidson. When a young man he went to the United States and settled at Janesville, Wis. Thirty-five years ago he went to St. Louis, Mo., where he has resided ever since. Mr. Warren was a very successful business man and for years was a wholesale dealer in railway construction supplies, and was interested in silver mines in the West. In his beautiful home on Washington Ave. he left a devoted wife, two sons and a daughter to mourn their keen bereavement. Mr. Warren was a man of the kindest disposition, and the hospitality of his home was most cordial. His love for Queen Victoria and the land of his birth were very manifest. While spending a week in St. Louis as his guest seven years ago, he said to the writer: "There is no other country equal to that over which the Union Jack waves, and, Mr Moore, my love for it has been so great that, although a resident here for nearly forty years I have never taken the oath of allegiance." His memory will always be highly esteemed.

The Robert Little's Pupils Re-Union.

The interest in the coming re-union of the old school boys and girls of 1862-71, on the 12th July, is rapidly growing. The monument scheme is also meeting with much favor and quite a number of kind letters and liberal contributions to the fund have been received during the week. The following interesting paragraphs have appeared in letters received by the Secretary-Treasurer:

"There are very few men who have left such a marked impression on those with whom they came in contact as the late Mr. Little. I trust the second reunion will be as successful as the first. I enclose $10.00 for the Monument Fund." — R. Thomas.

"I send you $5.00 for the monument, which I think is a nice way of showing our love for our old teacher." — — Montreal.

"I like the idea of another reunion, and also the proposed monument to Mr. Little. I enclose $1.00 to the fund." — — Galt.

"I think the idea a good one indeed and here with enclose you $5.00 towards it. I know the local committee will make the reunion a success." — — Teeswater.

"I look forward with great pleasure to meeting the old schoolmates of twenty-five years age at the old school on the 12th July. I send you $5.00 for the Monument Fund and express heartfelt thanks for the opportunity of contributing to so praiseworthy an object." — — Honeywood, Ont.

"Am glad to see the committee taking this step. I send you $5.00 and hope to be with you on the 12th July." — — Mohawk, Mich.

"The engraving of the Robt. Little monument is very beautiful and appropriate. You have my subscription for $5.00 to the fund." — — Hamilton.

"I am delighted to see the re-union and monument matter are so well under way and in such good hands. It cannot fail to be a success. I cannot suggest anything and prefer to have everything entirely "Acton" from conception to realization. I send you $5.00 for the fund." — — Orillia.

"I have pleasure in making my tribute to the memorial to Mr. Little. I send you $5.00. To my mind he was a man eminently just and kind even to affection, two qualities not often prominent in one person. Take him all in all I believe Mr. Little was the best man I ever knew" — — Toronto.

"If at all possible I will be at the re-union. I enclose $10 for the Monument Fund." — — Pentanguishene.

"The monument idea is good. I send you $5.00 for the fund." — — Berlin.

"The circular respecting re-union and monument to Mr. Little covers the ground well. I send you $5.00. Will help in any way I can." — — Toronto.

The interest continues and will no doubt gain in intensity until Friday, 13th July, when the reunion of friends and companions of thirty years ago will meet to renew friendships and recall reminiscences of that early date in the experiences of the participants. A meeting of the local committee will be held in a few days to complete arrangements for the programme and proceedings of the day.

PRETORIA DAY HERE.

How It Was Celebrated in Acton—Half Holiday for School Children, Demonstration in the Evening.

Acton was not behind in the celebration last Thursday. Word was received of the capture of Pretoria early in the morning and the town fathers were soon around working up a demonstration. The morning was enlivened by the discharge of miniature cannon and hearty cheering from all parts of the town. At 2 p.m. a procession was formed at the town hall, consisting of the band and upwards of 250 happy school children, who had been granted a half holiday by the school authorities. They paraded Mill St., Bower Ave. and Main St. and then marched to the park where they spent a half hour in singing patriotic songs and listening to an address by Rev. H. A. Macpherson.

An interesting demonstration had been arranged for the evening, and almost a thousand of our citizens and people from the surrounding country congregated in the park. The proceedings were opened with a lively football match between teams picked from Storey's shop, and the town. The match, though amusing, was closely contested and at the end of an hour the score stood 1 to 0 in favor of the glovemen. The children were again out in force. They assembled in the grand stand and helped in the programme by again singing patriotic songs and choruses. Brief addresses were then delivered by Revs. J. K. Godden, H. A. Macpherson and Col. Allan. These were bright and appropriate and were appreciated by all.

The climax of the evening came in the fire works. The Council made an appropriation towards this part of the celebration and a generous supply was ordered from Toronto in the afternoon. The display was under the direction of Messrs. John Cameron and W. Stark and they did their work well. The fireworks were the best ever seen in Acton and included almost everything known in that line. Judging by the "Oh's!", "Ah's!," etc., that greeted each new display, they were certainly very much appreciated. A couple of effigies of "Oom Paul's" were carried around during the evening, one hung from a scaffold as if to indicate his future fate, and were afterwards burned in the huge bonfire that ended the fireworks. As the tar barrels in the fire began to sing one small boy was heard to remark "Listen the old Boer howlin."

The proceedings were closed with "God Save the Queen" by the band, with everybody thinking they would remember the day.

The New Pastor of the Methodist Church

The Methodist Church here is to be congratulated upon the appointment of its new pastor, Rev. Joseph M. Hagar, M. A., who is to succeed Rev. J. A. McLachlan, M. A., the first Sunday in July. Rev. Mr. Hagar has for a number of years been a member of the Montreal Conference and requested to be transfered to Hamilton Conference because his home is here and his kindred resided within its bounds, at Niagara Falls and Welland. He is a minister of the gospel of high attainments, a graduate of Toronto University and has had a successful pastoral career. His pastorates have included Ottawa, Montreal, two terms at Kingston, Prescott, Gananoque, Coaticook and he comes to Acton from North Gower. He was for two years Governor of Stanstead Wesleyan College, at Stanstead, Quebec. Rev. Mr. Hagar is a cultured gentleman of excellent address, is in the prime of life, has the reputation of being an excellent preacher and an acceptable all around pastor. He has special qualifications for work among the young people and will no doubt follow up with equal success the splendid work of the present pastor. Rev. Mr. McLachlan has been appointed pastor of the church at Port Elgin, a fine charge in an enterprising town on Lake Huron, where he will have high school advantages. The friends at Port Elgin are much pleased over his appointment as their pastor.

A PRETTY HOME WEDDING.

The home of Mrs. Peter Mann near Acton was the scene of a very pretty wedding Wednesday afternoon, 30th May whenher third daughter, Annie Jeanette, was united in the holy bonds of wedlock to Mr. John A. Moffat of Galt.

Owing to a recent bereavement in the bride's family the marriage was very quiet only the immediate families of the contracting parties being present.

Precisely at four o'clock, while the wedding march was being played by Miss Jennie Moffat, the bridal parties took their place. The bride was given away by her brother, Mr. A. T. Mann, and looked beautiful as she entered the parlor on the arm of her brother. She wore a magnificent gown of white silk entrain trimmed with silk lace and ribbon, and a veil and orange blossoms. The bride was attended by Miss Mamie Moffatt, cousin of the groom, who looked charming in white organdie with silk and laces. Both ladies carried beautiful bouquets of bridal roses and carnations, the gift of the groom's aunt. The groom was supported by Mr. Duncan Mann, brother of the bride. The officiating clergyman was Rev. H. A. Macpherson.

The bride is one of our most highly esteemed young ladies, being a general favorite among her friends, where she has lived all her life. For a number of years she was a prominent member of Knox Church choir.

The presents were of great variety and beautiful, noticeable among them being a gold watch and guard from Mr. and Mrs. D. Williamson, Guelph, testifying to the high esteem in which both bride and groom are held. The gift of the groom to the bridesmaid was a gold bracelet.

After the wedding ceremony all sat down to a delightful dinner which was spread in the capacious dinning room. At the close of the dinner the health of the bride and groom was proposed by Rev. H. A. Macpherson in a short speech of congratulations, and in response all the guests sang "Praise God from whom all blessings flow."

When an hour of social enjoyment was spent the bride dressed in her travelling suit of black, departed with her husband on the evening train amid the best wishes of all her friends, for their future home in Galt.

It is reported from Pao Ting Fu, China, that eight Americans and three members of the China Inland Mission are missing. The missionaries are in great danger.

NEW METHOD For Keeping Out Dirt.

Some months ago we advertised that we had invented a method for keeping out the dirt which gets into stem winding watches around the stem. Call with your watch and we'll show you where the dust gets in and there is no successful method to prevent it. All case makers seem to be equally careless, and until now that our new method has been tried and fully proved a success no case could be called "Dust Proof." We are using this new invention on all our new watches, and will put it in all watches bought from us without charge, no matter how long ago, the first time they are left to be cleaned, although some of the older makes of CASES DO NOT admit of the improvement.
