CATARRH.

The Constitutional Remedy.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Constitution. It struck at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and what is remarkable, curing not only the Catarrh, but all other ailments at the same time. This is what it always does. The following statements are only samples of what we are constantly receiving, from well known people to whom you can write, and not begin ones. Catarrh and its attendant evils, cold in head, hacking cough, incipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weakness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Lillybridge's Catarrh Remedy:

T. J. B. HARDING, Esq.,

Brockville, 12th Feb., 1876.

My Dear Sir,—I can cordially endorse, from my own experience, the favorable account of the Constitutional Catarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take proper care of my self in bad weather.

Yours respectfully, C. W. VOLNEY.

T. J. B. Harding, Esq.:

Brockville, Feb. 3, 1872.—Sir: Having had Catarrh for a number of years, and having tried nearly all the remedies advertised that promised relief or cure, without the desired result, I came to the conclusion that it was useless in trying to cure the disease. I was advised last fall to give the "Constitutional Catarrh Remedy" a trial, and did so, with very little faith as to the result. But I am happy now to say, that after using three bottles, I am entirely cured and no not feel as if I ever had Catarrh. I also cheerfully recommend it to all those that suffer from that disease, and am satisfied that if they will only try one bottle, it will need no other recommend, and will convince the most sceptical.

Yours Respectfully,
JOHN C. BANN,

THE DIRECTORS have made it their study to adopt the various improvements from time to time, in connection with Life Assurance, and they would particularly direct attention to the following IMPORTANT ARRANGEMENTS in regard to their

CANADIAN BRANCH.

In addition to the sum of $100,000 which has been deposited in cash with the Canadian Government for the exclusive benefit of Canadian Policy-holders, the Directors have decided to invest in first class Canadian Securities the whole of the earnings of this Branch, which, from the fact of a higher rate of interest being obtainable in Canada, will enable the Company to reduce very materially its

RATES OF PREMIUM

For Canada, and a comparison of the Company's re-adjusted Rates with those of other Offices is invited.

The Directors have also determined, in order that this Branch may in every respect be placed on a footing of equality with the local Offices, to empower the Canadian Board with full authority:

1st.—To dispose finally of all Proposals submitted for Insurance.
2nd.—To settle without reference to the Head Office, all claims arising in Canada.
3rd.—To invest in first-class Securities in Canada.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the only remedy of any service was Chlorodyne.—See *Lancet*, 1st Dec., 1864.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr J. Collis Browne was undoubtedly the inventor of Chlorodyne, that the story of the defendant, Freeman, was deliberately untrue, which he regretted to say, had been sworn to.—See *Times*, 13th July, 1864.

GRAY'S SYRUP —OF— RED SPRUCE GUM.

TRADEMARK SEALED. REG

Price 25 Cents

Every one has heard of the wonderful effects of the Spruces and the Pines in cases of Lung Disease. The Rev. Mr. Murray, in his book on the Adirondacks, lately published, relates the case of a consumptive young man who was entirely cured by a three months' camping out among the pines. In France the physicians regularly send their consumptive patients to the pine woods, and order them to drink a tea made from the spruce tops.

Gray's Syrup is a scientific combination of the gum which exudes from the Red Spruce tree. In this preparation the gum never separates, and all its anti-spasmodic expectorant tonic and balsamic properties are preserved.

For Coughs, Colds, Hoarseness, Throat Affections &c. it acts like a charm.
