THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

Death of a Former Resident.

Monday evening's Hamilton *Times* says: "Mr. John Lightheart, Park St. North, died suddenly last night while on a visit to his son. Mr. Lightheart, was for many years a resident of Acton, but has lived in Hamilton the past twenty years. While attending Church at Zion Tabernacle at Easter, the writer saw Mr. Lightheart and he was then in good health.

Annual Sermon to the C. O. F.

The members of Acton Court of the Canadian Order of Foresters attended divine service in the Methodist Church last Sunday evening. Rev. Bro. McLachlan preached an impressive sermon based upon Rom. 13: 8. "Owe no man anything, but to love one another." The duty of man to man was forcefully impressed and numerous practical lessons were taught. The choir rendered special music for the occasion.

St. Patrick's Choir Georgetown, at Acton

The members of St. Patrick's Church choir, Georgetown, under the direction of Miss Bertha Scott, organist, sang Leonard's Mass in C in a very satisfactory manner in St. Joseph's Church here, last Sunday. The congregation was much pleased with the excellent rendition of the different parts, and hope to have them soon again. Rev. Father Feeney preached in the evening, subect being "The Mission of the Holy Ghost."

W. C. T. U. Workers.

An interesting meeting of the members and friends of the Woman's Christian Temperance Union was held in their hall on Monday afternoon. Mrs. T. H. Pratt, of Hamilton, who addressed the meeting, gave much valuable information and answered many questions relative to W. C. T. U., asked by members. Mrs. Pratt gave the local union quite an incentive and aggressive work in several departments which will, no doubt, be undertaken by the ladies of this excellent organization here. Mrs. C. S. Smith, the President, occupied the chair.

Our Boys Off to the Front.

Company No. 6, of the Twentieth Lorne Rifles, left on Tuesday morning by special train to join their regiment for training at the annual camp at Fort Niagara. Owing to the numerous removals at the time of the tanneries' strike in April, the ranks of the Company were not so well filled as in previous years. The Company has about thirty-five men in Camp. The officers are Captain Langton; Lieutenant Gunn; Division Officer Warren; Color-Sergts. Boyd and Lynn; Sergt. Hall and Corp. Gamble. The boys looked well as they marched to the depot, headed by Acton Cornet Band. They will, no doubt, manifest marked improvement "When Johnnie comes marching home," two weeks hence.

An Old Boy Remembers Old Landmarks.

In the letter of one of the old pupils who was writing the Secretary relative to the coming re-union, are the following interesting paragraphs: "I anticipate this meeting on the 13th July with almost as much boyish pleasure and enthusiasm as I used to an idle hour and stroll with my best girl (my old best) on "Lover's Point," or sitting on the stone butment of the old culvert on the railway track. Say, is that old capstone still there and safe? It was worn away on top with sitting on it. Oh, if that old stone could only talk! Well, perhaps it is just as well it can't, for it might. I'll warrant you that nearly every one of the "old guard" will want to go around and sit on that stone again, and think. Oh how they will think! Save that stone."

Electric Light at the Town Hall.

Since the installation of the electric light in town the question has frequently been asked: "When is the town hall to be wired for the light?" The Council has been too busily engaged with other necessary matters to give the subject attention and have felt quite justified in leaving this particular property until every other part of the system was entirely satisfactory. Now, however, the FREE PRESS is able to answer the above question, for the committee expects to have the town hall lighted within a month. This will be accomplished at a comparitively trifling cost. Electrician Melitz by a skilful arrangement is now wiring up the chandeliers, which, when trimmed with a pretty design of shades, will give the effect of very handsome electroliers. The wiring is in progress and the lights will probably be turned on for the first time for a public entertainment on on the evening of the 13th July—the occasion of the Old Pupils' Re-Union.

Death of Thomas Williams, Esq.

After a long life, well spent, Thomas Williams, father of William Williams, of Acton, entered into rest on Monday, May 21st, at the home of his son, Edwin, at Evansville, Manitoulin Island, where he had gone some time previously on a visit. Mr. Williams was well-known in Acton, and spent the whole of last summer with his son here, leaving to visit other friends in September. Deceased was a native of Cornwall, England, and came to Canada with his wife and small family in 1852. He first settled in Cobourg and some four years later removed back of Bowmanville to Tyrone, where he spent the remainder of his life. His wife predeceased him some thirty-five years ago. Their family comprised six sons and four daughters, three of whom have died, and the remaining ones are widely scattered. Mr. Williams was an esteemed resident of Tyrone and made many friends wherever he went. He was for many years a consistent Christian and member of the Methodist Church.

Royal Templars of Temperance.

A Council of Royal Templars of Temperance was instituted here last Friday night by Organizer McIntosh, of Hamilton. He was assisted in the ceremonies of organization and the installation of officers by Mr. McMillan, Grand Secretary, Toronto. Dr. Robertson, Milton; and three other brethern of the Milton Council. The Council is to be known as Acton Council Royal Templars of Temperance, No. 71, and the following officers were elected and installed:—

Select Councillor—A. A. Secord.
Past Councillor—Geo. W. Vincent.
Vice Councillor—Carlos Williams.
Chaplain—Rev. H. A. Macpherson.
Recording Secretary—Miss Annie Stephenson.
Financial Secretary—A. T. Brown.
Treasurer—Miss Lizzie McLam.
Herald—Miss Aggie Glover.
Deputy-Herald—Miss Eva Williams.
Guard—Geo. Russell.
Sentinel—J. C. Matthews.
Press Reporter—Ed. J. Moore.
Organists—Misses Lizzie McLam and Annie Stephenson.

The Council has started with a good membership and has every prospect of progress. The social side will be well developed and it is hoped good work will be done. During the evening three members were initated into the select or beneficiary degree.

PREPARING FOR THE RE-UNION.

The Local Committee Has Been Organized To Ensure a Successful Day.

An interesting meeting of the resident Old Pupils was held on Friday evening and arrangements made for successfully carrying out the proceedings of the proposed Re-union of the pupils of the late Robert Little—1862-1871.

Ex-Reeve A. E. Nicklin, who acted as chairman of the local committee six years ago, was again elected to that position.

The Secretary-Treasurer reported progress. A considerable number of acceptances to the invitations sent out have been received, a number of these being from old pupils who had not attended the first re-union six years ago. The interest in the mounment scheme was also reported to be very encouraging. A very satisfactory response is being made, and the old pupils are pretty generally taking an interest in providing the funds necessary to erect a shaft to the memory of their old teacher and friend. This interest is being manifested by pupils in all circumstances and there is just as genuine fervor and feelings of reverence for the old teacher displayed by those whose means limit their contributions to a dollar as by those more fortunately situated and who contribute larger amounts. The desire seems to be to have a share in the memorial, and this is exactly what the committee most devoutly wishes—that every old pupil shall in the future be able to feel that he or she had a part in the erection of the proposed monument to the man whose memory they every one revere.

The following committees were appointed to arrange for the re-union:

RECEPTION COMMITTEE—Mrs. James McLam, Convener; Mrs. Alex. Secord, Mrs. I. Francis, Messrs. A. E. Nicklin, George Hynds and H. P. Moore.

BILLETING—A. E. Nicklin, Convener; H. P. Moore, R. J. Clarke and J. A. Speight.

REFRESHMENTS—Mrs. Alex. Secord, Convener; Mrs. Edw. Matthews, Miss Agnes Perryman, Mrs. Thos. Brunt, Mrs. I. Francis, Mrs. H. P. Moore, Mrs. James McLam, Mrs. C. C. Speight, Miss Bell Gordon, Miss Bella Graham, Messrs. J. C. Hill, E. K. Cook, John McRae, A. A. Worden, Wm. R. Kenny, Donald McDonald, George Wilds, Jno. P. Worden and Edward Matthews.

CARRIAGES AND BICYCLES—Samuel Worden, Convener; Chas. Davidson, Thomas Cameron, Wm. Sprowl, C. C. Speight, Edw. Matthews, George Hynds, J. C. Hill, H. Swackhamer and J. A. Speight.

THE MONUMENT—The Chairman and Secretary.

UNVEILING MONUMENT—George Hynds, Convener; John Moore, W. R. Kenney, Mrs. I. Francis, Mrs. H. Grindell, Miss Lottie Speight, Mrs. T. Brunt and the Secretary.

EVENING ENTERTAINMENT—A. E. Nicklin, Convener; J. C. Hill, George Hynds, H. P. Moore, Mrs. James Moore, Miss Bella Gordon and Mrs. James McLam.

The proceedings as at present outlined will include the following: The afternoon from one to four to be spent at the school and ground where events of thirty years ago will be recalled and prehaps to some extent rehearsed. Refreshments will be served, after which there will be a short drive through town. Carriages to be accompanied by old pupils who are cyclists on decorated wheels. At 4.30 the unveiling will take place at Fairview Cemetery. To the usual unveiling ceremonies will be added one or two appropriate orations by old boys who will be asked to prepare addresses for the occasion. The evening will be spent at the town hall where an entertainment of a varied and interesting character will take place, and to which the public generally will be admitted. A special feature of the programme will be the Roll Call, to which at the re-union six years ago fifty-nine of the old pupils answered to their names.

NASSAGAWEYA.

Statute labor is the order of the day.

At the home of Mr. J. R. Anderson on Friday last Alice Wilson, a little girl they had taken to raise, aged seven years three months, died suddenly. The little child was at school on Wednesday, and while playing she was hurt about the body, from which inflammation started and peritonitis set in with above result. The funeral took place on Sunday morning.

Mr. and Mrs. Frank Bauflell, of Guelph, spent Sunday with relatives and friends in Nassagaweya.

Several farmers of this vicinity have their turnips sowed.

The Darbyville football team is on deck again.

Mr. Edward Darby purposes building a fine brick residence shortly. John Evans, of Acton, has the contract.

A Letter From The Sault.

A letter from Messrs. Symon and Campbell, who recently removed their business to Sault St. Marie, says they are doing a very satisfactory business. The new works in course of construction are immense. These are the pulp works, the sulphite mill, the reduction works, the Algoma Iron Works, the Sault Power Company, and a number of others. The construction of the Algoma Central R. R. is in progress and business generally is booming.

Annual Congregational Meeting.

The annual meeting of the congregation of the Methodist Church, to receive the reports from the various departments of the church, was held last Thursday evening. Rev. J. A. McLachlan, M. A., the pastor, presided. Reports were submitted by the pastor; the Recording Steward read the general financial report of the year; A. E. Nicklin, the Sunday School report; A. E. Gurney, the Epworth League report; Mrs. James Moore, that of the Woman's Missionary Society, and Mrs. H. P. Moore, the Ladies' Aid Society. The summary of the financial receipts from all sources showed a total of $2470.30. The reports throughout were of an interesting and encouraging character.

The Band's Benefit.

The lacrosse match on Monday night for the benefit of the Band, was the first of the season in town, but it attracted a good crowd and proved very exciting. The match was between a team of Storey's employees and a team from the town. Both teams showed a majority of last year's Crescent men, so the game was comparitively lively. The teams lined up as follows:

TOWN	POSITIONS	STOREY & SON.
Swackhammer	Goal	Arthurs
Lawson	Point	Boyd
Williams	Cover Point	E. Ryder
C. Henderson	1st Defence	Laird
A. Gurney	2nd Defence	Large
Statham	3rd Defence	Agnew
Sutherland	Center	Scott
R. McIntosh	3rd Home	R. Ryder
Holmes	2nd Home	P. McIntosh
W. Gurney	1st Home	Irwin
M. Henderson	O. Home	Mann
Gentles	In. Home	Hynds
J. Matthews	Field Captain	Geo. Agnew

Referee—"Coonie" Shields.

The first goal was scored by Gentles, of the town team, in about two minutes, and another in about twenty minutes by W. Gurney, thus making the score 2-0. A bicycle pursuit race of two miles, between Akins, scratch, and Holmes and Sharp, 300 yds, was contested. Akins found the lead too great too make up and Sharp finished first by half a wheel length. The band furnished enjoyable music during the evening, and netted a neat sum from the receipts.
