THE GREATEST
Wonder of Modern Times.
HOLLOWAY'S
PILLS & OINTMENT
THE PILLS Purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all complaints incidental to Females.
THE OINTMENT is the only reliable remedy for Bad Legs, Old Wounds, Sores and Ulcers, of however long standing. For Bronchitis, Diphtheria, Coughs, Colds, Gout, Rheumatism and all Skin Diseases it has no equal.
BEWARE of NEW YORK COUNTERFEITS.
sold under the name of "Holloway & Co.," by J. F. Henry, Curran & Co., Druggists, and also by the Metropolitan Medicine Company of New York, with an assumed trade mark, thus—Again one Joseph Haydock of New York, likewise passes off counterfeits of his own make under the name of Holloway & Co., having for a trade mark a Crescent and Serpent, McKessen & Robbins of New York are agents for the same.
These persons, the better to deceive you, unblushingly Caution the Public in the small books of directions affixed to their Medicines, which are really the spurious imitations, to Beware of Counterfeits.
Unscrupulous Dealers obtain them at very low prices and sell them to the public in Canada as my genuine Pills and Ointment.
I most earnestly and respectfully appeal to the Clergy, to Mothers of Families and other ladies, and to the public generally of British North America, that they may be pleased to denounce unsparingly these frauds.
Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are the Counterfeits.
Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.
☞ Parties who may be defrauded by Venders selling spurious "Holloway's Pills and Ointment," as of my genuine make, shall on communicating the particulars to me, be amply rewarded, and their names never divulged. Signed THOMAS HOLLOWAY.

DIVISION OF PROFITS
OF THE
CANADA LIFE
Assurance Company.
Assurers joining before 30th April will rank for a YEAR'S PROFITS in excess of those joining after that day, thus sharing IN FOUR YEARS' PROFITS at next division in 1880, and this important feature is recommended to the consideration of INTENDING ASSURERS.
THE ADVANTAGES
Of joining an old and successful Company like the CANADA LIFE may be judged by the following facts:
1st. The rates charged are LOWER than those of other Companies.
2nd. It has the LARGEST BUSINESS of any Company in Canada.
3rd. The PROFIT BONUSES added to Life Policies are LARGER than given by any other Company in Canada.
4th. It has occurred that Profits not only EXTINGUISH all Premium Payments, but in addition, yield the holder an ANNUAL SURPLUS.
Rates for the various systems of Assurance may be learned upon application at the Head Office in Hamilton, or at any of the Company's Agencies.

Daily British Whig
MONDAY EVEN'G, APRIL 30, 1877.

HE NEVER TOLD A LIE.

I saw him standing in the crowd—
A comely youth and fair!
There was a brightness in his eye,
A glory in his hair!
I saw his comrades gaze on him—
His comrades standing by,
I heard them whisper each to each
He never told a lie!

I looked in wonder on that boy,
As he stood there so young;
To think that never an untruth
Was uttered by his tongue.
I thought of all the boys I'd known—
Myself among the fry—
And knew of none that one could say
He never told a lie!

I gazed upon that youth with awe
That did enchain me long
I had not seen a boy before
So perfect and strong.
And with a something of regret
I wished that he was I,
So they might look at me and say
He never told a lie!

I thought of questions very hard
For boys to answer right;
How did you tear those pantaloons
My son—what caused the fight?
Who left the gate ajar last night?
Who bit the pumkin pie?
What boy could answer all of these,
And never tell a lie?

I proudly took him by the hand—
My words with praise were rife—
I blessed that boy who never told
A falsehood in his life;
I told him I was proud of him—
A fellow standing by
Informed me that that boy was dumb
Who never told a lie?

CONFESSED.—William A. Arling, on whose testimony Jesse H. Lewis was recently convicted of the murder of Albert W. Demry, at Brattleboro, Vt.; made a full confession that his story was a pure fabrication, devised by detectives who frightened him into testifying against Lewis, saying if he did not Lewis would turn state evidence against him. It is now said by acquaintances of the deceased that he was subject to fits, and it is thought this was the cause of his death.

THE SITUATION.—In a month flour has advanced from 23 to 30 per cent.; wheat, 23 per cent.; corn, 10 per cent.; pork, 14; beef, 11. There is nothing in the foreign war to warrant this so far, and if it is to be confined to Russia and Turkey, there might be a reaction from speculative ideas to common sense facts.

From Chas. H. Colgate, Esq.,
Of the firm of Colgate & Co.; Manufacturers of Flavoring Extracts; 21 Blackstone St., Boston.
Somerville, Mass., Dec. 6, 1876.
Messrs. Seth W. Fowle & Sons.
Gentlemen — Last Spring my little daughter, aged five, become very much emaciated with loss of appetite, and great prostration of strength, so much so that we were obliged to take her out of school. This continued through the Summer and caused us much anxiety. After trying various remedies without deriving any benefit, our family physician recommended the use of PERUVIAN SYRUP. After using it one week we saw a marked improvement in the child's condition, and in a month she was rapidly gaining in health and strength, her appetite being excellent. At this date she is perfectly well, with round, plump cheeks, and healthy color, and is again attending school regularly. I consider her restoration to health entirely due to the PERUVIAN SYRUP, and feel that I cannot too highly recommend it as a tonic.
Very gracefully yours,
CHAS. H. COLGATE.
Sold by dealers generally.

A CARD.
To all who are suffering from the errors and discretions of youth, nervous weakness, early decay, loss of manhood, etc., I will send a receipt that will cure you, free of charge. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the Rev. Joseph T. Inman, Station D, Bible House, New York City.

SMOKING is looked upon by many as a great evil, which it undoubtedly is, when carried to excess, and it is well known that nearly all smokers, smoke too much. This is certain sooner or later to cause much suffering, and the best way to counteract the bad effects of tobacco, in the system, is to keep the blood pure and healthy by using SMITH'S GREEN MOUNTAIN RENOVATOR.

MANHOOD RESTORED.
Victims of youthful imprudence, who have tried in vain every known remedy, will learn of a simple prescription, FREE, for the speedy cure of nervous debility, premature decay, lost manhood, and all disorders brought on by excesses. Any druggist has the ingredients. Address DAVIDSON & CO., 86 Nassau St., N.Y.

MORE VALUABLE THAN GOLD.
Why do you suffer from the loathsome disease, Catarrh, when a sure and sale remedy can be had by using the GREAT CONSTITUTIONAL CATARRH REMEDY. It has cured thousands of this disgusting complaint, and it will cure you. Send stamp for treatise to T. J. B. HARDING, Brockville. For sale by all Druggists and medicine dealers.

☞ Consumption, so prevalent and so fatal, is dreaded as the great scourge of our race, and yet in the formative stages, all pulmonary complaints may be readily controlled by using Bryan's Pulmonic Wafers. They will relieve the worst cough in a few minutes and have a most beneficiary influence on the bronchial and pulmonary organs—but they must be used in time. Public speakers and singers will also derive great benefit by using them. Sold by all druggists and country dealers. Price 25c per box.

Owners of Horses Rejoicing.—And why not? And why not? And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects of their horses of "Darley's Condition Powders and Arabian Heave Remedy." Some were lean and poor having no appetite, others would devour their food ravenously, yet derive no benefit from it; some were hide bound, with rough and shaggy hair, others had severe colds and coughs; many had the heaves and other complaints peculiar to horses. In all it operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name and see that the signature of Hurd & Co. is on each package. Sold by all medicine dealers.

ELECTRICITY! THOMAS' ECLECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured an old standing cough. It positively cures catarrh; asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes, "Send me six dozen Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now; its cures are truly wonderful. Wm. McGuire, of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Eclectric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P.Q., writes, "The Eclectric Oil is getting a great reputation here and is daily called for. Send us a further supply without delay."
