THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

Knox Church Last Sunday.

The Rev. J. E. Smith, B. A., of Cookstown, preached last Sunday in Knox Church. Rev. Mr. McPherson conducted anniversary services in Burns' Church, West Esa., on the same day. Mr. Smith's sermons were much enjoyed.

An Unfortunate Mistep.

On Monday forenoon, while engaged in her morning work, Mrs. Angus Lawson, Agnes street, had occasion to step out of kitchen door, when she slipped on the door step and fell, fracturing both bones of the right limb between the ankle and the knee. The accident occurred very simply.

More Electric Light.

Electric light continues to grow in favor. Messrs. Johnston & Co. have installed a number of lights in their furniture warerooms; several additional lights have been put in the Presbyterian Church; and the new Warren block has been "roughed in" and the installation will be completed when the plastering is done.

A Lively Spurt by a Heavy Team.

One of the big tannery teams ran away from the G. T. R. warehouses on Monday forenoon with a load of 300 dry hides. They ran at a breakneck pace down Church Street as far as Victoria Avenue, distributing hides all the way. The driver, Mr. D. McGregor, came up with them in a minute or two and found that no damage had been sustained.

Erin Township Contributes $100.

At the session of Erin Township Council at Ospringe on Saturday a deputation, composed of Mayor Nelson, Aldermen Patrie and Thorp, Mr. Duff and Mr. Innes waited on the members and presented the claims of the Winter Fair for assistance to help to defray the expense of the building now in course of erection at Guelph. The deputation got an attentive hearing, and after some consideration on the subject the Council granted $100.

An Old Business Resumed.

For over thirty years Thomas Ebbage has done the bulk of the pump business of Acton and vicinity. Owing to his disastrous fire two years ago, and subsequent serious illness, he has not continued the business to any extent. Now, however, his son, Charles, has returned from Johnstown, N. Y., and will conduct the business upon a larger scale. A new gasoline engine, pump-making and other machinery is being put in the shop on Main Street, and the business will be extensively engaged in. Mr. Ebbage understands the pump business as no other man in this section does.

A Week with the Humorists.

The Rowland Comedy Co., which concluded a three nights' engagement here on Monday evening last is one of the best all-round shows that has visited our town for a long time. They are a very gentlemanly and respectable lot of people, and the actors in their various roles are up-to-date in every way. They were greeted with good houses each night and will command a good audience any time they may visit our town again.—Bowmanville *News*. The company will occupy the town hall, Acton, for a week commencing next Monday, 22nd inst.

Rev. Mr. Crews at Siloam.

A large congregation greeted Rev. A. C. Crews, General Secretary of Epworth Leagues and Sunday Schools, at the Brick Church last Sunday morning. The audiance included many of the members of the Epworth League, Acton. Rev. Mr. Crews spoke from James 5: 20, and emphasized the need of spiritual quickening at the close of the century; that there is salvation for all who come to God through Jesus Christ, and that to accomplish the salvation of man God works through human agency. The happiness, joy and luxury of saving a soul was vividly pointed out. The sermon was a most impressive one and was much enjoyed by the hearers.

The Convention Delegations.

The following delegates from Acton attended the Liberal convention at Milton last Friday which tendered S. F. McKinnon, Esq., the unanimous nomination as their standard bearer: A. J. McKinnon, George Havill, John McGrall, John Cameron, H. P. Moore, Dr. C. I. Kelly, John Kennedy, John Warren, jr., R. J. McNabb and J. Keynon. The following gentlemen attended the Conservative convention on Monday when Mr. Henderson was again the unanimous choice of his party: James Brown, W. A. Storey, John Williams, George Hynds, W. H. Denny, H. Jeans, Dr. Macdonald, I. Francis, John H. Matthews, H. S. McDonald and D. M. Henderson.

Married at Johnstown, N. Y.

A very pretty wedding was solemnized last Wednesday evening, 3rd October, at the residence of the pastor of the Reformed Church, when Leslie Franklin Thurston and Elizabeth Victoria Martin were united in marriage by Rev. John van Bark. The ceremony was witnessed by twenty or more relatives and intimate friends of the bride and groom. Many beautiful remembrances were presented to the young couple, and will find a place in the cosy home to be occupied by them at No. 435 North Perry street. Mr. and Mrs. Thurston received the hearty congratulations of their friends beneath an arch of autumn foliage.—Johnstown *Republican*. The many friends of the bride in Acton and vicinity unite in extending best wishes to the happy couple.

A Friendly Tennis Match.

A party of nine ladies and gentlemen from the Erin Tennis Club drove to town last Thursday afternoon and played a match with the club here. Darkness prevented the finishing of all the events but the score was as follows:—

LADIES' DOUBLES.

Miss Ramsden and Miss Laidlaw beat Miss Hager and Miss Fyfe, 6-1, 6-4.

Mrs. Richardson and Miss Fowlie beat Miss Nelson and Miss Moore, 6-4, 4-6, 6-0.

GENTLEMEN'S DOUBLES.

Matthews and Gurney beat Dr. Hamilton and Ramsden, 6-0, 6-1, 6-3.

Richardson and Skinner v. Gaultier and Coghlan, 7-5, 3-6, 6-8, unfinished.

GENTLEMEN'S SINGLES.

Richardson beat Moore, 6-4, 7-5.

Matthews v. Ramsden, unfinished.

Dr. Hamilton v. Gurney, unfinished.

The Erin people, ladies especially, showed the advantage of plenty of practice. The home club's ladies have played very little lately, but they put up a good game nevertheless. The game was enjoyed very much by all and, as it is Erin's intention to be included in the same district as the Acton club next season, some lively games may be expected then.

THE COUNCIL IN SESSION.

Finance and Electric Light the Subjects Discussed.

Council met on Monday evening at eight o'clock.

Members present J. B. Pearson, Reeve, John Williams, John Clark.

The Committee on Finance presented their sixteenth report and recommended payment of accounts as follows:

McColl Bros. & Co., oil	$ 13 77
A. Stephenson, repairs	16 00
F. Sayers, lumber	27 50
Can. General Electric Co., supplies	41 40
R. W. Cylcholm & Co., coal	135 04
	$ 233 51

Moved by J. Williams, seconded by John Clarke, that the eighteenth report of the Committee on Finance just read be adopted.—Carried.

The question of placing all street lamps on side streets in the vicinity of shade trees, in the centre of the street was discussed, and it was decided to gradually change them.

The growth of the electric light was spoken of and the constantly growing demand was discussed. It was reported that about 850 lamps are now being supplied with current.

The Council adjourned at nine o'clock.

LIMEHOUSE.

Miss H. Newton has been visiting at the home of her brother John in Burnia the past week or two. He is lying very ill with typhoid fever.

Mr. John Moore and his son, Bert, have returned from their trip to Lancaster, Ohio, and Frankfort, Ind.

ROCKWOOD.

The annual Convention of the Epworth Leagues of Guelph District will be held in the Methodist Church here on Thursday, 8th November. A very interesting programme has been arranged. Our citizens extend a cordial invitation to the Epworth Leaguers of the District.

The yarn and knitting business of Mr. J. T. Wood, the enterprising manufacturer who recently purchased the Bragg property here with its steam and water power, is rapidly growing. Mr. Wood's business is principally with the glove manufacturers and he has cultivated a large and profitable trade with them. Improvements and additions to his premises are in contemplation.

The recent extensions and improvements to their premises recently made by Messrs. Harris & Co., of the old established woollen mills here, are important. The new two-storey warehouse is a model in point of arrangement and will facilitate the business of the firm very materially. The range of goods now turned out by this firm is most creditable and the exhibit at the fair last week was a revelation to many, the variety of patterns, lines of goods, and fine quality of many being a complete surprise.

Rev. A. C. Crews, General Secretary of the Epworth Leagues, Toronto conducted the services in the Methodist Church here on Sunday night.

A political meeting was held on Tuesday evening in the town hall in the interests of the Conservative candidate, Mr. Kloepfer.

The fall show was a greater success than ever. The gate receipts were larger by $60 than at any previous year. The exhibits were up to the usual, and in the hall the fancy work was of a better class than former years.

The concert was well attended but was not up to the usual crowd for a fair concert. Miss M. LaDell, elocutionist, Miss Teresa Flannigan, soprano, Mr. Harry Fay, humorist, and Mr. Rickaby, accompanist, gave the programme, which was exceptionally good.

CREWSONS CORNERS.

A number from here intend taking in the world's fair at Erin on Friday.

Mr. and Mrs. J. R. Nickell were very successful exhibitors at Acton and Rockwood Exhibitions. At Acton they received six first and four second prizes, and at Rockwood four first and two second prizes on grain and butter.

Mr. Robt. Cripps, our genial postmaster, opened up his store last week with a full line of new goods. Mr. Cripps will run his store, we believe, on the cash principle, and as his honesty and attention to business are well known, we predict for him a very successful future.

Quite a number from here attended the Epworth League service conducted in the Brick Church on Sunday by Rev. A. C. Crews, of Toronto. They were all delighted with his excellent sermon.

A delightful social party was held at the home of Mr. J. R. Nickell, on Friday evening last. About forty guests were present, and were hospitably entertained by the genial host and hostess. The evening was spent in tripping the light fantastic and various other social amusements. Everyone voted that it was one of the most enjoyable events of the season.

The graphophone concert given in the Methodist Church last Friday evening by Rev. Geo. Kitching was excellent, but the attendance was small.

Mrs. N. Forbes was suddenly called to Toronto to the bedside of her mother, Mrs. Jas. Anderson, formerly of this place, who is seriously ill with fever. We sincerely hope Mrs. Anderson may soon recover.

Mr. and Mrs. Robt. Wilson and family, of Eden Mills, and Mr. and Mrs. Geo. Locker, of Acton, spent Sunday at Mr. Robt. Cripps'.

Mrs. Thos. Brunt and Miss O. Leaveau, of Acton, spent Sunday at the home of Mr. Robt. Gibbons.

Mr. L. Crewson and Mr. and Mrs. A. Crewson, of Luther, spent a few days with friends here.

Miss A. Anderson, of Acton, visited friends here on Sunday.

Mr. and Mrs. J. Murray returned home on Monday morning from their very pleasant two weeks' visit with friends in Barnia, Port Huron, Detroit, Lexington and other Michigan points.

Mrs. R. H. Wansborough and children visited friends at Churchill on Sunday.

"KING QUALITY."

This is a line of shoes our readers will see advertised in our columns each week for the next twelve months. "King Quality" shoes are justly famous; the satisfaction of fit, comfort, wear, and shape will convince you that this quality of shoes is fast becoming famous to the sensible shoe trade. Through your dealer we ask you to try a pair of "King Quality" shoes. You will then be convinced of the error in buying cheap shoes. Read these advertisements carefully. They will help you in selecting footwear. Gold medal awarded at the Paris Exposition, 1900. These shoes are manufactured by the J. D. King Co., Toronto, the only factory in Canada that manufactures Ladies' Shoes better than the American article, which comes into Canada with a 25 per cent. duty taken out of its quality. "King Quality" ladies' shoes are made in all sizes to fit the feet, and have an elegant appearance. When buying shoes ask your local house for "King Quality."
