## THE NEWS AT HOME.

Mostly of a Local Character, and every Item Interesting.

*Annual Tea-Meeting at Churchill.*

The annual tea-meeting in the Congregational Church, Churchill, will be held to-morrow evening. The good sleighing, will, no doubt, ensure a large attendance. Addresses are expected by Rev. J. K. Unsworth, B. A., Hamilton; S. W. Holden, Rockwood; H. A. Macpherson and J. M. Hagar, M. A., Acton. Suitable music will be provided and the scholars of the Sunday School will provide an interesting programme of recitations, etc. Conveyances will be at Acton Post Office between six and seven o'clock for the accommodation of those who desire to attend from Acton. Rev. Dr. Hindley, the pastor, will preside.

*A Narrow Escape*

Last Wednesday afternoon, Freddy, the five-year old son of Reeve Williams, had a very narrow escape from drowning in Henderson's pond. With several other children he was playing on the ice and he got too near the opening where the icemen had been working and slipped in. There was, of course, general consternation among the little folks, but Elsie, the little daughter of Electrician Milatz, courageously went to his rescue. She first caught the struggling lad by the ear and then by the coat collar, and effected his rescue. Freddy is none the worse for his winter bath, and Reeve Williams and family are very grateful to Miss Elsie for her bravery and presence of mind.

*Mayor Nelson's Retirement.*

The words of warm appreciation which the retiring aldermen extended to Mayor Nelson this morning will find echo from the citizens at large. He has occupied the first office in the city with ability and acceptance which have won commendation on all hands, and, on the occasion of his formal retirement, it is fitting that some appreciation should be shown for his valuable service to the city. Mayor Nelson has certainly acquitted himself with distinction, both as a presiding officer, and as an executive officer, and he can look back with a good deal of satisfaction upon the uplift that Guelph has seen during his term of office, and to which he and his Council have materially contributed.—Guelph *Mercury*. Acton is proud of the distinction won and willingly accorded to the son she lent to the Royal City some years ago. Our boys invariably give a good account of themselves.

*Happy Wedlock—Till Death do Part.*

A very pretty wedding was held last Wednesday afternoon, Jan. 9th, at the home of the bride's parents, Mr. and Mrs. James Scott, Esquesing, when his daughter Maggie Jane, was united in the bonds of holy matrimony to James Edward Campbell, of Ballinafad. At 3.30 o'clock some sixty-five guests were assembled to witness the ceremony which was performed by Rev. J. M. Hagar, M. A., Acton. The bride presented an ideal picture in her bridal robe of pearl grey suiting trimmed with white satin braid and velvet. She wore in her hair white carnations and maiden hair ferns and carried a bouquet of the same. She was given away by her father. She was attended by her sister Agnes, who wore a dress of purple velvet trimmed with lace and ribbons. Numerous and costly presents testify to the esteem in which the bride was held by her many friends. We all join in wishing them many years of happiness.—Con.

*An Armenian's Visit.*

Count O. K. Bayajian, who is at present travelling through Ontario giving lectures and entertainments to secure funds for the completion of his college course at Toronto spoke in the Baptist Church on Sunday afternoon and the Methodist Church that evening. His experience as a Christian Armenian was rehearsed and the persecution's and cruelties of the Turks endured by himself and his people were vividly described. On Monday evening an interesting entertainment was given in the school room of the Methodist Church. Many matters of interest relating to the history and experiences of the Armenians was given. The religious fanaticism of the Mahomedans was also described. A number of Armenian, Turkish and Circassian costumes were exhibited, and marriage ceremonies represented. Count Boyajian has a brother studying at Albert College, Belleville, and both intend to return to their native country as medical missionaries, and as British subjects.

*Celebrated Their Golden Wedding.*

A very interesting item of family history was enacted at the home of William Hemstreet, Esq., Main street, on Monday, when he and his life's partner celebrated their fiftieth wedding anniversary. On the 14th of January, 1850, William Hemstreet, then a journeyman, in the tannery's on the site of the present Beardmore & Co., sole leather tannery, and Agnes Moore, eldest daughter of the late Thomas Moore, lot 30, con 1, Esquesing, were united in holy wedlock. The late Rev. William Willoughby, then pastor of the Methodist Church here, performed the interesting ceremony. Seven sons and daughters have blessed the union, the following six surviving: John, at Toronto; Mrs. Wm. Ramsay, Gloversville, N. Y.; Mrs. H. Grindell, Acton; Alfred at Glen Falls, N. Y.; Ed. A. at Corinth, Ont., and Mrs. J. W. Bews, Milton. Only Mrs. Grindell and Mrs. Bews were able to attend the golden wedding. Mr. and Mrs. Richard Hemstreet, sr. and Mr. Bews, of Milton, and a number of Acton relatives were also present. Mr. and Mrs. Hemstreet have been esteemed residents of Acton for many years.

*The Memorial Fund Growing*

Contributions toward the proposed monument to be erected to the memory of our brave soldier-hero, bombardier W. J. Moore, continue to reach this office. Now that the splendid reception and presentation to Gunner Gould are over, attention will be more directed to this very worthy and loyal project, and citizens who have not handed in their contributions will, no doubt, do so in the near future. The contributions of the week are as follows:

| | |
|---|---|
| Amount previously acknowledged | $153 00 |
| Col. John Davidson, Guelph | 3 00 |
| Rev. J. M. Hagar, Acton | 50 |
| Rev. H. A. Macpherson, Acton | 1 00 |
| Ald. Hamilton, Guelph | 10 00 |
| James Gamble, Crewson's Corners | 25 |
| Angus Kennedy, Vancouver, B. C. | 3 00 |
| Anthony Stephenson, Acton | 1 00 |
| Laing Brothers, Acton | 2 00 |
| | $173 15 |

Gunner Gould, who just returned from South Africa, is much interested in this project, and appreciates very much the action of our citizens in providing funds for the erection of a monument to the memory of his comrade, with whom he was inseparable while enduring together the vicissitudes of war.

Some men would have hardly any head at all if they shaved off their beards.

The Annual Meeting Found the Results of the Fair at Acton Eminently Satisfactory.

The annual meeting of the Esquesing Agricultural Society was held at Georgetown last Wednesday. The meeting was well attended and a good deal of interest taken. Mr. Geo. Joyce, President, presided.

The Treasurer's report was submitted and approved. The receipts from all sources were $980.75; the payments, including a balance due Treasurer of $109.19, amounted to $815.25, leaving a balance on hand of $165.47.

### GEORGETOWN.

Among the suggestions for the new Council to adopt the *Herald* ventures the following: economy in the use of town water; better lighted streets; a more equitable assessment; better supervision of public park finances; fair dealing and judicious encouragement to manufactures; improvement of cemetery; better streets and walks and a sewer down Main street. A pretty full docket for the first year of the new century.

Georgetown gave Lieut. Ballantyne a right royal reception on Monday afternoon. In addition to the hearty welcome home he was presented with a gold watch and a well-filled purse. "Jim" came home in the very best of good health and spirits, and "D" Battery admitted he was the best looking man who left South Africa with them.

A sleighride to Acton is one of the events which the scholars of the Methodist Sunday School look forward to with great anticipations.

The first carnival of the season was held in the rink on Monday night.

*The Presents To Gunner Gould*

The gold watch and chain presented to Gunner Gould were secured from Mr. George Hynds, jeweler, who had them suitably inscribed. They were highly satisfactory to the committee. The address was beautifully engrossed by Mr. W. Stark and was enclosed in a handsome morocco base made by Mr. W. D. Frick, of W. H. Storey & Son.

### CREWSONS CORNERS.

The excellent sleighing of the past week has made things brisker here.

A number from here intend taking in the tea meeting at Churchill next Friday evening.

The Corners turned out en masse to welcome home to Acton Gunner W. J. Gould of "D" Battery from South Africa on Monday. It was a red letter day in the history of Acton and a day that will always be remembered by the present generation. We all feel justly proud of Gunner Gould and his achievements in South Africa, and we also feel proud to state that he was for a number of years a highly esteemed resident of this vicinity.

Mr. John Coleman, jr., spent several days last week in Hamilton and Toronto. On Thursday he tried his examination in Toronto as a marine engineer and we are pleased to state that he passed with very high honors. It is a great credit to Mr. Coleman to have passed so successfully. He has worked from the bottom of the ladder up and now holds the proud position of being the youngest marine engineer on the chain of lakes. We all feel proud that one of our boys has made such success.

From the Brantford *Expositor* we copy the following: "A wide circle of friends will learn with regret of the death of Mr. Wm. J. Coleman which occurred at his residence 87 Park Ave. on Monday, 7th inst. Deceased had been for many years a traveller for the Wm. Patterson, Son & Co., of this place. On account of ill health he resigned his position about two years ago. During the years he was associated with the firm he endeared himself to all he came in business contact with. He was of a retiring disposition, and his illness which was of a severe character was borne with Christian fortitude. He leaves to mourn his loss his wife and one son and two brothers, Messrs. Samuel, of Rockwood and Joseph, of Acton and one sister, Mrs. J. H. Gripps, Crewsons' Corners. The funeral took place on Wednesday and was largely attended.

We congratulate councillor A. Murray on his success at the polls last Monday, he taking second place in Erin township council. Mr. Murray, we believe, will be an excellent councillor.

Mr. Chas. A. Ramshaw, of Lowville, is visiting friends here.

Miss Emma Carrol returned to Hamilton last week.

The following relatives attended the funeral of the late W. Coleman, Brantford; Mrs. J. H. Gripps, Misses Lizzie and Alice Coleman and Mr. Jos. Coleman, jr.

Mr. B. Greer, of Tansley, who has been painting at Mr. J. Ramshaw's for the past few weeks returned home on Wednesday.

# Buying Economy.

Columns might be written with "buying economy" as the text. But you wouldn't read. Most people are too practical to wade through any articles of such length, much less advertising talk.

And yet a knowledge of proper values is indispensable to right shopping. We aid the education so far as we may, but you must make the comparisons. This is a daylight place, where qualities are easily discernable and prices plain to read. At the counters much may be learned, enough at least to be a helpful guide to money saving. This holds good in every section of this store, though our price quotations this week are a special reminder of the price cutting in the Mantle and Cloak Room. Here are the facts:

| | | | |
|---|---|---|---|
| $5.00 Jackets for | $3.00 | $5.50 Silk Waists for | $3.00 |
| $8.50 Jackets for | 5.00 | $8.50 Golf Capes for | 5.00 |
| $15.00 Jackets for | 10.00 | $30.00 Plush Capes | 20.00 |
| $7.50 Ulsters for | 3.50 | Misses' Coats 10 % discount. | |

All Furs at Reduced Prices.

Enough in the above to indicate the money-saving trend of this store. And what we say we do.
