HONSELL'S PILLS
A SPECIFIC REMEDY FOR
SPERMATORRHŒA OR SEMINAL WEAKNESS, AND GENITAL IRRITABILITY IN EITHER SEX.
This Malady, the terrible consequences of which are too well known to require more than a bare allusion to them, is one of the most insidious, and therefore dangerous, of all the long catalogue of human ills. It saps the very springs of Life, rapidly undermines the constitution, and sinks the unhappy victim into imbecility and a premature grave! From one to six boxes of the Specific Pill are sufficient to effect a permanent cure in the most aggravated cases, whether Constitutional, or arising from Abuse or Excesses.
MEDICAL TESTIMONY.
"We believe it to be, in the treatment of Spermatorrhea, as near a Specific as any medicine can be."—B. Keith, M. D. [Am. Jour. of Medical Science.
"I have found them all that could be desired. Their effect has been truly wonderful. I used them in a case of spermatorrhea of long standing which has been under treatment for years. I think three boxes will complete a cure."—E. P. Dickee, M.D.

The many DISEASES of Horses can almost all be Prevented or cured by these Powders.
One Powder drives out Worms. One Powder cures Bots. One Powder puts a Horse in condition. One Powder makes a Horse shed his coat. One Powder gives a soft and glossy appearance to the hair. One Powder cures the Horn distemper in Cattle.
The Carlton's Condition Powders, given according to directions, are the best thing in the world to strengthen a horse, and to restore him to health and vigor after severe exposure or hard driving.
These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. BROWN'S BRONCHIAL TROCHES
"A SLIGHT COLD," Cough, Hoarseness, or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously.—Few are aware of the importance of stopping a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.
The efficacy of Brown's Bronchical Troches is demonstrated by testimonials from Physicians, Surgeons in the Army, and eminent men wherever they have been used.
They where first introduced in 1850. It has been proved that they are the best article before the public for Coughs, Colds Bronchitis Asthma, Catarrh, the Hacking Cough in Consumption, and numerous affections of the Throat, giving immediate relief.
PUBLIC SPEAKERS & SINGER
will find them effectual for clearing and strengthening the voice.
From Mr. T. Ducharme, for many years Chorister of French Parish Church, Montreal.
"It gives me great pleasure to certify to the efficacy of your Bronchial Troches, in an affection of the throat and voice, induced by public singing. They have suited my case exactly, relieving my throat and clearing the voice so that I could sing with ease."
From Rev. Henry Wilkes, D.D., Pastor of Zion Church, Montreal.
"When somewhat hoarse from cold or over exertion in public speaking, I have uniformly found Brown's Troches afford relief.
"I have been much afflicted with Bronchial Affection, producing Hoarseness and Cough. The Troches are the only effectual remedy, giving power and clearness to the voice.
REV. GEO. BLACK,
Minister, Church of England,
Milton Parsonage, Canada.
"Two or three times I have been attacked by Bronchitis so as to make me fear that I would be compelled to desist from ministerial labor, through disorder of the Throat. But, from a moderate use of the Troches, I now find myself able to preach nightly, for weeks together, without the slightest inconvenience."
REV. E. B. RYCKMAN, A.B.,
Wesleyan Minister, Montreal.
"Your Troches are too well and favorably known to need commendation."
HON. CHAS. A. PHELPS,
Pres. Mass. Senate.
"My communication with the world has been very much enlarged by the Lozenge which I now carry always in my pocket; that trouble in my throat, (for which the Troches are a specific, having made me often a mere whisperer."
N. P. WILLIS.
"I have never changed my mind respecting them from the first, excepting to think yet better of that which I began thinking well of."
REV. HENRY WARD BEECHER.
"The Troches are a staff of life to me."
Prof. EDWARD NORTH,
Pres. Hamilton College, Clinton, N.Y.
"A simple and elegant combination for coughs, &c."—Dr. G. F. BIGELOW, Boston.
"I recommend their use to Public Speakers."

JUDSON'S
Mountain Herb Pills.
Among, we present you with a perfect likeness of Tecumseh, a chief of a tribe of the strange Aztec Nation that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.
The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in travelling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico and it was there that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.
It is an established fact that all diseases arise from
IMPURE BLOOD!
The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain head of life—the Blood. As if you had thrown some earth for instance, in a pure spring, from which ran a tiny rivulet; in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.
These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a
CURE FOR BILIOUS DISEASES.
Liver Complaint Sick Headache, &c. This Anti Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions sure and fearful cleansing and revivifying the vital organs.
Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "MOUNTAIN HERB PILLS" that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to be given with the fault of beauty and health.
Judson's Pills are the Best Remedy in Existence for the following Complaints:

Bowel Complaints,	*Debility,*	*Inward Weakness,*
Coughs,	*Poor and Thin,*	*Liver Complaints,*
Cold,	*Female Complaints,*	*Lowness of Spirits,*
Chest Diseases,	*Headache,*	*Piles,*
Costiveness,	*Indigestion,*	*Stone and Gravel,*
Dyspepsia,	*Inflamm.*	*Secondary Symptoms.*
Diarrhœa,	*Inflammation,*	
Dropsy,		

GREAT FEMALE MEDICINE!
Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and lend the rich color of health to the pale cheek.
☞ The Plants and Herbs of which these Pills are made were discovered in a very surprising way among the Lacandas, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "Great Discovery" of the Aztecs.
Observe.—The *Mountain Herb Pills* are put up in a *Beautiful Wrapper. Each box contains 40 pills, and Retails at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.*

THE LONDON & COLONIAL BANK, Limited, has been formed under the English Act, whereby the liability of each Shareholder is *limited* to the amount of his or her Shares.
The first issue of 5,000 Shares was immediately subscribed in England, the applications being for nearly four times that number, and the Directors have determined to increase the Capital by a second issue of 5,000 Shares, one-half to be apportioned amongst the holders of the first issue, and the other half reserved for Canada. This number, 2,500 Shares (£250,000 stg.), is now offered, and will be allotted to such applicants as are most likely to retain it as a permanent investment.
The Bank will receive, at its Office in London, money on Deposit at the prevailing low rates of Interest, which can be profitably used in its Commercial operations in Canada, thus precluding the necessity of calling up more than Twenty-five per cent. of the subscribed Capital, upon which it may reasonably be expected that large Dividends will be paid. The chief source of profit to the London Joint Stock Banks is the large amount of money deposited with them at a merely nominal rate of interest. A reference to the tables published daily in the *Times* will show that the premiums on the Shares of these Banks, in relation to Capital, range from 90 to
