VOL. XXXII. KINGSTON, CANADA, MONDAY EVENING, JANUARY 26, 1863. NO. 21.

HORSES! HORSES! HORSES!

CARLTON'S
Condition Powders
For Horses,
And also for Cows, Sheep and all Stock.

FATTENING STOCK.

Farmers will find it a saving to them of many dollars by using these Powders. When fattening Stock, by mixing a little of these Powders with the food you will find that it will make one bushel of Feed do more good than two bushels given without the Powders. In feeding one hundred bushels of grain a man can save at least fifteen bushels by using these powders. Use them and you will find it so.

The many DISEASES of Horses can almost all be Prevented or cured by these Powders.

One Powder drives out Worms. One Powder cures Bots. One Powder puts a Horse in condition. One Powder makes a Horse shed his coat. One Powder gives a soft and glossy appearance to the hair. One Powder cures the Horn distemper in Cattle.

The Carlton's Condition Powders, given according to directions, are the best thing in the world to strengthen a horse, and to restore him to health and vigor after severe exposure or hard driving.

These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty.

Carlton's Condition Powders

will be found a perfect Tonic and Restorer after attacks of any acute diseases, such as Influenza, Strangles, Inflammation of the Lungs, Nasal Gleet, etc.

Every one who owns Stock of any kind should use this Medicine, it is always beneficial and is so harmless that it can always be given without fear.

Farmers who are Fattening their stock should use these Condition Powders. They will keep all kinds of stock healthy and in good heart, and make them fatten much quicker than they otherwise would.

REMEMBER THIS CAUTION.

FIND THE SIGNATURE OF
J. CARLTON COMSTOCK
In full on the wrapper of each Package.—This is the only test of the True Carlton's Condition Powders.

Take no 'Condition Powders' without this signature.

The Condition Powders are put up in large Packages and sold by all Druggists and Medicine Dealers at 25 cents per package.

ILLUSTRATED
SCIENTIFIC AMERICAN.
The Best Mechanical Paper in the World.
EIGHTEENTH YEAR.
VOLUME VIII—NEW SERIES.

A NEW Volume of this popular Journal commences on the first of January. It is published Weekly, and every number contains sixteen pages of useful information, and from five to ten original engravings of new inventions and discoveries, all of which are prepared expressly for its columns.

TO THE MECHANIC AND MANUFACTURER.

No person engaged in any of the mechanical or manufacturing pursuits should think of "doing without" the Scientific American. It costs but six cents per week; every number contains from six to ten engravings of new machines and inventions, which can not be found in any other publication.

TO THE INVENTOR.—A pamphlet of instruction as to the best mode of obtaining Letters Patent on new inventions, is furnished free on application.

Messrs. Munn & Co. have acted as Patent Solicitors for more than seventeen years, in connection with the publication of the Scientific American, and they refer to 20,000 patentees for whom they have done business.

CHEMISTS, ARCHITECTS, MILLWRIGHTS AND FARMERS.

The Scientific American will be found a most useful journal to them. All the new discoveries in the science of chemistry are given in its columns, and the interests of the architect and carpenter are not overlooked; all the new inventions and discoveries appertaining to these pursuits being published from week to week. Useful and practical information pertaining to the interests of millwrights and mill owners will be found in the Scientific American, which information they can not possibly obtain from any other source. Subjects in which farmers are interested will be found discussed in the Scientific American; most of the improvements in agricultural implements being illustrated in its columns.

TERMS.

To mail subscribers: Three Dollars a year, or One Dollar for four months. The volumes commence on the first of January and July. Specimen copies will be sent gratis to any part of the country.

Western and Canadian money or Post-office stamps taken at par for subscriptions. Canadian subscribers will please to remit twenty-five cents extra on each year's subscription to prepay postage.

TO INTENDING SETTLERS
AND EMIGRANTS.

THE Proprietors, with the design of establishing a good Village at Hopefield, on the Opeongo Road, for which the location is particularly well suited, offer the following inducements to Mechanics and others, viz:

To a Blacksmith, Shoemaker, Carpenter, Tinsmith, Tailor, and Wheelwright they will give a 10. acre lot each, on the sole condition of erecting a dwelling and residing thereon three consecutive years.

To a few Married Emigrants the Proprietors are prepared to give lots ten acres each, having a dwelling 20 x 18, and an acre of land cleared ready for crop thereon, on condition of giving one day's labour per week with the provision that at the expiration of three years they may become proprietors of their buildings on the payment of $30,00 in two equal annual payments.

A good Frontage on the Main Road will be given, and a never-failing stream runs through each lot.

School, Church and Common Lots will be given also.

From the rapid increase of Settlement in the Neighbourhood, and the extensive Lumbering operations carried on around an excellent opening presents itself for a good Store or Tavern.

For further particulars apply (post paid) to
H. Y. READ,
Post Master, Hopefield.

FOR SALE.

THAT PROPERTY in EARL STREET known at present as the
Orphan's Home,
containing by measurement about 95 feet of frontage on Earl Street and 289 feet in depth. The house is excellent, part is laid out as a garden and is well stocked with fruit trees. The House is commodious & could without difficulty be divided so as to accommodate several families. An addition consisting of one large room, used as a school, with two rooms above, could easily be made a separate dwelling. There is a superior Kitchen behind, and a never failing well of excellent water, with pump, under cover; also, a wood-shed and cow-house &c., &c. The lot extends in depth to a street not yet opened up, upon which houses might be built to advantage and to an enterprising purchaser it would be a valuable investment.

Price £500; one half down, the other half in two yearly Instalments.

Apply to
THOMAS KIRKPATRICK, Esq.
Kingston, 20th June, 1862. tf 144

JUDSON'S
Mountain Herb Pills.

Among we present you with a perfect likeness of Tecaio, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis from our Agents for these Pills.

The Inventor and Manufacturer of Judson's Mountain Herb Pills, has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent nineteen years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountain Herb Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

Exposed to the filth and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a healthy quantity of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter, hence a cough, and the first slight impurity at the fountain head of life, the Blood. As if you had thrown some earth for instance in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood but regenerate all the secretions of the body, they are, therefore, universal as a

CURE FOR BILIOUS DISEASES.

Liver Complaint, Sick Headache &c. This Anti Bilious Medicine expels from the blood the hidden seeds of disease and renders all the fluids and secretions pure and fluent, clearing and revivifying the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach a medicine like this "Moravian Hase Pills" that will pass directly to the afflicted parts, through the blood and fluids of the body and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Bowel Complaints,	*Debility,*	*Inward Weakness,*
Coughs,	*Fever and Ague,*	*Liver Complaints,*
Colds,	*Female Complaints,*	*Lowness of Spirits,*
Chest Diseases,	*Headaches,*	*Piles,*
Costiveness,	*Indigestion,*	*Stone and Gravel,*
Dyspepsia,	*Jaundice,*	*Secondary Symptoms,*
Diarrhea,	*Inflammation,*	
Dropsy,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tamacas, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "Great Discovery" of the Aztecs.

Observe.—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.
