We advise those of our friends, in a state of single blessedness, who would win the idol of their hearts, and enjoy that domestic felicity known only to those in married life, to restore the hair on their bald pates, change their gray locks to their original color, make them glossy as silk, by using Professor Wood's Hair Restorative. It is now the standard remedy for all diseases of hair and skin.—[Ohio Stateman.

ULCEROUS SORES.—A poor man named Mackey, in the employ of Lieut. Webster, of Pugwash, was terribly afflicted with several ulcerous sores on his body, and two on his leg, which rendered him a most miserable object, and frequently deprived him of the means of earning his daily bread; he obtained advice from some very eminent medical men, but he did not get any better; however, the gallant and humane Lieut. finally purchased for him a quantity of Holloway's Ointment and Pills, which Mackey commenced using; he persevered with these remedies for only nine weeks, when to the astonishment of every one, the ulcers had entirely disappeared, leaving scarcely the scar perceptible after 19 years of suffering. These famous medicines will cure wounds even of 30 years standing

SINGLE NUMBERS!

Purchasers in buying 10 whole tickets of consecutive numbers, are guaranteed a Prize of $10; Halves and Quarters in proportion.

SAML. SWAN & Co., Managers.

30,000 TICKETS---3,280 PRIZES!

PRIZES amounting to $204,000 will be distributed according to the following original scheme.

1 Prize of $40,000 is $40,000; 1 of 12,000 is 12,000; 1 of 5,000 is 5,000; 1 of 2000 is 2000; 1 of 1000 is 1000; 1 of 1000 is 1000; 10 of 200 are 2,000; 100 of 100 are 10,000; 100 of 70 are 7,000.

APPROXIMATION PRIZES.

4 Prizes of $150 approximating to $40,000 prize, are $600; 4 of 125 approximating 12,000 are 500; 4 of 100 approximating to 5,000 are 400; 4 of 75 approximating to 2,000 are 300; 8 of 50 approximating to 1000 Prizes are 400; 40 of 45 approximating to 200 are 1,800; 3,000 of 40 are 120,000.---3,280 Prizes amounting to $204,000.

Whole Tickets $10, Halves $5, Quarters $2½.

PLAN OF THE LOTTERY.

The numbers from 1 to 30,000 corresponding with those on the Tickets, printed on separate slips of paper, are encircled with small tin tubes, and placed in one Wheel.

The first 216 Prizes, similarly printed and encircled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers; and at the same time a prize is drawn from the other wheel. The number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioner, the prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.

Approximation Prizes.—The two preceding and the two succeeding numbers to those drawing the first 16 Prizes, will be entitled to the 64 Approximation Prizes, according to the Scheme.

3,000 Prizes of $40 will be determined by the last figure of the number which draws the $10,000 Prize. For example—if the number drawing the $40,000 Prize ends with No. 1, then all the tickets where the number ends in 1, will be entitled to $40. If the number ends with No. 2, then all the tickets where the number ends in 2, will be entitled to $40, and so on to 0.

INDUCEMENTS TO CLUBS.

As by this scheme, one Ticket in every ten is guaranteed to draw $40, we will sell Certificates of Packages of 10 Tickets (consecutive numbers) at the following rates, which is the risk on them.

All that they draw over the amount guaranteed accrues to the purchaser.

Certificate of 10 Whole Tickets,	$60
" 10 Half Tickets	30
" 10 Quarter "	15

It will be perceived, by this plan, that for $60 the purchaser has a Certificate of 10 tickets, when if he buys tickets, he would only get for that sum 6 Wholes; thus by buying Certificates he has four more chances for the larger Prizes, Halves and Quarter Packages in proportion.

In ordering Tickets, or Certificates, enclose the money to our address for the Tickets ordered, on receipt of which they will be forwarded by first mail.

The List of Drawn Numbers and Prizes will be sent to purchasers immediately after the drawing.

Purchasers will please write their signatures plain, and give their Post Office, County and State.

Remember that every Prize is drawn, and payable in full, without deduction.

All Prizes of $1,000 and under, paid immediately after the drawing—other prizes at the usual time of 30 days, in full without deduction.

All communications strictly confidential.

Prize Tickets cashed or renewed in other Tickets at either office.

Orders for Tickets, can be addressed either to

Important to Every-Body.

FOR the last three years, I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum of $200 each, which has averaged me at the rate of $2,000 to $3000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada who will remit me the sum of $1. I am induced, from the sucess I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively no Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they make from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed are now making from $3 to $6 per day at it. It is a genteel business, and but a few shillings is required to start it. Upon receipt of $1, will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

All letters must be addressed to A. T. PARSONS, 335 Broadway New York.

Book Agents Wanted.

BY the largest Book Establishment in the United States, which is exclusively devoted to supplying agents and Canvassers.

The undersigned wish to call the attention of Book Agents, and all who are interested in the sale of Books in any way, to their list of publications, comprising the most valuable and best works now in the market.

Our wholesale prices are so low that a successful agent can readily realize a small fortune. The Great West is teeming with population and wealth, and is but ill supplied with books of a standard character. A rare opportunity is therefore offered to make money and do good at the same time. Please open a correspondence with us, and we shall take pleasure in forwarding to your address, our General Circular of Books, terms, and full information relative to the business.
