RHEUMATISM.—Mr Charles Sidney, of Charlottetown, P. E. I., was a very severe sufferer from this complaint, and he was frequently confined to his bed for months together, so severe were the attacks; he resorted to numerous remedies, but his disorder only increased, and he was compelled for a time to suspend his valuable public services. Knowing several parties who had derived signal benefit from the use of Holloway's Ointment and Pills, he resolved to give them a fair trial; after he had used these remedies a few weeks, he felt himself considerably better, and in two months he had entirely recovered, although he had despaired of ever deriving any permanent relief to his suffering.

Money! Money! Money!

WHY BE WITHOUT MONEY? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy. Try it, if you are out of employment—and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious advertisement. This is no humbug. Try it! Try it! Try it!! Address your letters to

DWIGHT MONROE, New York.

I sent one of my Circulars to an Editor in Georgia, and he gave a notice in his paper like the following:

"Mr Munroe sent me one his Circulars, and I will just say to my readers that whoever of you are out of employment that Mr Munroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug."

IMPORTANT TO DAGUERREOTYPISTS, MARBLE DEALERS AND OTHERS.

Monumental Daguerreotype Cases.

A METHOD has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which encloses the picture and keeps it, in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 25 each to $9,50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN,
Agent of Mausoleum Dag. Co.,
335 Broadway, New York.
