EDITORIAL NOTES.

The Manitoba Government has decided to appeal to the country at the same time as the Liquor Act referendum is taken, probably in May.

Dr. Bryce, the Provincial Registrar-General, is preparing a report on marriage statistics. He has discovered the remarkable fact that marriages by young men are fully fifty per cent. less frequent than they were thirty nine years ago.

A bill for the suppression of the campaign newspaper is to be introduced into the Legislature during the present session by Mr. Conmee, M. P. P. Mr. Conmee has a great dislike for newspapers that are run solely for campaign purposes which have their birth shortly before election time and cease to exist shortly after. As a rule nobody seems to be responsible for these publications and their evident purpose is to throw mud on political opponents.

The chief matter before the Legislature to-day will be the Prohibition Bill. It is generally believed that a referendum will be part of the bill's provisions, and that at least sixty per cent. of the votes cast will be required. It is difficult for the public to understand, however, why a prohibitionist's vote is not worth as much in this election as that of a liquor man's. The referendum may be voted upon at the municipal elections on January 5th next.

Mr. James McMullen, ex-M. P., and Mr. William Gibson, ex-M. P., have been appointed Senators. The filling of the two Ontario vacancies in the Senate brings the number of straight Liberals up to 38. Of the remaining 43, several will give the Government an independent support, and others may not be able from advanced age to attend. The Government, therefore, to all intents and purposes, has now a majority in the Senate.

The grain movement in the North-West so far since the harvest has brought about a great change in business conditions in that part of the country. Old scores are being wiped off in a very satisfactory manner and liberal purchases are being made for the ensuing season. There is still a great deal of grain in the country, which up to the present time could not be moved owing to the scarcity of transportation. As the deliveries of grain increase, trade it is expected, will become still more active, and with the large number of settlers expected to go into the West the coming spring, trade should show great activity.

NEWS.

The Winnipeg City Council decided by a majority of one to accept Mr. Carnegie's $75,000 library offer. A motion in favor of Sunday street cars was defeated by a similar majority.

GEORGETOWN.

The glove factory is expected to be in operation in a week or so now.

The pavements have been as slippery as the skating rink during the cold weather. Pedestrians go about on them with very gingerly steps.

Halton's Sunday School workers evidently enjoyed themselves while at the convention here last week.

Rev. W. H. Garshaw, B. D., preached able sermons in the Methodist Church last Sunday. Rev. Mr. Potter preached anniversary sermons at Rockwood and delivered his lecture on the American War on Monday evening.

Mr. Thomas Ramshaw and family were in Acton on Tuesday attending the funeral there of Mrs. John T. Easton, of Chicago.

Miss Sutton, of Berlin, was a guest during the week of Mrs. H. P. Lawson.

At the meeting of the High School Board last week, Mr. H. W. Kennedy, B. A., was elected chairman, and at the meeting of the Public School Board a week or so earlier his brother, Mr. John Kennedy, was elected chairman of that Board.

Mr. George Graham gave a fifty minute address in a debate on prohibition in Terra Cotta on Monday evening in connection with the very successful anniversary tea-meeting of the Methodist Church.

Mr. H. P. Moore of the FREE PRESS, Acton, preached earnest anniversary sermons in the Methodist Church, Terra Cotta to large and attentive congregations on Sunday. Mr. Moore was here on Monday morning.

Mr. Barber is negotiating for a new electric plant, of much larger capacity than the present one, to supply increased power for the paper mill.

THE 45TH CONVENTION.

Halton Sunday School Workers Convene For Practical Profit and Edification at Georgetown.

A VERY HELPFUL PROGRAMME.

For the forty-sixth time in succession the Sunday School workers and their friends of the good old county of Halton came together last Thursday and Friday in annual convention. The sessions were held in the beautiful church of the Presbyterian congregation, Georgetown, recently re-opened after restoration from the effects of the disastrous fire last year. Owing no doubt to the storms and blockaded roads last week, the lower end of the county sent fewer delegates than usual, but the representation from the county as a whole, was fair, and the programme abounded in matter full of interest to Sunday School workers.

The devotional services were conducted by Rev. L. Perrin, Rev. H. A. Macpherson, Rev. W. S. McAlpine, and Rev. Austin Potter.

Mr. A. L. Noble, of Norval, who has most faithfully and efficiently filled the office of president during the year, presided at the various sessions.

COMMITTEES.

The opening session Thursday, was devoted to devotional services, and the appointment of committees, as follows:

Nominations—R. D. Warren, W. V. Hopkins, W. Lee, J. A. Currey, Miss Davidson.

Business—L. Grant, Rev. W. S. McAlpine, H. W. Kennedy, R. D. Warren.

Resolutions—Rev. J. W. Cooley, Rev. L. Perrin, W. Sargent, Rev. A. Potter, Jas. Henderson.

Finance—J. W. Freeman, Miss Noble, Miss Davidson, W. V. Hopkins, D. Hartley.

THE HOME.

Thursday afternoon, Rev. W. M. McKay read a paper on "The Study of the Bible in the Home." "The Bible," the speaker said, "is not only to be treasured in the individual heart, but must have an abiding place in the home circle, where its truths should be regularly taught. The home is the place where the Bible is pre-eminently indispensible.

Discussion was engaged in by Rev. W. S. McAlpine, W. V. Hopkins, Rev. A. Potter, R. F. Bessey, and Rev. J. M. Hager.

THE TEACHER.

Rev. J. W. Cooley, of Milton, followed in an address on "The Sunday School Teacher as a Teacher of The Word of God." The subject was dealt with under three headings: (1) The teacher preparing to teach; (2) The teacher teaching; (3) The teacher after he has taught. The teacher must believe in the Word of God, and must have at least a measure of its substance within him. He must also have reverence for the Word and its Author, and be a careful student of the Bible. Before his class the teacher must magnify the Word of God, and not his own opinions, and after he has taught he should be careful that nothing in his life negatives the Word which he has been endeavoring to teach.

The address was discussed by Rev. H. A. Macpherson, J. S. Deacon, H. P. Moore and Rev. W. M. McKay.

HOW PARENTS CAN HELP.

The subject dealt with by Rev. J. M. Hager, M. A., of Acton, was "How Parents can Help in Sunday School Work." They can help it financially in contributing toward the expense of the school and to missions; can see that their children attend regularly; can help the school by preparing the lessons with the children at home; commending the school when speaking of it before the children; by showing friendship toward the teacher; by earnest prayer.

Among those who engaged in the discussion were, Rev. A. Potter, R. F. Bessey, Rev. H. A. Macpherson and D. Agnew.

PRESIDENT'S ADDRESS.

The evening session opened with a large attendance.

Mr. Noble, president, in his address, stated that the county and townships were now thoroughly organized, and what now remained was to put the organization into effect. He urged teachers and officers to faithfully discharge their responsibilities.

STUDY OF THE BIBLE.

Dr. Workman followed in a profound address on "How to Study the Bible." The Dr. opened by stating that the Bible was the worst understood book in the world with respect to the historic meaning, because of erroneous views of inspiration and revelation and wrong methods of interpretation. The Bible is a divine book because man, with proper mental and spiritual training, can understand it. There is no Bible difficulty that cannot be fairly and rationally conceived and believed. The Bible must be studied (1) as literature; (2) as ancient literature; (3) as oriental literature; (4) as developed literature, (5) as inspired literature. The speaker cautioned Bible students against taking symbolic representations in the scriptures literally. He also said, among many other things, that the Bible should be interpreted in the light of the time in which it was written; in harmony with oriental modes of thought in accordance with the meanings of the writers. Dr. Workman's interpretation of various historical statements in the Old Testament caused something of a sensation and a lively discussion followed at next morning's session.

The closing address of the evening was given by Rev. F. A. Cassidy, M. A., of Guelph, on "The Lord's Day Alliance." Mr. Cassidy outlined the good work in which the Alliance is engaged and appealed for sympathy and support in its behalf.

Friday morning's session was devoted to interesting discussions on Dr. Workman's address, led by Rev. A. R. Gregory and Mr. R. D. Coutts; and "The S. S. Teacher as a spiritual influence on the Life of the Scholar," led by Rev. Dr. Henderson, and continued by D. Agnew, J. B. Deacon, W. V. Hopkins, Rev. A. Potter, Rev. F. A. Cassidy, Rev. Mr. McNamara.

Friday afternoon opened with an increased attendance.

OFFICERS.

The nominating committee's report was adopted as follows:

President—Rev. D. A. Moir, B. D., Oakville.

Vice-Presidents—The Presidents of the Township Associations.

Sec-Treas.—Miss Davidson, Nelson.

Statistical Sec.—Mrs. Smith, Oakville.

Executive—L. E. Wrinch and Alex Porter, Trafalgar; G. H. Hesbottle and J. C. Willson, Nelson; Miss Grace Menzies and John Kitching, Nassagaweya; John McLean, Miss Noble and J. F. Brownridge, Esquesing.

Auditors—W. V. Hopkins and John Lee.

FINANCES.

The Treasurer reported the receipts of the past year about $125; expenditure the same. Mr. Noble, President, generously making up the deficit of $19.

The finances for the current year were not so encouraging, and the Finance Committee brought down the following report which was adopted:

Your finance committee met and beg leave to present the following recommendations: We regret the somewhat unsatisfactory state of the finances this year and attribute some of it to misunderstanding. We would therefore recommend that the County Secretary correspond with the Township Secretaries, and these with the schools not having contributed, in order to emphasize the need of the schools to do their duty. We should also recommend that the township associations pledge some definite amount, so the county may know just what to expect. We hope for liberal contributions at these services to help meet the needs of the Association.

TWO ADDRESSES.

Rev. G. R. Peakin, of Toronto, gave an able address on the "Duty of the Acts."

Mr. J. A. Jackson followed in an outline of the work of the Provincial Association, answering numerous questions suggested on a leaflet distributed in the convention.

RESOLUTIONS.

The following were adopted.

(1) That in order to secure full statistics of the Sunday Schools of the county with a view to presenting a complete record to the Provincial S. S. Association, this County Association instruct the Statistical Secretary to enter into correspondence with the proper officer or officers of the Church of England S. S. Association for the county requesting them to furnish a copy of their S. S. statistics.

(2) That whereas there is much evidence to show serious decadence of family religious life to-day, and since that condition means great loss to many pupils of our S. Schools and an increase of the difficulties of S. S. work, we believe pastors, churches and S. S. workers should resolutely labor to promote a revival of family religion in the interest of the S. S. as well as the home and the church.

(3) That the thanks of the convention be presented to the President and Secretary for their efficient and diligent services during the year; to the speakers from outside the county; the choir of the Presbyterian Church, Miss Leslie, organist; the trustees of the church for the use of the building; the Georgetown people for their hospitality.

(4) That whereas the Court of Appeal of the English Privy Council has decided that legislation in harmony with the will of the Province of Manitoba, as expressed by the Plebiscite, is within its province, and whereas this division gives power to the Legislature of this Province to also legislate as it has been empowered to do by the large majority given for Prohibition in the appeal made to our own people, therefore this S. S. Association of the County of Halton in convention assembled, respectfully requests the Legislature to legislate in harmony with the views of the people as expressed in that vote, and also in harmony with the promises given by the former Premier, Hon. G. W. Ross.

CLOSING SESSION.

Not the least profitable of the various interesting and instructive sessions of the convention was the last, when Rev. G. R. Parkin, of Toronto, and Rev. R. J. M. Glassford, of Guelph, gave stirring addresses, in which encouraging words were spoken to Sunday School teachers, and a diligent study of the bible earnestly recommended.

NOTES.

The delegates were all provided with homes, and there was room to spare.

The anthems by the Presbyterian choir were much enjoyed, as was also the solo by Miss Noble and the duett by Rev. Mr. McAlpine and Miss McLeod.

Every municipality, except Oakville, was represented. The Convention of 1903 will be held there.

HINTS FOR GIRLS.

HOW TO PRESERVE HEALTH AND GOOD COLOR.

Pale, Sallow, or Anaemic Girls Restored to the Bright Freshness of Youth by Natural Means—Good Health Within the Reach of All.

From the Sun, Orangeville, Ont.

Miss Maggie Brownlee, of Orangeville, is a young lady well known to the residents of the town and greatly esteemed by all her acquaintances. Like thousands of other young girls throughout Canada, Miss Brownlee fell a victim to anaemia or watery blood, and for a time, as she says herself, feared she would never again enjoy robust health. Experiences like Miss Brownlee's cannot fail to be of benefit to other pale and anaemic girls, and for this reason she kindly consented to give a statement to the Sun for publication. "My illness," said Miss Brownlee, "came on very gradually, and at first it merely seemed as though it was a feeling of depression and tiredness. I kept getting worse, however, and finally had to give up a good position. I was at times troubled with a throbbing, racking headache; my appetite gave out; the least exertion tired me, and my heart would beat painfully. My limbs seemed to feel like weights, and at other times there was a sinking sensation which I can scarcely describe. I was treated by a good doctor and took a number of remedies, but without any improvement in my condition, and I began to fear that I was doomed to be an invalid. One day a friend who called to see me, spoke very highly of Dr. Williams' Pink Pills, and what she said interested my mother so much that she bought a few boxes. I began taking them, and in the course of a few weeks there was no room to doubt that they were helping me. I continued taking the pills for a couple months or more, when I felt as well and strong as ever I had been. It is about a year since I gave up taking the pills, and I have not since felt the need of any medicine. I think Dr. Williams' Pink Pills a grand medicine and should be taken by all pale and feeble girls."

Dr. Williams' Pink Pills make rich, red blood with every dose taken, and thus restoring the bloom of health, and the brightness and freshness of youth to pale and sallow cheeks. Through their action on the blood they cure such diseases as anaemia, nervousness, headache, rheumatism, dyspepsia, St. Vitus' dance, heart troubles, diseases of the kidneys, etc. These pills also cure the ailments that make the lives of so many women a constant misery. Sold in boxes the wrapper around which bears the full name—Dr. Williams' Pink Pills for Pale People. Can be secured from druggists, or will be sent by mail, post paid, at 50 cents a box or six boxes for $2 50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

ASTHMA CURE FREE!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL.
WRITE YOUR NAME AND ADDRESS PLAINLY.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. WELLS, of Villa Ridge, Ill., says:—"Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-sized bottle."

Rev. Dr. Morris Wechsler, Rabbi of the Congregation Israel, New York, Jan. 3, 1901.

DR. TAFT BROS.' MEDICINE CO.,
GENTLEMEN: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful. After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, cloroform or ether.
Very truly yours,
REV. DR. MORRIS WECHSLER.

DR. TAFT BROS. MEDICINE CO.,
GENTLEMEN: I write this Testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.
Yours respectfully
O. D. PHELPS, M.D.

DR. TAFT BROS. MEDICINE CO., Feb. 5, 1901
GENTLEMEN: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full size bottle, and am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.
