BORN.

ARNOLD.—In Acton, on Sunday, 16th March, to Mr. and Mrs. H. T. Arnold, a son.

WATSON.—In Esquesing, on Saturday, March 8th, to Mr. and Mrs. John Watson, 5th line, a daughter.

MARRIED.

HENRY—CAMPBELL.—On Thursday, 13th March at the residence of the bride's parents, by the Rev. G. T. Tough, William Henry, of Orangeville, to Miss Margaret K. Campbell, daughter of Mr. and Mrs. Chas. Campbell, Hornby.

DIED.

ARNOLD.—In Acton, on Saturday, 22nd March, Mary Graham, wife of H. T. Arnold, aged 43 years.

McCREA.—At Guelph, on Wednesday, 19th March, John McCrea, in the 91st year of his age. Born at Magherasaik, County Tyrone, Ireland.

The Acton Free Press

THURSDAY, MARCH 27, 1902.

EDITORIAL NOTES.

The agitation for converting the Northwest Territories into regular Provinces is gathering strength and will be in practical politics one of these days. It may be that there is no very serious grievance, but when the people of the west have once made up their minds, it will be difficult to refuse them any reasonable request they may make. The Prince Albert Advocate wants a "Province of Saskatchewan."

A petition asking for the incorporation of the Crown Bank of Canada, with power to do a general banking business, has been presented at Ottawa. This makes the fourth new bank preparing to enter the Canadian field, the others being the Metropolitan Bank of Canada and the First National Bank of Canada, notice of application for the incorporation of which has been given, and the Sovereign Bank of Canada, the organization of which is nearing completion.

The Peel Banner published the following interesting political anecdote: The school is situated in Halton County and in a section which is very strong Conservative. The choor was up for dictation. "Give me another word for orator," said the teacher. "A public speaker," replied one of the class. "Yes. Now give me the name of an orator." "Mr. Henderson," called out several pupils. "Yes. Give me another." The pupils could not answer, and the teacher gave the name of Sir Wilfrid Laurier. "But, please teacher, isn't he a Grit?" "Yes." A look of utter disgust spread over almost the entire school.

The printing required by the County Council will be done this year in the Brampton Conservator office, its tender through its Georgetown office having been accepted, being the lowest. This is probably the first time in the history of the county that a tender has been accepted from an outside office. The tender was put in by the manager of the Georgetown branch, but everybody knows that there is no printing office there" in connection with the paper, and that all the mechanical work thereon is done in Brampton. With seven well-equipped job offices in the county, it is rather strange that the printing required by the County should be done in Peel.—Milton Reformer.

SEED GRAIN COMPETITION.

Young Canada Encouraged in Grain Culture—Training the Farmers of the Future by Practical Methods.

The last annual report of the Honorable Minister of Agriculture for this Dominion is remarkably interesting reading generally, but more especially where it refers to the progress that is being made by young Canadians along the lines of practical grain culture.

With a view to stimulating increased interest in the growing and systematic selection of seed-grain, a competition among boys and girls living on Canadian farms was started in the spring of 1900. To encourage them in this work, Sir William C. Macdonald, of Montreal, donated the sum of $10,000 to be given in cash prizes, according to plans which were arranged by Prof. Robertson. The prizes are distributed under the supervision of the Dominion Department of Agriculture.

The competitors in the seed grain competition are growing seed grain on specially prepared plots of land, one quarter of an acre in each plot, selecting seed each year from these plots to sow on the plot for the succeeding year. They gather large well-filled heads from vigorous plants before the grain is cut and after all the conditions of growth have been observed, and then thresh these heads. By screening and hand-picking the large, well-developed grain, from these selected heads, the seed for next year's seed grain plot is secured. This means and manner of selecting seed has now been conducted for two years on over eight hundred Canadian farms, which are fairly well distributed throughout the Dominion.

The expressions of appreciation which have been received from the parents and teachers of many of the boys and girls who have undertaken the work of managing a seed grain plot have been most gratifying. The nature study connected with the selection of seed-grain according to the system followed, is as helpful as it is interesting. There can be no doubt, as Professor Robertson has stated elsewhere, that a systematic continued selection of seed-grain from the most vigorous and productive plants in the plots, will lead to great improvement in the crops throughout the whole of the country. The educational influence of the seed-grain competition is exerting a wholesome effect upon boys and girls whose school years are nearly ended, and who may never again be offered an inducement sufficient to awaken and to develop a liking for a careful and educational study of nature and nature's methods. This "Progressive Agriculture" branch of the Macdonald Manual Training fund is growing in influence and usefulness; and there is good reason to anticipate with confidence that it will prove of perpetual advantage to Canada, not only through the improvement of seed-grain; but also, through the increased intelligence and enlarged abilities of the boys and girls who have taken part in the competitions.

A fair-weather friend is one who returns to lend you his umbrella.

INCREASED TO $500 A YEAR

The Salary of The Municipal Officer from April 1st.

COUNCILLOR SWACKHAMER OPPOSES ON LEGAL GROUNDS.

Council met on Monday evening in regular session.

Members all present, Reeve Willmore in the chair.

The Committee on Finance presented their sixth report and recommended payment of accounts as follows:

T. T. Moore, postage	$ 1 00
T. H. Harding, sweeper for Town Hall	1 50
Hamilton Engine Packing Co.	5 20
Canadian General Electric Co., supplies	23 40
The Acton FREE PRESS printing and advertising	31 10
	$68 25

Moved by John A. Henderson, seconded by George Hynds, that the sixth report of the Committee on Finance just read be adopted.—Carried.

Moved by Jno. A. Henderson, seconded by Geo. Hynds, that the salary of the Municipal Officer, R. D. Graham, be increased to $500.00 per annum, in consideration of his assuming the position of assistant engineer of the Fire Brigade, as well as the additional work in taking care of the Public School, in addition to his other duties as set forth in the by-law, and that he provide two acceptable sureties of $1000 each, for the proper performance of his duties as collector of taxes and collector of electric light accounts. Said increase to date from April 1st, 1902.

In supporting his motion, Councillor Henderson referred to the fact that the duties of the Municipal Officer, though lighter now, as far as physical effort is concerned, than when he was first engaged years ago, they are much more responsible and exacting. The care of large amounts entrusted to his collection, and having an intelligent grasp of the details of all municipal matters, makes Mr. Graham a valuable man. This office now needs a man who will use his brains more than his hands, and it is a self-evident fact that whoever fills the office satisfactorily in the future will be a $500 man. He had conversed with numbers of the ratepayers and they were very generally in favor of the increase proposed.

Councillor Swackhammer contended that the Council is in such a position that they cannot take the action proposed legally. It is illegal, he said to take any step in the matter until the by-law engaging Mr. Graham is repealed.

The Reeve explained that the by-law referred to was only necessary to cover the duties of Mr. Graham as assessor, and the increase of salary because of extra duties would not affect the legality of the by-law.

COUNCILLOR SWACKHAMER—The Council will find they are making a mistake in taking this course.

COUNCILLOR HYNDS—What do you object to?

COUNCILLOR SWACKHAMER—I object to the increase and the manner in which you are taking action. If affects the Fire Brigade too.

COUNCILLOR HENDERSON — This course was strongly recommended by the chief of the Fire Brigade. We merely mentioned the item of assistant engineer in showing the added duties of the Municipal Officer.

Councillor Swackhamer then submitted the following amendment, and demanded that the yeas and nays be recorded on the motion:

Moved in amendment by H. Swackhamer, seconded by John Agnew, that this Council cannot proceed with this business as it is an illegal matter, and as an amendment we further refuse any proceedure until a resignation be tendered, and demand that said Municipal Officer be held at his regular salary.

The vote on the amendment was as follows:

Yeas—Swackhammer, Agnew.

Nays—Henderson, Hynds and the Reeve.

The motion for increase of salary was carried upon the same division.

Councillor Agnew asked if it was the intention to enforce the tariff of fees for use of the park, as they affect athletic games. The clubs complained to him that Georgetown and Milton gave their parks free, and they thought Acton Council ought to be just as generous.

The matter was discussed but action was deferred.

Council then adjourned.

EVERTON.

Last Thursday evening when the Society of Chosen Friends had gotten as far as "Good of the Order," Friend Norton was asked to stand, when the following address was read by Mr. W. H. Hortop:—

We, the members of Everton Council C. O. C. F., have learned of your intended removal from our midst with feelings of regret. Before leaving us we desire to express to you our appreciation of the manner in which you have always upheld the order and have endeavor to promote the interests of fraternity, aid and protection. As a slight token of remembrance we beg of you to accept this gift of the Society, not because of its intrinsic value, but as an indication of the esteem in which you are held by this Council. And now, as you go out to your new home, we wish to assure you that the earnest wellwishes of this Council go with you. We predict for yourself and family a prosperous and happy lifeon the province of your adoption and feel assured, judging from our association with you in the past, that such a prophecy will be fulfilled.

Yours in F. A. P.

Signed on behalf of the council,
JOHN SUTTER, C. C.,
W. H. HORTOP, Sec.,
MISS FORSTER, TREAS.

Mr. W. H. Hortop, our representative to the Grand Council, went to Toronto on Monday to attend the annual meeting.

Mr. Percival Talbot, of Coulee Lodge, Alberta, arrived here Saturday and will spend a week or so at the home of his uncle, Mr. D. Talbot.

There was quite a harvest of ice here this season. Mr. D. Simons cut eighteen hundred blocks.

Purpose is what gives a meaning.

Children Cry for
CASTORIA.

THE BAPTIST ANNIVERSARY

Rev. W. S. McAlpine, the Pastor, Preaches Timely and Impressive Sermons.

The forty-fourth anniversary since the erection of the first Baptist Church in Acton, and the second of the new Church, was held last Sunday with large congregations.

The sudden illness on Saturday of Rev. Dr. Goodspeed, of McMaster University, who was announced as the preacher for the day, prevented his being present. This was somewhat of a disappointment to the congregation, and placed a heavy responsibility upon the pastor, but he filled the position with much acceptance, proof of this being shown by the large congregation which assembled at the evening service after the announcement of the disappointment in the morning.

The text of the morning discourse was: Deut. 22, 8. "When thou buildest a new house, then thou shalt make a battlement for thy roof, that thou bring not blood upon thine house, if any man fall from thence."

We will not consider the text in its literal sense, said the preacher, but in a spiritual, and the subject will be "The safeguard for life." It is cheaper financially to build safeguards than to pay damages. Man has always needed safeguards. He was put on a high plain of innocence and purity in the garden of Eden, but he fell from that high plain and has needed a safeguard or parapet ever since. God gave Israel a law for a safeguard, but they took delight in leaping over this parapet. He found it necessary to provide another wall or safeguard for the safety of his people, and he gave his son Jesus Christ. Jesus stands as a battlement or safeguard to keep sinners from falling. God gave His Son that he might be a wall about his people. Concluding, he said, Christians are raised to a higher plane than the world, therefore they need a wall to keep them from falling. God's word is the best battlement in times of darkness, and will guide every soul into a safe place.

The sermon in the evening was based upon Rev. 3: 17-18, in which the misery of the Church at Laodicea is represented in the three conditions of poverty, nakedness and blindness. The Laodiceans prided themselves upon their riches and prosperity, but in God's sight they were poor and clothed in the filthy rags of unrighteousness. Man has tried to be independent of God and has sought spiritual riches in his own way, but never with success. God has riches for all who comply with his methods. He changes the base things of the world into things that are mighty. We buy of God by bringing to Him our poverty. His gold is faith subjected to the fiercest tests. Sinners come and buy the gold of faith without money and without money and without price. The necessity for being clothed was amplified. The knowledge of being naked and exposed to an All-seeing Eye comes to all. God beholds a naked soul and shows that a robe of righteousness is needed. The text says an eyes alve was needed. There must be spiritual insight to understand God's works. The touch of Jesus' hand is needed. As we have our eyes opened we shall be able to see as God desires us to see. Jesus says, behold, I stand at the door and knock. I will give you gold, clothing and good sight without money and without price.

The music of the day was specially appropriate. At the evening service a number of the members of Georgetown Baptist Choir assisted, and the Georgetown Male Quartette sang a selection with impressive effect.

LORD'S DAY ALLIANCE.

The Annual Meeting on Monday Evening Addressed by Rev. J. G. Shearer, General Secretary.

The annual meeting of Acton Branch of the Lord's Day Alliance was held in the Methodist Church. Mr. William Brown, President, occupied the chair.

A stirring address was delivered by Rev. J. G. Shearer, General Secretary, of Toronto, upon the work of the Alliance in securing a better observance of the Sabbath.

At the conclusion of the address Revs. J. M. Hagar, M. A., and H. A. Macpherson spoke briefly and the Secretary of the local branch, Mr. John M. Warren, gave a report for the branch.

The election of officers was then proceeded with and the following were chosen:

President—John Cameron.
Vice-Pres.—James Moore.
Sec-Treas.—J. M. Warren.
Executive—The local ministers, the retiring president, and a lady and a gentlemen from each of the Churches, as follows: Baptist, W. L. Worden, and Miss Graham; Church of England, J. H. Wallace and Miss Laird; Disciple, Fred Plank and Miss Bella Hill; Methodist, A. E. Nicklin and Mrs. Oram; Presbyterian, John R. Kennedy and Mrs. A. Campbell.

There being no representatives of the Roman Catholic Church present a committee was appointed to wait upon Rev. Father Feeny to receive his nominations.

Sunday, April 6th, being Alliance Day throughout the Dominion it was decided to request the Pastors of the of the Churches, Sunday School Superintendents and the Presidents of the Young People's Societies to impress the necessity for a more general observance of the Lord's Day in all their services.

On Sunday evening, April 13th, a mass meeting will be held at the close of the Church Services, at 7.15, in the Methodist Church at which brief addresses are expected from Revs. J. K. Godden, M. A., H. A. Macpherson and J. M. Hagar, M. A. It is expected the choirs of the various Churches will assist in this important service.

ROCKWOOD.

At the Presbytery meeting at Acton last week Mr. James Gordon was appointed a delegate to attend the meeting of the General Assembly in June.

Spring plowing has commenced and the farmers are talking of seeding.

Mr. T. H. Harding, of Acton, spent yesterday in town, booming his dustless floor brush.

James Quirk, hotelkeeper at Brantford, was found dying in his barn on Sunday night under circumstances which point to murder.

THE SPRING FEELING.

VARIABLE SPRING WEATHER DISASTROUS TO WEAK PEOPLE.

Even Usually Robust People Feel Run Down and Out of Sorts at This Time—Dr. Williams' Pink Pills Are the Very Best Spring Tonic.

The spring months are a trying time to most people. At no other time of the year do health and strength seem so hard to gain and to hold. You do not feel that you are really sick, but you feel about as bad as if you were seriously ill. That feeling ought to be got rid of—and it can be. What you need is a tonic to enrich the blood and free it from the impurities which have lodged in your system during the winter, and which are responsible for your present condition. Dr. Williams' Pink Pills is the only reliable, never-failing tonic medicine. These pills make new, rich blood, strengthen the nerves and bring health and strength to every organ of the body. They are an ideal spring medicine and the best thing in the world for all diseases having their origin in impoverished or impure blood. The case of Miss Belle Cathson, White Rock Mills, N. S., is strong corroboration of these statements. She says: "Three years ago this spring I was very much run down. The least exertion exhausted me. I seemed to lose ambition and a feeling of languor and sluggishness took its place. My appetite failed me and my sleep at nights was disturbed and restless. In fact I was in a pitiable condition. After trying two or three medicines without benefit, I began the use of Dr. Williams' Pink Pills and they speedily worked a change for the better and by the time I had used a half dozen boxes I felt stronger than I had done for years. I have since used the pills in the spring and I find them an excellent tonic."

Because of their thorough and prompt action on the blood and nerves these pills speedily cure anæmia, rheumatism, sciatica, partial paralysis, St. Vitus' dance, scrofula and eruptions of the skin, erysipelas, kidney and liver troubles and the functional ailments that make the lives of so many women a source of constant misery. Other so-called tonic pills are mere imitations of this sterling remedy. Get the genuine with the full name, "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. Sold by all medicine dealers or sent post paid at 50 cents a box or six boxes for $2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

GEORGETOWN.

Miss Potter, daughter of the pastor of the Methodist Church, was chosen by her class in Victoria University to propose the toast of the class of '01 at the annual college dinner. This is an unusual honor, and Miss Potter performed the task very successfully.—Herald.

Miss Evans has resigned from the position of teacher of the third dept. in the Public School. Miss Ryan has been promoted to that department and the board is advertising for a new teacher.

An enjoyable social was held by the Ladies' Aid in the Methodist Church on Monday evening. A programme that was appreciated by all was rendered by the following talent: Miss Hettie Lawson, Stewarttown, Miss Annie Noble,—Norval,—Miss Clara Moore,—Acton, Miss Clara Barnes, Stewarttown, Mrs. Bowman, Georgetown, Miss Evelyn Reid, Georgetown, and a quartette from Ashgrove.

The remains of Mrs. H. T. Arnold were interred in Greenwood Cemetery on Tuesday afternoon. Much sorrow is felt here for Mr. Arnold, our new citizen, and his family in their sore affliction. Mrs. Arnold was a daughter of Mr. William Graham, of Detroit, and was born at her father's farm lot 18, con. 10, about two miles east of Georgetown in 1858.

ASHGROVE.

Mr. and Mrs. T. Elliott, Miss Alice Elliott and Miss E. Wilson, all of Acton, spent Sunday with friends here.

Miss Morrison, of Toronto, has been spending a few days with her cousins the Misses Morrison.

Mr. and Mrs. Haines, of Brampton, spent Sunday at Mr. R. Graham's.

Rev. F. W. Thompson, B. A., spent last week in Toronto.

There was a large attendance at the meeting of the Epworth League on Sunday night. Miss Noble gave an excellent paper on the topic, "Our Own for Christ." Rev. F. W. Thompson gave a short address on the Convention of the Students' Volunteer Movement for Missions which he attended while in Toronto.

Mrs. Thornton and family left on Monday morning for their new home in Toronto, 20 Czar Street. The best wishes of their many friends go with them for prosperity in the city.

The roads on this beat were scraped on Saturday and are now in excellent condition. The use of the road-machines has made great improvements in the roads of this locality within a few years.

Mr. J. F. Brownridge purchased on Friday last a fine span of horses from Mr. M. Holmes, of Nassagaweya. They are three year olds, bay in color and have plenty of life and action. No doubt these animals will make a record for themselves at the fairs this fall as both have been prize winners as yearlings and two year olds.

From present indications moving day is likely to fall in a pleasant season.

A whippet can sharpen a man's wits even if she can't sharpen a lead pencil.

WANTED.—Capable, reliable person in every county to represent large company of solid financial reputation; $900 per year. Payable weekly; $3 per day absolutely sure and all expenses straight, bona-fide, definite salary no commission; salary paid each Saturday and expenses money advanced each week. STANDARD HOUSE, 1 Dearborn St., Chicago.

CREWSONS CORNERS.

Mrs. Robt. Cripps returned from the Guelph General Hospital on Saturday much improved by the treatment she received there.

Mr. Thos. P. Watkins lost a valuable brood mare last week.

Mr. L. Crewson, of East Luther, visited friends here for a few days last week. Mr. Crewson recently sold his fine 200 acre farm for $9,000 cash.

Mrs. Geo. Locker and Mrs. J. T. Davidson, of Acton, spent Sunday at McRobt Cripps'.

Mrs. Robt. Gibpons has been attending her daughter, Mrs. Wm. Frick, of Acton, for the past few weeks. Mrs. Frick has been dangerously ill with scarlet fever.

Miss Sarah Hilton, of Georgetown, spent Sunday at her home here.

NASSAGAWEYA.

One of the most successful sales in this township this season was conducted last Friday for Mr. Alex. Bell, by auctioneer Hemstreet, of Acton. Mr. Hemstreet's services are much in demand this spring.

The new rifles and accoutrements supplied to Campbellville Company last week are greatly admired by the volunteers.

Mr. John Kitching was one of the prize winners at the Seed Fair held at Guelph on Saturday, on six-rowed barley.

The interment took place last Thursday in the Church of England Cemetery of the remains of Elizabeth Stokes, wife of John Evans, of Terra Cotta.

The lie that flatters I abhor the most.

CONSUMPTION.

Thousands of Persons are Hastening towards their Graves as a Result of this Dread Disease.

A few of the many symptoms of this destroyer of the human race:

Have you a cough?
Are you losing flesh?
Do you cough at night?
Have you pain in side?
Do you take cold easily?
Is your appetite poor?
Have you stitches in side?
Do you cough much you can't get?
Are you low spirited at times?
Do you raise frothy material?
Do you spit up yellow matter?
Do you cough on going to bed?
Do you cough in the mornings?
Is your cough slow and racking?
Have you a disgust for fatty foods?
Is there a tickling behind the palate?
Have you pain behind breast bone?
Do you feel you are growing weaker?
Is there a burning pain in the throat?
Do you cough worse night and morning?
Are you pale, thin and weak?
Have you chills and fever, and night sweats?

These are a few of the many symptoms which sounds the alarm and gives the sufferer warning that he may have in your body the seeds of the most dangerous disease—consumption.

A cure is now within the reach of every sufferer.

PUL-MO

If used as directed, will check the progress of this fatal disease and restore the afflicted to perfect health. Do not go to Hot Air, Medicated Mixtures or Rocky Mountains. Remain at home with friends and home comforts and yet cure yourself by Pul-Mo, which is the acknowledged victory in medical science. Pul-Mo is an absolute cure for Consumption, Throat and Lung Troubles, Coughs, Colds and all other consumption symptoms.

Pul-Mo is inexpensive, being only $1 dollar, at $1.00 per large bottle, or you may procure a sample bottle for 10 cents.

Pul-Mo stands alone—the use of any other medicine as an assistant is not necessary. Eat good plain, nourishing food, get plenty of fresh air and take gentle exercise, and use Pul-Mo as directed, that is all—Nature will do the rest.

If your druggist has not got Pul-Mo in stock a sample bottle will be delivered to any part of the world.

FREE.

By remitting 12 cents to cover cost of postage give Pul-Mo a trial and convince yourself that it cures. Address all letters to the PUL-MO CO., Toronto, Canada.

For Sale by A. T. BROWN, Druggist, Acton.
