THE GREATEST

WONDER OF MODERN TIMES!

HOLLOWAY'S PILLS & OINTMENT

THE PILLS Purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all complaints incidental to Females.

THE OINTMENT is the only reliable remedy for Bad Legs, Old Wounds, Sores and Ulcers, of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism, and all Skin Diseases it has no equal.

BEWARE of NEW YORK COUNTERFEITS.

Sold under the name of "Holloway & Co., by J. F. Henry, Curran & Co., Druggists, and also by the Metropolitan Medicine Company of New York, with an assumed trade mark thus Again one Joseph Haydock of New York, likewise passes off counterfeits of his own make under the name of Holloway & Co., having for a trade mark a Crescent and Serpent. McKesson & Robbins of New York are agents for the same.

These persons, the better to deceive you, unblushingly Caution the Public in the small books of directions affied to their Medicines, which are really the spurious imitations, to Beware of Counterfeits.

Unscrupulous Dealers obtain them at very low prices and sell them to the public in Canada as my genuine Pills and Ointment.

I most earnestly and respectfully appeal to the Clergy, to Mothers of Families and other ladies, and to the public generally of British North America, that they may be pleased to denounce unsparingly these frauds.

Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are the Counterfeits.

Each Pot and Box of the Genuine Medicines bears the British Government Stamp, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.

Parties who may be defrauded by Vendors selling spurious "Holloway's Pills and Ointment," as of my genuine make, shall on communicating the particulars to me, be amply remunerated, and their names never devulged. Signed.

THOMAS HOLLOWAY.

IT NEVER FAILS!

PHOSFOZONE has never been known to fail in performing after a fair trial all that is claimed for it. The most sceptical readily acknowledged its surprising curative powers after taking a few doses, as its action is always rapid and certain. One or two or a dozen doses of Phosfozone may not cure them; but if they persevere in taking it favorable result is inevitable. Sold by all druggists and prepared in the Laboratory of the proprietors, Nos 42 and 43 St. Jean Baptiste St., Montreal.

THURSDAY EVEN'G, NOV. 8, 1878.

WE WATCHED HER BREATHING.

We watched her breathing through the night,
Her breathing soft and low,
As in her breast the wave of life,
Kept heaving to and fro.

So silently we seemed to speak,
So slowly moved about,
As we had lent her half our powers
To eke her living out.

Our very hopes belied our fears,
Our fears are hopes belied,—
We thought her dying when she slept,
And sleeping when she died.

For when the morn came dim and sad,
And chill with early showers,
Her quiet eyelids closed,—she had
Another morn than ours.

Thousands of people are now carelessly allowing themselves to drift through the preliminary symptoms of consumption, under the fatal delusion that they are troubled with nothing but a slight cold. How necessary is it then, that a cold should be cared for from its incipiency and every exertion used to get rid of it. Bryan's Pulmonic Wafers will stop the hacking cough in a few minutes, and by their influence on the bronchial and pulmonary organs all fears of dangerous results will soon be dissipated—but they must be taken in time. PETITT'S EYE-SALVE.

An Infallible Remedy for all Diseases of the Eye (acute or chronic), Granulation of the Lids, Ulceration of the Lachrymal Glands, Film, and Weakness of the Vision from any Cause.

THE AMERICAN EYE SALVE is presented to the public with the assurance of its efficiency as a curative of most diseases of the eye, acute or chronic inflammation, whether induced by scrofulous origin or otherwise, weakness or defect of vision, diminished tone of the optic nerve, or a diseased state of the tissues constituting that organ. Also for all persons whose vocation requires an incessant action of the eyes, the Salve will act as a charm in restoring a uniform healthy action, where weakness, pain and misery may have long threatened a fatal termination. It is the most simple, safe and effectual remedy ever discovered, the materials of which it is made are pure, perfect and exactly compounded with elaborate care and exactness, safe in its application, being used externally, and of course, avoiding the pain and danger which necessarily attends the introduction of caustic minerals and eye washes. Ringworm and Old Chronic Sores, of scrofulous origin, or resulting from whatever cause, yield to the AMERICAN EYE-SALVE. IT IS USED SUCCESSFULLY FOR PILES. Its soothing effect is immediate and a permanent cure requires but a few applications. The proprietors of DR. J PETITT'S AMERICAN EYE-SALVE, while making new and improved machinery for making a perfect box for the Eye Salve, have changed the Trade Mark on the cover so as to correspond with the Cut on the wrapper, circulars, advertisements, etc. We call attention to this, as it might otherwise be regarded as counterfeiting.

Mitchell's Belladona Improved India Rubber Porous Plaster.

There never has been a time when the healing of so many different diseases has been caused by outward applications as the present. It is an undisputed fact that over half the entire population of the globe resort to the use of ordinary plasters.

The principal ingredients used in making these Plasters are Gum Olibanum—or better known as the Frankincense of the Bible—Rubber, and Burgundy Pitch; which, when scientifically compounded, is full of electricity, and when combined with the pure medicinal gums, is found to be one of the greatest healing mediums ever brought before the human race.

They are acknowledged by all who have used them to act quicker than any other Plasters they have ever before tried, and that one of these Plasters will do more real service than a hundred of the ordinary kind. All other Plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different; the instant one is applied the patient will feel its effect.

They possess all the soothing, warming, supporting and strengthening qualities of all other Plasters. Many who have been relieved of Rheumatism, Tic-doloreux, and various other pains in the Kidneys, Breast or Side, and believe it is solely done by the electrical qualities which the Porous Plasters contain, and which is imparted to the system, thus restoring them to a healthy condition

They are very soft and pliable, still very adhesive, and a sure cure for weak backs, pains in the side and breast, and are invaluable to those who have a cold, of long standing, and often prevents consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption
