## EDITORIAL NOTES.

The United States Government has directed proceedings to be taken against the alleged beef trust, considering that it operates in restraint of interstate trade.

The contest in Halton is between John R. Barber and Dr. Nixon. Both are popular Georgetown men, and the contest in that town at least will be interesting. At the meeting of the Prohibition Association executive last Thursday at Milton it was decided to take no action in the matter of putting a third man into the field.

Manitoba will see a good number of elevators installed this season. F. W. Thompson, vice president and managing director of the Ogilvie Flour Mills Company has wired to the Winnipeg office to have 20 new elevators founded for the different locations having been selected during Mr. Thompson's recent trip out West.

The continued appreciation in prices of meat is causing a good deal of speculation as to the cause. The high prices of cattle of course have directly affected the market in this respect, but to go further back, the reason is that there is a scarcity of fine fat butchers' cattle and export stock in the country. The drovers, owing to the large demand, have been buying liberally for months, and now the farmers are holding back their cattle in order to get them better finished for the market during the summer export season, and also the higher prices have induced the farmers to hold their stock for a higher market. A slump in prices would do more than anything else to increase the offerings, but any decline in the near future is far from likely.—Bradstreet.

## BALLINAFAD.

The family of Mr. Thomas Bennett received the sad news last week of the death of the eldest daughter of Mr. Robert Bennett, jr., who came here a few weeks ago to accompany the remains of his father to Virden, Man. The young lady was attacked with appendicitis and survived only a few days. She visited her relatives here several years ago, and made many friends while here.

**House Destroyed by Lightning—New Sunday school at Knatchbull.**

During the thunderstorm on Friday night the lightning struck a house belonging to Mr. Peter Blacklock in Campbellville in which Mr. Rowland Corner was living and burned it to the ground, together with the best of his furniture. There was no insurance on the building.

Mr. Samuel C. Agnew, of Knatchbull, left on Monday for Manitoba.

Quarterly sacramental services will be held in the Ebenezer church next Sunday.

There will be a meeting at Knatchbull on Friday evening to see about commencing a Sunday School in the old Bethel Chapel. Mr. H. P. Moore of Acton will address the meeting.

Messrs. Henry Moore, of Knatchbull, and Wm. Whitley are building new barns this spring.

## GEORGETOWN.

**Gibson, Miller & Co. have Assigned—Mr. J. B. McLeod Sells his Practice to Barrister Campbell, of Norwood.**

Messrs. Gibson, Miller & Co., have made an assignment to J. B. McLeod. It is much regretted that this enterprising firm find themselves in difficulties. They have done a large business for six or seven years. Their creditors meet next Monday.

Mr. J. B. McLeod, barrister, has sold his law practice to Mr. W. A. F. Campbell, of Norwood. It is regretted that Mr. Mr. McLeod has found it advisable to take this step on account of the unsatisfactory state of his health. The Norwood Register refers to Mr. and Mrs. Campbell in very flattering terms.—Herald.

The livery business of Mr. H. A. McCollum has passed into the hands of Mr. J. Willoughby, of Charleston.

Georgetown politicians have had a lively time the past two days. On Tuesday the Tories took Dr. Nixon to Milton and nominated him as the Conservative Candidate for Halton. On Wednesday the Grits accompanied John R. Barber to Milton and he there was again chosen the standard-bearer for the party. There will be more politics in Georgetown the next four weeks than ever before. Our town is honored highly by supplying both the candidates. We can hardly be expected to elect them both, however.

Miss Clara Bessey, having been accepted on probation in the Nurse's Training School at Toronto General Hospital, leaves this week to enter upon the course. For a number of years Miss Bessey has most acceptably filled the position of organist of the Baptist Church, and her removal is on this account very much regretted, as well as for her sterling qualities as a christian worker. A farewell evening was spent by a number of the congregation at the home of Miss Bessey's father last evening. Under the direction of Rev. W. S. McAlpine, B. A., a most enjoyable evening was spent. An interesting item in the evening's proceedings was the presentation to Miss Bessey by the members of the congregation of a beautiful gold watch. The best wishes of all go with this estimable young lady to her new position.

### Classified List of Accounts Passed by Board of Health and Paid.

**ASHETS AND CONTRA ACCOUNTS**

From the time of the passing of the final list of accounts for expenses in connection with the smallpox outbreak here last winter there has been a constant demand on the part of citizens for the publication of itemized statement, as in the case of all other expenditures of the municipality. The Free Press offered to publish full details of each list of accounts as passed, but the authorities deemed it wiser to defer handing over the list for publication until all claims were settled.

## ROCKWOOD.

**Housing Prohibition Meeting—Our Boys off for South Africa.**

W. C. Garstang and William Gavin, both of this village, have enlisted in the fourth contingent.

Messrs. Harris & Co. are arranging to build a large addition to their woollen mills.

Messrs. John Duff and sons will put their fine imported stallions, Pickle Prince and Auldgirth on the road again next week.

Mr. Thomas Talbot, of the sixth line of Eramosa, who recently commenced building a new brick house on his fine farm, met with a serious reverse on Saturday morning, which will put him to quite a loss. The bricklayers were engaged in erecting the chimney when the terrific wind on Saturday blew a large portion of the structure to the ground. The wind struck the house from the west, forced the west wall down and the joists were forced so strongly against the east wall that it fell with the rest. Two men were on the building at the time but they escaped unhurt.

Ald. Carter, of Guelph, the Prohibitionist Candidate for this riding, was greeted with a large audience at his meeting in the town hall on Monday evening. Mr. Joliffe occupied the chair. Rev. Mr. Merrill was the first speaker. He spoke of the unfairness of the referendum, for which he held both parties responsible. Richard Power, of Guelph, was the next speaker. He spoke of the referendum and public ownership. Ald. Carter, the candidate, came out as a strong prohibitionist, and talked on the unfair condition of the working man, whether they be farmers, laborers, or mechanics. Mr. Hobson only said a few words on temperance and Christianity. Ald. Barker gave the reasons why he was a prohibitionist. The speakers were well received and were listened to with great interest throughout. Present indications are that Mr. Carter will get a good vote in this section.

## HALTON PROHIBITION ASS'N.

**No Prohibition Candidate—A Big Organization Convention for Thursday, 10th June.**

The general executive of the County of Halton Prohibition Association met at Milton last Thursday. The county was fairly well represented. Among those present were the following: Mayor Dice, Milton; A. Newell, Kilbride; L. E. Wrinch, Bronte; Rev. H. A. Macpherson and H. P. Moore, Acton; D. Hartley, Mountain; Rev. J. W. Cooley, Dr. Robertson, Johnson Harrison, W. J. Armstrong, Milton.

H. P. Moore, of Acton, President of the Association, presided.

The present political campaign and its relation to the coming referendum vote was discussed from all standpoints. It was finally decided to take no action toward putting a third candidate in the field.

The meeting then decided to call a mass meeting of all prohibitionists in the county to be held at Milton on Thursday, 10th June. Organization for the referendum campaign will then be effected and elaborate preparations be made to secure the largest possible majority for prohibition on the 4th December, next.

Upon motion of W. J. Armstrong, seconded by Dr. Robertson, the following resolution of condolence to Mr. W. H. Young, of Oakville, one of the most earnest prohibition workers of the county, was passed:

Whereas it has pleased Almighty God in the mysterious dispensation of His providence, to remove by death the beloved wife of our esteemed fellow-worker, W. H. Young, Oakville, we in executive now assembled, take this opportunity of expressing our heartfelt sympathy at the severe loss which he has been called upon to bear, and, realizing how empty is human sympathy, however earnestly expressed, we can only commend him to Him who has promised and who alone can give lasting consolation.

The meeting adjourned with prayer by Rev. H. A. Macpherson.

## END OF WAR IN SIGHT.

**Gen. Botha's Men Vote for Early Peace.**

LONDON, Tuesday, April 29.—A despatch to the Daily Telegraph from Pretoria, says that the Utrecht and Vryheid commandoes have held meetings, at which General Louis Botha was present. A strong opinion in favor of peace was expressed. The meetings were not molested by British troops, but the tacit truce in these districts expires to-morrow.

## HALTON'S CANDIDATES

### John R. Barber and Dr. Nixon Nominated by Their Respective Parties.

**THE CAMPAIGN IN FULL SWING.**

The Conservative Association met in convention at Milton on Tuesday afternoon. Mr. J. W. Elliott, County President, in the chair. The only name presented for nomination was that of Dr. Nixon, Reeve, of Georgetown. His nomination was moved by Lieut.-Col. Kerns, ex-M. P. P., Burlington, and seconded by Mr. J. C. Ford, of Oakville. A public meeting was afterwards held, addressed by Mr. J. W. Elliott, Lieut.-Col. Kerns, ex-M. P. P., and Mr. David Henderson, M.P. Mr. Henderson arraigned the Ross Government on its mismanagement of Provincial affairs, and showed the dangers of allowing one political party to remain in office any length of time. The meeting closing with cheers for the King and the candidate.

Yesterday afternoon the Liberals of the County met in Convention in Town Hall, Milton. Robert Stewart, Esq., President of the Association presided.

The only name proposed before the convention was that of John R. Barber, Esq., who has twice in succession defeated Col. Kerns, who sat for more than a decade as the local member for Halton. The nomination was received with enthusiasm and continued cheering. Mr. Barber accepted the nomination and enters his third contest determined, with the united support of his party, to win. The Hon. E. J. Davis, Commissioner of Crown Lands, delivered a stirring address, emphasing the progress and success of the country under the policy of the Liberal party, and showing vividly the great possibilities of New Ontario under the beneficient influences now at work there which have been inaugurated by the Liberal Government. Mr. Davis' speech was a most able one and was listened to with interest by a very large audience.

## PALE AND LISTLESS.

**A CONDITION THAT AFFECTS VERY MANY WOMEN.**

**The Appetite Fails—Strength Departs and the Sufferer Feels That Life is Really a Burden.**

From the Topic, Petrolea, Ont.

It is impossible that a medicine can be so widely known and used as are Dr. Williams' Pink Pills without striking results frequently becoming known and the merits of this great remedy for the common ailments of man and womankind been published. Mrs. Thos. Kettle, of Petrolea, Ont., is a case in point. Mrs. Kettle is an old resident of this district and is well known. Chatting with a reporter of the Topic the other day the conversation drifted on the subject of medicines, when Mrs. Kettle spoke in the highest praise of Dr. Williams' Pink Pills, which, she said, had cured her of a long illness. Our reporter, being naturally interested, made further enquiries, when Mrs. Kettle gave him the following particulars:—"I am the mother of twelve children, and in spite of the constant strain and worry the raising of so large a family entailed upon me; in addition to my housework, I was for many years blessed with splendid health. However, after the birth of my last child my health seemed to fail me, and I felt that my strength was gradually going. I consulted a doctor and continued under his treatment for some months, but the only result that I could see was that I grew steadily worse. I could not name any particular ailment that I suffered from, but I was all run down. My appetite failed me, my strength seemed all gone and I became pale and listless, scarcely able to draw myself around, and much of the time in bed. I became alarmed at my long continued ill health and as doctor's medicine had done me no good I determined to try Dr. Williams' Pink Pills. I purchased a box and thought it did me some good, so I got six boxes more, and before I had finished taking the second I felt a lot better, and by the time I had finished the seven boxes I had perfectly regained my health, and gained weight and felt better than I had for some years. I consider the pills a splendid medicine, a real Godsend to weak and ailing women, and have frequently recommended them to my friends and used them with my children, always with good results." Judging from Mrs. Kettle's healthy appearance to-day none would imagine she had ever known what a day's illness meant.

Dr. Williams' Pink Pills are a positive cure for all diseases arising from impoverished blood, or a weak or shattered condition of the nervous system, such as epilepsy, St. Vitus' dance, paralysis, rheumatism, sciatica, heart troubles, anæmia, etc. These pills are also a cure for the ailments that make the lives of so many women a constant misery. Sold by druggists or sent by mail, postpaid, at 50 cents a box, or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
