EDITORIAL NOTES.

About a score of boys were fined $2 each in Toronto Police Court for selling the special edition of the News, issued on Sunday evening of last week on the receipt of peace news from South Africa. Similar offences are liable to punishment in Acton. It is alleged that newsboys on the Sunday morning train sell papers regularly at Acton Station.

In financial and business circles the expansion of Canadian foreign trade is attracting continuous attention. In the first nine months of the current fiscal year the aggregate foreign trade of the Dominion was $302,500,000, as compared with $282,900,000 for the corresponding period last year. This is a most remarkable expansion, but the change is more strikingly shown by a comparison with the figures of five years ago, when the aggregate trade for the entire Dominion was only $250,000,000.

The emigration of farm hands from Great Britain to Canada, and especially to the Province of Ontario, has been on an exceptionally large scale during the spring. The farm help problem promises to be a serious one this summer, owing to the large movement of agricultural hands to the Northwest and New Ontario. The reports from the immigration agents on the other side are to the effect that at least 2,000 men, representing a very desirable class of immigrants, can be secured this summer.

In the last eight general elections the Liberal Government has been returned by majorities varying from 26 to 4. They have been as follows: 1875, 16; 1879, 26; 1883, 10; 1886, 25; 1890, 23; 1894, 8; 1898, 8; and 1902, 4. The Conservatives fully expected victory in the recent contest. They are now consoling themselves, however, that with a strengthened opposition, and it was made much stronger in the election just held, they will be sure of securing the reins of power at the elections of 1906. Time will tell.

The Prince of Wales and many peeresses were present in the British House of Lords last Thursday when Lord Salisbury moved a vote of thanks to the officers and men of the Imperial forces in South Africa. The motion specially mentioned the colonial premiers, and paid a tribute to the splendid qualities of the colonial troops, who, he said, contended, under no ordinary difficulties, against an enemy which had accumulated vast stores of munitions of war, and had the advantage of fighting in a peculiar country, with which they were thoroughly familiar. The Premier also said he thought the House had never before thanked, nor had such good cause to thank the colonial troops for their assistance.

A couple of citizens who have been visiting several western towns the past week, have taken particular note of the parks in the towns, and in every case have been impressed with the added beauty which avenues and clusters of trees have in every case given. Acton is specially fortunate in the position of her convenient and beautiful park of fourteen acres. The lack of trees, however, especially in the east end is very apparent. If the park committee of the Municipal Council, or a strong committee of leading citizens could be induced to give the matter of planting and caring for a few hundred trees in the park for a few years, we would soon have one of the finest parks and recreation grounds to be found anywhere.

It will be gratifying to unbiased minds throughout the county to read the complimentary words of Judge Gorham, in relation to the manner in which the Deputy Returning Officers discharged their duties in the recent election for this county. At the close of the recount on Monday His Honor said they deserved a great deal of praise for the excellent way they had conducted the election. He expressed pleasure with the well-marked ballots and concluded that it spoke well for the intelligence of the electors of this county. This is refreshing after the recent insulting references of the Toronto World and some of its imitators to the whole irregularities alleged to have been committed by our Deputy Returning Officers. Mr. Barber is clearly the people's choice, and the recount proves this conclusively.

Great cry and little wool, as the man said who shaved the sow.

Not a Small Mission.

You will agree with us that to change existence into life, or to make life more abounding, is not a small mission. It is accomplished by the bestowal of the greatest of blessing,—health and strength. It is the mission of Acadia Sarsaparilla to do so well [illegible] that in thousands [illegible] the name, Hood's Sarsaparilla [illegible] always spoken with gratitude.

We are glad to say so much that is so fully deserved.

KITCHENER'S GREAT WORK.

One of the Most Important of Military Achievements—Subjugation of the Boers and the Negotiation of Peace.

NOT MUCH MORE TROUBLE EXPECTED.

LONDON, June 9.—In a despatch from Pretoria on the terms of peace the correspondent there of The Times says he believes the fact that the Boers, who are a very law-abiding people, have through their leader, formally acknowledged the sovereignty of King Edward means a great deal. The terms of peace, continues the correspondent, are best described as generous in all personal matters, but firm on the main political issues affecting the future government. The grant of £3,000,000 ($15,000,000) is equal to about 100 pounds ($500) to each farmer in the two colonies. It is important to remember that the Cape rebels may still continue operations in the Northwest, but neither these nor irreconcilable Boers are likely to give much trouble.

The correspondent also says that the Boers at Vereeniging recorded an acknowledgement of complete defeat in the resolution prefixed to the authorization of their delegates to sign the document of surrender. In the resolution it was declared that only in view of the absolute refusal of the British Government to negotiate further, consideration of their own reduction in numbers, the impossibility of ever getting back the prisoners of war, and in order to save the existence of the race, they had brought themselves to relinquish independence.

The chief concession, regarding language, says the correspondent, only amounts to the granting of such reasonable facilities as would be granted anyhow, and does not interfere with the status of English as the sole official language.

Although certain that the enemy were in his group, continues The Times' correspondent, no one was more eager than Lord Kitchener to secure the success of the negotiations, and Lord Kitchener's great personal influence over the Boer leaders played no small part in determining their attitude. The great task which Lord Kitchener has accomplished will in retrospect appear to be one of the greatest military achievements in the history of Great Britain.

KRUGER ALLEGIANCE EXCUSED.

He Will Not be Asked to Acknowledge Britain's Sovereignty.

LONDON, June 9.—The organ of Colonial Secretary, Chamberlain, the Birmingham Post, says that, on account of his age and infirmities the British Government has waived its claim for the acknowledgment by Mr. Kruger of British sovereignty over the Transvaal, and has guaranteed to allow the Boer delegates in Europe a safe conduct to their homes in South Africa.

HAMILTON, Bermuda, June, 9—The Boer officers who have been living in prison camps on the islands near here have been allowed their liberty on parole. Several of them came ashore here to-day, and were interviewed. General Cronje, Wessels, Botha and others were extremely reticent, but they said they were glad the war was over and would be delighted to get back to their homes.

In East Middlesex, Dr. Routledge has been declared elected by 21 majority.

NEW BOOKS.

Harland's new story, "The Lady Paramount," is the longest he has ever written. It contains over 100,000 words and is in the vein of "The Cardinal's Snuff-Box." It is the most popular vein he has ever struck. Mr. Harland's first published novel was called, "As It Was Written." It was a success—that is, he sold a few thousand copies; and he followed it with Jewish stories that sold well. Mr. Harland then called himself 'Sydney Luska.' It was not, however, until he went to England and began writing in the style of "The Cardinal's Snuff-Box," that he really took hold of the public, and this story has had ten times the sale in America that it has had in England. Wm. Briggs, Publisher, Toronto. Price in cloth, $1.25.

HAMILTON CONFERENCE.

The Annual Session Held at Woodstock Closed Yesterday.

The annual session of Hamilton Conference of the Methodist Church met during the week in Woodstock. This beautiful young city, in its first year in the new relationship to the municipal world, is an ideal location for a Conference gathering. It is one of the most beautiful cities in the Dominion. Its rectangular survey; its well paved streets; its magnificent avenues of lordly shade trees; its splendid churches, commodious public buildings,—both of which classes are remarkable in many cases, for the grandeur of their architectural design; all contribute to make visitors appreciate their surroundings and enjoy their stay in the city. The merchantile and manufacturing interests are important and well developed. Among the latter is the Anderson Furniture Works, one of the largest factories in the Canadian Furniture Company's Syndicate. Mr. Oliver G. Anderson, a native of Acton, is at the head of this large concern.

The hospitality of Woodstock was especially marked and created very favorable impression upon members of the Conference.

This session of Conference being the last of the quadrennium before the meeting of the General Conference at Winnipeg, next September, was of greater importance than usual.

The Officers of the Conference elected by ballot by the 250 ministers and laymen present, are:

President—Rev. T. Albert Moore, Pastor Zion Tabernacle, Hamilton.

Secretary—Rev. D. A. Mair, B. D., of Oakville.

The appointed officers are Rev. D. W. Snider, Simcoe, and T. L. Kerruish, Tara, assistant Secretaries; R. W. Wright, Conference letter writer.

This Conference was especially favored with the presence of prominent visitors who took part in the public meetings. These were the Rev. Dr. Carman, General Superintendent; Rev. Dr. Maggs, Principal of the Wesleyan Theological College, Montreal, Rev. Dr. Jackson, of Edinburgh, Scotland, Dr. Potts, Dr. Courtice, Dr. Hare and others.

The delegates elected to attend the General Conference to be held at Winnipeg in September were elected as follows:

Ministers—T. Albert Moore, President of Hamilton Conference, J. S. Ross, D. D., Wm. Kettlewell, J. H. Hazelwood, John Wakefield, D. D., W. S. Griffin, D. D., W. F. Wilson, D. D., D. A. Mair, B. D., W. C. Henderson, D. D., J. S. Williamson, D. D., T. W. Jackson, F. A. Cassidy, M. A., J. H. Robinson, John Pickering, J. G. Scott, D. W. Snider, W. H. Harvey, B. D., E. J. Elliott, Dr. Cornish, J. W. Cooley, W. H. Rathledge.

Alternates—A. J. Irwin, B. D., Dr. Brethour and G. K. Adams.

Laymen—Jos. Gibson, T. Hilliard, John Mann, H. P. Moore, W. J. Robertson, C. A. Birge, A. J. Donly, J. S. Deacon, S. W. Vogan, W. B. Howarth, Jonathan Ellis, W. Gilroy, Dr. James Mills, H. Irvine, Dr. Williams, S. F. Lazzier, R. A. Harrison, W. McGibbon, Geo. Allen, R. S. Schell, J. J. Grafton. Alternates—W. J. Morden, C. W. Kelly and A. Atkinson.

There were fewer changes in the stations of ministers than usual.

A delightful outing was enjoyed by the members of the Conference on Saturday afternoon. The friends of the churches of Woodstock chartered sufficient electric cars to convey the 300 delegates to Ingersoll, through the splendid farming section of Oxford. At Ingersoll the company was met by the friends of King St. Church, of that town and conveyed to the spacious grounds of Mr. Harry Hollinrake, one of the principal merchants of the town, and—by the way a native of Halton, the son of James Hollinrake, Esq., of Milton. Ice Cream and cake and other refreshments were served and the fine church of the congration was visited, and the beautiful new organ inspected, and its splendid music enjoyed. While in this enterprising town we visited Mr. R. N. Thurtell, a former Acton boy, and his family. Mr. Thurtell moved to Ingersoll from Teeswater a year or so ago and is doing a thriving business.

ASHGROVE.

The members of the Ashgrove Methodist Choir and a few friends picnicked at Oakville on Saturday last. All report an enjoyable time.

Miss Annie Alexander is spending a week with friends in Oakville.

Mr. Frank and Miss M. Reid, of Georgetown, visited at Mr. J. Wrigglesworth's on Sunday.

Mrs. Brunton, of Allandale, spent a few days last week with Mrs. S. K. Ruddell before leaving for her new home in Winnipeg.

Epworth League will be held on Sunday evening next.

Several from here have been drawing wheat to Norval during this last week.

Miss Ina Murdock has returned home after spending a couple of months with her sister, Mrs. Hunter, of Egerton.

Mrs. J. Wrigglesworth and Mrs. S. K. Ruddell attended the funeral of their nephew Chester Howson in Toronto Junction on Monday.

Miss Louisa Morrison has returned after spending a week in Oakville.

He that wants should not be bashful.

RE-COUNT INCREASES MAJORITY

Jno. R. Barber Elected by a Majority of Twenty-Two.

JUDGE GORHAM COMPLIMENTS THE RETURNING OFFICERS.

The re-count of the votes cast in this county at the recent election took place on Saturday and Monday before His Honor Judge Gorham. Mr. Barber, Liberal, was represented by Messrs. E. F. B. Johnston, K. C., and W. L. Dick; Dr. Nixon, Conservative, was represented by J. W. Elliott and E. W. Boyd.

The ballots cast in the Townships of Esquesing, Nassagaweya and Nelson and the villages of Georgetown, Acton and Burlington were gone through on Saturday, leaving the Township of Trafalgar, and villages of Milton and Oakville for Monday.

The re-count was concluded on Monday, and the result was as follows:—Barber, 3,270; Nixon, 3,248. This gives Mr. Barber a majority of 22 or 3 over the official declaration.

The much-talked-of ballots at Oakville marked with blue pencil were five in number and were all counted for Dr. Nixon. The Judge stated that the deputy returning officers deserve a great deal of praise for the excellent way in which they discharged their duties, and that they appeared to be so anxious that nothing could be said against the way they counted the ballots that it might almost be said they leaned against the interests of the Reform party in favor of the Conservatives. He was pleased with the clean, well marked ballots, and said that it spoke well for the intelligence of the people of old Halton.

FRIENDLY ADVICE.

TO WEAK, NERVOUS AND EASILY TIRED WOMEN.

Given in the Story of One Who Had Suffered and Has Found Renewed Health and Strength.

From the Sun, Orangeville, Ont.

It is a good many years since the good wrought by Dr. Williams' Pink Pills was first recorded in the columns of the Sun, but during that period the sterling merit of the medicine has increased its reputation and every day adds to the number of those who have found health through the use of these famous pills. Many in this town have freely spoken of the benefit they have derived from the use of Dr. Williams' Pink Pills, and to those another is added in the person of Miss Victoria Widdis. To a reporter of the Sun who had heard of her cure, Miss Widdis said: "Several years ago I became very much run down; I felt tired all the time, my blood was watery and I was in what the physicians called an anaemic condition. I was always weary and worn out, not able to do anything and yet not sick enough to be in bed. My heart bothered me with its constant palpitation, brought about by my extreme weakness. My appetite failed me and I was gradually growing worse. I had heard and read of Dr. Williams' Pink Pills and decided to give them a trial. After using them a short time a decided change was noticeable and it is no exaggeration to say that I felt like an entirely different person. My appetite returned and with it good blood and strong nerves. I can conscientiously say for Dr. Williams' Pink Pills that they did me more good than I can tell. To all weak, nervous, easily tired, run down women, I say, by all means give Dr. Williams' Pink Pills a trial and you will be delighted with the result."

It is because these pills make rich, red blood that they cure such troubles as anaemia, shortness of breath, headache, palpitation of the heart, rheumatism, erysipelas, St. Vitus' dance, and the functional ailments that make the lives of so many women a source of constant misery. The genuine pills always bear the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper on every box. Sold by all dealers or sent by mail at 50 cents a box, or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

KING EDWARD'S THANKS.

Expressed to Canada for Her Congratulatory Messages.

A NEW BILL IN CIRCULATION.

Counterfeit One Dollar Note of Dominion Bank is Detected.

TORONTO, June 11.—A new issue of counterfeit $1 bills of the Dominion of Canada made its appearance at a branch of the Bank of Commerce. It is detected among many bills of a deposit by the ingenuine appearance of the paper upon which it was printed. The paper is an unusually good imitation, but lacks the crispness of a genuine bill. The coloring is good. The back of it is a good reproduction, but the face presents a blurred appearance, peculiarity is that that the numbering is the same as that of the counterfeit 'twos' which made their appearance a short time ago.

THE BOER LEADERS' PLEA.

The Burghers Counselled to Loyally Acquiesce in Peace Terms.

An open letter of the Boer leaders to the burghers, in which the burghers are counselled to loyal acquiescence in the peace agreement is an eloquent and pathetic document. The letter concludes as follows:—"Now that there is peace, and although it is not a peace such as we longed for, yet let us abide where God has led us. We can with clear consciences declare that for two and a half years our people have carried on the struggle in a manner almost unknown to history. Let us now grasp each other's hands, for another great struggle lies before us, a struggle for the spiritual and radical prosperity and welfare of our people. Casting aside all feelings of bitterness, let us learn to forget and to forgive, so that the deep wounds caused by this war may be healed."

The threatened strike of Toronto plumbers to-day has been averted.

Three persons were killed and fifteen injured at a fire in London.

Tired Mothers.

It's hard work to take care of children and to cook, sweep, sew and mend bedtime.

It makes a shop of the home—a shop, too, where sixteen hours make a day and yet there is much working overtime.

Hood's Sarsaparilla helps tired mothers in many ways—it refreshes the blood, improves the appetite, and assures restful sleep.

HE FLED.

A woman in a waiting room at a railway station the other day had a great deal of trouble with one of her children, a boy of seven or eight, and a man who sat near her stood it as long as possible, and then observed:

"Madam, that boy of yours needs the strong hand of a father."

"Yes, I know it," she replied, "but he can't have it. His father died when he was six years of age, and I've done my best to get him another, and failed. He can't have what I can't get. Would you care to try yourself?"

The listener had fled.
