MRS. MAXWELL'S TESTIMONIAL.
New York, Dec. 23, 1862.
Knowing positively that Reeve's Ambrosia produced a beautiful head of hair for Mrs. Lizzie Shepherd, of Brooklyn, N.Y., I was induced, thereby, to use it thoroughly. I needed something for my hair, it being short and thin; had used only one-half dozen bottles when I could plainly notice an increase in its length, strength and beauty. An experience of about two years has proved a complete success. My hair is now, by measurement, four feet ten inches in length, nearly reaching to the floor. I have allowed my photograph to proclaim the merits of Reeves' Ambrosia to the world.

CATAWBA BRANDY

SPARKLING CATAWBA WINES.
EQUAL IN QUALITY AND CHEAPER IN PRICE THAN THE BRANDIES AND WINES OF THE OLD WORLD.
FOR SUMMER COMPLAINT, CHOLERA INFANTUM, BOWEL COMPLAINT, CRAMP, COLIC, AND DIARRHŒA
A sure Cure is guaranteed or the money will be refunded.
In support of the above statements, are presented the certificates of Dr. Jas. R. Chilton, Chemist, New York; Dr. Hiram Cox, Chemical Inspector, Ohio; Dr. James R. Nichols, Chemist, Boston; Dr. N. E. Jones, Chemical Inspector, Circleville, Ohio; Prof. C. T. Jackson, Chemist, Boston; Dr. Chas. Upham Shepard, Charleston, S. C.; and J. V. Z. Blaney and G. A. Warner, Consulting Chemists, Chicago, all of whom have analyzed the Catawba Brandy, and commend it in the highest terms for medicinal use.
ANALYSIS OF THE MASSACHUSETTS STATE ASSAYER, JAN. 25, 1858.
When evaporated through clean linen it is free of oil or offensive matter. In every respect it is a PURE spirituous liquor. The oil which gives to this Brandy its flavor and aroma, is wholly unlike fusil, or grain oil. Its odor partakes of both the fruit and oil of grapes. With acids, it produces ethers of a high fragrance. The substitution of this Brandy for Cognac Brandy will do away with the manufacture of fictitious spirits, sold under this name both at home and abroad.
Respectfully,
A. A. HAYES, M. D., Assayer to State Mass, 16 Boylston St.
BY THE SAME, IN 1864.
I have analyzed "L. LYONS' PURE CATAWBA BRANDY," with reference to its composition and character, being the same as that produced in past years. A sample taken from the casks affected the same results with regard to purity; a slightly increased amount of the principle on which its flavor depends was determined by comparison with former samples.
The indications of analysis show that this Brandy is produced by the same process as most of the imported Brandy.
Respectfully,
A. A. HAYES, M. D., State Assayer,
Boston, July 2, 1864. 9 Boylston St

HOWARD HOTEL,
Broadway, Corner of Maiden Lane,
NEW YORK.
THE Subscribers desire to intimate that they have leased this popular hotel, for so many years the well-known favourite resort of the Canadian Public, while under the management of Mr. Howard, and have, regardless of cost, re-fitted and re-furnished it anew throughout. Situated in the very centre of the business part of the city, the Howard Hotel offers many advantages and conveniences to commercial men, not enjoyed by the up-town establishments, while the accommodation, comfort and attendance will be found equal to that of the best hotel in the city. They have spared no expense to place the house in the very first rank of Hotels, and trust, by attention, perseverance, and moderate charges, to merit a share of the patronage so long and so deservedly enjoyed by Mr. Howard.
