A strike of the Toronto street car employees has been threatening for several days. It is hoped the arbitration proceedings will be successful. Mr. A. E. Ames said yesterday: Everything now points to an early settlement of the difficulty and there is little prospect of a strike in the judgment of the Board of Trade delegation. They manifested a fine spirit of fairness.

It is announced that W. R. Smythe, Conservative member elect for Algoma, is disqualified because at the time of his election he was postmaster at Rydal Bank in Algoma. According to statements received from Ottawa, where an investigation was conducted, Smythe did not resign before election. This renders the seat vacant, according to some legal advisers but others dispute the alleged disqualification.

Ratepayers generally will appreciate the firm stand taken by the Fire and Light Committee on the question of the introduction of the metre system in connection with the Electric Lighting Plant of the Municipality. It is felt on all sides that this is the only equitable system. It is fair alike to the plant and to the consumer. Its introduction will terminate at once a serious waste of current and enable the committee to make new and profitable contracts with citizens not now using electric current. The new system will probably be introduced within the next few weeks.

### CREWSONS CORNERS.

A large number from this vicinity intend taking in the Halton excursion to the O. A. C. on Saturday next.

Mr. O. Jelliffe, of Rockwood, preached here on Sunday; the duett by Misses Lela and Nettie Wansborough was much appreciated by the congregation.

A few from here attended the tea-meeting at Churchill on Monday night.

Mr. and Mrs. G. Smith and family of Luther, visited friends here last week.

Mrs. E. Nicklin, of Acton, spent Sunday at Mr. J. Murray's.

Mr. D. Kentner, of Georgetown, spent Sunday at Mr. N. Forbes'.

Miss L. Crewson visited friends in Luther last week.

### SPEYSIDE.

Sad news came to the home of Mr. Peter Gibbons during the last week. On Tuesday, 10th inst, a telegram came from Port Arthur saying that his son James was very ill with pneumonia. His brother Michael left by first train and ministered to his wants in every way, but the disease had secured too strong a hold and on Monday the poor fellow breathed his last. The remains will be brought to Acton for interment.

James E. Gibbons was the second son of Peter Gibbons, and was in his thirty-third year. He went to the west six years ago, and had good prospects. He was never married. Much sympathy is felt for the bereaved family.

On Tuesday of last week a very interesting event took place at the home of Mr. E. Moore, of the third line, when the second daughter, Jennie E. and Mr. Donald McGregor Waldie, of Willow Banks, on the Credit, were united in bonds of holy wedlock. Miss Alice, sister of the bride, in white organdie, officiated as bridesmaid, while Mr. Robert Waldie ably assisted his brother. At the conclusion of the ceremony, after congratulations had been extended and received under the arch of roses, the guests repaired to the dining room, which was prettily festooned and decorated with flowers, to partake of delicate viands and delicious refreshments. Guests were present from Alton, Glenwilliams, Acton, Georgetown, Milton and Guelph. The popularity of the bride was exemplified in the many magnificent and useful presents, one gift especially worthy of mention being a handsome parlor suite.

The happy couple are now comfortably settled at Willow Banks and are receiving the congratulations of their many friends.

## THE MUNICIPAL COUNCIL.

**Getting Ready to Put the Metre System into Effect, as Recommended.**

### PERMANENT PAVEMENT PETITIONS.

The Municipal Council met on Monday evening in regular session. All the members were present, Reeve Williams in the chair.

The eleventh report of the Committee on Finance was presented and the following accounts were ordered to be paid:

| | |
|---|---|
| McCall Bros. & Co., oil etc., | $30 93 |
| Canadian General Electric Co., supplies | 10 00 |
| Hart & Riddell, stationary | 3 50 |
| Milton Specialty Co., boiler compound | 2 50 |
| | $47 50 |

The introduction of the metre system in connection with the Municipal Electric Lighting Plant was the subject of a lengthy debate. The question was discussed from all sides and the Committee's recommendation to adopt the metre system and require metre installation in all premises using six lights or over, was shown most conclusively to be in the best interests of the municipality, and in every respect fair to all who use the current.

The matter of securing metres for rental to those who do not desire to purchase is now under consideration, and in all probability a few weeks hence will see the metre system in complete and satisfactory operation.

Permanent pavements are now receiving definite consideration and the prospects are good for the laying of a number of streets. Petitions are in circulation for pavements on Main Street, Bower Avenue, Frederick Street, Elgin and John Streets, and others are in contemplation.

Council adjourned at 9.45.

## THE DISCIPLES' CONVENTION.

**The June Meeting Held in Toronto Full of Missionary Zeal.**

### WILL HELP WEAK CHURCHES.

The annual June meeting of the Disciples' Church of Ontario was held in Cecil Street Church, Toronto, and was attended by a large number of delegates representing the churches throughout the province.

Mr. James Tolton, of Walkerton, the President, occupied the chair, and his annual address breathed forth gratitude for the past, hopefulness for the future, and a determination to accomplish the best possible results for God.

The reports were listened to with interest. The Sunday School reported 1087 scholars, 103 teachers, 87 officers; $126 contributed for home missions; $300 for foreign missions; $851 for local support.

The Committee on Education recommended removal of the St. Thomas College to Toronto and affiliation with Toronto University.

### GRIMSBY PARK—SEASON 1902.

The Grimsby Park programme for the season of 1902 has been placed upon our table.

A cursory examination impresses us that to say nothing about the park itself, a delightful grove on the shores of Lake Ontario, there is no other place in Canada that provides for so many classes of people such varied methods for the enjoyment of a summer's outing. For the young and vigorous there is baseball, quoiting and tennis, while middle-aged ladies and gentlemen can have lawn-bowling and croquet. For the religiously disposed there are numerous services and on the Sabbath sermons by the most eloquent divines of the United States and Canada. The lovers of literature have a week under most competent guidance in studying the beauties of Tennyson and Shakespeare's "Merchant of Venice." A director of physical culture superintends the work of the gymnasium for the boys and girls, and the little tots have a kindergarten instructor all for themselves. In the evenings there are numerous entertainments by artists of established reputation and vocal and band concerts of the highest order. The programme giving full particulars in regard to all these matters will be sent to any address by applying to the secretary, Rev. E. A. Chown, 31 Madison Ave., Toronto.

### LONDON ADMIRES OUR BOYS.

**The Coronation Contingent Reaches Their Camping Ground.**

LONDON, June 17.—The Canadian contingent arrived here this afternoon and proceeded to the Alexandra Palace, arriving there at half-past three. The men are quartered in nine large marquees, with board floorings; sixty men in each. The palace grounds are situated in the north part of London and command a grand view of the city. The incessant rain of the past few weeks has made the ground very soggy and unpleasant. The men are all in splendid health and presented a most soldierly appearance. They were greatly admired by the throng of people awaiting their arrival at the palace.

## 16,500 BOERS HAVE SURRENDERED

**Lord Kitchener Reports Everything As Proceeding most Satisfactorily.**

### GEN. DEWET THE BOER'S HERO.

LONDON, June 16.—A despatch from Lord Kitchener, dated Pretoria, Saturday, June 14, says that 2,501 Boers have surrendered since Friday, June 13, and that everything is proceeding most satisfactorily.

16,500 HAVE SURRENDERED.

Despatches received in London from South Africa say that the surrenders of burghers are proceeding with the greatest good will. The total of the number who have already surrendered numbers 16,500, and the British are extending every possible kindness to the men who come in.

DEWET THE BOERS' HERO.

The appearance of Gen. De Wet at the camp at Winburg was the signal for a great display of enthusiasm. When he arrived at the camp General De Wet was at once surrounded by thousands of Boer men, women and children, who struggled and clamored to shake the hand of their hero. Gen. De Wet mounted a table and delivered an address. He warmly applauded the staunch support that the women had given the burghers during the war, which he said, had greatly encouraged the men in the field. Continuing, Gen. De Wet recommended his hearers to be loyal to the new government, and said:—"Perhaps it is hard for you to hear this from my mouth, but God has decided thus. I fought until there was no more hope of upholding our cause, and however it may be, the time has come to lay down our arms. As a Christian people, God now demands that we be faithful to our new government. Let us submit to His decision."

SLIGHTLY WOUNDED.

Neither Gen. De Wet nor Mr. Steyn, former President of the Orange Free State, was wounded during the war. Gen. De Wet has not seen his wife for two years.

Divorce comes before marriage in the dictionary.

## A REMARKABLE CASE.

**TOLD BY MR. ORLIN POST, OF GRUMIDGE, MANITOBA.**

**Suffered Greatly for Five Years From Rheumatism—Doctors and Many Medicines Failed to Help Him, But He Got the Right Medicine at Last.**

From the Echo, Domiciled City, Manitoba.

Recently while chatting with a reporter of the Echo, Mr. Orland Post, a well-known farmer of Grumidge, Man., gave the following story of five years of great suffering from that most painful of diseases—rheumatism. Mr. Post said:—"There are few people unless they have been similarly afflicted, can understand how much I suffered during those five years from the pains of rheumatism. There were times when I was wholly unable to do any work, and to merely attempt to move my limbs caused the greatest agony. I tried several doctors but they seemed quite unable to cure me. Then I tried several advertised medicines that were highly recommended for this trouble, but they also failed to bring the longed for release from pain. As these medicines failed me one after the other, I began to look upon the trouble as incurable, and was almost in despair. At this time some friends asked me why I did not try Dr. Williams' Pink Pills, and I decided to make at least one more effort to obtain a cure. I know my case was not only a severe one, but from the failure of other medicines, a stubborn one, and I determined that the pills should have a fair trial, so I bought a dozen boxes. I took them according to directions, and before they were gone there was a decided improvement in my condition, but I was not fully cured. I then got another half dozen boxes, and by the time the third of them were emptied I had not an ache or a pain left, and was able to do a good hard day's work without feeling any of the tortures that had for five years made my life miserable. You may say for me that I do not think there is any medicine in the world that can equal Dr. Williams' Pink Pills as a cure for rheumatism. It is several years since my cure was effected, and as I have never since had the least sign of the trouble, I think I can speak with authority."

When such severe cases as this are entirely cured it is not surprising that Dr. Williams' Pink Pills have made such a great reputation throughout the world for the cure of other diseases due to poor or watery blood. Paralysis, St. Vitus' dance, anæmia, consumption, dyspepsia, palpitation of the heart, nervous headache, female ailments and neuralgia are among the other troubles they have cured in thousands of cases. Only the genuine pill will cure—substitutes never cured anything—and to avoid substitutes you must see that the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. These pills are sold by all dealers in medicine, or will be sent post paid at 50c. a box or 6 boxes for $2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

# MEN'S $12.00 SUITS FOR $8.50 AT THE LION.

We enlivened things up two weeks ago by taking from our regular stock about 50 of our $12 suits and reducing them for quick selling to $10.
