—Toronto Exhibition opens next Monday.

—Complaints are heard on all sides of potates rotting.

—Milton Band has been engaged to play at Rockwood Show.

—Mr. E. Rolston, butcher, has gone into the beef business again.

—Are you going to Toronto Fair? will be a frequent question next week.

—The FREE PRESS gives the news and 25 cents gets it for the balance of 1902.

—Single fare to Toronto during the progress of the exhibition, Sept. 2nd to 12th inclusive.

—Mr. Geo. Stovell is increasing his business and will occupy both his stores on Mill Street. Mr. W. Cooper, the taylor, is moving into Mrs. Secord's north corner store.

—A soda water generator exploded in the Royal Hotel cellar at Guelph Monday and tore holes through two floors.

—Guelph is negotiating with the Page Hersey Iron & Tube Company of Montreal to establish large works in that city.

—The XX Regiment, of Halton, has been ordered to go into camp at Niagara on September 23rd. Colonel Goodwillie will command.

—The present season's pavement laying will be about completed this week. The Pavement men have been here for nearly two month's.

—The pavement company were seriously handicapped last week for want of cement. A car en route was smashed at Guelph. A further supply reached town on Monday afternoon.

—Our 25 cent offer for the FREE PRESS to January 1st, 1903, is meeting with gratifying success. Send it to the absent members of your family and let them know the weekly going's on at home.

—The friends of the Toronto triplets evidently intend that they shall not go barefoot much. Latest reports say that 27 pairs of shoes, bootees and moccasins have already been presented to the happy trio.

—The FREE PRESS was favored yesterday with the perusal of a copy of the Heidelberg News, of May 18th, published at Heidelberg, Transvaal, South Africa. It was sent home by Joseph Lynd of the South Africa Constabulary.

—Next Tuesday morning bright and early Acton will witness between 250 and 300 strong and vigorous boys and girls with sunny smiles and in merry groups, wending their way to school again after the long and joyous summer vacation.

—The Fletcher music method classes will re-open Wednesday, September 3rd, and parents wishing to have their children begin this method, will do well to have the matter decided and have all start together. Mrs. H. Maudsop will be at the Rectory on Sept. 3rd, and anyone wishing to see the method will be welcomed.

NEWS OF LOCAL IMPORT.

Halton County Show.

Milton Show will be held on Sept. 25th and 26th. It is jubilee year and a big time is expected. Halton Old Boys will be there from Hamilton and the XIII Band, of Hamilton, are coming and will give a concert in the evening.

An Agreeable Exchange.

Rev. H. A. Macpherson, of Knox Church, and Rev. R. T. Cockburn, of Grand Valley, exchanged pulpits last Sunday. Mr. Cockburn preached able sermons and was listened to by large and very attentive congregations. Mr. Cockburn will be welcomed on any future visit.

Town Pays 60 Per Cent.

Burlington Council has engaged Engineer McKay, of Hamilton, to act as superintendent of village public works. 23,640 feet of granolithic sidewalk will be laid at a cost of $1,731. A by-law has been passed providing that forty per cent. of cost be paid by the property and sixty per cent. by general tax.

A Visitor's Hint.

A resident from a neighboring city while walking through town the other day said: "I admire your clean, tidy little town very much. Your new pavements have very materially improved appearances. If you could induce citizens generally to trim up their boulevards as some of your leading residents are doing the result would be gratifying to all.

Mr. Smith's Sermon to Young Men.

The sermon to young men by Rev. A. E. Smith, B. D., on the Methodist Church last Sunday evening was impressive and interesting. It was based upon the preacher's words in the last chapter of Ecclesiastes. Mr. Smith's exhortation to "Remember thy Creator in the days of thy youth," was loving and tender, and must have impressed thoughtful young people among the hearers.

Hard Luck for the Juniors.

On Thursday afternoon the Juniors II played a baseball match with a team of juniors from Guelph, which was rather disastrous for the home lads. The score was 10 to 3 in favor of Guelph....Similar fate attended the match between the St. Marys II, of Toronto, and Junior I, Acton, here on Saturday. The visitors made 9 runs in the first innings.—A change of pitchers, however, turned the tables, and only two more runs were made in the eight innings that followed. The score was 11 to 7.

Arm Dislocated in a Waggon Wheel.

On Tuesday forenoon as Mr. James Quantic was driving a load of oat sheaves along Young Street to his farm, Johnny, the six-year-old grandson of Mr. Richard Marchmont, climbed onto the wagon underneath the load. He slipped and fell into one of the rear wheels and had his left arm caught between the spokes and the rack. Mr. Quantic could neither see nor hear the little fellow, but cries of his companions attracted his attention and he stopped the horses. The lad had his arm dislocated and was considerably bruised. He was so tightly wedged in that the wheel had to be removed to extricate him. That he was not killed is almost miraculous.

Successful Garden Party.

There is no spot in Acton of more historic interest than the old manse of Knox Church. This, together with the popularity of the present proprietor, Mr. Hugh Wallace and his family, lent great charm to the gathering there on Monday evening. The occasion was the garden party under the auspices of the Ladies' Aid Society. It has been anything but a favorable summer for outside gatherings, but Monday night was all that could be desired. From all quarters the crowd came and partook of the supper, which was served on the lawn by happy and willing waiters and waitresses. When the tables were deserted the programme was began with the minister, Rev. H. A. Macpherson, in the chair. After a few introductory remarks Acton Cornet Band was called upon to open the proceedings. The Band deserves cordial mention, and it is hoped that the members of the band will always feel that they have the heartiest support of the citizens. They certainly are musicians second to none in the County. The audience then listened with delight to ductts by the Misses Robertson, of Waterdown. These young ladies who were encored again and again have been heard in Acton for the first time during their present visit, and whether in church or in open air they manifest splendid singing ability. Rev. R. T. Cockburn, of Grand Valley, who preached with much acceptability in Knox Church last Sabbath, addressed the gathering in a happy way. Instrumental music, loved by young and old, was rendered in different selections by Messrs. Arthurs Bros., A. T. Mann, Jno. C. Hill and the Misses Smith and Arthurs. However widely scattered the crowd may be during the evening there is a spontanuous movement towards the spot where the music can be best heard. The most sedate yield themselves to the influence of the combined music of organ, guitar, cornet and fiddle. Acton is happy in possessing a man who can both speak and sing and many were the remarks of pleasure when Rev. A. E. Smith, B. D., of the Methodist Church, sang. Mr. Smith has a rich voice and both in his solo and address showed perfect control of it. His address was well timed and he was most appropriate in his remarks on the spirit of friendliness which subsists between the churches of Acton. A charming selection was given by the quartette of the church, Messrs. Mann and Henderson and Misses McClure and Graham. The number given was by special request and that it delighted the gathering was evinced by a hearty encore. "Woe unto you when all men speak well of you" has but one exception and that is in the case of the minister of Nassagaweya Presbyterian Church, Rev. A. Blair, B. A. His address was one of power and cheer, and he was in his happiest mood as he spoke of the great principles of patriotism. Should Mr. Blair decide to locate in Acton and start a church of his own there would be a wonderful falling off in Knox Church if all who have come from his illustrious parish seceeded. But space in the FREE PRESS is too valuable to tell all the good things that were enjoyed at this assembly. The proceeds of the evening netted about $80.

Saturday's Baseball Match.

Acton Baseball Club have endeavored this season to provide weekly matches of interest to the lovers of the sport, and nearly every Saturday has seen an attractive match. Next Saturday a match will be played with the Crawfords, of Toronto. The Crawfords have the reputation of being good ball players and the game to be put up is expected to be well worth going to see.

A Creditable "Fast" Young Man.

Mr. Edgar Jackson, eldest son of Mr. L. G. Jackson, of the Newmarket Era, has developed into the fastest typesetter in Canada on the Monoline machine. His remarkable skill and speed of 6,000 ems per hour for seven hours attracted the attention of the manufacturers of the machine at Montreal, and last week they telegraphed him an offer of $25 per week and all expenses to go to England to operate their machines. He accepted, left home on Thursday and is now on the Atlantic en route to London. Mr. Jackson is to be congratulated upon the skill of his able son.

Off to the Northwest.

The following residents of Acton and vicinity left last Thursday for Manitoba and the Northwest on the harvesters' excursion: Mr. and Mrs. Wm. Edmiston, Albert Edmiston and Misses Jennie, Mabel and Pearl Edmiston, W. Harding and Miss Minnie Harding, Miss Amelia Husband, Kate Hornby and Jennie Storey, Stephen Hornby, Wm. Crawford, Thos. Storey jr., Arthur Pearson, John Leichman, Robert McPherson, John Arthurs jr., Oliver Cook, Wm. Reed, Harry Reed, Mr. and Mrs. John T. Davidson, Paul Kennedy jr., James McDonald. Thirty-one in all left Acton last week for the West.

THE COUNTY COUNCIL.

The Council Demurs at the Amount Allowed by Arbitration for Nelson Toll Road.

County Council met here on Tuesday. Members all present, Warden Cook in the chair.

A by-law was introduced and read the first time, regulating the running of automobiles and automotors on the public highways.

A deputation from the Halton Mouldboard Association was presented and addressed the Council.

A by-law authorizing the Treasurer and Warden to borrow the sum of $5,000 to defray the expenditure for the current year, was introduced and read three times and passed.

The sum of $100 was granted to the Halton Ploughman's Association.

Messrs. Wrigglesworth and Hutcheson were appointed delegates to attend the meeting of the Good Roads Association to be held in Toronto on Sept. 9th.

The committee on the whole on the Hamilton and Nelson Toll Road award, brought in the following report.

"That this Council recommend that the award of the arbitrator be not accepted, as the amount $2805.00 for the portion in Halton is excessive, and the committee further recommend that a special committee be appointed to confer with the Council of the county of Wentworth in reference to the above arbitration and appeal in connection with Halton's share of costs."

The Warden and Messrs. Smith and Andrew were appointed a committee to confer with the Council of the County of Wentworth in reference to the award of Judge Snyder re. arbitration of Nelson toll road, the committee to report at next meeting of Council.

Council adjourned to meet on Tuesday, Nov. 25th.—Reformer.

COMING TO CANADA.

Important United States Manufactories Moving Plants Over Here.

The Chicago Record Herald says: "The National Reciprocity League points to the significant fact that one great industry after another is moving its plant, or a large part of it into the jurisdiction of some other flag, on the ground that it is no longer possible to continue its foreign trade under the conditions that now obtain at home.

The Westinghouse Company, of Philadelphia, has moved much of its plant to Russia; the Ingersoll Sargent Drill Company, of New York, the Port Huron Threshing Machine Company, of Port Huron, Mich., the Deering Harvester Company, of Chicago, and the Minneapolis Threshing Machine Company, of Minneapolis, Minn., have transferred or are about to transfer a substantial share of their productive faculties to Canada.

To this list rumor insistently adds the names of the McCormac Harvesting Machine Company, the John Deere Plow Company, Studebaker Wagon and Carriage Company, the Republic Steel and Iron Company, and about thirty others of equal importance.

BABY'S OWN TABLETS

Are Natures Cure For Children's Ailments.

Medicines containing opiates should never be given to children—little or big. When you use Baby's Own Tablets for your little ones you have a positive guarantee that they contain neither opiate nor harmful drug. They are good for all children from the smallest, weakest infant to the well grown child. These tablets quickly relieve and positively cure all stomach and bowel troubles, simple fevers, troubles while teething, etc. They always do good, and can never do the slightest harm. For very small infants crush the Tablets to a powder. Mrs. P. J. Lathulian, Chatham, Ont., says:—"My baby took very sick. His tongue was coated, his breath offensive and he could not retain food on his stomach. He also had diarrhoea for four or five days and grew very thin and pale. We gave him medicine but nothing helped him until we gave him Baby's Own Tablets. After giving him the first dose he began to improve and in three days he was quite well. He began to gain flesh and is now a fat, healthy boy. I am more than pleased with the Tablets as I think they saved my baby's life.

Baby's Own Tablets are sold by all druggists or will be sent by mail post paid at 25 cents a box by writing direct to The Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.

STOPS THE COUGH AND WORKS OFF THE COLD.

Laxative Bromo Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite.

To cure catarrh, treatment must be constitutional—alterative and tonic.

"I was ill for four months with catarrh in the head and throat. Had a bad cough and raised blood. I had become discouraged when my husband bought a bottle of Hood's Sarsaparilla and persuaded me to try it. I advise all to TAKE IT. It has cured and built me up." MRS. HYAT RUBOTTM, West Lincomb, N. S.

Hood's Sarsaparilla

Cures catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

LADIES' AND GENT'S CLOTHIERS.

Important Information About the New Autumn Styles.

We are prepared to announce to you that the fall goods for all departments are being rapidly passed into stock. Tuesday we made our first showing of the new styles in suits and skirts in the LADIES' CLOTHING DEPARTMENT. This branch of the business is on the 2nd floor, and is easily reached by a large staircase we've recently had erected. We will be pleased if the women of Guelph and vicinity will consider this as a personal invitation to visit this important department and see the new styles that will be popular this coming season. It will give you the opportunity of making your selection much earlier than usual. Description would hardly do justice to the many new styles shown. The smartest of the foreign creations are here with the best Canadian productions, and we can assure you that a visit of inspection will be of much pleasure to you. It will be a chance to obtain advance ideas in matters of fashionable dress. We submit here a few prices of the more important lines for your perusal:

New Fall Walking Skirts from $3.00 to $15.00
New Fall Dress Suits from $8.50 to $16.00
