POLICE COURT,

Thursday, Jan. 19th.

Before Dr. Robison.

Thomas Gleeson, who was discharged yesterday on promise to go to Garden Island, was brought up as a vagrant. He offered as an excuse that on going to the Island the "D—l and the Whiskey" made him fall through and hurt his leg, and he prayed "your honor" to give him two months and a half in gaol. He was committed to gaol for 90 days. He is an old pensioner, and wanted to get out on the first of April to get his pension, and so make up the two months and a half. He left the Court challenging the Yankee armies for a fight, although it was as much as he could do to walk.

Jane McIntyre, also before the Court yesterday, was brought up again as a vagrant, and sent to gaol for 60 days.

W. W. Williamson, charged with the assault on Mr. Froiland on Tuesday night, was fined $10 and costs.

THE KIDNAPPING CASE.—The man William Yerks alias Jones, charged with the attempted abduction of the two boys Kerr and Davy, was brought before the Court yesterday morning for further examination. Mr. Chanonhouse had telegraphed to the Chief of the Police at Belleville, and the reply stated that the boy Kerr had been kidnapped by a man named Jones, for the purpose of enlisting him in the Federal army, and that if they had Jones in custody to retain him. The prisoner admitted that he had usurped the name of Yerks. He was committed for trial at the Assizes.

We find in Ayer's American Almanac, (now ready for delivery gratis, by E. H. Parker) the remarkable statement that the temperature of the earth has not diminished more than 1-306th part of one degree Fahrenheit for 2000 years. To our enquiry how he could make such an assertion, Dr. Ayer writes us the following answer:—"Hipparchus gives the exact record of an eclipse in his time. This enables us to measure with extreme accuracy the earth's diurnal revolutions since to any eclipse now. Diminution of its heat would by concentration, shorten its axis and consequently its time of revolution on its axis. The data show that this change has been only such as I state it, mathematically and indisputably true."—[New York Journal.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so gaping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces yan shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, and are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

C. C. MOORE,

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are healthy, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

LADIES! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

AYER'S CHERRY PECTORAL.

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

SO wide is the field of its usefulness and so numerous are the cases of its cures that almost every section of country abounds in persons publicly known who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon our community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The agents below named furnish gratis our American Almanac in which they are given; with also full descriptions of the complaints they cure.

Those who require an alternative medicine to purify the blood will find Ayer's Comp. Ext. Sarsaparilla the remedy they need. Try it once and you will know its value.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo231
