Speak Well of Your Town.

There is no reasonable excuse for a man living in a town if he doesn't like it. If you have no commendation to say for your town, its institutions or its people, emigrate. You won't stop the course of events by going away, neither will your harping criticism cut any figure if you remain. The church bells will have the same musical ring and the dogs will play just as well and the pure air and bright sunshine will have the same health-giving properties. Speak a good word for your neighbors if you can; if you can't don't everlastingly enlarge on their faults. If you have become thoroughly sour and disgusted and cannot see any good in our town move away; go somewhere where things suit you.

WINTER ORDERS FOR SPRING DELIVERY.

Call at the works or drop a card to J. H. Hamilton Guelph

This opportunity of listening to a prominent native gentleman and life-long resident of the flowery kingdom is a rare one and will no doubt be embraced by a large number of our citizens. All will be welcomed.

Splendid Addition to Public Library.

The Book Committee of Acton Free Library went to Toronto last Friday and made the annual selection of books for addition to the Library. They were successful in securing a fine assortment of new books. These include all the latest productions of popular literature, science and art, poetry and religious works. As in the past prominence was given in making the selection to Canadian authors' and publishers' works. As soon as the books can be classified, catalogued and labelled, they will be accessable to the members of the Free Library.

Sudden Death of Mrs. Robt. Storey.

A very happy home in Nassagaweya was thrown into consternation and sorrow by the very sudden death on Sunday morning of Mrs. Robert Storey, at the family residence, lot 23, Con. 6. Mrs. Storey had not been feeling very well lately and did not rise for breakfast with the family on Sunday. About 9.30 she got up and dressed and was in the act of making herself a cup of tea, when feeling weak she lay down again. A few minutes later a member of the family went to her bedside and was overwhelmed with grief at finding that life had fled and the loved mother of the home was no more. Heart disease was the cause of Mrs. Storey's demise. Deceased's maiden name was Mary Whitley. She was married to her bereaved husband over thirty years ago and two sons and five daughters blessed the home, nearly all of whom are grown up. Mrs. Clarence Wood, of Nelson, and Mrs. Jeremiah Bell, of Nassagaweya, are daughters. Mrs. Storey was universally esteemed. She had many friends of long standing in Acton. The funeral on Tuesday was conducted by Rev. A. Blair, B. A., and interment was made in Fairview Cemetery.

Social Evening and Farewell.

On Tuesday evening a social hour or two was spent by the Disciple's congregation at the home of Mrs. William Masahs. A good programme was given after which a presentation was made to Miss Lila Tovell for her faithfulness as a church worker. Miss Tovell leaves in a week for her father's home in Luther. The following address was read:

DEARLY BELOVED FRIEND—It is with a feeling of most sincere regret that we have learned of your intended removal from our midst. During the years you have spent in Acton you have endeared yourself to all in connection with the church by your willing and faithful services, whether as teacher in the Sunday School, organist in the church, or in the work of the Young People's Society. We, therefore take this opportunity to express in a tangible form our appreciation of your efforts, and we beg of you to accept this secretary, not for its intrinsic value, but as a slight token of our gratitude and esteem. We wish you a pleasant and a useful sphere of action in your new home, and pray that God's choicest blessings may rest upon you throughout your life. Signed in behalf of the church.

MRS. WM. COLEMAN
MARY C. MASALAH
TENA CURRIE

Miss Tovell made a short and suitable reply. Another enjoyable hour was spent and then the party broke up by singing God save the King and Blest be the Tie that Binds.

One of Acton's Prominent Sons.

The Toronto Globe on Monday published a fine portrait of Mr. D. D. Mann, son of our esteemed fellow-townsman, Hugh Mann, Esq., and the following sketch:—Mr. Donald D. Mann, one of the two great railway builders engaged in the construction and financing of Canada's second transcontinental railway, the Canadian Northern, was born on a farm at Acton, Halton County, 48 years ago. With Mr. William Mackenzie and many others he got his start in life by a small contract on the Canadian Pacific Railway in the early eighties. For the greater part of the time since then he has been associated with Mr. Mackenzie in contract work, and for ten years or more they have been in partnership. In 1895 they began the construction of what is now the Canadian Northern system by building the Lake Manitoba Railway toward Dauphin. The system now comprises nearly 1,500 miles, all of which has been built by Mackenzie & Mann, except the Northern Pacific and Manitoba lines, 335 miles, and 19 miles of the Port Arthur, Duluth & Western Railway, both of which were taken over. The Ontario & Rainy River section between Port Arthur and the mouth of Rainy River comprised some of the most difficult railway construction work in Canada outside the Rocky Mountains. Mr. Mann is a believer in centralization of energy, and has no connection with his partner's street railway enterprises. He is reserved in manner, is a wide reader, has recently developed as a public speaker, and is a splendid organizer and judge of human nature.

PRESENTED A GOLD WATCH

To Mr Thomas Storey, For Eleven Years Superintendent of the Sunday School At No 8, Nassagaweya

On Tuesday evening of last week the annual entertainment of the Sunday School, at No. 8 school house, Nassagaweya, was held, and was full of interest as usual. Mr. Thomas Storey presided and the programme proved to be one of a highly interesting character. One of the closing numbers was a reading by Mr. Wm. Somerville, teacher. Mr. Somerville came forward, accompanied by Miss Ada Whitley. The reading was the following very complimentary address, and at the proper time Miss Whitley handed Mr. Storey a beautiful Waltham gold watch:

MR. STOREY—It was with feelings of deep regret that we, the members of this Sabbath School, learned of your decision to resign your position as superintendent, which office you have filled for the last eleven years with great fidelity and sincerity.

We have felt the encouragement of your prayers, the helpfulness of your teaching in the Bible class, of your godly example, and your friendly advice, and we shall always think with pleasure of the time you labored among us.

We are sure that your good work has been owned and blessed of God, and you know not where it may end. So, although you feel that your work as superintendent is at an end, we are glad to think that you will still remain among us, and that you will still be ready to lend a helping hand whenever it may be needed, for you were ever ready to share both in our joys and our sorrows. We wish to show you in some slight degree our appreciation of your services.

Will you please accept from us with every kind wish for your future happiness and prosperity, this watch, as a small token of our love and gratitude, and may you long be spared to labor in the Master's work, and may we all meet in that great Sabbath School beyond where you will be fully rewarded for your labors. Signed in behalf of the Sabbath School,

LETITIA STOREY
ADA WHITLEY
W. R. SOMERVILLE
ROBT. STOREY.

Nov. 11th, 1902.

It is needless to say Mr. Storey was taken completely by surprise. He thanked the school for their kind words and valuable present, and then referred to his connection with the school and the benefit it had been to him and his family. He attended it as a scholar in his boyhood days and, during the past eleven years he had, with God's help, given the best service in his power as superintendent. The school has been in operation for many years but has had only three superintendents. The first was the late Jeremiah Smith, who was succeeded by Mr. Milne, of Brookville. When Mr. Milne removed to Toronto Mr. Storey was appointed and has by his efforts made the school a great success.

Mass Meeting Next Wednesday.

The local committee has been fortunate indeed in securing Mr. N. W. Rowell, K. C., the eloquent young lawyer, of Toronto, to address the mass meeting of electors of Acton and vicinity next Wednesday evening in the town hall. Mr. Rowell is one of the most popular speakers on the Canadian platform. He is thoroughly well-informed on the question at present before the electors and will discuss the Ontario Liquor Act of 1902 in a manner which will interest the public generally. The local ministers are invited and will make brief addresses. A united choir will render music appropriate to the occasion. The chair will be taken at eight o'clock.

A New Business Man.

Acton adds a new business man to her list this week. Mr. Ronald Sinclair, of Osprings, has purchased the carriage and repair business belonging to the estate of the late J. A. Speight and will be ready for business in the premises in a few days. Mr. Sinclair comes to Acton well recommended as a skilful mechanic. He has done a successful business in Osprings for a number of years and desiring a wider field has settled in Acton. For more than half a century the Speight family conducted business here with satisfaction to their many customers and success to themselves. Mr. Sinclair has a good field here and citizens generally will wish him success. He has the reputation not only of being a good mechanic but a business man of strict integrity as well. It is such men that Acton always welcomes as citizens.

—A few belated farmers are still busy getting in their root crop.

—You are cordially invited to spend this evening at the Sociable of the Ladies' Aid in the Methodist School Room.

—Messrs. George Havill and R. J. McNabb are the Deputy Returning Officers for Acton for the election to be held on the 4th December.

A LITTLE TYRANT.

The Trouble Not Due to Original Sin.

There is no tyrant like a teething baby. His temper isn't due to original sin, however; the tyrant suffers more than the rest of the family. He don't know what is the matter. They do. The trouble is they do not always know what to do for his lordship. An Ontario mother writes to tell what is best to do. "When my baby was teething," she says, "he was so cross and restless that I hardly knew what to do with him. He had a poor appetite and ate but little, and was growing thin. I got a box of Baby's Own Tablets and they made a great change. He now rests well, has a splendid appetite, and gives me no trouble at all." This is the experience not only of Mrs. D. K. Schroeder, of Hanover, Ont., but also of thousands of mothers all over the Dominion. A baby teething is cross because his blood is heated and his little bowels constipated or unhealthily relaxed, and his system heated by the effort of getting the teeth through the gums. Baby's Own Tablets act like magic not only in this, but in all ailments of little ones. Sold by druggists or sent post paid at 25c. a box by writing direct to the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.

CREWSONS CORNERS.

The brick-layers are busily engaged in bricking Mr. John Brown's house. It will make a great improvement.

Owing to the inclemency of the weather the attendance at Rev. Dr. Savage's lecture in the Methodist Church on Tuesday evening last was rather thin.

Mr. and Mrs. N. Forbes and their son, Will, removed to Acton last week. Mr. Forbes and family have resided here all their lives, and were highly esteemed residents. We all feel that we have lost one of our best families. It will be Acton's gain. They carry with them to their new home the best wishes of everybody in this neighborhood.

Mr. and Mrs. Brock Swackhammer, of Churchill, have moved to their residence here, which they recently purchased from Mr. N. Forbes. Mr. and Mrs. Swackhammer are well-known and highly esteemed, and we extend to them a hearty welcome.

The champion turnip pullers of this neighborhood this year are Messrs. John Walker and Will Dennis. In a day and a half they pulled 1,200 bushels and trimmed them ready for shipment. We would like to know who can beat them.

Many of the older residents of this place will regret to learn of the death of Jane Leichman, wife of Mr. Duncan McArthur, at her home in Petrolia on the 13th inst. Mrs. McArthur was for many years a highly esteemed resident of this place, and a sister of Mr. William Leichman, of Acton, who has the sympathy of all in this vicinity. The deceased also leaves her husband, three daughters and a son to mourn the loss of a kind and loving wife and mother.

THE FREE TRIAL

The honor of thus effectively arresting the progress of this fatal malady rests with the wonderful system of treatment which has been reduced to an exact science for the cure of Consumption and for the cure of Catarrh and other prevalent conditions which pave the way for Consumption—that successful method evolved by America's greatest scientific physician, Dr. T. A. Slocum, whose great liberality, through his **Free Trial Treatment**, sent broadcast throughout this broad land, has contributed most to the rout of the most potent agency in the destruction of human life in this hemisphere.

His **Free System of Treatment** has arrested the hand of death in the cases of thousands of consumptives and has prevented the disease in countless instances.

The Slocum Treatment consists of four distinct remedies for the cure of **Consumption, Weak Lungs, Bronchitis, Catarrh, and all pulmonary and wasting diseases**, and is based upon principles essential to the correction of function, the rebuilding of the tissues, the overthrow of parasitic animal organisms and the establishment of health in all the departments of the human body.

The four preparations embody all the necessary elements of a complete treatment for Consumption—its cure and prevention—as well as for most of the chronic and wasting ills of life. Apparently hopeless cases are cured by their timely use.

These free remedies comprise the great **curative forces** discovered by the eminent physician, Dr. Slocum, they represent the acme of the pharmacist's skill and with them will be found explicit directions for their use in any case.

You are invited to test what this system will do for you. If you are sick, by writing for a **FREE TRIAL TREATMENT** and the Four Free Preparations will be forwarded you at once with complete directions for use.
