BRIEF LOCAL ITEMS.

—Now friends keep sweet to-day.

—Only three weeks till Christmas.

—We almost hear the Christmas bells.

—Vote early and vote "Yes" without fail.

—Banish the bar by voting "Yes" to-day.

—Saturday's thaw spoiled the first sleighing.

—The Christmas proposition is getting active.

—Every Christian elector will vote as he prays.

—Wood is a very scarce article in town just now.

—The early holiday shopper gets the pick of the stock.

—Elector: Get off the fence and vote "Yes" to-day.

—World you protect your boy and your neighbor's boy, vote "Yes."

—Remember your little ones when you stand by the ballot box to-day.

—The first snow storm of this season, on Wednesday, 26th Nov., brought sleighing.

—There was good skating on the Corporation pond a few days this week. Tuesday's rain spoiled it.

—Every unpolled vote to-day counts against the "close-the-barrooms" measure. Poll yours without delay.

—This is no time for dodging. Do all you can for your country, your home and your bright-eyed boys.

—A special meeting of the County Council was held on Monday to consider further the Hamilton & Nelson Toll road proposition.

—De Alva's British Entertainers are giving free concerts in the town hall this week, and incidentally selling the Wonder Herb Remedies.

—Schools are closed at Erindale and Cooksville on account of several cases of smallpox, chiefly among young people. It is of a mild form.

—Miss Kate Stephens has begun an action against the town of Aurora to recover damages for injuries received through a defective sidewalk.

—Clerks in stores and shops, big and little alike, will give better service to holiday buyers this week than they possibly can just before Christmas.

—Come now, citizens, let us commence the winter right and keep the snow all off the pavements, without any notice from the municipal officer.

—The bar room must be closed to-day and no liquor be sold from 6 o'clock in the morning until six o'clock to-morrow morning in accordance with the law.

—Mr. David Mills, who has occupied the Noble farm at Glenwilliams for several years, has removed to a farm above Ospringe, next to that of Mr. Wm. Gurney.

—Father! Can you look into the innocent, manly face of that bright little son of yours and not vote "Yes" to-day to banish the bars and remove that terrible temptation out of his path.

—The fuel problem is becoming quite serious here. Except in the case of a very few private citizens there is absolutely no hard coal in town. Wood has also become very scarce. The wood yards are empty.

—Onward (Toronto: William Briggs, Publisher) for Dec. 6th is a special Christmas number, full of Christmas stories, pictures and poems. Price $1 a hundred. For a sixteen-page paper, with twenty-nine cuts, this is a remarkably good cent's worth.

NEWS OF LOCAL IMPORT.

The Firemen's Assembly.

The third annual ball and supper given by Acton Fire Brigade in the town hall last Friday evening, Nov. 28th, judging from the very large attendance and the declaration of those present that they had a good time, was a marked success. Much praise is given Mr. and Mrs. G. C. Clark for the splendid fowl supper provided. The attendance included members of the Georgetown, Brampton, and Milton Fire Brigades.

$200 Fire at Ospringe.

Between four and five o'clock last Friday morning a fire took place at the residence of Mr. John S. Millar, lot 13, conc 1, Erin, near Ospringe, when his woodshed with the wood it contained were destroyed. A number of the neighbors came to the assistance of Mr. Millar and succeeded in saving the residence and other buildings near. The loss will be about $200. There was no insurance on the buildings, but the contents were partially insured.

Three Prominent Methodist Visitors.

Last Thursday Rev. T. Albert Moore, President of the Hamilton Methodist Conference, arrived by the morning train to spend the day with his brother at Moorecroft. At eleven o'clock Rev. Y. Hiraiwa, President of Conference of the Canadian Methodist Church in Japan, arrived and spent the day with Rev. A. E. Smith. On the 6.21 p. m. train Rev. F. A. Cassidy, M. A., Chairman of Guelph District, and who is to take his second journey to Japan in a few weeks, arrived with Mrs. Cassidy to visit Mr. and Mrs. H. P. Moore.

Left Thumb Amputated.

Mr. Frank Sayers met with a very painful accident last Thursday by which he lost the left thumb at the first joint and had the inner part of the first two fingers badly lacerated. He was sawing shingles at Brown's mill, recently purchased by his father, and his hand slipped from the wet shingle block he was sawing and came in contact with the saw. Mr. Sayers is an experienced sawyer and has always heretofore escaped any serious injury. He has been staying at the home of Mr. H. Grindell since the accident.

Has Taken the Veil.

A very impressive religous ceremony took place at the convent of Our Lady of Charity, Toronto, on Nov. 25th, when Miss Hettie McCann and five other young ladies received the veil of the Order of the Good Shepherd. Her name in religion is Sister Mary of St. Anne. Mrs. H. McCann, Miss Angie McCann, Acton; Miss M. McCann, Guelph, and many relatives of the young ladies were present in the convent chapel. His Grace Most Reverend Archbishop O'Connor, attended by many priests of the city, performed the ceremony. Her pastor, Rev. Father Feeny, of St Joseph's Church, was also present.

This Is No Joke.

If you toot your little tooter and then lay aside your horn, there's not a soul in ten short days will know that you were born. The man who gathers pumpkins is the man who ploughs all day, and the man who keeps a humbug is the man who makes it pay. The man who advertises with a short, a sudden jerk, is the man who blames the editor because it didn't work. The man who gets the business takes a long and steady pull, and keeps the local paper from year to year quite full. He plans his advertising in a careful, thoughtful way, and keeps forever at it until he makes it pay. He has faith in all the future, can withstand a sudden shock, and like men of Gibralter has his business on a rock.

Halton Farmers' Association.

The Halton branch of the Farmers' Association was formed in Milton on Friday last. The farmers present were unanimous and enthusiastic in support of the new organization. The following officers were elected:

President—J. R. Lindsay, Esquesing.
Vice-Pres.—R. E. Hall, Trafalgar.
Sec.-Treas.—Frank J. Harbar, Georgetown.

The representatives for each township on the Executive Board will be elected at meetings which are being arranged for.

Officers of Methodist Ladies' Aid.

The annual meeting of the Ladies' Aid Society of the Methodist Church was held in the minister's vestry on Tuesday afternoon. The reports showed that the year has been a very prosperous one. The officers for the coming year were elected as follows:

PRESIDENT—Mrs. James McLam.
VICE-PRES.—Mrs. Rice, Sr.
SECRETARY—Mrs. H. P. Moore.
TREASURER—Mrs. John Stephenson.

The Ladies' Aid is the most energetic and systematic organization of the church, and their efforts mean much indeed to the success of the church's work.

Knox Sunday School Annual Meeting.

The annual meeting of Knox Church Sunday School was held in the School Room on Thursday evening, Nov. 27th, and was largely attended. Lunch was provided by the lady teachers, and a very pleasant and profitable evening was spent. The reports of the different officers was very encouraging. Notwithstanding the fact that the school pays for all its supplies, books, papers, etc., the sum of nearly $100 was reported in the treasury. $25.00 was voted to missionary work, and other schemes of the church will be materially helped during the coming year. The annual entertainment will be held as usual on New Year's night, when the cantata, "Santa Claus at his best" will be given in the town hall by the scholars of the school. The following staff of officers and teachers were elected for the coming year:

Superintendent—George Hynds.
Asst. Supt.—John R. Kennedy.
Treasurer—Chester Wallace.
Secretary—Miss Rena Wallace.
Asst. Secy.—Miss Laura Ryder.
Librarians—Miss Clara Cobban, George Hynds, jr.
Organist—Miss Joan Smith.
Asst. Organist—Miss Laura Grey.
Orchestra—A. T. Mann, John Arthurs, Alex. Arthurs, A. Leishman.
Leaders of Singing—Misses McClure Ushers—Nelson Ryder, Robert Hynds.
Teaching staff—Rev. Mr. Macpherson, Bible Class; Mrs. Folster, Mrs. M. Anderson, Miss A. Holliday, Mrs. Lucky, Miss Joan Smith, Miss Russell, Mrs. A. Bell, Mrs. J. H. Matthews, Jas. Lucky, Miss M. Rev. Y. Hiraiwa, of Japan.

The congregation of the Methodist Church was favored with a visit and address from Rev. Y. Hiraiwa, President of the Japan Conference, last Thursday evening. Mr. Hiraiwa is one of the early converts to Christianity in Japan, and has given valuable service as a minister of the gospel for nearly twenty-five years. He is a graduate of the Imperial University of Japan, a scholarly gentleman and a fluent speaker. This is his second visit to Canada, having first accompanied Rev. Dr. McDonald on a visit some fifteen years ago. He came to Canada on the present visit to attend the session of the General Conference at Winnipeg, to which he was a delegate. Mr. Hiraiwa's address last Thursday evening was highly interesting and instructive. Valuable information concerning Japan, its climate, extent, people and customs; the advent of Christianity thirty years ago, and the work of the Methodist Church were given. The rehearsal of his own conversion to Christianity from a most prejudiced follower of Confucius was impressive and full of interesting detail. Rev. F. A. Cassidy, M. A., of Guelph, who spent eight years in Japan, also delivered an interesting address. Rev. A. E. Smith, B. D., presided.

MOTHERLY ADVICE.

To Mothers Who Have Cross or Sickly Babies.

Cross or crying babies are either sick or in pain, and make everyone in the house miserable. Healthy babies are always happy babies, and all little ones can be kept both healthy and happy by the occasional use of Baby's Own Tablets. If your little one is cross, give him a Tablet and see how quickly it will work a change for the better. Mrs. W. H. Austin, Farrington, N. S., Says:—"Baby's Own Tablets are just what every mother needs when her little ones are cutting their teeth. When my little one cries, I give him a Tablet, and it helps him at once. Mothers who use the Tablets will have no trouble with their babies." These Tablets are sold under a positive guarantee to contain neither opiate nor any poisonous drugs, and they will promptly cure all the minor ailments of little ones. Sold by druggists or sent by mail post paid, at 25 cents a box, by writing direct to the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.

PERSONAL AND SOCIAL.

Mr. James Coleman visited friends in Toronto this week.

Miss Jennie Gurney, of Erin Township, spent the past week with Acton friends.

Mr. Stephen Hornby, who has been in the Northwest, since August arrived home on Monday.

Miss Pugsley, who has been residing with Mrs. Anna Maddock the past year, has returned to Toronto.

Councillor Hynds was in Toronto a couple of days last week attending the funeral of his sister, Miss Ella Hynds.

Mr. John R. Cook is leaving this week for Hamilton with his family. He intends running a grocery store there.

Miss Eleanor Allin went to her home at Sunderland on Saturday. Miss Howes accompanied her as far as Toronto.

Master Mervin Kitching, of Nassagaweya, spent a few days of this week at the home of his uncle, Mr. J. W. Hyndsand.

Mr. and Mrs. John Matthews, who have been spending a couple of months in the old home here, returned to Toronto on Saturday.

Mr. J. H. Wallace, of Oak Lake, Man., in writing to a golf friend here says he has already, in his morning constitutionals over the prairie, made a mental survey of a very fine nine hole golf links, with all the necessary natural hazards and bankers. Oak Lake will evidently have a new diversion next season.

Death of Miss Ella Hynds.

Sad news of the critical illness of Miss Ella Hynds reached her brother, Councillor George Hynds, on Thursday. He took the first train on Friday morning, but when he arrived the spirit had taken its flight. For about a year Miss Hynds had been suffering from several ailments and the past few months was seen to be gradually failing. She was the daughter of Geo. Hynds, Sr., and for many years resided in Acton with the family. Miss Hynds was a bright Christian, a worker in the Church and Sunday School, and a favorite with all who knew her. Her last visit to Acton was on the occasion of the second reunion of the pupils of the late Robert Little, Esq., and she enjoyed the meeting of so many old friends at that time very much. The remains were interred in St. James' Cemetery on Saturday afternoon.

New Rector at St. Alban's Church.

Rev. J. G. Browne, B. A., who has filled the vacancy in St. Alban's Church since the removal of Rev. J. K. Godden, M. A., a month ago, was last Saturday officially appointed Rector of the parish of Acton and Rockwood by His Lordship Bishop DuMoulin. During the weeks he has been in charge Mr Browne has quite won the hearts of the congregation of St. Alban's and St. John's Churches and they united in the request to the Bishop for his appointment. Rev. Mr. Browne came to Canada in his early young manhood and took his course in arts and theology at Trinity University, Toronto. He graduated and received his degree in 1895 and returned to England. The past seven years he has spent in important curacies; the first at St. John's, Oldham, near Manchester, and latterly at Winlaton, in the parish of Durham. Rev. Mr. Browne came to Canada in September to visit Rev. Mr. Davidson, of St. Georges' Guelph, a much-loved college classmate, and other friends. He decided to remain in Canada, and when the rectorship of St. Albans was offered him he accepted it. Mrs. Browne is with friends in England, but will come to the new home here in early spring.

Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also.

Sufferers dread to move, especially after sitting or lying long, and their condition is commonly worse in wet weather.

"I suffered dreadfully from rheumatism, but have been completely cured by Hood's Sarsaparilla, for which I am deeply grateful." MISS FRANCES SMITH, Prescott, Ont.

"I had an attack of the grip which left me weak and helpless and suffering from rheumatism. I began taking Hood's Sarsaparilla and this medicine has entirely cured me. I have no hesitation in saying it saved my life." M. J. MCDONALD, Tiverton, Ont.

Hood's Sarsaparilla

Removes the cause of rheumatism—no outward application can. Take it.

One of the saddest accidents that ever happened here occurred early Sunday morning, through the effects of which Mr. J. M. Jones, one of the most respected residents of the neighborhood, lost his life, through being caught in the machinery of his windmill.

THE BEST STORE FOR DRY GOODS

We question whether anywhere you can find as satisfactory a stock of Dry Goods. That's the right adjective. The most reliable, the most useful, the most economical. We've been a life-time learning the business—what to buy and what to let alone. There's no accumulation of anything like that experience. The teaching of the years and the goods of this season make as happy a combination as ever invited an intelligent trade.

Each day finds plenty of business here because of such value as these:

6 yds. dress lengths imported Cheviot, very good.... $1.50
6 yds. dress lengths, heavy Suitings, elegant cloth $2.25
8½ in wide, Grey Suiting, stylish cloths.....
Elegant quality Black Lustrine Silk, guaranteed quality $1.00
Beautiful Silk Waists, new style designs, pure Taffeta Silk, very stylish.....
And so on, and so on.

Years ago when we began we fixed a policy. It was reliable goods, a perfect understanding with each customer and lowest match prices. We've hammered away at those three things and we're not through yet. We'll keep on this line if it takes a jubilee pounding out the one idea. "We know what we sell, we know the styles are right and the quality dependable."
