THURSDAY, JANUARY 8, 1903.

BRIEF LOCAL TEMS.

—Be sure and write it 1903.

—Fine moonlight winter nights again.

—Tuesday a quiet snow fall improved the sleighing.

—The boys and girls had rare fun coasting on New Year's day.

—Business is in full swing for the third year of the new century.

—The FREE PRESS calendar has been admired by our subscribers everywhere.

—Another car of coal arrived in town this week. The price, however, is fancy, $10.

—Our former fellow-citizen, J. P. Allan, is a member of Brampton's new town council.

—Mr. M. P. Barry, Rockwood, is shipping turnips at the G. T. R. here to the American markets.

—Br'er Forster of the Oakville Star will have to wait for another term for a seat at the County Council.

—Since the sleighing came wood has been coming in pretty freely and wants are being fairly well supplied.

—Mrs. Anna Maddock has disposed of her bakery and confectionary business to Miss Miller, Church Street.

—The January thaw arrived right on time. New Years was barely over when the thaw settled down—in earnest.

—The Ladies' Aid of the Methodist Church have decided to hold a Valentine Social on Friday, 13th February.

—Halton License Commissioners—W. F. W. Fisher, Alex. Waddle, and Henry Robinson—have been reappointed for 1903.

—The depositors of the Anderson private bank at Oakville lose $140,316.41, and the Anderson's lose $80,000 they put into the business.

—A new broom sweeps clean. Our citizens will therefore expect Reeve Swackhamer to keep the pavements clear of snow this winter.

—The smallpox was again a live issue yesterday. It was the leading case in Division Court, but was not settled when we went to press.

—One of the prettiest calendars we have seen this year has been issued by Mr. R. E. Nelson, Guelph's leading merchant tailor and furnisher.

—It is somewhat remarkable that four out of five members of the new Council reside on Main Street, and the other within fifty yards of it.

—Acton College Students have returned to their studies with renewed vim and vigor after spending Christmastide under the home roof-tree.

—Rev. A. E. Smith conducted a very interesting New Year's service in the Methodist Church on Sunday evening, last. Sacred song had a prominent place.

—The FREE PRESS has pleasure in congratulating R. D. Warren of the Herald, upon his election to the Reeveship of Georgetown, and with a very substantial majority too.

—Mr. Carruthers, the new electrician, arrived in town on New Years and commenced his duties at the power house. He is keeping up the good record of his predecessor.

—A very pretty holiday supplement, giving attractive views of Medicine Hat, N. W. T. and vicinity, was issued last week by the News, the enterprising publishing house of that town.

—Knox Church will shortly be renovated; possibly in time for the Anniversary in February. Last Sabbath evening its minister, H. A. Macpherson, began a series of sermons on "Some men and women of the Bible." The subject on last Sabbath was "Ishmael". Next Sabbath evening will be for the women.

NEWS OF LOCAL IMPORT.

School Re-Opened.

The Public School re-opened on Monday after the Christmas holidays with all the teachers in their places. Miss Holmes in the fourth dept., and Miss Cole in the High School dept., are the new teachers, and are now installed and hard at work with the other members of the staff.

The Early-closing By-law.

Now, merchants, return to the six o'clock closing again. You've had a big holiday trade with lots of extra work. Conform to the provisions of the early closing by-law; give yourselves some leisure, and your employees an opportunity for pleasure, recreation, and mental culture.

Churchill Annual Teameeting.

The annual tea-meeting at Churchhill which is always a feature of the winter's attractions for this community will be held on Thursday evening next, 15th inst. A very attractive programme is being arranged. Sleighs will be at Acton Post Office until 7 o'clock to convey friends to the Hill.

A Unique Arrangement.

The annual entertainment of the Baptist Sunday School will be held on Friday evening next, at 8 o'clock. The officers and teachers are endeavoring to establish a library for the school and to this end ask the financial help of all the friends of the school who will come to the entertainment by making a contribution, or by purchasing a book from the stock which will be on sale before and after the programme; this book to be presented to the school. The public are cordially invited to attend.

An Exciting Runaway.

Mr. and Mrs. Henry Cole, of the fifth concession, had a very exciting experience on Saturday as they were driving into town. The team was a pair of colts which became frightened while coming down Young Street. They dashed down that street and across Mill Street and went completely through the wire fence between Messrs. Warren and Wallace's properties. There was no box on the sleigh—Mr. and Mrs. Cole sitting on the several bags of grain. When the sleigh struck the sidewalk they were both thrown off with much force. Mr. John W. Burns, in a most capable and pleasing manner, discharged the duties of chairman. A well-filled purse of gold was presented to Mr. and Mrs. Sarles.

BAD BLOOD.

Bad blood is the mother of fifty diseases. It causes disease wherever your body is weakest. Perhaps you suffer from pimples, pale cheeks, indigestion, neuralgia, rheumatism or general decline. In each case the cause is the same—bad blood. Strike at once at the root of the trouble by renewing and enriching your blood supply with Dr. Williams' Pink Pills. Every dose helps to give you new, rich, red blood that will carry healing to every part of your body. Among the thousands who have proved the truth of these statements is Mr. Neil H. McDonald, Estmere, N. B., who says:—"I have found Dr. Williams' Pink Pills all that is claimed for them. I was completely run down, my appetite was poor and I suffered much from severe headaches. Doctors' medicine gave me no relief so I decided to try Dr. Williams' Pink Pills. A few boxes have restored to health and strength. Don't take a substitute or anything else said to be just as good. See that the full name Dr. Williams' Pink Pills for Pale People is printed on the wrapper around the box. Sold by all druggists or sent by mail, post paid, at 50c. a box, or six boxes for $2.50, by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

The slight of a drunkard is a better sermon against that vice than the best that was ever preached on that subject.—Saville.

Macpherson, of Acton, in the presence of a large number of relatives and intimate friends of the bride and groom. The gifts to the bride were numerous and costly. GLASGOW HOUSE ACTON.

BIG BUST IN PRICES

Having just concluded what has been the largest business year in the history of this store we wish to thank our numerous customers for the very hearty patronage which has been accorded us during the past twelve months.

Our aim in the past has been to supply the public with good reliable merchandise at the lowest possible prices, and this shall be our special object in the future.

Our custom has been to begin each year by giving our patrons a feast of genuine bargains and this year we will make a special one in that respect.

Our Great January Sale.

We quote below a few of the special prices on some lines, but bear in mind that they are only a small sample of the good buying opportunities which you will find all through the store.

Ladies' Jackets.

After doing a record business in this department we still have a good range of natty up-to-date coats.

Our policy is to carry none of these goods over, and we expect they will soon disappear at these prices—

Ready To Wear Skirts

This department although a comparatively new one has been very popular. The skirts we have left are just as good as those we have sold but ranges and sizes are broken and you can pick a good skirt here while they last for less than the material would cost. Skirts from $2.00 up.

Ladies' Blouses.

Good Blouses—in French, Flannel—Cashmere and Silk, made and lined in the very best style and daintily trimmed.

Waists that sold from $2.50 to $5.00 both black and colored, we put on sale at once at prices that would barely furnish the material alone—This is a golden opportunity.
