EDITORIAL NOTES.

The term of the Normal Schools is to be doubled in length. The term next fall begins in September and closes the following June. To meet these changed conditions a radical change in the course of studies is necessary, but just what the changes are the Minister of Education or his confreres are not yet ready to state.

The liquor question formed an important issue in the last session of the Legislature and it will in all probability be the storm centre of the coming session. In replying to the deputation of temperance leaders who interviewed the Government last Thursday the Premier, Hon. G. W. Ross, said: "I hope we will agree upon some solution satisfactory to you, so that we will have legislation to meet with the wishes of the majority of the people. We hope for legislation when the House meets, and we trust that that legislation will meet with your approval and the confidence of the country.

CREWSONS CORNERS.

The roads in this vicinity, which were drifted so badly during the past week, are somewhat improved now.

A few from here attended the tea-meeting at Churchill on Thursday evening last. They report a good time.

Special revival services will be started in the Methodist Church on Monday evening, Jan. 26th, services commencing at 7.30. On Sunday, 1st Feb., the quarterly communion service of the Rockwood circuit will be held here.

Mr. Alex. Cripps purchased a fine driving horse last week.

Mr. Wm. Carroll will shortly remove from here. He has been very successful in hog raising. Since last April he has raised and sold off his farm enclosure than 113 dollars worth of hogs.

Mr. Wm. Cripps, of the Berlin sugar factory, has been spending the past few weeks at his home here.

Mr. W. Y. Gray was called to Erin village on Monday evening through the serious illness of his mother.

Mr. Robt. Cripps has disposed of his property and post office here to Mr. Wm. Lambert, of Erin, who takes possession in April.

NO MEDALS AFTER MARCH 31.

Applications for the General Service Medal issued for Fenian Raid 1866-1867, and the Red River Rebellion of 1870 will not be entertained after March 31 so that any claimants who have not yet brought their cases before the department should do so without delay.

DOUBLE FATILITY AT JORDAN.

John Foster and Elmer Moyer Killed by an Express.

JORDAN, Jan. 20.—Sunday night about 9.25, while he while he was going home from church, No. 17, west express struck and killed John Foster while crossing over the double track bridge. Mr. Foster in getting out of the way of a freight train did not see the express. Yesterday morning the body of Elmer Moyer was found on the bank. He is supposed to have been killed by the same train.

ANOTHER GIFT OF $45,000.

Sir Wm. McDonald Gives $170,500 to the O. A. C., Guelph.

GUELPH, Jan. 17.—President Mills of the Agricultural College has been advised by Prof. Robertson that Sir William Macdonald has decided to give a further sum of $45,000 toward the erection and furnishing of the two Macdonald buildings for manual training and domestic science. This, with the sums already granted by Sir William, makes a total of $170,500. The additional sum has been thought necessary owing to the increased cost of building. The news has naturally caused much satisfaction at the college, where the completion of the Macdonald Institute and the Macdonald Hall on a splendid scale is now assured.

HERBERT GOES FREE.

Self-Confessed Murderer of Joseph Sifton Liberated at London.

LONDON, Ont., Jan. 16.—Walter Herbert, who pleaded guilty to the murder of Joseph Sifton, nearly two years ago, was brought before Chief Justice Meredith to-day and was granted a new trial, the Crown prosecutor consenting. A jury was drawn from among the spectators in the court room, the petit jury having been discharged. Herbert changed his plea to "not guilty," and after his counsel had drawn attention to the finding of the court in the case of Gerald Sifton and the Crown had declined to prosecute, Judge Meredith ordered the jury to bring in a verdict of acquittal, which it did. Herbert was then freed.

NASSAGAWEYA.

A very pretty wedding was celebrated yesterday afternoon at the home of Mr. William Dredge. The contracting parties were Miss Margaret, daughter of Mr. William Dredge, and Mr. Frank Sayers, eldest son of Mr. Peter Sayers, of Sayers' Mills. Both the young people are very highly esteemed. Rev. A. Blair, B. A., performed the ceremony. After the sumptuous wedding repast and the most cordial congratulations of the friends present, Mr. and Mrs. Sayers drove to Moffat to take the 3.20 C. P. R. train. They will visit Niagara Falls, Buffalo, and other points, and upon their return will take up their residence in the fine home of the family at Sayers' Mills.

A WINTER SCOURGE.

La Grippe or Influenza Responsible for Hundreds of Untimely Deaths.

La Grippe starts with a sneeze—and ends with a complication. It lays a strong man on his back; it tortures him with fevers and chills, headaches and backaches. It leaves him a prey to pneumonia, bronchitis, consumption and other deadly diseases. You can avoid la grippe by fortifying your system with Dr. Williams' Pink Pills. They protect you; they cure you; they upbuild you; they banish all evil after effects. Dr. Williams' Pink Pills ward off all winter ailments. They cure all blood and nerve disorders. They are the greatest blood-builder and nerve tonic that science has yet discovered. We know this to be the solemn truth, but we do not ask you to take our word alone. Ask your neighbors, no matter where you live, and you will learn of someone who has been cured by Dr. Williams' Pink Pills, after other medicines had failed. It is upon the evidence of your neighbors that we ask you to give these pills a fair trial if you are sick or ailing. Mrs. Emma Doucet, St. Eulalie, Que., says: "Words can hardly tell how pleased I am with Dr. Williams' Pink Pills. I had an attack of la grippe which left me a sufferer with headache and pains in the stomach. I used several medicines, but nothing helped me until I began the use of Dr. Williams Pink Pills. When I began them I was weak and very much run down. The pills have completely cured me and I not only am as strong as ever but have gained in flesh." The genuine pills always bear the full name, Dr. Williams' Pink Pills for Pale People, on the label around every box. Substitutes can't cure and to take them is a waste of money and endangers life.

Perseverance is falling nineteen times and succeeding the twentieth.

Riches are not an end of life, but an instrument of life.

The following officers were appointed by by-law for present year:

Assessor	John Bingham
Member Bd. of Health	Jas Newton
Sanitary Inspector	D. McGuire
Sanitary Policeman	R. C. Nixon
Auditors	J. Liddaty, W. Bowman

Council adjourned till Monday the 16 day of February next.

OVER 200,000 MAJORITY NOW.

The Government Twice Interviewed By Temperance Workers During the week.

LEGISLATION IS PROMISED.

The official returns now give an aggregate of over 200,000 votes polled on the 4th December for the closing of the bars of the Province.

In reply to large temperance deputation which waited upon Premier Ross and the Cabinet last Thursday, when they were addressed by Rev. Dr. Carman, Mr. F. S. Spence, Principal Sheraton, Rev. Dr. Chown, Rev. Dr. Dickson and others. The Premier said: "My duty in connection with this question is to consult my supporters, and that I shall do at the earliest opportunity. The earliest opportunity will be when the House meets, when we shall see how far the members will support the Government in implementing that vote. That is the only position I can take to-day. I hope we will secure such legislation as will meet the approval of the country. I would feel humiliated if you thought we would play fast and loose with this question, or any question."

A number of Liberal temperance men—lifelong supporters of the Government, as one of them described their standing—held a private interview with Premier Ross on Monday, when the temperance situation was discussed at some length. Among those present were Mr. John A Paterson, K. C., who presided; Mayor Urquhart, Mr. Stapleton Caldcott, Mr. Henry O'Hara and Dr. Cross, who spoke; Messrs. R. U. McPherson, Hon. S. C. Biggs, G. Tower Ferguson, H. J. Stark, Dr. W. J. Greig and many others.

The object of the interview, it was subsequently explained, was the presentation to the Premier of a resolution which had been passed at a meeting held prior to the interview, as follows:—

"That we urge upon the Government that the recent vote call for the closing of the open bars of the Province, and for the abolition of the treating system and that it is in the public interest that the sale of liquor, as far as permitted, should be under Government control."

The deputation disclaimed all connection with any temperance or social organization, and were present, as they said, in their capacity as Liberals and as temperance men.

The Premier promised consideration.

THE AGRICULTURAL SOCIETY.

The Finances and Membership Tickets both Short Again.

John L. Leslie, President

Esquesing Agricultural Society held their annual meeting in the Council Chamber, Georgetown, on Wednesday afternoon, January 14th. There was an attendance of about 35. In the absence of the President and Vice-President, Mr. George Joyce was elected to the chair.

The secretary, Mr. L. Grant, presented his annual report, which as usual was quite detailed and explicit. The receipts were less than the expenditure. This was owing to an exceptional expenditure for advertising owing to the falling off in the receipts from membership tickets and subscriptions. In regard to this feature the secretary was of the opinion that directors should increase their efforts to sell membership tickets. Last year's sale of tickets was fifty short of the previous year. Their the prize list was very large and the entries in every class almost was full. The gate receipts had been very encouraging, being the largest ever taken in Georgetown. As a whole the report was very encouraging.

Mr. N. Gillies, who was the delegate of the Association of Toronto, reported briefly.

The following officers were elected for the coming year:

Pres., John L. Leslie, Esquesing
1st Vice., Thos. Cook, Ballinafad.
2nd Vice., John Hardy, Ashgrove.
Directors:—T. F. Browsridge, Ashgrove; James Brown, Norval; J. A. Tracy, Esquesing; F. Ruddell, Georgetown; George Joyce, Mansewood; N. Gillies, Speyside; H. G. Clark, Brampton; S. H. McGibbon, Georgetown; J. N. O'Neill, Georgetown.

Auditors, R. D. Warren, R. C. McCullough.

Hon. Directors, Mrs. S. J. Lyons, Mrs. A. Devereaux, Mrs. Young, Mrs. Hugh Black, Mrs. H. P. Moore, John Williams, C. H. Preston, J. L. Warren, John McQueen, J. G. Harley, R. D. Warren, F. J. Barber.

After the election of officers the directors held a meeting. Mr. L. Grant was re-engaged secretary for the ensuing year. It was decided that the judges be appointed by the directors as usual. In regard to the matter of judges, Mr. Gillies stated that at the Association in Toronto there was a warm discussion on the proposal that only one expert judge for a class should be appointed. Opinion was tending in this direction.

It was decided to hold the Fair in Georgetown this year on Monday and Tuesday, October 5 and 6, and that it should be open to the world.
