Every farmer within reach should attend.

Buried at Fairview.

The remains of the late Malcolm McPherson, jr., of lot 13, Con. 5, Esquesing, were interred in Fairview Cemetery on Tuesday afternoon. Rev. A. P. Gillespie officiated. The attendance was very large. Mr. McPherson had been ill for some time and died on Sunday morning. He was a son of the late Malcolm McPherson, sr., postmaster of Speyside, and brother of Mr. Arch. McPherson, Acton. His second wife and two sons, Messrs. John and Robert, and one daughter, Mrs. John Moffat, Brandford, survive him. Mr. McPherson was in his sixty-eighth year.

Acton Juniors Defeated Milton.

Acton Junior Base Ball Club played and defeated the juniors of Milton to the tune of 32 to 26 runs, last Saturday afternoon. It was a very poor exhibition of base ball, Acton making twenty-five errors and Milton having twenty-seven to their credit. Milton put Oram out of the box in the third innings making no less than seventeen runs off him in that innings, the visitors batting around three times, securing ten hits. Acton secured twenty hits off Timbers, an imported pitcher from Speyside. Hynds replaced Oram in the middle of the third innings and held the Milton batters down to three hits and striking out ten men. A feature of the game was Smith's batting, getting a home run, two two-baggers and three singles. Brown, at short for Acton played a base game, it certainly being an off day for him. Umpire was Roy Fields, of Peru. A fair crowd was in attendance.

Ghoulish Work at the Old Cemetery.

Col. Wm. Allan called the attention of Reeve Swackhamer to the wanton destruction on a number of the plots in the old cemetery, in rear of Main Street, adjoining the public park, on Saturday. The utter destruction of a number of tombstones is not only a serious loss and a needless wounding of the feelings of friends whose departed loved ones are interred there; it is a disgrace to any civilized community. The most charitable conclusion as to the authorship of the disgraceful damage is that it was the work of thoughtless boys. But whoever are the guilty parties every effort must be made to discover them and inflict the punishment such a crime demands. Reeve Swackhamer offers on behalf of the municipality, a reward of $25.00 for information which will convict the guilty parties. If the owners of the damaged plots and monuments take action it may cost the corporation a considerable sum to repair the damage to this sacred property entrusted to their official oversight and care.

An Esteemed Citizen's Removal.

Ex-Councillor John A. Henderson has decided to accept the position of manager of the Standard White Lime Works at Beachville and intends moving his family to the new home next week. The works at Beachville are the most extensive white lime works in Ontario and embrace three lime properties which have been purchased by the Standard White Lime Co.,—in which Messrs. Christie & Henderson have a controlling interest—this year. The removal of Mr. Henderson and his family will be generally regretted, as it takes from our midst a highly esteemed family. Mr. Henderson came to Acton from Milton with his father's family—D. Henderson, M. P.—thirty years ago, and has literally grown up with the town. His interest in public and political matters is well-known, and both Mr. and Mrs. Henderson were actively associated with Knox Church. Mr. Henderson's long association with the mercantile business of Henderson & Co. gave him a wide acquaintance in the community.

Royal Templars' Entertainment.

Acton Council No. 71, Royal Templars of Temperance, provided an entertainment of a most enjoyable character in the town hall on Monday evening. The programme embraced splendid musical numbers by the Ministerial Trio, Miss Jessie Nicklin, Miss Nelson and Rev. Mr. Smith, the Misses McClure and Messrs. Jeans and Smith, the Methodist S. S. Orchestra. There were also impressive elocutionary selections by Mrs. A. T. Brown, Miss Clara E. Moore and Miss Mathison. Stirring addresses were delivered by Rev. D. Dick, Rev. H. A. Macpherson, Rev. A. E. Smith and H. P. Moore, Esq., upon the value of organized effort for the advancement of the temperance cause. Miss Jennie Smith and Miss Edith Nicklin, daughter of ex-Reeve Nicklin, were the accompanists. Miss Nicklin made her debut publicly at this entertainment in playing Miss Jessie Nicklin's accompaniment and proved herself a pianist of ability. Miss Smith ably sustained her well-known reputation. There was a good attendance. Mr. Fred Plank, S. C., occupied the chair.

Rev. Dr. McNair at Knox Church.

The pulpit of Knox Church will be occupied by Rev. J. McNair, D. D., of Oakville next Sunday. Rev. Mr. McNair is a popular preacher and is one of the latest minister of the church to have been honored by his alma mater with the degree of Doctor of Divinity. Rev. Mr. McNair will read the edict summoning the congregation to appear at the special meeting of Guelph Presbytery next week in connection with the call to Rev. Mr. Macpherson. Rev. Mr. Macpherson will preach anniversary sermon at Oakville on Sunday.

Narrowly Escaped Frank Disaster.

The family of Mr. J. Fyfe, who is travelling in the Northwest, received letters on Monday giving particulars of his narrow escape from death in the Frank disaster. The train upon which Mr. Fyfe was travelling was timed to reach Frank at the very moment of the catastrophe, but fortunately for him and all the other passengers and trainmen, the express was about an hour late. The location of Frank depot would have placed the train immediately in the path of the crushing debris. Mr. Fyfe spent some time afterward in viewing the havoc wrought.

Generous-Hearted Neighbors.

A half dozen of the neighboring farmers of Mr. T. H. Murray, who lost both his home and his barn by fire on the 30th April, waited upon the neighbors of the vicinity last week and they all united in showing practical sympathy for Mr. and Mrs. Murray in their great loss. The committee waited up in the family one evening last week and handed them the substantial sum of $100.00 cash. Mr. and Mrs. Murray appreciate very much the kind sympathy and generosity of their neighbors. As they lost everything but the clothes they wore by the fire, the above donation is especially timely.

A New G. T. R. Station.

If Acton had the assurance from the railway authorities that such a much-needed convenience was to be forthcoming in the near future, there would be much rejoicing among our citizens and the travelling public generally. This assurance has not yet materialized, but a number of public spirited citizens have determined to make a strenuous effort to stir up the railway authorities and impress them with the absolute need for a new depot and Acton's just claims to it. To this end a petition to the officials has been prepared and is being circulated. It is hoped that every business man and citizen will sign the petition, and that the Municipal Council will give it their official endorsation before it is presented. The present inadequate structure has done duty for half a century.

Left Acton Forty Years Ago.

The FREE PRESS received during the week a letter from Mr. Dan L. Shook, of Coral, Mich., son of the late Dr. Shook, who occupied the residence now occupied by Dr. John M. Macdonald, in Acton's early days. Mr. Shook says: "It will be forty years next July since I left Acton. There was no FREE PRESS there in those days. Old residents will remember the young man who worked with Thomas and Edward Moore at carpenter work. I received your calendar for 1903, but the view shown of Acton all looks so strange to me. I cannot locate Fairy Lake—the fairies must surely have been there since I left the old fishing, swimming and skating resort, then known as Nicklin's Pond. I have had a very busy life since coming to Coral and am still busy, but I hope to go and see dear old Acton again, some time."

Junior League Anniversary.

The anniversary entertainment given by the Junior League last Friday evening was an event of interest. The programme was diversified in character and enjoyable. It included addresses by Rev. A. E. Smith, Pastor, and Mrs. J. W. Oram, Superintendent; music by the League; recitations by Bessie Husband, Abbie Taylor, Mildred Matthews; duet by Flora Speight and Fern Brown; solos by Miss Bertie Smith, Amy Speight, and Hazel Agnew; instrumental duet by Lottie and Hazel Mason; several interesting dialogues and choruses and a well-rendered drill. A unique feature was the rendering in the mute language of "Nearer My God to Thee" and "Jesus High in Glory" by Miss Maggie Smith, a graduate of the Institution for the Deaf and Dumb at Belleville. All present enjoyed Miss Smith's graceful silent language and reverent gestures. Mr. H. P. Moore presided. Dainty refreshments were served by the juniors at the conclusion of the programme.

—The annual meeting of Guelph District of the Methodist Church will be held in Guelph next Tuesday and Wednesday. Rev. A. E. Smith will give an address on Tuesday evening on "John Wesley as an Evangelist."

Itching Skin

Distress by day and night—

That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." MRS. DR. E. WARD, Cove Point, Md.
