EDITORIAL NOTES.

The Champion says: The reproach that Milton is behind many smaller towns in the matter of sidewalks appears in a fair way for removal. The Council is arranging for permanent pavements to be laid on the principal streets. This will be an important improvement to the county town.

Mr. Bickerdike's bill prohibiting the importation, manufacture and sale of Cigarettes was ruled out of order by the Speaker of the House of Commons, last week, the rules of the House regarding the introduction of such bills not having been observed. Mr. Bickerdike will reintroduce the measure with the due observance of the rules of the House.

The scarcity of labor in a good many departments of manufacture is seriously interfering with production. Although advances in wages have been granted, some masked, in many cases, there is a feeling of unrest in certain trades and some shifting of labor. A good many have gone to the North-West, and strikes have induced others to leave their homes and seek work elsewhere.

The ceaseless hunt after good reading matter is a problem for both editors and readers. The editor of the Canadian Magazine has secured a very fair collection of it for his June number. The short stories are all by Canadian writers and not less bright for that reason. The illustrations, some of which are in colour, show great care in their production and indicate a continual improvement in the work of Canadian illustrators.

The attitude of the Government in the matter of temperance legislation this session is calling forth very strenuous remarks from prohibitionists and moral reformers throughout the province. The Canadian Baptist last week says: "It was with dismay that we read the reply of the Hon. G. W. Ross to the deputation that waited on him to inquire as to proposed prohibition legislation during the present session, and we have no hesitation in saying that the Ontario Government trifling audaciously with two hundred thousand recorded voters, and many not yet recorded, in declining to attempt any legislation this session in the direction of at least restriction of the liquor business."

A correspondent to the Milton Reformer recommends that some action be taken by the County Council to improve the leading roads of the county. He suggests that the following be undertaken: The seventh line from Oakville to Hornby, Stewarttown and Ballinafad, with the crossroad to Georgetown; the second line, from Bronte to Palermo, Milton and Acton; the Guelph Road, from Burlington to Nelson Village, Lowville, Campbellville, toward Eden Mills, with intersecting lines on the Middle Road and Dundas street; from Milton to Kilbride, thence to Carlisle on the south, a branch towards Streetsville on the east, towards Hornby on the north, and toward Campbellville on the west. The people of the county generally who do any driving would welcome such a scheme very cordially.

GUELPH HORSE SHOW.

On Thursday, Friday and Saturday, 4th, 5th and 6th of June.

Our readers will be pleased to know that arrangements are completed for the holding of a high-class horse show in Guelph on the 4th, 5th and 6th of June. Fourteen hundred dollars will be given, and reduced fares on the railroads from all places within a radius of 80 miles from the city have been arranged for. It is expected that most of the well-known horsemen will exhibit their fancy horses, and that the affair will be a grand society event, as well as the greatest open-air show of exclusively high-class harness saddle and draught horses ever held in the province.

$10,000 FIRE IN ERIN.

Sutton's Hardware Store Totally Destroyed on Friday Morning.

A serious fire took place Friday morning in Erin, and as a result a loss of about ten thousand dollars has been sustained. About six o'clock Dr. Skinner, who occupies rooms over the post office and Milloy's dry goods store, was roused from his sleep by volumes of smoke which threatened to suffocate him. He gave the alarm and it was found that the fire was raging in Sutton's hardware store. There is no regular fire brigade in the village and no adequate means of fighting the fire. A large number of women turned in and did excellent work in aiding the men in fighting the flames.

The store and contents are a total loss, only the walls being left standing. The loss on stock will be about $6,000 or $7,000, and on the building probably $1,500. Against this there is an insurance of $3,200 on the stock. Other stores received quite a scorching, these were the post office, Milloy's dry goods store and Overland's dry goods store. The loss here will amount to only a few hundred dollars.

The cause of the fire is not known, but it is supposed to have been spontaneous combustion.

THE GAMEY CASE ENDED.

The Judges Expect to Report to Lieutenant-Governor Early in June.

HAVE SOUGHT ONLY THE TRUTH.

Toronto, May 26.—The Gamey case is at last in the hands of the commission for consideration and report, after twenty-seven days devoted to evidence and three to argument. Mr. Johnston resumed for the defence on Saturday morning, and spoke until half-past twelve, making several and a half hours altogether. Mr. Blake, who had already taken four and three-quarter hours in opening the argument, occupied another hour and three-quarters in reply.

The Chancellor brought the case to a close with the following remarks:—"Our response to this argument, well considered, forcibly presented, which will be of much use not only to us, but to the tribunal of ultimate decision, will be made later, and will appear in the form of a report, which we hope will be laid before the Chief Executive of the Province during the present session of the House, though hardly during the present month, but early next month.

Our desires and efforts have been from the outset for such a full, fair and unhampered inquiry as will satisfy every thoughtful and honest man that a fair inquest has been kept in view as the object to be attained.

The final words uttered by a great Judge at the close of a great inquiry of kindred character, the Parnell Commission, can be fittingly adapted by us: 'Conscious that throughout this great inquest we have sought only the truth, we trust we shall be guided to find it, and set it plainly in the sight of all men.'

More apt, more terse, more striking words could not be used to express this thought and aspiration, which has inspired the hope to make complete discharge of our duty under the commission with all possible expedition to the Lieutenant-Governor in Council. And now we have to declare that the further public sittings of this commission are closed."

CREWSONS CORNERS.

Victoria Day passed very quietly here, most of our citizens going to outside points. The greater number took in the picnic at Bloomsbury, which was one of the largest and most successful ever held there.

Mr. Robt. Nickell had a rather exciting runaway on Tuesday morning while returning from Rockwood. When within a mile from home the whiffletree of his democrat came unfastened, frightening his team which became unmanagable and ran away, upsetting the rig. Mr. Nickell was thrown out but fortunately alighted on his feet and was not hurt. The horses also escaped without a scratch, but the democrat was badly smashed.

Messrs. W. Y. Gray and Chas. Lambert were appointed delegates from the Methodist Church here to attend the Temperance Alliance convention in Toronto on the 28th inst.

Mr. L. Crewson, of Lather, visited friends here last week.

Mrs. Jas. Stevenson, of Lather, is visiting friends here.

We noticed the following holiday visitors with friends here.

Miss L. Gray, of Toronto, at W. Y. Gray's.

Misses L. M. Coleman and A. Fravlack, of Parkdale, at Mr. Wm. Anderson's.

Mrs. Bella Johnstone and Miss Hanson, of Toronto, at Mrs. Lasby's.

Mr. and Mrs. Chas. Havens, of Guelph, at Mr. B. Swackhamer's.

Mr. Jos. Crewson, of Guelph, at his home here.

Misses L. Lambert and A. Coleman, of Galt, at their homes here.

Mr. Will Graham, of the G. C. I., at home.

Mrs. Orr, of Erin, is visiting at Mr. W. Lamb's.

Miss M. Nickell, of Georgetown High School, at her home.

Mrs. P. Hilts, of Acton, spent Sunday at Mr. Robt. Wansborough's.

Mr. Robert McLaughlin, of Huntsville, and Miss L. McLaughlin, of Toronto, visited at Mr. W. Crewson's on Monday.

Mr. J. S. Coleman and Miss Ethel and Master Freeman, of Acton, spent Sunday at Mr. Robt. Brown's.

THE WAY TO BE WELL.

The Blood Must be Kept Rich and Pure and the Nerves Strong.

Good health is the most precious treasure any man or woman can have. But good health can only be had by keeping the blood rich and pure, and the nerves strong. If the blood is allowed to become weak and watery, the whole system is weakened and falls an easy prey to disease. There is no medicine can equal Dr. Williams' Pink Pills in keeping the blood rich and pure, and the nerves vigorous and strong. Every dose helps to create new blood, and by a fair use of the pills, pale, sickly people are made bright, active and strong. Here is proof: Mr. Robert Lee, New Westminster, B. C., says:—"Before I began using Dr. Williams' Pink Pills, my blood was in a very impure state, and as a result pimples that were very itchy, broke out all over my body. My appetite was fickle, and I was easily tired. My wife urged me to try Dr. Williams' Pink Pills, and I got half a dozen boxes. By the time I had used them I was completely restored to health, my skin was smooth and clear, and my appetite good."

Dr. Williams' Pink Pills do not purge—they simply make pure, rich blood. That is why they cure such troubles as indigestion, neuralgia, rheumatism, anæmia, partial paralysis, st. Vitus dance, scrofula, eczema and the ailments common to women, young and old. Sold by all dealers or sent post paid, at 50c a box, or six boxes for $2.50, by writing the Dr. Williams' Medicine Co., Brockville, Ont.

Briggs—He kind didn't get along with that rich girl he married, did he? Griggs—No. She went back to her family, and he went back to his creditors.

What is that which is invisible yet never out of sight? The letter "I."

ANNUAL DISTRICT MEETING.

Methodist Churches of Guelph District Present Satisfactory Statistics For the Year.

The annual meeting of Guelph District of the Methodist Church washeld in Paisley St. Church, Guelph, last Tuesday and Wednesday.

The first day was devoted to ministerial business. In the evening a public meeting was held in honor of the bicentenary of John Wesley. Addresses of an interesting character relative to the life and work of the founder of Methodism were delivered by Rev. J. Dyke, Erin, Rev. A. E. Smith, B. D., Acton, and Rev. W. H. Garnham, B. D., Rockwood. Rev. T. W. Jackson, chairman of the district, presided.

The general business was conducted on Wednesday when the laymen were present.

Rev. W. H. Garnham and Mr. Alfred Smith were appointed to audit the schedules. The schedules of receipts and expenditures were then read and approved. The increase reported in the membership of the churches on the district for the year was 31, after removals, deaths, etc., had been deducted. An increase was also reported in the missionary givings.

The following laymen were elected to the annual conference: Messrs. Jas. Mills, L.L.D., Jno. Crowe, W. F. Savage, M.D., G. B. Ryan, and F. W. Galbraith, Norfolk St., Guelph; J. B. Reynolds, B.A., C. In view of Rev. T. W. Jackson's probable removal from the bounds of the District a resolution expressive of the esteem felt for him personally by the district and of appreciation of his administration as chairman, and hope for his success was passed. It was resolved to hold the next district meeting at Elora.

PALERMO.

The annual session of the Halton District Division of the Sons of Temperance will be held in the Hornby Division Rooms on Friday, June 12th. There will be three sessions, morning, afternoon, and evening. The morning and afternoon sessions are open to members of the Order only, but the evening session will be a public entertainment, with an admission of 15c. The members of Palermo Division are sparing no pains on their part to make this a successful affair.

Pains in the Back

Are symptoms of a weak, torpid or stagnant condition of the kidneys or liver, and are a warning it is extremely hazardous to neglect, so important is a healthy action of these organs.

They are commonly attended by loss of energy, lack of courage, and sometimes by gloomy foreboding and despondency.

"I was taken ill with kidney trouble, and became so weak I could scarcely get around. I took medicine without benefit, and finally decided to try Hood's Sarsaparilla. After the first bottle I felt so much better that I continued its use, and six bottles made me a new woman. When my little girl was a baby, she could not keep anything on her stomach, and we gave her Hood's Sarsaparilla which cured her." MRS. THOMAS LEWIS, Wellesley, Ont.

Cures kidney and liver troubles, relieves the back, and builds up the whole system.

BLOOMSBURY PIC-NIC.

Large Attendance and Very Enjoyable Afternoon and Evening.

Delightful weather prevailed on Victoria Day and this contributed very largely to the enjoyment of the hundreds who made the Bloomsbury Picnic the chief item in their programme for the day. Shortly after one o'clock the crowds began to arrive, and at 5.30, when tea was served, the committee found that nearly 500 guests were in the beautiful grove—Mr. John McKinnon's, lot 25, con. 6, Nassagaweya.

Eden Mills orchestra supplied sweet music and many indulged in tripping the light fantastic. The swings were well patronized, and all athletically disposed took a lively interest in the foot races run off during the afternoon.

The members of the Committee are congratulating themselves upon the success of the fourteenth Victoria Day Bloomsbury Pic-nic.
