### POLICE COURT.

Friday, Feb. 17th,

Before the Mayor.

Peter Rice, charged yesterday with stealing a vest, found in his possession, was discharged, on proving that he had come to it by fair means.

Frederick Lipe, was arrested last night by one of the Police, while in the act of stealing a single stick of wood, and brought before the Court. He was discharged with a reprimand.

The case of assault preferred against Thos. Lee, was further postponed.

CRIMPING.

William Scott, a tall American, and Thos. Mortheresll, of this city, were charged with enticing Nelson Switzer and George Mires, to enlist in the Federal army, thereby committing a breach of the F. E. Act.

Mr. R. M. Wilkison appeared on the part of the Crown and Mr. Britton appeared for Mothersell. They were tried separately, Scott's case being taken up first. From the evidence of Nelson Switzer, it would appear that he was walking in the Market Square yesterday afternoon, and met Scott who asked him to go to the other side with him and get his $600 bounty. He consented to go, and went up to the City Hotel at Scott's request. While in the wash-room, he asked Scott for three dollars to send to his friends which Scott gave in silver. Scott told him to keep quiet and he would pay all expenses. In reply to the witness Scott, said he could get him into any branch of the service he wanted. Witness admitted calling Scott into the wash-room. It was agreed that they were to start this morning.

George Myres deposed that he saw Scott in the Union Hotel at Sydenham on Wednesday, when he was enquiring for hostlers to go to the States. He afterwards spoke to witness about going to the States, and promised him $600 if he would enlist. Witness agreed to meet him at the City Hotel the next day. Did so. Witness asked Scott for five dollars to send to his wife, which he gave him. Scott paid for witness' dinner at the Hotel. Scott was to take the $5 off witness' bounty. Scott and witness met Switzer in the Market Square, when witness told him how he had got $5 and told him to try also. Scott asked Switzer to go to the States and enlist. All went back to the Hotel, and agreed to go the next morning. Information was given to the Police by a brother of the first witness.

Scott was committed to stand his trial at the first court of competent jurisdiction.

In the case of Mothersell the evidence was very weak, and he was discharged. From the real facts of the case, we are of opinion that the witnesses were as much to blame as the prisoners.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

We did not believe in "cure-alls" until we tried AYER'S INIMITABLE PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" " " I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

" " " Then will send me two bottles more of my Plantation Bitters. My wife has been greatly benefited by their use.

" " " I have been a great sufferer from Dyspepsia, and had to abandon preaching. " " " The Plantation Bitters have cured me.

REV. J. S. CATHORN,

" " " Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

" " " I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

" " " The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

" " " The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but know what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine.
