NEWS OF LOCAL IMPORT.

Aged One Hundred and Seven Years.

Undertaker Johnston had the rare distinction last Saturday of being called to bury the remains of a resident of this county who had attained the extreme age of 107 years. This was Mrs. Mary Roseborough who resided with her daughter, Mrs. Border. Interment took place at Ebenezer Cemetery.

Baseball Match on Saturday.

An interesting match will be put up on Saturday afternoon in the park between the Maple Leafs, of Guelph, Champions Canadian League, and Acton, Champions of Halton County. An item of interest to the lovers of the game is the fact that Clark, formerly of the Acton Club, will pitch for Guelph. Game called at 3.30 o'clock.

Free Press Job Printing.

This office has a very high reputation for fine job printing. The following kind words came in letters received this week: "Work received. Lovely paper. I think you never turned out a better job for me. They are absolutely correct. Enclosed please find cheque, $6.75." D. R., Fordwich, Ont. "My stationery received O. K., and all satisfactory. Find enclosed $13.10 in payment therefor." M. C., Campbellville.

The Firemen's Excursion.

The Firemen's Excursion to Niagara Falls on Friday, 12th inst., gives a rare opportunity for enjoying an outing at one of the most beautiful seasons of the year. The trip is through a most attractive section of country, and the special train allows eight hours at Niagara Falls. The rate of $1.25 for adults and 65 cents for children is an unusually low one for a special train and the firemen will, no doubt, be accompanied by a large number of citizens and residents of the surrounding country. The firemen have arranged that the people of Limehouse, Georgetown, and Milton, may have the advantage of the trip.

XX Regiment to Go to Camp.

A militia notice has been sent out ordering the XX Regiment Lorne Rifles to Camp at Niagara on the 9th June for 12 days' instruction. All officers and twenty-one men of No 6 Company, Acton, will parade at the Armory, Acton, at 8 o'clock on the morning of the 9th June. In the meantime drilling will take place in the evenings at the drill shed. A few desirable men are wanted as recruits. The new daily ration scale authorized for the militia will make the camp much more healthful and pleasant than heretofore. Capt. Ford was here on Tuesday evening, and the prospects are good for a full complement of soldierly men.

Methodist Church Services.

Rev. A. E. Smith, B.D., left for Brantford yesterday to attend the annual conference. In his absence next Sunday, Mr. Sunderland Taylor, lately a lay preacher at Rockdale, Lancashire, England, will occupy the pulpit at the morning service. Arrangements have also been made for the evening service. On Sunday, 14th inst., Mr. T. H. Rodger, of Norfolk St. Church, Guelph, will preach morning and evening. Mr. Rodger is a preacher of ability and power, and having been for years actively engaged in Y.M.C.A. work, takes great interest in young men. He will also conduct evangelistic services on Monday and Tuesday evenings, 15th and 16th insts. If the weather is suitable these Sunday evening and week-evening services will be held on the church lawn.

A Serious Offence.

For several years the churches in town have been troubled with boys and young men breaking into the basement after socials had been held and stealing provisions, taking plates and such other dishes as contained what suited their fancy. On Monday evening during the farewell social at Knox Church, entrance was effected through a rear basement window and six young fellows about 17 years of age carried off pies, cakes, etc. But in this instance Constable Graham arrived upon the scene and collared the miscreants. They were taken before Magistrate Moore on Tuesday evening, given to understand the punishment provided by statute for such offences, and after individually promising to refrain from such conduct in the future, were dismissed.

GEORGETOWN P. M. IS MISSING.

H. B. Henderson Suddenly Disappears and Cannot be Located by His Friends.

FINANCIAL TROUBLES THE CAUSE.

Last Wednesday morning, as Post Office Inspector Henderson of Toronto arrived in Georgetown, H. B. Henderson, Postmaster, who was at the station, stepped on the Hamilton train, and has not since been seen or heard of by his friends.

Beyond a shortage of several hundred dollars in his post-office accounts it is reported that the Inspector found no irregularities. Indeed the books of the office were always neatly and correctly kept, and Henderson was regarded by the officials as a model postmaster. The shortage was at once made up by the friends of the departed postmaster and no legal proceedings are likely to issue, should he return.

The utter lack of clue as to his whereabouts is causing the greatest possible anxiety on the part of the relatives. Every possible measure has been taken to locate him, but up to the present without success. Mr. D. Henderson, M. P., his father, and Mr. C. C. Henderson, brother, proceeded from Acton to Buffalo on Sunday morning in the hope that they might find him. They advertised, employed the detective bureau, and communicated with a friend in New York, but without avail, and are at a loss to account for so complete a disappearance.

It is believed the unfortunate man's trouble arose from hazardous dealing in stocks, and that his investments had slumped to such an extent that he not only lost his own savings, but about $400 of post-office funds and various small loans from residents of Georgetown.

Becoming thoroughly despondent at these losses, and the unpleasant position he found himself in, it is said he commenced drinking heavily and as a result matters went wrong at the post-office, and the suspicions of the Inspector were aroused.

Herbert B. Henderson had been postmaster at Georgetown between seven and eight years. He is the second son of D. Henderson, M.P., and was appointed when his father had the patronage of the constituency. His wife is a daughter of Wm. McLeod, Esq.

It is sincerely hoped that news of his whereabouts will soon reach his anxious friends.

THE GEORGETOWN MINISTERIAL ASSOCIATION.

Complimentary Resolution to Rev. H. A. Macpherson Upon His Removal.

The monthly meeting of the Ministerial Association was held at Hornby in the manse of Rev. C. T. Tough, on Friday last. The paper for consideration was "The Post Apostolic Development of the Doctrine of the Atonement," prepared by Rev. R. J. Drysdale. The secretary was instructed to send the following letter to Rev. H. A. Macpherson:

MY DEAR SIR AND BROTHER—On behalf of the Georgetown Ministerial Association, allow me to tender you our sincere regrets at your severance from our membership. Being among those who are oldest in membership, you will be missed by us all, for your cordial geniality. You have won a large place in our hearts. You will be missed in debate as well as in social intercourse. We wish therefore to place on record a memorial of your membership and influence among us. Wishing you great blessing from God in your new field of labor, that you may be not only a constant and faithful sower of the good seed, but that you may also be a participator in the joy of harvest.

Yours Very Sincerely,
W. S. McALPINE.

Georgetown, June 1, 1903.

The members present were Revs. Tough, McKay, McAlpine, Potter, Wallace, Drysdale, and Rev. Mr. Craig, of Toronto who was a guest for the day. Mrs. Tough pleasantly entertained the members to dinner.

THE FREE LIBRARY BOARD

Action Taken Which Will Largely Increase the Number of Readers.

At the meeting of the Free Library Board last week the following resolution was adopted:

Moved by Rev. A. E. Smith, B. D., seconded by A. J. Mackinnon, B. A., that your committee appointed to report upon the matter of permitting additional members of families over sixteen years of age to take out membership cards, where one member of the family has already registered and purchased catalogues, having considered the matter, hereby recommend that the privilege be granted—Carried.

This resolution should have the effect of considerably increasing the list of 220 readers already enrolled.

THE AVERAGE BABY.

The average baby is a good baby—cheerful, smiling and bright. When he is cross and fretful it is because he is unwell and he is taking the only means he has to let everybody know he does not feel right. When baby is cross, restless and sleepless don't dose him with "soothing" stuffs which always contain poisons. Baby's Own Tablets are what is needed to put the little one right. Give a cross baby an occasional Tablet and see how quickly he will be transformed into a bright, smiling, cooing, happy child. He will sleep at night, and the mother will get her rest, too. You have a guarantee that Baby's Own Tablets contain not one particle of opiate or harmful drug. In all the minor ailments from birth up to ten or twelve years there is nothing to equal the Tablets. Mrs. W. B. Anderson, Goulais River, Ont., says: "My little boy was very cross and fretful and we got no rest with him until we began using Baby's Own Tablets. Since then Baby rests well and he is now a fat, healthy boy."

You can get the Tablets from any druggist, or they will be sent by mail at 25 cents a box by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

TO CURE A COLD IN ONE DAY.

Take a Laxative Bromo-Quinine Tablet. All druggists refund the money if it fails to cure. E. W. Grove's signature on each box. 25 cents.

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial.

It causes bunches in the neck, disfigures the skin, inflames the mucous membranes, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months. Ointments and medicines did no good until I began giving them Hood's Sarsaparilla. The medicine caused the sores to heal, and the children have shown no signs of scrofula since." J. W. In summer the continuous coil takes up the slack. In the winter season pays it back.

Page Woven Wire Fence

All fences slacken in warm weather and tighten in cold—except the Page Fence. Page spring coil takes up the slack in summer and holds taut in winter. No sagging in summer, no straining or breaking in winter. Common crimped wire is not spring tempered and if it slackens it stays slackened; if it tightens it loosens again worse than ever. Page wire is tempered to regulate its own tension summer and winter. 20,000 miles of Page wire fence in use now.

Carpets.
AND
Homefurnishings.

This store has always been known for the greatness of varieties, lowness of prices and goodness of qualities that are always to be had in Carpets and other Homefurnishings. Months ago we made special preparations for a greatly increased business this spring. Great purchases were made of reliable qualities in great varieties. All are now here and our showing is a most magnificent one. The results this season are even greater than we anticipated. Our sales in these sections have enormously increased. Purchasers of every class realize it is both money and time saved and thorough satisfaction secured by doing their buying at this great store.

English Brussels at 85c.

Our advantageous position as very large buyers and our willingness to be satisfied with small profits, enable us to give our customers a very satisfactory Brussels at the low price of 85c. yard. A good selection of designs in fawn, wood, green, and ordinary shades, all in floral and conventional styles. We consider this line to be quality considered, the cheapest low priced Brussels on the market.

Special at $1.00 a yard.

Tomplion's Axminsters usually sold at $1.35, our regular price $1.25. A number of single pieces of this well known make of Carpet, some with borders, in lengths suitable for fair sized rooms, good styles and well worth our regular price, but our policy is to clear our broken lines quickly, hence these on sale at $1.00 yard.

Crossley's Velvet Carpets

None so good as the Crossley Velvet Carpet and we emphasize this because there is so much that is unsatisfactory offered by irresponsible makers. The Crossley makes are confined to us solely in Hamilton, and we offer an unusually attractive range this season, Irish orientals, conventional and floral designs in crimson terra cotta, blue, green, fawn, wood and olive shades, with 5 borders and 3 stairs to match. We cannot speak too highly of this splendid make, and our price is very special.

Sold at almost every other store at $1.25 to $1.35 yard, our price is $1.20.

Re-upholstering.

We do a big business in re-covering old furniture. Only expert workmen employed, and charges are reasonable. Let us give you an estimate.

Tapestry Carpets at 50c.

We make special mention to day of a line in Tapestry, at 50c. yard. The quality is unusually good at the price, and far superior to the ordinary sort, usually sold at that figure. A very comprehensive range of designs is shown in greens, blues, red, terra cotta, wood, fawn and olive shades, and in all the newest and best styles of designs suitable for all purposes.

And a splendid stock priced as low as 40c. and others at 60c., 75c., and 90c. yard.

Specials in good Lace Curtains.

At 75c. PAIR, we show a very pretty Nottingham Lace Curtain, most excellent designs and finished with overlocked edges, worth regularly $1 and $1.10 pair.
