Marine, Local Items, &c.

SATURDAY MORNING, FEB. 25, 1865.

OPENING OF NAVIGATION.—The necessary repairs, painting, &c., will be completed so as to enable the steamer Rochester to commence her trips from Cobourg to Rochester, about the 20th of March.

GRAIN BLOCKADE.—The Dubuque Times complains of the want of facilities for transportation east of an immense quantity of grain accumulated there and on the line of the Southwestern and Dubuque and Sioux City Railroads, awaiting shipment for want of cars on the Illinois Central. At various stations along the line of the above roads, it says, there is an aggregate of 866,000 bushels of grain. In Dubuque, also, the elevator and warehouses attached, holding about 300,000 bushels, are full, and all the grain warehouses in the city are in the same state. In all, there cannot be less than 1,500,000 bushels of grain blockaded at the above mentioned points.

IMMIGRATION OF CONFEDERATE COTTON PLANTERS TO THE RIO PLATA.—Owing to the war in the United States, several wealthy Southern Planters purpose settling in this country; some have already arrived, and others are now on their way. One gentleman from South Carolina has written to his friends here, stating that they may expect him in a few months; he brings with him a capital of 250,000 patacons. All these parties intend to locate in Santa Fe. In a few years time the lands in that province will be worth as much, if not more, than those of Buenos Ayres.—[Brazil and River Plate Mail.

We did not believe in "cure-alls" until we tried AYER'S INIMITABLE PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine

LADIES! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford great relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid, have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is gnawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.
