A LETTER FROM CAPTAIN BEALL,

(Richmond Sentinel, Feb. 23.)

The following letter, received by flag of truce, will show the spirit of the above gallant young Confederate soldier, who lies under sentence of death in a Northern prison, of which notice has been lately published. The sentiments he expresses in this farewell to his brother are such as will inspire a universal respect and sympathy.—To an nobleness of manliness as to his own fate, he exhibits a thoughtfulness for captive foes that is sublime, even in so trying an hour, lest the severity denounced against him might be retorted by his outraged kindred. To hang such a man, on such a charge as that under which he has been convicted, would be an enormity which we will not credit in advance even of such enemies as ours.

FORT LAFAYETTE, Feb. 14, 1865.

DEAR WILL—Ere this reaches you, you will most probably have heard of my death through the newspapers. That I was tried by a military commission and hung by the enemy; and hung I assert, unjustly. It is both useless and wrong to repine over the past. Hanging, it was asserted, was ignominious; but crime only can make dishonor. Vengeance is mine, saith the Lord, and I will repay; the e are, so not show unkindness to prisoners. They are helpless.

Remember me kindly to my friends.—Say to them that I am not aware of committing any crime against society. I die for my country.

No thirst for blood or loire animated me in my course; for I had refused when solicited to engage in enterprises, which I deemed destructive, but illegitimate; and but a few months ago I had but to have spoken, and I would have been red with the blood and rich with the plunder of the foe. But my hands are clear of blood, unless it be spilt in conflict, and not a cent enriches my pocket. Should you be spared through this strife, stay with my mother and be a comfort to her old age. Endure the hardships of the campaign as a man. In my trunk and box you can get plenty of clothes. Give my love to mother, the girls, too. May God bless you all, now and evermore, is my prayer and wish for you.

JOHN Y. BEALL.

*** The wanton execution of this gallant soldier was as foul a murder as ever disgraced a nation. It has been left for America to give Europe lessons in brutal cruelty. Russia is a land of mercy compared with the United States.

FIRE IN SIMCOE.—Simcoe, March 4.—About eleven o'clock last night, Nevill's Hotel and stables were destroyed by fire. Four horses were burnt to death. The building was owned by J. W. Ritchie and insured for $1,000 in the Royal, and $400 in the Gore Mutual. Mr Nevill's loss is estimated at about $2 500; no insurance. The fire originated in the hay loft and is supposed to be the work of an incendiary.

FIGHTING IN FLORIDA.

BLOCKADE RUNNING AT GALVESTON.

New York, March 3.

A special despatch to the Columbia Enquirer, dated Marianna, Florida, Feb. 11, informs that journal that Capt. Dickinson has captured 85 prisoners, also 10 waggons 60 horses, one ambulance, a quantity of arms, &c. The enemy lost in killed 5, including the adjutant, and 4 wounded, including their colonel. No one of Dickinson's company was lost.

Gen. B. J. Hill having been authorised to raise a brigade of mounted men in North Alabama, will make his headquarters alternately at Rome, Georgia, and Gudaden, Alabama. Gen. Beauregard has authorized Gen. Hill to proclaim an amnesty and pardon all men improperly absent from their commands who may join his brigade.

Blockade running between Galveston and the West Indies is carried on very successfully, perhaps rivalling in this respect the ports of Wilmington and Charleston. Quite a number of steamers have run in and out of Galveston Harbor during the last fortnight.

The expedition fitting out at New Orleans is believed, by high authority in the trans-Mississippi Department to be intended for Galveston, and not Mobile.

The message of Governor Allen, of Louisiana, urges the placing of 200,000 negroes in the army as pioneers, waggoners, &c.

LATER.

CAPTURE OF CHARLOTTESBURG BY SHERIDAN.

CAPTURE OF GEN. EARLY.

Fort Monroe, March 3.—The steamers Glaucis and Neptune arrived here this afternoon from Smithville, N.C. They sailed from Smithville on the 1st inst. at 1 o'clock, a.m., and shortly before they left, the steamer Gen. Meigs arrived from Wilmington, N.C., bringing the report that was generally credited by army and navy officers stationed at Smithville, that a portion of Sherman's army had arrived at, and was marching through Wilmington, N. C., from which it is conjectured a conjunction with Terry's army has been effected.

New Orleans, Feb. 25.—The Times of to-day is informed that the assigned reasons of the Emperor Maximilian for delivering passports to the American consul at Matamoras, is the non-recognition of the French Austrian authorities in Mexico by the government of the United States.

The Times also says:—It is reported that Gens. Caravajal and Cortinas are marching on Matamoras, where Gen. Myra, with 4000 Imperial troops, await their attack.—Gen. Hurlbut has ordered that no permits for vessels or merchandize be granted for Matamoras until farther orders.

War Department, Washington, March 5. General Dix: The following despatches in relation to the reported defeat of General D. Early by Sheridan, and the capture of Charlottesville, has been received by this department. Gen. Sheridan and his force commenced their movement last Monday, and were at Taunton when last heard from. Major Gen. Hancock was placed in charge of the middle military division during the absence of Gen. Sheridan's headquarters at Winchester signal station.

City Point, Va., March 5—11 a. m.—Hon. E. M. Stanton:—Deserters in this morning report that Sheridan had routed Early and captured Charlottesville. They report four regiments having gone from Richmond to reinforce Early.

U. S. GRANT.

City Point, Va., March 5—9 p.m.—Hon. E. M. Stanton—Deserters from the enemy confirm the report of the capture of Charlottesville by Sheridan. They say he captured Gen. Early and nearly his entire force, consisting of 1,800 men. Four brigades were reported as sent to Lynchburgh to get there before Gen. Sheridan, if possible.

U. S. GRANT.

City Point, Va., March 5.—Hon. E. M. Stanton:—Refugees confirm the statement of deserters as to the capture of Early and nearly his entire force. They say it took place on Thursday last between Staunton and Charlottesville and that the defeat was fatal.

U. S. GRANT.

Philadelphia, March 6.—The U.S. transport Massachusetts has arrived. She reports our naval forces captured Fort White, a splendid establishment mounting 17 heavy guns just below Georgetown, S.C. The sailors and marines then landed and took possession of Georgetown. The rebel cavalry made a charge on them in the street, but were gallantly repulsed with a loss of several killed, wounded and prisoners. Our loss was one man from the United States tug boat Catapsco.

Admiral Dahlgren's flag-ship the Harvest Moon, on her way down, was sunk by a torpedo. All hands were saved excepting the wardroom steward.

St. Louis, March 5.—The New Orleans' Bee of the 26th ult., publishes a private letter from Matamoras, dated Jan. 30, stating that up to that time the Mexican and Confederate authorities have been simply polite and friendly.

Gen. A. J. Smith's 16th army corps is encamped just outside of New Orleans.

Cairo, March 5.—A large number of refugees continue to arrive here from various points. Two hundred from Arkansas reached here last night in a very destitute condition.

Fortress Monroe, March 4.—Mayor Grant has received a despatch from Governor Fenton stating that the War Department at Washington has received information from Halifax that rebels in the Provinces are contemplating a raid on Oswego. A public meeting is to be held in this city this evening to take such action in the matter as may be necessary.

Oswego, March 6.

A meeting of the citizens was held at the Board of Trade for the purpose of adopting measures for the defence of the city, in view of the anticipated raid by rebels and their sympathizers, now concentrating at Halifax.—Mayor Grant presided, and the meeting was addressed by some of our most influential men. The Mayor stated that he had called upon the commandant at Fort Ontario, and that sufficient forces would be detailed to patrol the streets all night. A commissioner was appointed to select and appoint detectives to watch the strangers now in town, and such as may arrive, until some further action could be taken in the matter. The recent draft has added to the influx of strangers, many of whom are said to be bounty-jumpers from New York.

RELEASE FROM CUSTODY.—The Sheriff last week received an order from the Executive to release Kate Chesney, convicted of keeping a disorderly house, and sentenced to six months' imprisonment in the common gaol, in addition to a fine of seventy five dollars. She was released on Saturday after undergoing over four months of the imprisonment. The fine was also remitted by order of the Executive. Her mother, convicted at the same time, underwent her sentence, and was released two months since.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

IMPORTANT TO FEMALES,

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford great relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now; it has stopped his cough and made his breathing easy; his sleep is sound at night; his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

We did not believe in "cure-alls" until we tried AYER'S inimitable PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—Logan (O.) Press.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces yan shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts unbeliable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine. Sold by all Medicine Dealers.
