MARRIED.

WEST—BROWNRIDGE—On Wednesday, July 8, 1903, at the residence of the bride's mother, 291 St. Vincent street, by the Rev. Joseph Unsworth, Hamilton, assisted by the Rev. T. R. Hyde, Toronto, Mr. Franklin E. West to Miss Mary Maud Brownridge, both of Toronto.

DIED.

LYMAN—At 101 Gould Street, Toronto, on Sunday, 12th July, 1903, Luther Lyman, aged 86 years.

The Acton Free Press

THURSDAY, JULY 16, 1903.

EDITORIAL NOTES.

The Imperial Privy Council on Monday declared the Ontario Lord's Day act ultra vires of the Provincial Legislature. The Lord's Day Alliance have been seeking to have it declared that the act applies to corporations incorporated by Dominion legislation, and which carried the case to the Privy Council on this latter point, not expecting the above result. A cablegram received at the office of the Alliance explained that the ground of the decision was the same as had been taken by the late Judge Armour, who as Chief Justice of Ontario had held that as the act dealt with religious matters, infractions of it were criminal, and came within the exclusive jurisdiction given the Dominion Government by the British North America act. The cablegram stated that the general question of Provincial jurisdiction was still open.

If the Committee on Streets and Walks of the present year's Council persists in its course, of putting in sewers and charging the cost to the general funds of the municipality, they will very soon dissipate the fond hopes Acton has entertained of having all the wooden sidewalks in town gradually replaced by permanent pavements laid on the frontage tax system. It was stated at the Council meeting on Monday evening that the same statute and by-law which gives power to lay permanent pavement on the local improvement basis also gives power to construct sewers and charge the cost to the properties benefitted. If this is the case it will be very difficult to convince the ratepayers generally of this municipality that it is fair and equitable to put down a sewer at considerable cost, which at most will benefit twenty-two properties, and pay the entire cost out of the general funds of the corporation, when the whole cost of the permanent pavements, which benefit our 1,600 citizens, and the general public as well, is laid upon the private properties adjacent to said pavements. If the sewer question is to be treated as present operations indicate there will certainly be a rebellion on the part of the ratepayers who are burdened with the cost of the permanent pavements.

HON. A. G. BLAIR RESIGNS.

The Minister of Railways Out of Sympathy With His Colleagues on the G. T. R. Policy.

Ottawa, July 14.—The Minister of Railways has sent in his resignation to the Prime Minister. When the report was brought to the Prime Minister's attention he refused to say a word in regard to it. Hon. Mr. Blair was just as reticent, and politely but firmly declined to open his mouth on the subject.

The action of Mr. Blair is apparently connected with the Government's decision to build another Government line from Moncton to Quebec. He seemingly takes the view that such a policy will not be beneficial to the Intercolonial, which it has been his special pride and ambition to build up and extend. Being out of harmony with the majority of his colleagues, Mr. Blair doubtless felt there was only one course open to him.

The Premier will in all likelihood announce the policy of the Government on the Grand Trunk Pacific project at the end of the present week or the beginning of the next.

Mr. Blair entered the Laurier Administration as Minister of Railways and Canals at its formation in July, 1896. As Minister of Railways he had charge of the extension of the Intercolonial from Levis to Montreal, which was approved by Parliament in '98, bringing the terminus to a shipping centre, instead of leaving it in "a ploughed field." Under his management of the railway the heavy yearly deficits of his predecessors have given way to a satisfactory surplus, while the service of the line has been vastly improved, until the service and equipment will now compare favorably with that of any other line on the continent.

CHURCHILL.

The annual garden party on Tuesday evening was as usual gratifyingly successful. A bountiful tea was spread in the sheds adjoining the church and the programme was given in the church. About nine o'clock, the church being then filled to the doors, Rev. Mr. Drysdale, the pastor, requested Mr. H. P. Moore to take the chair. The programme was diversified and comprised over twenty numbers. These included music by Georgetown Congregational Choir, Knox Church Quartette, solos by Mr. Frank Barber, A. T. C. M., and Rev. Mr. Dick, and a duett by Mrs. John R. Barber and Mr. Frank Barber. Each number was well rendered and received with applause. The Misses Mason rendered cornet and organ duetts, which called forth applause. Miss Gertie Swackhamer, daughter of Acton's Reeve, gave a recitation, and Miss Clara E. Moore and Rev. A. E. Smith gave readings which were listened to with manifest interest. Brief, but very pointed and elevating addresses were delivered by Revs. W. H. Garnham, B. D., Rockwood; D. Dick, Acton; W. S. McAlpine, B. D., Georgetown, and the pastor of the church. The entire proceedings were not only enjoyable but were of a tone which could not but inspire those present with desires to live in a helpful, brotherly, Christlike spirit.

The Indian millionaire talks in money syllables.

It's always something to know you have done the most you could.

THE BATTLE OF THE BOYNE.

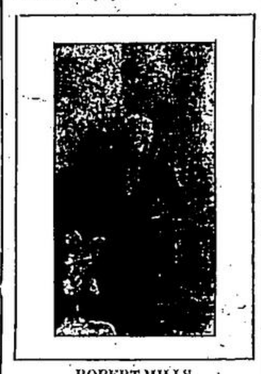
The Glorious Twelfth Celebration by Halton Orangemen at Georgetown.

ACTON'S CENTENARIAN ORANGEMAN.

The two hundred and thirteenth anniversary of the Battle of the Boyne was celebrated in loyal style on Monday at Georgetown by the Orangemen of the County. The town was en fete from an early hour, with gaily decorated buildings, flags, bunting and arches. By noon the Orangemen and their friends had arrived by every mode of conveyance, and from all directions and all parts of the county. Shortly after noon the grand procession was formed and marched through the town. At the conclusion of the procession the brethren assembled at the park, where addresses were delivered by prominent and distinguished brethren and a number of clergymen.

The parade was accompanied by Acton, Bronte, Glenwilliams and Georgetown Bands, and party tunes and loyal airs were to be heard in all directions during the day.

The base ball match between Oakville and Acton was not a very creditable exhibition of the popular game. Only five innings were played and these were characterized by numerous disputes. The score was 9 to 3 in Acton's favor and Acton brought home the silver trophy.



ROBERT MILLS
AGED ONE HUNDRED YEARS.

Acton Lodge turned out in good strength, marshalled by W. Bro. Jas. Hall, and led by Acton Cornet Band. At the head of the procession the province's oldest orangeman, Mr. Robt. Mills, whose portrait we publish above, was driven by ex-Reeve Williams behind one of his white chargers. Mr. Mills, is a native of County Down, Ireland, and was born in December, 1802, having celebrated his 100th birthday last Christmas. He was made an Orangeman at Belfast when a young man of eighteen, and has consequently been a member nearly eighty-three years. Mr. Mills came to Canada fifty-eighty years ago, resided for some time in Quebec and was married there on the 4th July, 1834, to Jane Ann Annis, daughter of the late Customs House officer Annis, of that city. Many years ago he settled in Garafraxa where he led a very active life as a farmer. Mr. Mills came to Acton some seventeen years ago.

SPEYSIDE.

The splendid success of the annual garden party at Speyside last Friday evening gives ample evidence of what a united and energetic committee can accomplish when they have "A mind to work." Good weather favored the occasion, and the crowds which assembled from all over the township and beyond its borders, almost overwhelmed the management of the excellently arranged affair. Willow Brook Farm, the home of Mr. Henry Sayers, looked its prettiest and the welcome extended was certainly hearty to all. An evidence of the extent of the attendance may be judged when it is stated the receipts aggregated $216.

The programme was thoroughly enjoyable and so liberal was its numbers that it required until eleven o'clock to complete the list of selections provided by the galaxy of entertainers on the platform. Rev. A. Blair, B. A., of Nassagaweya, in the absence of D. Henderson, M.P., occupied the chair very acceptably. Of course Mr. Jas. Fax, Canada's great humorist, was the evening's star. His numbers were full of merit and he received vociferous applause and recall. Miss Rosy Cuack, Acton Quartette—Misses McClure and Graham and Messrs. Devitt and Mann, Highland piper James Ross, Roy. A. E. Smith, B. D., Rev. W. S. McAlpine, B. A., and Revs. Perrin, Gillespie and Smith, all made interesting contributions to the programme. The numerous selections by Acton Cornet Band and Acton Orchestra were also appreciated. The unavoidable absence of Rev. H. A. Macpherson, the father of the Mission, was a general disappointment.

The success of this event renders the carrying out of the proposed improvements and enlargement of the mission hall a certainty, and this work will shortly be commenced.

Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out."
Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

PRESERVING THE LORD'S DAY.

Instructive Addresses by Rev. T. Albert Moore, General Secretary of the Lord's Day Alliance.

VALUABLE WORK BEING ACCOMPLISHED.

A company of interested citizens assembled in the Baptist Church last Thursday evening to listen to an address on the importance of organized effort for the preservation of the Lord's Day from the encroachments of greedy corporations and individuals, not satisfied with six days in which to labor, and of those bent on worldly pleasure on the day specially set apart for the worship of God. Rev. T. Albert Moore, General Secretary of the Provincial Alliance, Toronto, was the speaker of the evening. The chair was taken at eight o'clock by Mr. John Cameron, J. P., president of the local branch, and Revs. A. E. Smith, B. D., D. Dick and J. G. Browne, B. A., occupied seats on the platform.

In opening his very impressive address, Rev. Mr. Moore expressed pleasure that he had the opportunity of visiting his native town so early after assuming the duties of his new position. When it is understood, he said, that 175,000 men are at work in Canada every Sunday, the importance of making organized efforts for the preservation of the Lord's Day, will be realized. Vivid comparison of the quiet, peaceful Sabbath of thirty years ago, with that of to-day with its Sunday trains, pleasure excursions, and other forms of desecration, were made. The influence is reaching to all parts of Canada, and people to-day are doing things on the Sabbath they would have scorned to do a decade or so ago.

One reason for this decadence was alleged to be the incoming of foreign capital and foreign population to this country. Canada has but recently been discovered by the outside world. Our minerals, farm lands, forests, lakes, sites for manufactories, sources for power &c., have attracted great industrial concerns. The management of these in many cases care only for the dividends they may earn, and they force their employees to work on the Lord's Day.

Some may say this agitation may be very necessary for the cities, but the question is not of vital interest in in the country! It was shown that the quiet Sabbath of the country was being encroached in many ways. At any rate as fellow-citizens of this country we love, and as members of the great brotherhood of Christ, we all have an interest in the matter. The craze to get rich is affecting the Lord's Day as well as other moral issues. Are we as moral as we were in the years of the past? Is our claim as a Christian nation as good as it once was, or as it should be? Seeking for gold and seeking for pleasure have changed the day in many places.

Vivid reference was made to the evils of Sunday visiting, Sunday dinner parties, the Saturday night millinery and dressmaking orders and various other matters thoughtlessly entered into by people who do not think of the wrongs associated with their acts.

The speaker rejoiced that the church courts of all communions are endorsing the work of the Alliance, but earnest activity and even better and more united work are necessary.

The labor organizations are a unit in demanding a well-observed day of rest, and they have their special committees appointed to enforce the law relating to Sabbath observance.

The laws of the land say there shall be no week-day work performed on the Lord's Day, except in cases of necessity and mercy. No places are allowed legally to sell cigars, cigarettes or confectionery; photograph galleries, dental rooms, and ice cream parlors are all prohibited from doing business on Sunday, and fines are provided for those who buy as well as those who sell.

Just here the speaker interjected the advice that those who are accustomed to buy newspapers and cigarettes from the news-dealers on the trains at the G. T. R. station on Sundays had better be careful or they will find themselves in a place they do not care to occupy, as the Lord's Day Alliance has taken the matter up and intends to stop the evil, as they have done in other places.

In a conclusion, strong appeal was made to all lovers of the Lord's Day to gather together the forces of the church and the labor organizations in order to create an organized force of power to combat the existing evil. Already there are 400 organized branches and 20,000 members who are speaking with no uncertain sound in cases where infraction of the Lord's Day Act are taking place.

Brief addresses followed by Revs. Brown, Smith and Dick in which they concurred heartily with the address of Rev. Mr. Moore and the work of the Lord's Day Alliance, and appealed to the Christian people to co-operate in order to keep out all intrusion of week-day work and pleasures on the Lord's Day. A cordial vote of thanks was tendered Mr. Moore for his able address; congratulations upon his appointment to the important office being included. A number of new members were enrolled, and Acton Branch now comprises about forty members.

CHURCHILL.

The anniversary services at Churchill on Sunday and Tuesday evening were interesting, helpful and successful. The sermons by Rev. W. S. McAlpine on Sunday morning and evening were appropriate to the occasion and thoroughly enjoyed. The morning discourse was based on Rom. 12: 11, "Fervent in Spirit, serving the Lord," the topic being "Spiritual Temperature." In the evening Mr. McAlpine preached from Jer 2: 13—"They have forsaken Me, the fountain of living waters, and hewed them out cisterns, broken cisterns," in which there was tender exhortation against forsaking God.

He who wishes to be successful or happy fought to be enthusiastical; that is to say, every keen in all the occupations or diversions of life.—Johnson.

THE NEW G. T. R. STATION.

The Council Endorses the Petition of the Citizens and Forwards it to the Railway Authorities.

TWO CITIZENS WANT STREET LAMPS.

Council met on Monday evening in regular session. Members present: H. Swackhamer, G. Hynds, R. Holmes, and James Brown.

The Committee on Finance presented their twelfth report and recommended payment of accounts as follows:

Grand Trunk Railway, freight on sewer pipes	$13 50
Canadian General Electric Co., supplies	15 00
Acton Free Press, printing and advertising	30 00
	$58 70

The report was adopted.

Ex-Councillor W. H. Denny and H. P. Moore waited on the council and presented the petition of one hundred and seventeen business men and citizens praying the Grand Trunk Railway authorities to build a new station in Acton, and requested that the Council endorse the petition and forward it to the proper authorities.

Moved by George Hynds, seconded by James Brown, that the Reeve and Clerk be hereby instructed to sign on behalf of the Council of this municipality the petition of the business men and citizens to the Grand Trunk Railway officials for the erection of a new station; the Council as a whole, would at the same time heartily endorse the said petition, and trust that the G. T. R. officials will take prompt action in the matter.—Carried.

Messrs. Hugh Wallace and George Campbell waited upon the Council to request that electric lamps be erected on Main and Brock streets opposite their properties.

The Council replied that the matter was under consideration and if feasible the requests would be granted.

One of the councillors asked what the sewer pipe was distributed on Main Street for.

The Chairman of the Streets and Walks Committee replied that it was the intention to put in a sewer to accommodate the citizens whose cellars require draining.

Councillor Hynds demurred and stated that all permanent drains should be put down on the frontage tax system, as provided by by-law.

Council adjourned shortly after nine o'clock.

SUCCESSFUL PUPILS.

Passed the High School Entrance Examinations at Acton.

Below is given the result of the examinations for entrance to High Schools recently held in Acton. Of twenty-five candidates who presented themselves, sixteen were successful. The total number of marks obtainable was 1,100. The names are given in order of merit with the number of marks obtained:

Myrtle Sopor	710
Vincent Goodeve	695
Una Kenney	693
Charles Matthews	690
Duncan Sharp	686
Colena Nickoll	612
Edwin Maddock	639
Maurice Near	631
Gertrude Agnew	618
Ray Watson	602
William Plant	589
Alfred Storey	578
Katie Coulson	573
Pearl Somerville	560
Myrtle Dills	552
Ethel Watson	558

WEAK AND FAINTING.

THE SAD PLIGHT OF ANAEMIC PEOPLE.

They Have Headaches and Backaches—Are Languid and Unable to Stand Exertion.

(From the Sun, Orangeville, Ont.)

You can always tell anaemic men and women. They are pale, weak and languid. They have headaches and backaches. They can't eat and they can't digest what little they do eat. And it all comes from poor blood and unstrung nerves. Banish anaemia at once by enriching your blood and toning up your nerves with Dr. Williams' Pink Pills. Thousands of grateful women have said that these pills have restored them after all other means tried had failed. Mrs. Jordas McIlroy, of Orangeville, Ont., was a great sufferer for several years, and spent much money looking for a cure. To a reporter of the Sun Mrs. McIlroy said: "Several years ago my health gave out completely. I was so weak that I could not do my housework. If I went upstairs my heart would palpitate violently, and sometimes I would faint away through weakness. My nerves were unstrung, and I suffered much from dizziness. I tried many remedies, but they did not help me. Then I was advised to try Dr. Williams' Pink Pills and decided to do so. I am glad I did, for the pills soon built me up and made me a well woman. My health remained good until last spring when I was again taken with weakness. I then knew by experience the value of Dr. Williams' Pink Pills and once got a supply. The result was as beneficial as before and I can conscientiously say the pills have done me untold good. I am grateful for this, and hope my experience will benefit some other sufferer."

Dr. Williams' Pink Pills have cured more sickly, pale-faced girls and women than any other medicine ever discovered, for they supply new, rich, red blood, and so strengthen every part of the body. They are equally suitable for men, women and children, and cure not only anaemia, but decline, consumption, indigestion, rheumatism, St. Vitus' dance and the special ailments which all women dread. These pills can be had through any druggist, or will be sent post paid at 50c. a box or six boxes for $2.50 by writing direct to the Dr. Williams Medicine Co., Brockville, Ont. Look for the full name on every box, so that no worthless substitute may be palmed off on you.

No, Madeline, dear; the wife of a governor is not necessarily a governess.

Girls who are silent as poets are good ones to hitch to.

DR. HARTE'S CELERY-IRON PILLS.

The Remedy we Positively Guarantee will Cure You or Your Money Refunded.

There has never been a remedy offered to the public with such an honest guarantee of cure behind it as Dr. Harte's Celery Iron Pills. This remedy is the best treatment in the world for such troubles as Anaemia, Chlorosis or Green Sickness, Pale and Sallow Complexion, Nervousness, Sleeplessness, Brain Fag, Impaired Memory, Loss of Appetite, Dyspepsia, Nerve Exhaustion, Nervous Headaches, Hysteria, St. Vitus Dance, Female Weakness, Pimples and Eruptions, Heart Palpitation, Shortness of Breath, Dizziness and Faintness, General Weakness and Debility.

It is a great boon to weak, worn-out run-down men and women, giving them that vigorous health that makes life worth living.

There is nothing better for pale, bloodless, hollow-eyed girls to make them rosy-cheeked and full of bounding health.

If you are anxious to try Dr. Harte's Celery-Iron Pills, we will sell you 6 boxes for $2.50 with the understanding and with the guarantee that if you feel you are not deriving benefit from the use of the Pills, after taking three boxes according to directions, you may return the 3 empty boxes, together with the 3 unopened ones, and have your money refunded.

By the single box the Pills are 50c.

INCOME OF THE FAMILY CUT OFF.

Appeal from Friends on Behalf of a Poor Consumptive.

The following letter from an eastern town, addressed to the Secretary of the National Sanitarium Association, Toronto, explains itself:—"What steps require to be taken to place a consumptive patient in the Free Consumption Hospital? We have a poor man here who has consumption. He has a wife and family of five children. He has been sick and off work for four months already. The only source of income of the family has been cut off. I think the father would be better if he had the proper care, but here in the midst of his family it is impossible to give him proper treatment. If we can place him in the Consumption Hospital for care and treatment, then the people here can manage to look after the family until he is restored to health. He is able to go around, but is very weak."

We publish this letter to illustrate how great is the need for the Free Hospital for Poor Consumptives, established by the National Sanitarium Association at Muskoka. Just one year ago the first patient—a woman from Napanee—was admitted into the hospital, and since then 183 patients have found a home within its walls. A great number of them are wholly unable to pay anything towards their maintenance, whilst the average from those who pay is less than one-half the cost of maintenance.

There is no endowment, and the Trustees depend solely in the making up of the large deficit each month on the contributions of kind friends. With the increasing numbers seeking admission to the hospital, should the subscriptions continue to run short, as they have been doing for the past three months, the Trustees will have no recourse open to them but to close some of the wards.

Sir Wm. R. Meredith, Kt., Vice-President of the Association, and Mr. W. J. Gage, Chairman of the Executive Committee, will receive subscriptions for this much needed work.

The egotist is always the other fellow.

Most men would rather fight than eat their own words.
