EDITORIAL NOTES.

The Halifax Chronicle, referring to the reported alliance of Sir William Whiteway and ex-Judge Morrison of Newfoundland to promote union with Canada, says that if they can bring that colony into the British North America federation they will do much for their own people as well as for the Empire. "There is no good reason," it says, "why Newfoundland should hold aloof. It has much to gain and nothing to lose by joining the Dominion. Its people are identical with ours. Its interests do not clash in any way. It would have no sacrifices of any kind to make. Its institutions would not be affected. Its taxation would decrease. Its prestige would be greatly enhanced. It would have the satisfaction of knowing that it was doing much to promote British oneness and strength. We can assure the people of Newfoundland from our own experience of Confederation that they would never have cause to regret joining us.

The town of Newmarket, whose municipal ownership of the electric lighting plant dates a year previous to that of Acton, has had an experience similar to our own in the abuses by users of electric current who are on the flat rate. The Era reports that at the meeting of the Council last week the Light Committee presented a report recommending an increase in the flat rates for electric lighting, the new schedule to come into force on the 1st of January. The Council decided that the town should own all the meters and charge a 10 per cent. rental. The Era adds: "The Council is moving in the right direction. The sooner that meters are provided for everybody, and each consumer pays for the current he uses, there will be less grumbling all over town." Acton's Light Committee moved upon similar lines more than a year ago, but for some reason the recommendations of the Committee's report were never put into effect. With the Era we say that the sooner such steps are taken the sooner will the grumbling cease and all current used be paid for on an equitable basis.

A copy of bulletin No. 15, entitled "Bill No. 200, Reprinted as Amended: An Act Respecting the Inspection and Sale of Seeds with Explanations and Comments" has been received. This pamphlet is issued for general distribution for the purpose of serving as a notice to the interested public, and also to provide means for closer study of the Bill in its relations to the operations of seed producers, seed merchants and seed consumers. The Bill as amended by the Committee of the Whole during the recent session of Parliament, provides that seeds of cereals, grasses, clovers or forage plants which contain the seeds of certain noxious weeds named in the Bill, will be prohibited from sale. It further provides for uniform methods of grading, according to fixed standards of purity and vitality, the Timothy, Alsike, and Red Clover seeds offered for sale in Canada. A copy of the pamphlet may be had free on application to the Seed Division, Branch of the Commissioner of Agriculture and Dairying, Ottawa. Letters addressed as above do not require postage.

WOMEN'S INTEREST IN MISSIONS

An Interesting Gathering, Encouraging Reports and Inspiring Addresses

IN KNOX CHURCH LAST WEEK.

(Continued from Page 1).

The address of Mrs. Horne, President, was one full of sympathy and encouragement. Though the time since last annual meeting was shorter than usual, the result in many cases not only equals but exceeds former years, thus indicating greater activity and earnestness in the work. Interesting facts were given as to the past and present work and workers of the society. Then followed particular reference to its members, prayers and Mission Band leaders.

The increase in numbers is not very encouraging. That must be brought about by the individual efforts of the present members, by faithful determination and prayerful looking to God for direction. Prayer is one of our greatest forces. We do lack in willingness to lead in prayer. Why is it? Christ's kingdom is not of this world—it is spiritual. Prayer is needed to continue his work. We lack blessings because we fail to pray for them. Seek earnestly to overcome that spirit of selfishness. Prayer has accomplished much in the past and what God has done he is ready to do to-day. In the coming year let us strive to be more willing to do our share in this work.

Then as to our Mission Bands. It is the duty of our auxiliary to help and encourage. Leaders are so difficult to get for them; but though there are difficulties and discouragements constantly met with, still if the work is neglected the loss is irreparable. The bands rely upon the auxiliary as a child on its mother. So must they be supported, influenced and assisted. Prayer here too avails as in all else. We need leaders for our bands. Let us fulfil the conditions, come to God humbly, believing and with definiteness and expectancy. God, who is faithful, will surely hear and answer. Then will our bands grow and not drop out for lack of leaders.

The session closed with prayer by Mrs. McVicar, Fergus.

The church was well filled at the evening meeting, when music was provided by the choir and addresses were delivered by Revs. Blair, McVicar and Wilson.

Mr. Blair, as chairman, spoke a few words appropriate to the occasion and introduced Mr. McVicar, who as the Presbytery representative brought hearty greetings from that body and suggested that one of the able ladies attend next Presbytery meeting and report the proceedings there, or, as an alternative, that a written report be sent.

Rev. Mr. Wilson gave a most impressive address on "Why we should interest ourselves in Missions." He showed that the effort of working and giving for missions had a most valuable influence on the home church. He commended the courage and fidelity of the women. Missionary interest would give them a resemblance to Christ himself, the greatest missionary. The appeal of heathendom was ringing in their ears, and they could not divest themselves of their responsibility to Christ and to their perishing fellowmen.

Friday was a business day. The morning session opened with devotional exercises, conducted by Mrs. Hall, of Rockwood, who gave a thoughtful Bible reading on "The leadings of the Spirit."

The minutes of the previous sessions were read by the Secretary.

Then followed the reading of the reports of the various Auxiliaries and Mission Bands.

Mrs. Rose, Mrs. Blair and Mrs. Cavers were appointed a committee on resolutions.

The Nominating Committee brought in their report. Few names for officers for the ensuing year were submitted to them, but the following were suggested by them, voted on by the meeting as a whole, declared elected: Pres., Mrs. Hart, Guelph; 1st Vice-Pres., Mrs. McVicar, Fergus; 2nd Vice-Pres., Mrs. McLean, Guelph; 3rd Vice-Pres., Mrs. Robertson, Puslinch; 4th Vice-Pres., Mrs. Rose, Elora; Secretary, Miss Kerr, Galt; Treasurer, Miss H. Cant, Galt; Rec. Secretary, Mrs. Cavers, Galt; Supply Secretary, Mrs. Goodwin, Galt; "Tidings" Secretary, Miss McLennan, of Guelph.

The following ladies were then elected as the Nominating Committee for the coming year: Mrs. Mullin, Fergus; Mrs. Horne, Elora; Mrs. Goldie, Guelph; Mrs. Watt, Guelph; Mrs. McCrea, Guelph.

The question as to the time of holding the next annual meeting was discussed. It was finally decided that later in the month of November would enable the auxiliaries to have their thank-offering and annual meetings without clashing or undue haste, and to prepare their reports for the Presbyterial meeting.

Mrs. Goodwin, on behalf of the Galt auxiliaries, invited the ladies to meet in Central Church, Galt, next year, and her invitation was accepted.

The afternoon session opened at 2 o'clock with prayer and singing of hymn 231.

The minutes of the morning session were read and approved.

The Resolution Committee then brought in the following resolutions:

1. That this Presbyterial has heard with much sorrow of the sudden promotion of our loved and valued Home Secretary, Mrs. Grant, and, realizing something of the great loss sustained by the Board of Managers from her death, extend to them our heartfelt sympathy and also to the sorrowing relatives, with a prayer that our Heavenly Father may comfort them in their bereavement; and we also pray for his guidance in the choice of her successor.

2. That the Secretary be instructed to write letters of sympathy to Mrs. Menzies, Mr. Harcourt, Miss McIntosh and Miss Dow, who all have suffered bereavement within the last few months.

3. That we thank most heartily the citizens of Acton for their cordial welcome and kindly hospitality, the pastor and managers of Knox Church for use of the same, the organist and choir and all who have contributed in any way to the success of our meeting.

Miss Goldie of Guelph then read an interesting paper on "The Aim of Mission Band Work."

The meeting opened with the Lord's Prayer in unison. Then followed Scripture reading by the President; then sentence prayers by the members. Miss McMeekin, of Waterloo, acted as Secretary and read the Secretary's Report. Miss McIlwraith, of Galt, acted as Treasurer.

The business, which in a regular meeting would be next in order, was dispensed with and the roll was called, each member responding to the calling of her name with a text containing the word "Love." Prayer was then offered and a hymn sung.

Then followed three executive papers on "Life of Dr. Paton" by Misses Jean Stuart, Clara Killer and Maud O'Donnell.

A quartette was then rendered very sweetly by little Acton girls, Misses Ida Graham, Gertie Johnstone, Lena Holmes and Ella Corry.

Each member then read an item from some mission field. The meeting closed with the singing of a hymn and prayer.

The question drawer was conducted by Mrs. Goldie, who ably answered a number of questions.

The President having called for any overlooked items of business, it was moved by Mrs. Ross, seconded by Mrs. Ramsay: That a synopsis of this meeting be sent by our Secretary to the Rev. Mr. McVicar, Fergus, to present to the meeting of the Presbytery to be held in Guelph on Nov. 18th.

A standing vote of thanks was tendered the retiring President for the efficient way in which she and her officers have done the work of the year just closed.

Mrs. Ross gave the "Closing Words" of the meeting. She spoke of the importance of this mission work, both at home and abroad—of the resources of the workers, the strength and presence of the Lord, the men and wealth of the Church. More than one half the wealth of our own family of Great Britain and the U. S. is in the hands of the members of the Christian Church. It may have been lack of information in the past, but not in the present. It is our lack of interest and enthusiasm which hinders the work. Interest has its origin in knowledge and its outcome in loving sympathy. The work can never be accomplished by good wishes and prayer only. Personal effort is necessary.

The minutes of the afternoon session and the financial statement were read and approved, and the meeting closed with prayer by Mrs. Mann of Eramosa.

The people of Acton were delighted with the presence of these energetic workers in missionary interests and will gladly welcome their return at some future date.

SCHOOL ROLL OF HONOR.

In the Roll of Honor published last week several names in the list for the fourth department were transposed. The following is the correct standing: Senior Pt. II.—Stanley Pearson 151, Bertha Brown 141, Luella Reed 143; Junior Pt. II.—Gordon Locker 148, Boyd Clarke 138, Freddie McCartney 137, Janie O'Brien 137. Marks possible 155.

THE SENSIBLE MOTHER.

When little ones are ill the sensible mother no longer doses them with nauseous, griping purgatives, nor puts them to sleep with the so-called "soothing" preparation which always contain harmful opiates. Baby's Own Tablets have been used by thousands of mothers who cheerfully testify that they are gentle in their action, absolutely safe, and make little ones sleep soundly and naturally, because they remove the trouble that made baby irritable and wakeful. On this point Mrs. T. Watson, Sarsfield, Ont., says:—"I have used Baby's Own Tablets and find them a very valuable medicine for young children. When baby is cross or fretful I give her a Tablet, and it soon puts her right."

These Tablets cure all the minor ailments of little ones. They are good for all children from birth onward. Sold by medicine dealers or sent by mail at 25 cents a box by writing The Dr. Williams Medicine Co., Brockville, Ont.

Itching Skin

Distress by day and night—

That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." MRS. IDA E. WARD, Cove Point, Md.

ROCKWOOD.

The Presbyterian Church was the scene of a pretty wedding on Wednesday last, when Miss Emily Pearen, eldest daughter of Mrs. H. Pearen, of this place, and Mr. Chas. Harris, second son of the late John Richard Harris, and Sec. Tres. of Harris & Company, Ltd., were united in marriage by the Rev. J. R. Cranston, M. A., Collingwood. The bride was beautifully gowned in white, crepe-de-chene with a yoke of silk applique, wearing the conventional veil and orange blossoms and carrying a shower bouquet of white roses. Miss Elizabeth Pearen, bridesmaid, wore a rseeda voile trimmed with lace yoke and green silk ribbon, and a white beaver hat with black plumes. Miss Edna Pearen made a charming flower girl. The groom was supported by his brother, Mr. Richard Harris, and Rev. H. Parry and Mr. H. Lee were ushers. After the ceremony the guests, about thirty-five in number, being the immediate friends and relatives of the contracting parties, partook of luncheon at the home of the bride's mother, after which the happy couple went east on a short trip to Toronto, Buffalo and New York. Among the valuable presents received by the bride was a cuckoo clock, the present of the young people of the Christian Endeavor Society, who had also decorated the church for the occasion.

The School Commencement Concert was held on Monday evening and was favored with a record-breaking crowd and matchless weather. The drills and choruses were very pretty and the occasion was honored by the presence of our local member, J. P. Downey, M.P.P., Guelph, who gave a rousing patriotic address. Another equally honored guest was Major J. J. Craig, R.S.L., Fergus, who gave a few excellent remarks on the educational system. Mr. John Strachan, Miss Anna Waters and Miss Manning were present and lent a familiar aspect to the occasion by their presence.

Miss W. B. Gray, who has been visiting Mrs. P. Lee for some weeks, has returned to Hamilton.

Amongst the visitors to our village are, Miss McDonald, Guelph; Mrs. and Miss Carter, Fergus; Mr. and Mrs. Edwin Harris, Toronto; Mrs and Miss Trefrey, Norwich.
