The Lancashire Fire and Life Insurance Company was established by a numerous and influential body of Merchants and Manufacturers, resident chiefly in Manchester, London, Liverpool, and Glasgow, and a large business having been secured at Home, the Directors have resolved on extending the operations of the Company to Foreign countries.

The Directors have, ever since the establishment of the Company, published their Annual Balance Sheets, duly examined and certified by two Public Accountants, so that the public might be able to judge for themselves as to the sound financial condition of the Company.

The high position which the Lancashire has attained is mainly owing to the well established fact, that all claims are met with promptitude and liberality, and that every facility is given for the transaction of all classes of Fire and Life business.

OPINION OF THE CHANCELLOR OF THE EXCHEQUER

The Directors of the Lancashire have always been content to let the figures in their annual balance sheets prove the sound financial position of the Company, but they think it due to their numerous Insurers to draw attention to the complimentary remarks of the Chancellor of the Exchequer, made in the House of Commons on 7th March, 1864, (See Times of 8th March.)

The Chancellor of the Exchequer, in moving the adoption of the "Government Annuities Bill," said,—

"I wish to show the manner in which business is transacted by offices of the highest class, and the reserve they think it necessary to hold in order to give themselves a secure position. I am only going to state two or three cases. Hon. members will bear me out when I say that you know a good deal about the position of an insurance society when you get three things—first of all its date; secondly, its income from premiums; and thirdly, its accumulations. (Hear, hear.) From the relation of these three to one another you know pretty clearly the state of any office."

One of the four Offices named by the Chancellor as of the "highest class" was the Lancashire, which is the only one of the four doing business in Canada.

FIRE DEPARTMENT.

The Company commenced business in October, 1861, as a Fire Office, and was called into existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, and has induced them to extend their operations to Canada, where the General Agents are prepared to take proposals for Insurance against Loss by Fire of Property of every description.

LIFE DEPARTMENT.

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intention not to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the Assured every benefit which science warrants or experience suggests.

Among the benefits of this Company may be enumerated—Moderate Rates o Premium—Eighty per cent of the Profits divided among the Assured—Very liberal surrender value given after three years—Thirty days allowed for payment of Premiums, and further extension of time on easy terms—Unchallengeable Policies—Credit System—Service permitted in Volunteer Corps—Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.

Further and fuller information may be obtained by calling at the Office, Nos. 221 and 223 St. Paul Street.

THE NEW FRENCH REMEDY;

By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.

THERAPION—OR CURE OF CURES. This successful and highly popular medicament, as employed by the continental hospitals by Rossan, Jobert, Velpeau and others combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of all taste, odor and appearance of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion. Each package contains full instructions for every case.

THERAPION, No. 1, in three days only—removes gonorrhœa, gleet, and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma and some of the more trying complaints of this kind it will be found astonishingly efficacious, affording prompt relief where other well tried remedies have been powerless.

THERAPION, No. 2, for siphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of the blood, scurvy, pimples, spots, blotches and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla &c., to the destruction of the sufferer's teeth, and ruin of health. Under this medicine every vestige of disease disappears; and the skin assumes the pleasing softness of infancy.

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot unhealthy climates, &c. its possesses surprising power in restoring strength and vigor to the debilitated. To those who are prevented entering the marriage state by the consequences of early error it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s. and 33s. per package through all medicine vendors, or in £5 packages for foreign shipment direct from London only, by which £1 12s. are saved; and £10 packages for the more inverate cases, by which a still greater saving is effected. In ordering the above the purchaser should state which of the three numbers he requires.

HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp bearing the word Therapion in white letters to be attached to each package, thus insuring the public against fraudulent imitations and securing to the proprietor the sole right of supply throughout her dominions, and any infringement of which they will prosecute with the utmost severity.

AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's lane; Barclay & Co., Farringdon street; Edwards & Co. and Newbury & Sops, St. Paul's Churchyard, and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

The Cause and Cure of Premature Decline.

Sold by all the agents for Dr. Roos' Medicines, or sent post free, secure from observation, direct from the Author for 2s. 6d.

THE MEDICAL ADVISER, on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W. De Roos, M.D., &c., of the Ecole de Medecine, Paris.

REVIEWS AND NOTICES.

'THE MEDICAL ADVISER, by Walter De Ross, M.D., for the class of diseases upon which it treats, is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience.'—North of England Telegraph, June 29th, 1861.

'To those who contemplate marriage its perusal is especially recommended.'—Bap. Mag. 'The knowledge it imparts must come some time, and happy are they who do not possess it too late.'—Politician. 'Cure is certain in every curable case, and few indeed are they which are not so.'—Med. Review. 'It is calculated to effect a complete revolution in the treatment of these complaints.'—Med. Gaz. 'Simple and inexpensive, every sufferer may cure himself, speedily, privately, and at the least possible cost.'—Scalpel.

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for the those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated.—Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness: whilst to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their case; with a Bank note or Bill on a London house for £5 or £10, in order that the package of medicines to meet the exigencies of the case, may be sent out by next mail; thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c.*, have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, langour; lassitude; depression of spirits; irritability; anger; excitement; needless fear; distaste and incapacity for society, study or buisness; indigestion, pains in the side, palpitation of the heart; giddiness, noises in the head; impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throats, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become "chronic" or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines; to make a fair trial of a remedy, which concocted on unerring scientific principles cannot fail; and may be carried about the person, or left upon or left upon the toilet table, without exciting a suspicion of its nature. Price 11s., and four times the quantity at 33s., per bottle. The £5 packages containing twelve 11s. quantities, by which a saving of £1 12s. is effected, will be sent from 25, Bedford Place, only, on receipt of the amount per draft on a London house or otherwise.

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c. have utterly failed. 2s. 9d., 4s. 6d., 11s. and 33s. per box. The superiority of these celebrated medicines over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and, at the least possible expense.

CAUTION.—Sufferers should guard against the recommendation of useless imitations by dishonest vendors, who thereby obtain a larger profit. The genuine have the words "Walter De Roos, London," printed in white letters on the Government Stamp, by order of Her Majesty's Hon. Commissioners, to imitate which is felony.

Sold wholesale by Barclay & Son, 95, Farringdon street, London. Agents—North America:—Langley & Johnson, Hollis Street, Halifax, Nova Scotia; Barnard, Charlottetown, Prince Edward Island; J. Ward, City News Office, Sydney, Cape Breton; E. D. Parker, (late Palmer & Co.) Kingston, C. W.; West, Musson & Co., Middleton & Dawson, Quebec; C. A. & J. Vasalli, Water Street, San Francisco; Jos. Purdy, Mexico; W. J. Ward, Morning Post Office; Mr. McMurdo, Druggist, and J. McCoubrey, Esq., St. John's Newfoundland; John Graham, Esq., Head Quarter's Office, Fredericton; Thomas Walker & Sons, St. John's, New Brunswick; Lyman & Co., Toronto; Lyman & Co., Savage & Co., George Van Felson, Jun., Notre Dame Street, Montreal; James Pierce & Son, Chatham, Miramichi, of whom also may be had 'THE MEDICAL ADVISER,' or should difficulty arise in procuring any of the above, enclose the amount, by draft or otherwise, to 23, Bedford Place, Bloomsbury Square, London W.C., and they will be sent securely packed per return.

THE MOST WONDERFUL PILLS IN THE WORLD.

ARNOLD'S DE ROOS' PILULÆ VITÆ or LIFE PILLS. All sufferers from general nervousness, debility, low spirits, sleeplessness, harrassing dreams, unnecessary fears, mental gloom, inability, failure of the mental and bodily powers, weakness of the nerves, noises in the head, giddiness, indigestion, rheumatism, pains in the back, and other symptoms of chronic disease, will hail with joy the discovery of Dr. De Roos' Life Pills that speedily and almost magically remove pain and disease of whatever nature, restore energetic vigor of spirit and vigor to the mind, and strengthen all the organs on which health and life depend.—They do not contain a particle of mercury, but are purely vegetable. They act mildly on the bowels, without pain or griping, impart strength to the stomach, promote a healthy action of the liver, thus preventing, or when present curing the jaundice and dropsy, clearing the skin, removing sallowness and pimples, purifying the blood, and marvellously invigorating the whole system. Females of all ages will find their invaluable, and should never be without them. For elderly people or when an occasional aperient is required, nothing can be better adapted. Owing to the great and increasing demand for these pills, and in order to protect the public from fraudulent imitations, Her Majesty's Commissioners have graciously permitted the proprietor to have his name "WALTER DE ROOS, LONDON," impressed upon the government stamp affixed to each box. Sold by all medicine vendors in the world, price 2s. 9d., 4s. 6d., 11s. and 33s. per box.

'As a Family Pill, they are invaluable.'—*Dundee Times.* 'Persons of full habit should never be without them.'—*Surrey Telegraph.* 'For Females they are almost a necessity.'—*Ladies' Journal.* 'To Mothers—for children of all ages they are the simplest and best medicine that can be given.'—*Vide Dr. Smith's Report.* 1yd&w-12

ON
Self-Preservation.

Price with Engravings and Cases 25c., by Post, 50c.

SELF-PRESERVATION: a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth or excesses in maturity, which by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By DR. LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigor upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner, whose name stands on the 'Medical Register,' (the sole test of medical qualification,) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety and to any address.

WONDERFUL CURES ARE DAILY EFFECTED.

RADWAY'S READY RELIEF.

ITS THREE METHODS OF APPLICATION.

Either of which for the ailments and diseases prescribed, will afford immediate relief, and consequent cure.

RUBBING THE SPINE.

This method of application should be resorted to in all cases of SPINAL AFFECTIONS, or WEAKNESS, RHEUMATISM, NERVOUSNESS, NEURALGIA, LUMBAGO, SPASMS, SCIATICA, GOUT, Paralysis, Numbness, Diseases of the Kidneys, Bladder, Uretha, Difficulty of Passing Water, Pain in the Small of the Back, Cramps and Spasms, Pain in the Hips, Back and Thighs, Weakness and Lameness in the Back of Legs.

And in all Female Complaints, such as Leucorrhœa, Weakening Discharges, Obstructions, Retention, Weakness, Prolapsis Uteri, Hysterics, Headache, &c., &c.

In these cases, the entire length of the Spine should be rubbed for 10 or 20 minutes, three times per day. In many instances the most severe and agonizing pains will cease during the process of the FIRST RUBBING. Its continued use a few times will cure the patient of the most aggravating and long standing diseases.

Persons suffering from either of the above named complaints, should not hesitate a moment to apply the Ready Relief, as directed. *It will surely cure.*

The Rubbing should be continued until a sensation of heat and irritation or burning is experienced. If you succeed in securing this action on the skin and back, you may feel perfectly satisfied of a cure—it is a sure sign.

SECOND METHOD OF APPLICATION.

APPLIED EXTERNALLY.

By Rubbing the part or parts of the body where the disease or pain is seated, with the Ready Relief.

In ninety-five cases out of one hundred, the most severe pains will cease by one Rubbing with the Relief.

IN ATTACKS OF SORE THROAT, HOARSENESS, CROUP, DIPTHERIA, INFLUENZA, THE RELIEF SHOULD BE APPLIED TO THE THROAT AND CHEST. IN A FEW MOMENTS THE SORENESS, IRRITATION AND INFLAMMATION WILL CEASE.

Let the Ready Relief be applied in this manner for the following complaints:

RHEUMATISM, TIC DOLOREUX, TOOTHACHE, HEADACHE, EARACHE, INFLAMMATION OF THE STOMACH, BOWELS or KIDNEYS, SPRAINS, STRAINS, CUTS, BRUISES, WOUNDS, CRAMPS, BURNS, SCALDS, PIMPLES, BLOTCHES, MOSQUITO BITES, STINGS OF POISONOUS INSECTS, CHILBLAINS, DEAFNESS, SUN STROKE, APOPLEXY, EPILEPTIC FITS, ASTHMA, BALDNESS, SORENESS and PAINS IN THE LEGS, FEET, JOINTS, &c., LAMENESS, SWELLINGS of the KNEES, FEET, LEGS, &c., SORE EYES, and in all cases where there is pain or distress, the READY RELIEF, if applied over the part or parts, will afford immediate ease.

There is no other remedy, Liniment, or Pain-Killer in the world that will stop pain so quick as RADWAY'S READY RELIEF.

THIRD METHOD OF CURE.

TAKEN INTERNALLY.—One teaspoonful or more, if necessary, to a wineglass of water every hour until relief is afforded. One dose in most cases will prove sufficient.

DIARRHŒA, BILIOUS CHOLIC, LOOSENESS OF THE BOWELS, SICK or NERVOUS HEADACHE, FOUL BREATH, HYSTERICS, WORMS, CHOLERA MORBUS, WIND CHOLIC, SPASMS, PURGING, HEARTBURN, FITS, SEA SICKNESS, DYSENTERY, CRAMPS, VOMITING, SOUR STOMACH, HYSTERIA, CONVULSIONS, BAD DREAMS.

CANADA CHOLERA.

An immediate cure of this complaint is secured by the use of RADWAY'S READY RELIEF. Let those seized with it give it a trial. Use it as follows: Take a teaspoonful of RELIEF in a wineglass of water, as a drink, every half hour. Two or three doses are generally sufficient. Also bathe the stomach and bowels with the RELIEF, and lay a piece of flannel soaked in RELIEF across the bowels. This will be found an effectual and speedy cure. In 1849 and '54, RADWAY'S READY RELIEF cured the worst cases of Asiatic Cholera after all other remedial agents failed. It has cured thousands of Diarrhœa, Painful Discharges from the Bowels, Cholic, Cramps and Spasms by ONE dose.

RADWAY'S READY RELIEF AS A LINIMENT.

One pint of proof spirits, mixed with one bottle of Ready Relief, will give a superior liniment to any in use.
