MARINE.

MARINE ITEMS.—The propeller St. Lawrence passed down yesterday morning with a very heavy load of flour and some other freight, loaded in Hamilton for Montreal. She discharged a small lot of freight here. The R. M. Steamer Magnet had 1000 barrels of flour from Hamilton on board on her down trip yesterday morning. The schr. Laura E. Calvin, which arrived from Port Dalhousie with 9000 feet sawed lumber, has left, with the barque Garryowen, for Toronto, both light. The schooner Milford Fillmore, with a cargo of 18,500 bushels of wheat, cleared from Milwaukie for Kingston, on Saturday last. The schr. Trancemontague has arrived from Toronto with a cargo of wheat for Prescott. The schooner Sultan has arrived at Garden Island, with 10,000 pipe staves, and has cleared for Hamilton again.

THE NARBOROUGH.—Messrs. E. Berry & Co.'s ship 'Narborough' leaves this afternoon for Quebec, in tow of one of the Government tug steamers. It was not the intention of her owners to finish rigging her in Kingston, as when her yards, &c., are up, she is much more difficult to manage in the River and Canals, than without them. Immediately on arriving at Quebec she will commence loading a cargo of timber for Greenock. The 'Narborough' is considered the most staunch vessel ever built in Canada, being as strongly constructed as she possibly could be, and the principal aim of her builders was good sailing qualities combined with capacity for cargo. We noticed on board of her some very excellent ships' boats, which have been built by Mr. D. O'Gorman of this city, and we must say that they reflect the greatest credit on Mr. O'Gorman, both for their appearance and usefulness. We wish the 'Narborough' every success in her passage across the Atlantic, and if we look back to Messrs. Berry & Co.'s former success with their vessels, we have no doubt that she will be equally so, if not more successful than her predecessors. The 'Knighton,' it is thought, will leave on Tuesday.

THE RIDEAU CANAL.—The steamer Bytown, Capt. Farmer, arrived in Kingston from Ottawa on Thursday evening, via the Rideau Canal, making the earliest trip on the Canal, of any steamer for many years. She was heavily laden with freight and passengers, and left yesterday afternoon for Ottawa with as heavy a load as she brought down.

MOVEMENTS OF THE OCEAN STEAMERS.—Mails are forwarded by every steamer in the regular lines. The steamers for and from Liverpool call at Queenstown, except the Canadian line, which call at Londonderry. The steamers for and from the Continent, call at Southampton.

TO ARRIVE.

Steamship New York, leaves Southampton for New York, April 12th.

Steamship North American, leaves Liverpool for Portland, April 13th.

Steamship Africa, leaves Liverpool for Boston, April 15th.

TO DEPART.

Steamship Europa, leaves Boston for Liverpool, April 26th.

Steamship Belgian, leaves Portland for Liverpool, April 29th.

Steamship New York, leaves New York for Bremen, May 6th.

ICE BOUND.—The upward bound fleet passed through the Welland Canal since its opening last Monday week is detained at Port Colborne in consequence of the ice in Lake Erie. On Tuesday the fleet at Port Colborne numbered one hundred and twenty, manned by about one thousand sailors.—Business at the Port, in consequence, has been very lively. A brisk wind from the North would soon drive the ice out into the lake. We learned that yesterday several vessels returned down to the Junction, proceeding from thence up the Canal Feeder to Port Maitland, at which point there is an outlet to the lake.

Since writing the above, we are informed that with the aid of several powerful tugs, the vessels commenced yesterday to move out of the harbor. The prevailing strong blow from the South, however, renders the movement very slow.—Welland Telegraph.

POLICE COURT.—Friday.—John Hanlon and Margaret Cullen were charged with vagrancy, and James Dogherty with drunkenness and vagrancy. Hanlon, an old pensioner, who is no sooner out of gaol than in again, was sent to the House of Industry. The others were sent to the States by the Cape boat. Jack O'Shea was charged with assaulting an ink peddler. The case was adjourned.

Editor of British Whig.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Mussulmen rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to these, the earlier settlements of mankind.—Lynn News.

LADIES!! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo88

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,

JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,

254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
