AMERICAN INVOICES.—The Official Gazette of Saturday last announces that the authorized discount on American Invoices is declared to be 32 per cent, which percentage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

PETROLEUM.—A successful trial of a new system of refining petroleum by a chemical process was made in New York a few days since. Twenty gallons of crude oil were put into a cylinder with several apartments, and after passing through filters, turned out seventeen gallons of refined oil in three minutes. The gentlemen present pronounced it much sweeter than when clarified by the old process of heat, and when burned was found also to smoke much less. The loss of oil by this process is only about twelve and one-half per cent, the naptha and heavy oil being neutralized. The cost by the new system is about three cents, and the oil is better in every respect and the gravity is more uniform.

MARINE.

FIRST GRAIN OF THE SEASON.—The schooner Tecumseh arrived on Saturday night from Kincardine, with 12,070 bushels of wheat and 174 barrels of flour, consigned to Anderson & Ford, being the first grain vessel of the season to arrive, and also the first to pass down through the Welland Canal. The grain was elevated yesterday by the elevator 'Orb,' and will pass down to-day, being the first clearance of grain for Montreal this season.

The schooner Princess Alexandra, with 21,000 p. staves, and schooner Emperor, with 22,000 do., have arrived at Garden Island from Hamilton.

THE AMERICAN LINE.—It is expected that one of the Ontario Steamboat Company's steamers will leave Charlotte to-day for Ogdensburg, thus opening the trips of the steamers for the season.

THE NARBOROUGH.—The ship 'Narborough' left on Saturday evening at six o'clock for Quebec, in tow of the Government tug steamer America. She never looked so well as when passing down the river. The 'Knighton' leaves to-morrow.

THE ST. LAWRENCE CANALS.—The water was turned into the St. Lawrence Canals yesterday, and they were opened to public traffic. The R. M. steamer Pasport and steamer St. Helen started from Montreal as soon as the water was turned on.

AN OLD LAKE CAPTAIN GONE.—The St. Catharines Journal says, there is reason to believe that the Capt. Masson, who is reported to have been lost on the steamer Sultana—a report of which will be found in our telegraphic columns—is the same who was so well known as a captain of steamers on Lake Ontario, principally on the Through Mail Line. At the commencement of the war he was offered the command of a Federal steamer, and accepted it. He was a native of Kingston, where we believe some of his relatives still reside.

*** Capt. Masson is well known in Kingston where his father lives. He has several other relatives here, and was much respected by all who knew him.

SHIPWRECKS COMMISSION.—The Commission appointed by the Government to inquire into the causes of certain shipwrecks in the lower St. Lawrence, submitted its report on Tuesday last.

FIRST STEAMER FOR THE LOWER PORTS.—The s. s. Lady Head will shortly be out of her winter quarters, and is to sail on the 9th of May for Gaspe and the lower ports.—Quebec Gazette.

POLICE COURT, Monday.—Thomas Hanigan, charged with being drunk, was sent to Watertown. Jane Taylor, the 'true blue' apple woman, was sent to gaol for sixty days for drunkenness and vagrancy.

THE EXTRA POLICE.—The eight special Police, added to the Police Force at the Raider excitement, were mustered out of the Force yesterday, their time of service having expired. We hear that one of the old Police was also mustered out of the service, and that some of the specials will be added to the Force, to remain permanently.

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented; stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Mussulmen rulers themselves, to the cures which these medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to those the earlier settlements of mankind.—Lynn News.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. I. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo88

LADIES! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

*** I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

*** Then wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

*** The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

*** The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

GREAT EXCITEMENT IN ICE.

Opposition is the Life of Trade!

THE UNDERSIGNED, in returning his sincere thanks for the liberal support he has received from the inhabitants of the City of Kingston for the last twenty years, begs to state that he is still able, willing and ready to commence to supply House Keepers, Hotel Keepers, Steamboats, Schooners, &c., &c., &c., on the most reasonable scale. He begs to state at the same time, that he has a good clean supply of Ice. It has not been taken out of the vicinity of Bell's Island, nor yet is it taken from the vicinity of Morton's Hog Pens, Cattle Stalls and Brewery Sockage, nor that of the Provincial Penitentiary, where the inhabitants of the city can best judge what quality of Ice can be procured in that quarter. His Ice is taken out of a good locality, in the neighborhood of Barrisfield, near the landing of the late Major Sadlier. Hoping to still merit a continuance of that liberal support he has received heretofore,

Respectfully,
ROBT. SPENCER.

New Javenile Music Book.

By L. O. Emerson, Author of the "Golden Wreath," "Harp of Judah," &c.

MERRY CHIMES:

MERRY CHIMES; containing Elementary Instructions, Attractive Exercises, and Several Hundred Popular Songs.

This New Book will be found superior to all similar Works, in many points essential to its success as a popular Instruction Book in Vocal Music and Collection of Melodies for the Young.

The Elementary Department contains just those peculiar Elements that attract and retain the attention of Children. The Songs are not old and time-worn—sung through a dozen books—but New and Sparkling, adapted to all occasions, and alive with the Spirit of Times.

A large number have been written expressly for this work. The Melodies are equally good, and include very many Compositions never before published.

All who have examined this work predict for it a success beyond that of any similar publication.

Price 50 cents a copy—$5.00 a dozen.

Specimen Pages containing several choice pieces will be sent to any one on application.
