CRIPPLED BY SCIATICA.

Made Well and Strong by Dr. Williams' Pink Pills After Doctors Had Failed.

Mr. H. W. Awalt is one of the leading merchants, of Hemford, N. S. A few years ago he was a great sufferer from that most excruciating trouble sciatica. He says: "At the time I was afflicted I was living at Baker Settlement. The attack was so severe that I had been off work for some time. The cords of my legs were all drawn up and I could only limp along with the aid of a stick. The pain I suffered was terrible. I was in misery both day and night. Every moment caused me such pain as only those who have been tortured with sciatica can know. I was treated by several doctors, but they did not help me a bit. In fact I almost began to feel that my condition was hopeless, when Dr. Williams' Pink Pills were brought to my attention. I got a half dozen boxes. I had used about the entire quantity before I found any benefit. But I was encouraged and got a second half dozen boxes and before these were all gone every vestige of the trouble had disappeared. Not only this, but I was improved in health in every way, as it will be readily understood that the long siege of pain I had suffered had left me badly run down. I can't speak too highly of Dr. Williams' Pink Pills. I can't recommend them too strongly to other sufferers."

Dr. Williams' Pink Pills cure sciatica simply because they make the rich, red blood that soothes and strengthens the jangled aching nerves. That is why they cure such nerve troubles as neuralgia, St. Vitus dance and partial paralysis. That is why they cure all ailments due to poor watery blood. That is why they make weary, despondent, broken-down men and women bright, active and strong. But only the genuine pills can do this, and they have the full name, Dr. Williams' Pink Pills for Pale People on the wrapper around every box. Sold by medicine dealers everywhere or by mail at 50 cents a box or six boxes for $2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

NEWS OF LOCAL IMPORT.

Another New Residence.

Mr. John Harvey has sold to Mr. W. White the two lots he recently purchased in Lake Ave. Mr. White will erect a residence this summer.

Coming to Acton to Reside.

Mr. James Henderson, Nassagaweya, who has decided to retire from farming, has purchased the residence of Mr. James Dron, Maria Street, for $900. He will move to Acton shortly.

Baby Died Very Suddenly.

The little seven-week's-old baby boy of Mr. Sunderland Taylor, Agnes St., was found dead in its cot on Monday morning when Mrs. Taylor went to get it after breakfast. The little one was not strong, and the sudden demise is attributed to heart failure.

Acton Lacrosse Club

A meeting of the management committee of the lacrosse club was held last Thursday evening. Blue and white were selected as the team colors for this season. It was decided that regular practise would be held on Monday evening and Thursday evening of each week. All players are requested to be present at the regular practise.

New Members Received.

The rite of adult baptism was administered to three candidates in the Methodist Church last Sunday evening. Twenty new members were received and the right hand of fellowship extended. Prior to those impressive services Rev. Mr. Barker preached a very timely sermon from 1 Cor. 12: 27: "Now ye are the body of Christ, and members in particular," pointing out very effectively the holy offices of the church and the responsibility for godly living resting upon its members individually.

Acton in the Intermediate's.

Acton, which played junior lacrosse last year, has notified Secretary Hall that it will go up a step and play intermediate this summer, thus adding one more to a series that was damaged by increasing the age limit of the juniors. For though the intermediate series is coming along rather better than was expected, it will not be nearly up to last year's mark. Of course the junior series is expected to show improvement, but it is practically assured that the combined results will not be up to last year's total. So much for too much theorizing and too many amendments.—Telegram.

May Remain on Board.

In conversation with License Inspector Tracy on Saturday last, he informed us that in reference to the removal of Mr. Hedley Shaw from the county, that fact didn't necessitate his resigning from the License Board. To substantiate this, the Inspector produced a letter from Mr. Eudo Saunders, chief of the License Department at Toronto, advising him to that effect. As the principal business of the board has now been finished for the year, it is not likely that Mr. Shaw will resign until the end of the year. We understand, however, that it is his intention to do so then.—Reformer.

The Reprehensible Use of Profanity.

Complaints are made almost daily of the increasing use of profanity on the streets. This sinful, needless habit should be properly punished. The ears of right thinking people are grievously offended; the laws of God and man are violated. If a few examples of such reprehensible offences were made we would have less of the habit. By-Law No. 111 of this municipality says: "No person shall make use of profane swearing, obscene or blasphemous language within the municipality. Any persons guilty of an infraction of this By-Law upon conviction shall forfeit and pay, at the discretion of the magistrate convicting, a penalty not exceeding $20 and costs, and in default of payment, two months in gaol with or without hard labor." Certain careless-mouthed young men will do well to amend their usual method of emphasizing their conversation.

Traveller Comes To His Own.

A very quiet wedding took place at the residence of the bride's father, Walter J. Smith, 16 Yorkville Ave., Toronto, on Saturday afternoon last, the occasion being the marriage of his eldest daughter, Nina, to J. H. Boyd, also of Toronto, traveling salesman for the firm of T. H. Easterbrooks, St. John, N. B. The officiating clergyman was Mr. J. D. Freeman, of Bloor St. Church. Only the immediate relatives of the contracting parties were present and Mr. and Mrs. Boyd left on an early train for a short trip west. This is very good and The Canadian Grocer is glad. The friends of Red Rose Tea in Western Ontario will rejoice also, and next week the lucky ones among the grocers will extend the glad hand of fellowship. Mr. Boyd is one of the ablest salesmen on the road, but no good man ever does his best till he is married, and now the friends of the firm look to see red roses blooming on the telegraph poles.—The Canadian Grocer.

A Pretty Wedding.

The home of Mr. and Mrs. Arch'd. MacPherson was the scene of a very pleasing event, when their daughter, Nellie, and W. H. Noble, of Toronto, were united in marriage by the Rev. J. C. Wilson, B. A., of Acton. The bride, gowned in white organdy, with silk tulle veil caught up with lilies of the valley and carrying bridal roses, was given away by her father. The bridesmaid Miss Minnie MacPherson was becomingly attired in pointe D'esprit while Marguerite Symons niece of the bride, made a charming little flower girl dressed in white silk, bearing the ring hidden in a basket of smilax and lilies of the valley. Mr. Arthur Tushingham, of Toronto, acted as best man. The only ornament the bride wore was a gold bar set with pearls, the gift of the groom. The grooms present to the bridesmaid was a pearl crescent, and to the flower girl a pretty locket. After the ceremony the guests repaired to the dining room which was tastefully decorated in pink and white, and partook of a dainty repast. The bride was the recipient of many beautiful and handsome gifts showing the esteem in which she was held. Mr. and Mrs. Noble left on the 5.30 train for Brantford and other points amid showers of rice and good wishes. Mr. and Mrs. Noble will be at their home 588 College St., Toronto, after the 20th May.

ACTON WOMAN'S INSTITUTE.

Interesting Exhibition of Ladies' Spring Sewing and List of Prizes Awarded.

THE NEWLY-ELECTED OFFICERS

Friday afternoon last was an occasion of very special interest to the ladies of Acton Woman's Institute and their friends. It was the annual meeting. In the absence of Mrs. A. T. Brown, who was unable to be present, the following address was read:

TO THE MEMBERS:

The Acton Branch of the Woman's Institute has reached the close of another year. During the year ten meetings have been held. The Executive have done the best they could to have interesting and helpful hours during the year. Perhaps some have felt that they have not enjoyed the meetings or derived as much benefit from them as those of former years, when we had cooking demonstrations, but you will find by reading reports of conventions and opinions of members of the many societies in the province, that the day of cooking demonstrations is passing. There are many new phases of woman's work and responsibilities that we should study. During the year the subjects chosen have been not only for their helpfulness, but to suit the time of the year, and more questions have been asked on the "How's" and "Why's" of household work. The social part has not been neglected. At the close of four meetings we have had a social half hour, during which dainty refreshments were served, recipes exchanged, questions asked and answered. There are sixty-seven members enrolled and we expect several more to-day. The average attendance during the year has been 28.6. The five cent admission for this afternoon's meeting, is to help replace the money taken from the treasury to buy prizes for the exhibition. May the work continue in usefulness and increased interest on the part of all the members and officers during the coming year is the wish of

MRS. A. T. BROWN,
President.

Acton, May 3rd, 1907.

The election of officers was then proceeded with and resulted as follows:

President—Mrs. W. J. Chapman.
Vice-Pres.—Mrs. W. Bullard.
Sec.-Treas.—Mrs. N. F. Moore.
Directors—Mrs. W. Sayers, Miss H. Jeanes, and Miss Clara E. Moore.
Press Com.—Mrs. W. H. Speight and Mrs. Spencer Husband.

A very creditable and well assorted display of ladies sewing was placed on exhibition in the forenoon and was judged and awarded prizes prior to the meeting. The list of prize winners was as follows:

The new individual communion cups will be used for the first time on this occasion.

Death of Mrs. Thomas Scott.

Mrs. Thomas Scott, of Glenwilliams, mother of Robert Scott, Acton, died at the home of her daughter in London, where she was visiting. Mrs. Scott was seventy-six years old and had not been enjoying the best of health for some time previous to her death. The remains were brought to her late residence Glenwilliams. The funeral was held at the home on Tuesday afternoon, Rev Mr. James, B.A., of Norval officiating.

New Features at the County Fair.

The Directors of the Halton County Fair, to be held in Milton, on Oct. 10th and 11th of this year, are adding some new features of an educational nature in the way of prizes for school children. As this will necessitate an increased expenditure, the Directors are soliciting donations from friends of the county. They are conducting the fair on strictly educational lines, avoiding everything that is questionable or doubtful, and can, therefore, appeal with more confidence to the liberality of friends.

A Good Man Gone.

Mr. Johnson Harrison, after a short illness, passed away at the home of his daughter, Mrs. F. C. Willmott, near Milton, on Friday morning last, in the 86th year of his age. And with him passed away the last of the old pioneers of this immediate district. Of his life, how can it be adequately described in words? His whole life has been a benediction to those with whom he has lived or come into contact with. Since Mrs. Harrison died a year ago last January, he has, for the most part been living with his daughter, Mrs. F. C. Willmott, near Milton. About a week ago he was seized with a stroke, from which he never rallied, and passed away quietly to his eternal rest last Friday morning.—Milton Reformer.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for your self how quickly it relieves the pain. For sale by all druggists.
