EXPORT OF CATTLE.—The steamer Bay of Quinte brought another load of cattle from the Bay on Thursday, and 80 cattle and 30 horses yesterday. The latter load was taken to Cape Vincent yesterday by the Watertown. The Watertown also took 100 cattle over on Thursday evening. The Pierrepont took 29 cattle over and 80 yesterday. The St. Helen brought a good load on Thursday from Belleville for the Cape. There are still lots coming from the country. The export is making cattle very scarce, and meat will consequently rise to such a price, that it will be impossible for the poorer classes to buy it. As it is, good beef which could easily be had at 10c. per lb., is now 15c. per lb.

CUSTOMS IMPORTS.—The Imports at Kingston for the quarter ending 31st March last were $107,732. The duty collected on the same was $15,318. For the quarter ending the same period last year the Imports were $135,564, and duty collected thereon $17,858, shew in a decline in the value of imports of $27,832, and a falling off of duty of $2,540. The imports at the six other cities of Canada have exhibited a comparative decrease as compared with Kingston. The imports at those cities show a decline in the value of imports amounting to $3,660,324, or nearly one hundred per cent., and a falling off in duty of $489,693, or nearly half a million.

MARINE.

MARINE ITEMS.—The schooner Tranchemontagne arrived on Thursday from Ogdensburg, light, and has taken on a cargo of wood for Toronto at James Campbell's. The schooner N. C. Ford arrived on Wednesday night from Port Dover, with 12,000 p. staves for Calvin and Breck. The schooner H. J. Jones left on Thursday for Oswego, with 75,000 feet of lumber, shipped by James Swift. The freight steamer Ottawa left on Thursday for Hamilton, light, being her first trip. The schooner Lily arrived on Wednesday night from Hamilton, with 8,000 p. and 12,000 w. i. staves for Calvin & Breck. The schooner Glenaven arrived the same night from Hamilton, with 9,000 p. and 12,000 w. i. staves for Calvin & Breck. The schooner Bay Queen arrived the same night from Port Dover, with 13,000 p. staves for the same firm. The barge loaded with the cargo of the schooner Tecumseh left on Wednesday evening for Quebec in tow of the steamer William, which had also the ship Knighton of E. Berry & Co., in tow. The steamer Huron, from Montreal to Hamilton, called on Thursday afternoon. The tug Ottawa arrived on Wednesday from Gananoque, with seven light barges in tow.

THE CHICAGO AND MILWAUKIE TRADE.—The trade between Chicago and Milwaukie and Kingston is brightening up, and there are some hopes of a fair season. The propeller Brockville arrived yesterday morning, and discharged a quantity of flour and pork, (see imports) passing down with balance of cargo. The propeller East arrived yesterday morning from Milwaukie, with a full cargo of pork and hams (see imports) for Chaffey Bros. These are the first arrivals of loaded steamers from either of the ports, and are but one day behind the first sailing vessel with cargo. The schooner Delos de Wolfe cleared from Chicago for Kingston, with 12,775 bushels corn and 4,350 bushels rye, on the 29th. On the same day the propeller Bristol cleared for Montreal, with flour, pork and hides. The schooner White Cloud has been chartered for wheat from Milwaukie to Kingston at 15c, American currency. A scarcity of vessels is complained of at Milwaukie, which will undoubtedly raise the rates of freight. The propeller Magnet passed up on Thursday night from Montreal to Hamilton, and landed some bonded freight. The steamer St. Helen arrived from Belleville on Thursday evening, and made a special trip to Cape Vincent, leaving the next morning for Montreal. The schooner W. A. Glover arrived on Wednesday night from Port Dover, with 7,000 p. staves and 21,883 w. i. do. for Calvin & Brock. The schooner Ocean Wave left yesterday morning for Cleveland in ballast. The schooner Hercules left for Lake Erie, in ballast, the preceding night. The schooner M. Fillmore left last night for Chicago, also in ballast.—The tug steamer Ottawa left yesterday afternoon for Montreal, with a barge loaded with wheat (cargo of the Ocean Wave) in tow.—The propeller Brantford, from Montreal to Hamilton, called on Thursday night.

VESSEL CASUALTIES.—The schooner Morning Light, grain loaded, arrived here a morning or two since, in a disabled condition and is now making repairs. Her jib-boom and head gear were carried away, the result of a disaster on Lake Michigan. The schooner Stampede had a hole knocked in her stern in River St. Clair, and the schooner Twin Sisters had her bulwarks and stanchions carried away, caused by a tug coming along side. The two last vessels have since proceeded on their voyage.—Detroit Adv.

THE 'SHANDON.'—The 'Shandon' arrived at Montreal on Wednesday. She is the first sailing vessel to arrive this season, and has been so for several years past.

ARRIVED AT QUEBEC.—The ships 'Frank Lovitt,' 'Pelham' and 'Maitland' arrived at Quebec on Wednesday.

THE STEAMER 'MAGNET.'—The Magnet will again be placed upon the route between Quebec and the St. Lawrence and Saguenay watering places during the season; and also for the accommodation of families desirous of taking up their abode, for the summer months, at Murray Bay, River du Loup, Cacouna, Tadousac, &c., she will begin her trips one week earlier than in former seasons—namely about the 20th of next month.

POLICE COURT.—Friday.—John Jenkins for being drunk was fined $1. William Woods, also charged with being drunk, was discharged. James Gregg, troubled with the same complaint, was sent to gaol for 10 days. John O'Toole was charged with assaulting a Mr. Woods, and fined $10, or 60 days in gaol.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

H. B. KINGSLEY,

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and cared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness; latitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo88

REV. EDWARD A. WILLSON,
Williamsburgh,
3m d&w 39] King's County, New York

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Musselmen rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious ideas which pervade the human family, but almost all that is useful in art or invention must be carried back to those, the earlier settlements of mankind.—Lynn News.
