EDITORIAL NOTES.

Warden Pettit and Co. Allen County Councillor, had an interview, last week with Hon. Dr. Reaume and A. W. Campbell on the subject of Halton's proposed good roads system. They will report at the coming meeting of the county council. The passing of the by law will depend on whether they have an assurance that the Government will pay one third of the expenditure on county roads within the limits of towns and villages.

Milton is making a bid for manufactures which the town is badly in need of. At last meeting of the council a resolution was presented agreeing to grant exemption from all taxes (except school taxes) on all factory sites, factory buildings erected thereon, and all machinery, stock and plant situate on lands secured for the purposes aforesaid, and binding the members to use their best endeavors to extend the limits of the town of Milton to include the land necessary for the purposes aforesaid, and all such other acts as may be found necessary to carry out the objects aimed at.

The government are pursuing a dignified and constitutional course with respect to the Japanese treaty. Sir Wilfrid declined to act in a panic, thus furnishing additional evidence of his statesmanship. It has been decided that Hon. Mr. Lemieux, postmaster-general and Minister of Labor shall proceed to the Japanese capital and open up negotiations to settle the very intricate and delicate problem presented. The people of Canada may have every confidence that in Mr. Lemieux's hands their interests will not suffer. As this matter may be regarded as sub judice, perhaps it would be well to let it remain until Mr. Lemieux can deal with it in Tokio.

Ex-Mayor Dice, who has had his appointment as Police Magistrate for Milton in his pocket since March last, has decided to accept the position. It goes without saying that Mr. Dice will make a model police magistrate, having all the qualifications necessary for such an important office. Being of judical turn of mind, eminently fair and honorable in all his dealings, his decisions in all cases that may come before him are bound to be strictly in accordance with the merits of the case, as well as accordance to the evidence.—Reformer. The FREE PRESS extends congratulations. The appointment is a good one. Now that Oakville and Milton have Police Magistrates, representing the south and centre of the county, it is in order to make a similar appointment for Acton. It would be a great relief to the local magistrates.

It has been a popular thing for citizens to lay the blame upon the Electrician when one or other of the street lighting circuits are out of commission, as is frequently the case. The blame for this delinquency should not rest upon the Electrician but with the Council. The cause of the trouble is this: when any one street light on a circuit burns out or is short-circuited, that deficient light automatically cuts off every other light. To avoid this there should be a shunt block at every point where a street light is installed. The Councils have been advised of this by the electricians periodically for several years, but each successive Council has neglected to remedy the defect. The FREE PRESS is informed that an expenditure of about $200 for shunts would remedy the matter and ensure continuous lights on all circuits on the streets. By all means let us have the improvement recommended installed at once and have our town well lighted as it should be. The proper lighting of the streets should be the first consideration. The selling of electric current to citizens is a secondary matter.

CREWSONS CORNERS.

A social will be held at the home of Mrs. W. Y. Gray on Thursday evening, Oct. 24th, under the auspices of the Ladies' Aid, for the purpose of disposing of a quilt and other small articles. The proceeds of the quilt will go to the aid of the missionary society. Tea will commence at six o'clock. Admission ten cents.

A few from here took in the Nassagaweya fair at Campbellville on Tuesday last.

With fine weather Erin fair will be well represented by our citizens today.

Mr. Chas. Lambert has been confined to his home during the past few days with illness.

Mrs. M. Crewson, Sr., returned home last week from Dickerville, Mich., where she spent two weeks very enjoyably with relatives. Some of the friends whom she visited she had not met in forty years.

Mrs. Alex. McIntosh returned last week from Dickerville, Mich.

ROCKWOOD.

At a meeting of the congregation of the Morningside Presbyterian Church of Swansea, last week, it was decided to extend an unanimous call to Rev. John T. Hall, of Rockwood. The salary, which was $600 and manse, has been augmented to the extent of $300.

ANOTHER SUCCESSFUL COUNTY FAIR.

The Show of Horses at Milton Last Friday was Very Fine.

FAIR THROUGHOUT CREDITABLE.

The annual county fair at Milton last Thursday and Friday was gratifyingly successful. The weather, which is so important an element, was propitious, and the attendance large.

The inside display was very interesting and comprehensive, and this was especially true of the department of ladies' work. In fancy goods and needle work and also in fine arts the showing was very interesting, while in the dairy and culinary departments it was excellent. The display of fruit and vegetables was fine.

There was a very creditable exhibit of cattle, sheep and hogs, and poultry fanciers put up a very fine show of fowls, but it was the horse ring which was the great attraction of the day. Halton has always been noted for its superior horses. Seldom has the county fair brought together so fine a lot. Many of the classes were unusually large and the quality was superior. A feature which will tend to make the show more then ever popular was the manifest fairness of the judges in arriving at their decisions. There were no complaints of unfair or of unbecoming awards.

Milton Band discoursed sweet music during the afternoon.

Secretary Peacock, the busy secretary, kept matters everywhere running smoothly.

PHENOMINAL NUMBER OF DEER.

Mr. P. H. Cox, of Rosedale, speaking on his return from a four day trip round Bolger Lake and Magnetewan River, says, I read a publication issued by the Canadian Northern Ontario Railway from which I found they intended running trains through to the Magnetewan and Still Rivers for a few days before the open season for hunters. I decided to go up in advance and to see how far the reports about deer up there were true. Had I not seen for myself, I would not have believed it possible that there could be deer anywhere in such numbers. We started them up in all directions, and I saw at least fifty but the woods being thick, we could not see half we started. The area of the country is so great that the number of hunters going up there will be lost in it. I certainly counsel hunters to communicate with the Canadian Northern people in Toronto before deciding to go anywhere else for deer shooting and get their maps.

DISCOURAGED WIFE'S LETTER.

EDITOR FREE PRESS:

DEAR SIR: In reply to the letter by a "Discouraged Wife," published in last issue, which by the way, has been the talk of the town, to the effect that it was the firemen who were at fault, we, as a Brigade, wish to clear ourselves on this matter, as it was not the firemen who supplied liquor to any persons guilty of the alleged misconduct. Every man on the Brigade who was at the fire behaved himself as a gentleman.

We wish as a Brigade to be set right before the community, and to inform those who may not be aware of the fact that it is against the rules of our Brigade to have liquor in our room.

Signed,

THE ACTON FIRE BRIGADE.

Acton, Oct. 15th, 1907.

EVERTON.

The semi-annual meeting of the local union of Young People's Societies of Eramosa township will be held in the Methodist Church, Everton, on Tuesday evening, October 22nd. The programme will include music by Everton Epworth League; an address, "Thanksgiving," by Mr. G. Pearen; an address by Mrs. L. B. Coulson, Eden Mills; music by Rockwood Epworth League; an address by Rev. G. W. Barker, Acton, and a solo by Miss Benson, Everton. The officers of the Union are: President, C. H. Harris, Rockwood; Vice-Pres., Miss Palmer, Eden Mills; Sec.-Treas., Miss M. McQueen, Rockwood.

SCIATICA CURED.

Mrs. Chas. F. Haley Restored by Dr. Williams' Pink Pills.

"I was utterly helpless with sciatica. I could not move in bed without aid. Doctors treated me, but I did not improve. I used Dr. Williams' Pink Pills and to-day am a well woman." This tribute to the merits of Dr. Williams' Pink Pills is made by Mrs. Chas. F. Haley, of Yarmouth, N.S. Two years ago she suffered most severely from an attack of sciatica, and for a number of months was an invalid confined to her bed. She further states: "It is impossible for me to describe the pain from which I suffered. I endeavored to continue my profession as a music teacher, but was forced to give it up. The doctor said the trouble was sciatica, but his treatment did not help me. I could scarcely take a step without the most acute pain shooting through my back and down the limb. Finally I took to my bed and lay there perfectly helpless, and could not move without aid. The pain was never absent. I consulted another doctor, but with no better results, and I began to think I would always be a sufferer. One day a friend who was in to see me asked why I did not take Dr. Williams' Pink Pills, and on her advice I decided to do so. The result was beyond my most hopeful expectations. All the pains and aches disappeared and I have never since been troubled with sciatica. I have no hesitation in recommending Dr. Williams' Pink Pills for the trouble from which I suffered."

When the blood is poor the nerves are starved; then comes the agony of sciatica, neuralgia, or perhaps partial paralysis. Dr. Williams' Pink Pills actually make new, rich, red blood, which feeds the starved nerves, drives out pain and restores health. It is because these pills actually make new blood that they cure such common ailments as rheumatism, anaemia, backaches and headaches, heart palpitation, indigestion and the painful irregularities of growing girls and women. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for $2 50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HALTON DEANERY CONVENTION

Good Attendance of Delegates at the Various Sessions Both Days.

RURAL DEAN BELT PRESIDED.

The annual convention of the Rural Deanery of Halton, held here on Tuesday and yesterday, was a gathering of very special interest to the ministers and members of the Anglican Church throughout the county. There were very interesting sessions devoted to the Woman's Missionary Auxiliary, to Sunday School interests and to Deanery matters generally. The Rural Dean, the Rev. A. J. Belt, M.A., of Milton, presided.

The proceedings opened with a Chapter meeting in St. Alban's Rectory on Tuesday morning which was of special interest to the clergymen present.

At two o'clock the fourth conference of the Woman's Auxiliary was held in the town hall.

In the absence of Mrs. Bristol, of Oakville, the Deanery Secretary, who, —with Rev. Mr. Broughall, and fifteen others felt it to be wisdom not to attend owing to the smallpox outbreak there—Miss Moore, of Acton, presided. Miss Jonner, of Burlington, was elected Secretary.

Words of welcome were spoken by Rev. M. Wilson, M.A., Acton, and the Rural Dean followed in an inspiring address as to the duties and privileges of the church along missionary lines.

Rev. J. G. Waller, M.A., of Nangano, Japan, then gave a stirring missionary address. His opening remarks emphasized the value of missionary work in general, and then followed a highly interesting and instructive resume of the splendid work being accomplished by the Church through its missionaries in Japan.

On Tuesday evening a choral evensong service was held in St. Alban's Church. Acton, Milton and Glenwilliams choirs were well represented. Milton choir's interest in the services was well manifested in the presence of nineteen members. Mr. Collins, choirmaster, had charge of the combined choir. Mrs. (Rev.) Matthew Wilson, performed the duties of organist on short notice, Mr. Edmonds, of Oakville, having been expected.

The Rev. Matthew Wilson sang the service; Rev. Rural Dean Belt and Rev. F. W. Hovey, M.A., of Burlington, read the lessons, Rev. J. G. Waller, M.A., preached an eloquent and impressive sermon. Rev. Wm. Archer, of Lowville, also assisted in the service.

Wednesday was largely devoted to Sunday School interests. At ten o'clock there was Holy Communion at St. Alban's Church, after which the delegates assembled in the town hall.

The Rural Dean gave a very helpful address to teachers. He was followed by Ven Archdeacon Clark, M.A., who spoke very interestingly on Sunday School schemes and efforts in the United States.

In the afternoon Rev. Mr. Waller gave many points of special interest in treating the topic "Sunday Schools in Japan and Missionary Work for children." Mr. Burlingham, of Crewsons Corners, then read a very practical paper on the duties of the Sunday School worker. He was followed by Mr. Dymond, of Toronto, on "The Teacher and Scholar in School." Mr. Dymond, is a live Sunday School worker and his very timely words carried with them force and conviction. The session closed with the answering of questions relative to Sunday School work which had been deposited in the question drawer.

The following delegates, and numerous other visitors, were in attendance:

Acton—Mrs. White, Mrs. Collier, Mrs. Chapman, Miss Moore and Mrs. Wilson.

Rockwood—Miss Lister, Miss Livingston, Miss Leslie, Miss Phillips, Miss Strange, Mrs. Richardson and Mrs. John Lister.

Georgetown—Mrs. Young, Mrs. Roe and Miss Dale.

Glenwilliams—Mrs. Beaumont.

Norval—Miss Pettigrew and Miss Thompson.

Stewarttown—Mrs. Tracy.

Milton—Mrs. Dyer, Mrs. Belt, Mrs. Maud and Mrs. Hannant.

Burlington—Miss Turner.

Dinner was served both days at the Acton House at 12.45. To Rev. and Mrs. Wilson and their local helpers much credit is due for the success of this very interesting Deanery meeting.

BETTER THIS YEAR THAN EVER.

Any person who has read the Family Herald and Weekly Star for a few years back would wonder how it could be improved from year to year. Still every one will admit that during the past twelve months there has been a wonderful improvement and the Family Herald and Weekly Star is today bigger value than ever before. Newspaper, Magazine and Agricultural Journal all combined, it is certainly a unique publication. Any person who does not know the Family Herald and Weekly Star should give it a trial for 1908. It is a wonderful dollar's worth.

Have the Goods Sponged First on Our

New Duplex Sponging Machine

BEFORE you send the cloth for this season's suit or gown to the dressmaker, have it sponged. Makes cloth spot proof, shrink proof and stronger, and also improves its finish.

You Can Have Perfect Sponging Done Here at 5c yard

Perfect sponging is the only kind our new duplex sponging machine is capable of turning out—and such sponging adds materially to the cloth.

You shouldn't have a new gown or coat, or for that matter, any garment made without sending the goods here first to get properly sponged.

5c a yard spent for sponging will add to the value of the cloth. Try it once. You'll never have a garment of unsponged cloth made again.
