EDITORIAL NOTES.

At an expense of $700 for two special sessions of the County Opinoil, commissioners' fees, etc., the Ontario County Council of 1907 enacted good roads legislation; by which the county was to assume 150 miles of highway as county roads under the act for the improvement of highways. The sum of $120,000 was to be expended in making permanent road, $40,000 of which would be a Government grant. The County Council of 1908 is of a different mind as to the wisdom of spending such a sum of money, and at its session last week carried a resolution by a vote of 11 to 10, to repeal all the by-laws relating to the good roads matter passed by the former Council. This good roads question is one of the keenest subjects that has come up in the County Councils of Ontario. The action of the Ontario Council is regarded as a retrograde step.

Notwithstanding the big petition from Nassagaweya, and the opposition which had been stirred up in some other quarters, the County Council at its meeting last week, after hearing the explanations of members of the former Council, and giving the question sober and sensible deliberation, concluded not to repeal the Good Roads' By-law. The following resolution settled the matter: Jas. C. Ford moved, seconded by W. Pettit, that the statement of the expenditure on the roads designated under plan for the improvement of highways adopted by this council and approved by the Government, pursuant to the Act for the Improvement of Public Highways, be approved, and that the Warden and Clerk of the county be, and they are hereby authorized to sign a petition to the Minister of Public Works for the Province of Ontario, to have such statement of expenditure approved for the purpose of receiving from the Government a portion of the sum set apart under the Act.—Carried.

THE DEATH OF A GOOD MAN.

Mr. Thos. T. Moore Did Not Survive the Shock of the Second Operation.

PASSED AWAY AT THE HOSPITAL

Sad indeed was the news which reached town on Friday morning to the effect that Mr. Thomas T. Moore, Town Clerk, had died at the hospital at Guelph, during the night. His weakened constitution was unable to withstand the shock of the second operation, and he passed away after a very brave fight for life. Mrs. Moore, Mr. T. James Moore, the eldest son, and Mrs. H. E. McKerrihen, daughter, were at his bedside during his last hours. The remains were brought home on Friday evening and the funeral took place from the family residence on Monday afternoon.

Thomas T. Moore was the son of the late James Moore, and was born near Fintona, County Tyrone, Ireland, in 1848. When he was a lad of ten years his father decided to emigrate to Australia. To that end he sold his possessions and made arrangements to sail, when he was taken ill, and died very suddenly. His widow then decided to come to Canada and accompanied by her son—the subject of this sketch—and a daughter, settled in Grey County, on the Beaver River, west of Markdale.

In his young manhood Mr. Moore went to York County where he lived with his uncle, the late James Matheson. While there he had the opportunity of attending school during the winter months. By applying himself he made splendid progress and decided upon the profession of school teaching, and this became his life-work. He commenced teaching in 1861 and from his first engagement was a popular and successful schoolmaster.

In 1862 he was joined in holy wedlock to Sarah, daughter of the late John Ross, of King, York Co. Mrs. Moore and two sons and three daughters survive him: T. James, who has for sixteen years been Principal of St. George's school, Guelph, and who has just retired to take the position of City Clerk of Guelph; Joe M., the manager of the Georgetown Herald; Mrs. H. E. McKerrihen, Toronto, and Mrs. Charles Jenner and Miss May, at home. His second son, John, gave his life for his country, and died at Pretoria, South Africa, during the war, in 1900.

During the year 1878 Mr. Moore took a course at the Normal School, Toronto. In December of that year, when seeking a successor to Mr. John Ross then Principal here, who had been engaged as Principal of Victoria School, Hamilton, he was one of the applicants for the Principalship of Acton Public School.

He made a personal application, created very favorable impressions among the members of the Trustee Board, and at a subsequent meeting it was "Moved by Edward Moore, seconded by W. H. Storey, that Thomas T. Moore be engaged Principal of Acton Public School for the year 1879, at the salary of $500 and Free residence.

Incidentally, it may be of interest to our readers to know that of the members of the Trustee Board when Mr. Moore was engaged, only one survives, D. Henderson, M.P.,—Member of the House of Commons. The others were: W. H. Storey, Edward Moore, Samuel Moore, Alex. Lasby and Michael Speight, all of whom passed away a number of years ago.

For twenty-five years Mr. Moore continued as the honored and successful Principal of our school here. For a quarter of a century the impress of his cultured mind, his sterling character, his helpful influence were upon the minds and hearts and lives of the succeeding generations of rising youth passing under his skilful tuition and fatherly care. His splendid Christian influence upon these hundreds of girls and boys will never be fully realized and appreciated this side of eternity. Fathers and mothers have in some measure appreciated its value as their sons and daughters spent their school days under his direction. Some of the older girls and boys have begun to realize the worth of his character and supervision to them. But his genuine worth and usefulness, and his influence upon the moral status of this community will be much more fully appreciated a quarter of a century hence.

Mr. Moore was a Christian of a most pronounced type. There was absolutely no compromise with wrong in his life and conduct. Naturally he was retired and unassuming, but when any moral issue was presented he was first and foremost in his advocacy of what he believed to be right. He was a strong temperance worker, a life long total abstainer, and longed to see the day when the baneful bars would be banished from the land he loved so well. He was an active member of the Methodist Church—a steward, a trustee, and a teacher in the Sunday School, and always interested in its progress and efforts.

Fifteen or sixteen years ago Mr. Moore was appointed Clerk and Treasurer of the Municipality of Acton and he was an ideal officer of the corporation. He was thoroughly posted in municipal law, kept his books in perfect condition, and the members of the succeeding Councils during his term never fully realized how much they leaned upon him, nor how much they owed in his careful supervision for the smooth running of the municipal machinery. His books were correct and clearly understood by the auditors, and the last work he did was in going over his accounts and vouchers with the auditors a week ago last Friday evening. He was a member of the Free Library Board from the time of its re-organization in 1896, and was also a member of the Board of Health, and a charter member of Acton Court of the I.O.F. His place in Acton will never be filled.

Mr. Moore was a veteran of the Fenian Raid of 1866. When the call came for volunteers he gave up his school in King and went out with the York Rangers, to which regiment he belonged. His company only got as far as Toronto when the raid was quelled. He received a medal for this service.

The entire community has been stirred by the passing away of this good and useful citizen. The heartfelt sympathy of all is extended to the bereaved family in their sad and sudden affliction.

The funeral was held on Monday afternoon and was conducted by Rev. G. W. Barker, assisted by Rev. W. J. Smith, B.A., Chairman of the District, Rev. M. Wilson, M.A. of St. Albans, Revs. H. A. MacPherson and J. J. Redditt, Toronto and Rev. B. A. G. Willoughby, Georgetown. The pastor of each member of the family was present. A tender and fitting eulogy was pronounced at the funeral services by Rev. Mr. Barker. The following personal friends of the deceased bore the remains to the tomb: H. P. Moore, John Clarke, Robert Wallace, A. T. Brown, ex-Reeve Williams and William Brown.

The following friends from a distance attended the funeral: Mr. and Mrs. T. James Moore and children, Guelph; Mr. and Mrs. Joe M. Moore, Georgetown; Mr. and Mrs. H. E. McKerrihen, and Mr. Kerrihen, Sr., Rev. J. J. and Mrs. Redditt, Mr. James Ross, Mr. and Mrs. Jno. Auman, Toronto; Mr. and Mrs. Chas. Willis, Aurora; Mrs. Jno. Ross, Orillia; Mrs. R. E. Nelson, Guelph; Dr. A. C. Warren, Toronto; Mr. H. D. Warren and Miss E. Clarridge, Georgetown.

There was a profusion of floral tributes embracing the following: pillow, from the family; crescent, Pearl and Laura Moore; spray, Foresters; pillow, Acton Town Council; spray, Mr. and Mrs. A. Stephenson and daughters; wreath, Acton Board of Education; spray, Mrs. McLain and Mrs. Akins, Midland; cross, St. George's School, Guelph; wreath, Guelph Teachers; spray, Mrs. Clarridge and Misses Clarridge, Georgetown; spray, Mr. Robt. Wallace and family; wreath, Acton Public School Ex-Pupils; spray, Mr. and Mrs. Auman, Toronto; spray, Mr. and Mrs. R. D. Warren, Georgetown; spray, Mr. and Mrs. R. M. Wilson, Oakville; wreath, Mr. and Mrs. John Clarke.

The Municipal Council and the Board of Education each attended the funeral in a body. The Public and High Schools observed the afternoon as a half holiday out of respect to the memory of him who had for twenty-five years directed the educational interests of the town.

SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS.

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

The homesteader is required to perform the conditions connected therewith under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4) The term "vicinity" in the two preceeding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

W. W. CORY,
