EDITORIAL NOTES

An earnest campaign against Sunday liquor selling is being carried on in Montreal by the Liquor License Commission. On a recent Sunday the private detectives found seven saloon keepers selling liquor, and next day they all pleaded guilty. In one barroom they found sixty men and four bartenders serving them.

Great Britain's new wet cruiser, the Indomitable, in her speed trials, has beaten all records, making twenty-eight knots on a measured mile on the Clyde and twenty-six and one-quarter knots in the continuous steaming trial. This is the way ship that will convey the Prince of Wales and suite to the ter-centenary celebration at Quebec in July.

The Spring and Export Number of the Canadian Grocer, with striking title page in colors, splendidly illustrated and crowded with editorial matter of keen interest to all engaged in the grocery, fruit, provision and kindred trades. It is certainly highly creditable to the McLean Publishing Co., Toronto, who are the energetic publishers.

The Busy Man's Magazine for June is admirably illustrated and has timely references to the approaching mid-summer vacation season, which gives an outing character to the number. There are several bright, breezy articles telling the life stories of prominent Canadians—men who are doing things, and how. Numerous other acceptable contributions will be found within the red cover of the June issue.

While crop reports from the West are exceedingly bright those of Ontario conditions are slightly less so. The provincial Department of Agriculture has issued a statement which is, on the whole decidedly favorable. The crops are at present about two weeks ahead of last year and are growing well. Fall wheat came through the winter without much damage and recent rains have done much for pasturage and the hay crop.

Coldwater is an enterprising village in the County of Simcoe, which last January adopted Local Option. A Coldwater man—they're all coldwater men now—writing to a friend in Toronto last week, says: "Our hotels are doing business—only bar closed. No drunken men now. Saturday nights no loafers at hotel doors — no profane language heard — no filthy streets with tobacco—and no drunken men going home as under the license system."—Pioneer.

Now that it is known everywhere that in the recent furore over the enforcement of the Lord's Day Act, in Winnipeg, that all the Alliance asked for was the impartial and reasonable enforcement of the law, and that the Alliance did not give information nor complaint in one single case, the people are placing the responsibility for the fake cases where it rightly belongs. And now, when the reasonableness of the law has been demonstrated, it is looked upon by the people as an admirable law.

It is quite evident that some hotelmen have no intention of observing the provisions of the Liquor License Act under which their Licenses are granted. Rev. Mr. Wilson stated from the pulpit on a recent Sunday, that gambling and drinking were both permitted in one of our local hotels on a recent Sunday. It is reported that this Sunday was the first after the meeting of the License Commissioners here last month, when they advised the hotelmen, after withholding their licenses for a month, that unless they "kept hotel" their licenses would be cancelled. Last Sunday a visit of Inspector Tracy proved that another local hotel permitted its bar to be frequented on Sunday—the bartender and four men being found there. Verily, if the people of this good town rise up and unitedly determine to introduce Local Option and banish the bar, who will be responsible? It is certainly time for a change.

The election contest is going forward in this county quietly and with commendible good nature. Mr. R. D. Warren, the Liberal candidate, held his Acton meeting last Thursday evening. Mr. Warren was the first speaker and his clear, business-like handling of the leading questions of the day created very favorable impressions respecting his ability in the discussion of public questions, and his able qualifications for the fulfilment of the duties pertaining to membership in the Legislature. Mr. Warren acquitted himself with marked credit and his friends in this section were quite proud of him. He was mild in his criticisms but strong in his declarations for good clean government in the best interests of the people of the Province. He was supported in a vigorous speech by Mr. H. M. Mowat, K. C., nephew of the late Sir Oliver Mowat. Mr. Mowat touched upon many live questions at present at issue and showed the untenable position of Mr. Whitney's government in numerous positions taken by them ..... Dr. Nixon's meeting was in progress as we went to press last evening. He had two very able speakers to support him, Mr. J. R. L. Starr, K. C., of Toronto, and Mr. J. W. Elliott, K. C., of Milton. It is hoped that the campaign will continue to the end with the same good-natured rivalry and that it will be absolutely devoid of the reprehensible and illegal acts alleged to have been perpetrated in some contests in this and other counties.

A SPLENDID CONVENTION

The Gathering of Sunday School Workers at Ballinafad Successful and Interesting

VERY HELPFUL ADDRESSES.

The seventeenth annual convention of Esquesing Sunday School Association held at Ballinafad last Friday afternoon and evening was gratifyingly fruitful in helpful hints and suggestions. The attendance was large and representative. Every speaker on the programme was present and their addresses and the discussions were full of interest.

Deputy Reeve Thompson, of Ashgrove, the President, took the chair, and devotional exercises were conducted by Rev. B. A. O. Willoughby, Georgetown. After the appointment of committees, Rev. G. W. Barker, Acton, gave his address on "The Adult Bible Class Movement." His address, he said, was suggestive rather than exhaustive. Within the past few years there have come into birth in the churches several of the greatest evangelizing agencies of history, notably there have been the Young People's Forward Movement; the Women's Missionary Movement, and the Laymen's Missionary Movement. Lately the Adult Bible Class Movement has been organized and is proving a most important adjunct to Sunday School success. It is the power which shall make for the Sunday School of the future. It relieves the adult class teacher from a large share of responsibility, while it does not reduce his influence. It is a training work for the officers of the class and prepares them for larger work in the school. It creates a kindred spirit and its membership are in sympathy with one another. It centralizes the members in connection with the Church of Christ and the Work of God. Rev. Mr. Barker explained the method of organization and duties of officers, and showed that such a class is possible in any school, and induced the adult members of the church to unite with the school.

An interesting discussion followed in which Revs. H. A. Macpherson, Jas. Turner, and John Milne, and ex-Reeve Near, and Messrs. J. P. Henderson, W. L. Hampshire and H. P. Moore took part.

Rev. H. A. Macpherson, of Chalmers Church, Toronto, delivered a stirring address on "What are we doing with our opportunity?" Mr. Macpherson expressed great pleasure in renewing acquaintance with the Esquesing Sunday School workers, and the convention gave evidence of a reciprocity of the feeling. The present opportunity is, he said, the best ever enjoyed by Sunday School workers, and it entails the bringing of the scholars into the fellowship of all that is good and true. The responsibility for the boys and girls who go to their classes is largely with the teachers. The salvation of the scholar, and his conversion to Christ, is always to be aimed at. To accomplish this there must be more personal touch; a taking advantage of the opportunities offered. A little more of Sunday spread all through the week. We must get after them, know them, interest them. We must make sacrifices to embrace our opportunities. Concluding, he said, the work of God is just as easy in Ballinafad as it is in Toronto, and it is just as hard in Toronto, as in Ballinafad.

Helpful discussion also followed this address. The question drawer was conducted by H. P. Moore. Many questions pertaining to Sunday School work were handed in and an undivided interest was manifested in the answers given.

Mr. W. J. L. Hampshire, the energetic secretary, then gave the statistical report which gave interesting information respecting the twenty-one schools of the township. The number of teachers and officers is 230; scholars, 1455; the amount contributed for missions $314.10.

The officers elected for the coming year were: President, John Hunter, Norval; 1st Vice-Pres., George Wilson, Hornby; 2nd Vice-Pres., Dr. Watson, Georgetown; Sec.-Treas., W. J. L. Hampshire, Scotch Block.

At six o'clock tea was served by the ladies of the Presbyterian and Methodist Churches in the Temperance Hall, and a very bountiful spread is was. There was an abundance of the very choicest viands; the tables were highly attractive, and the organization for serving was perfect. At the close of this splendid repast a cordial vote of thanks was moved by R. D. Warren and H. P. Moore, and tendered to the ladies by Mr. F. S. Near.

At the evening session the capacity of the church was taxed to accommodate the people who assembled. Rev. Mr. Milne, the pastor, conducted the devotions. President Thompson then introduced his successor, Mr. Hunter, who after a few words of appreciation of the honor conferred, took the chair.

The address by Rev. Mr. Willoughby on "Practical Benefits of Sunday School Work," was a splendid definition of Sabbath School work and the benefits derived. Sunday School work means the training of the mind of the young, middle aged and old, impressing the truths of the word of God and developing character. Outside the home the Sunday School is the greatest place for character building, and emphasizing upon the scholar his duty to God and to his fellowmen. The benefits of Sunday School work accrue to the teacher, the scholar, the church, the parents and the community.

"The Highest Ideal," was the topic of Rev. Mr. Macpherson, who delivered the closing address. It was a fitting climax to a very successful programme and the very strong appeal of this successful minister, to all engaged in Sunday School work to accomplish the salvation of the scholars, was most impressive and inspiring. Mr. Macpherson was the only outsider on the programme and his addresses were highly practical and helpful.

During the convention a union choir led the singing with much acceptance. The church was beautifully decorated with flowers and plants.

Every delegate present was made to feel that a very cordial welcome was extended by the Ballinafad friends.

DR. NIXON AND R. D. WARREN

Officially Nominated at Milton On Monday Afternoon.

MANY ELECTORS WERE PRESENT

The nomination of candidates for the Provincial Election, for Halton, was held in Milton on Monday. There was a large attendance of electors from all parts of the county.

Dr. A. W. Nixon, the member of the parliament just prorogued was nominated by J. A. Willoughby and seconded by Samuel Dice.

R. D. Warren was nominated by G. Inglehart, and seconded by ex-Warden Wrigglesworth.

Mr. S. Dice was appointed financial agent for Dr. Nixon, and Mr. J. H. Peacock for Mr. Warren.

After the nomination the candidates addressed the electors and the friends of each were well satisfied with the manner in which they respectfully acquitted themselves.

Mr. D. Henderson, M. P., afterward spoke in behalf of Dr. Nixon and Mr. H. M. Mowat, K. C., championed Mr. Warren's candidature.

MAKE IT YOURSELF.

Tells Our Readers How to Mix the Best Rheumatism Cure.

A well known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless, prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers, if asked to.

CAUSE FOR ALARM.

Epidemic Influenza, Grippe, Catarrhal Troubles, Pneumonia Increasing.

A marked increase in troubles of the breathing organs is noted in many localities. If you will only have Hyomei at hand to use with the first attack of Cold in the head, Pneumonia, Cold, Bronchitis, Hoarseness, Sore Throat, Croup, in fact any respiratory affection, the trouble will be quickly overcome.

If the attack is neglected and becomes severe, speedy relief will come in most cases and a persistent use of Hyomei will cure.

The directions for using it vary, but the principal is always the same, that of destroying all the germs in the air you breathe and having it reach the air passages with dry medication from the Pine and Eucalyptus forests.

Remember that liquids or moisture is barred from the Bronchial Tubes and Lungs. It's the dry air of Hyomei that reaches the spot. A. T. Brown guarantees it. Complete outfit, $1.

MUNICIPAL COUNCIL DOINGS

Municipal Officer's Re-Engagement Deferred Until Next Meeting.

NEW ELECTROLIERS FOR COUNCIL CHAMBER.

The Council met on Monday evening in the Free Library. During the progress of the repairs to the Council Chamber they have been meeting in various quarters, in the auditorium, on the stage, in the Library. Perhaps the next meeting will be held in the Firemen's parlor.

The members were all present, Reeve Swackhamer in the chair.

The Committee on Finance presented their eleventh report and recommended payment of accounts as follows:

Dominion Sewer Pipe Co., file	$65 30
J. S. Colquhun, work on streets	23 24
Hewer & Boxwell, cement crossing	17 01
P. Massias, work on Streets	2 00
Preston Metal Shingle & Siding Co.	42 00
Torrance & Wheeler, express	1 00
W. White, work at Town Hall	14 20
A. McPherson, shovelling snow	5 50
	$167 15

The report was adopted.

Capt. Chas. Gamble, waited upon the Council to request the usual grant for milk and butter for Company F, Acton, when in camp.

Chairman Agnew of the Board of Education waited upon the Council to consult with reference to the duties of the janitor, which are to be performed by the Municipal Officer.

The year's engagement of the Municipal Officer does not expire until the 9th inst. It was therefore decided to defer the matter until next meeting.

Chairman Williams suggested the purchase of modern electroliers for the Council Chamber, in order that the furnishings may be in keeping with the improved surroundings.

New electroliers will be secured.

The Town Hall and Park Committees submitted a new schedule of rates. This was accepted and copies of the new schedule were ordered to be printed.

Council adjourned before ten o'clock.

TRAGEDIAN

Will stand at his own stable, (Williamson Farm) town line, Nassagaweya, on MONDAY, WEDNESDAY and FRIDAY.

On TUESDAY, THURSDAY and SATURDAY he will be at the Dominion House Stables, Acton.

DESCRIPTION:

Tragedian is one of the squarest, strongest and handsomest built blood stallions in Canada.

Mr. Seagram, of Waterloo, one of the best breeders of light horses in this country, says: "I bought Tragedian in the States and paid $4,000.00 for him when only one year old. He proved himself a noted race horse and ought to be a first-class horse to breed from and get first-class half-breeds."

Tragedian has been but three years in the stud and has proved himself an extra sure foal getter.

The latest report shows a shortage of 38,000 in the visible supply of horses for remounts in the British army. This class always brings big prices.

TERMS:

Single service, $15.00, payable at time of service; season mares $20.00, payable 1st July, 1908; to insure, $100.00, payable 1st February, 1909. Insured mares must be returned regularly to the horse or they will be charged at season mares. Parties disposing of their mares before foaling time must pay whether mares are in foal or not. Positively no second prize. All accidents at risk of owners of mares.

Dam Nellie of Ferndale (6811), sired by Jubilee Prince (2391), he by Kintyre Hero (1631); 2nd Dam Polly, sired by Castelord (1626); 3rd Dam Doll, sired by Duke of Argyle (2844), he by Champion (410); 4th Dam, Jess sired by Agricola (319), he by Dusty Miller (157).

DESCRIPTION.

King Edward is a beautiful glossy black with both hind legs white and strip on face. He is a horse with plenty of size, standing 16½ hands high, he has good clean, flat bone with plenty of fine silky hair and has the best of feet. He has a good disposition and displays style and action like a hackney.

He won 1st at the Esquesing and 2nd at the Halton County Spring Shows.

TERMS:

To insure a foal $10, payable 1st Feb. 1909. Persons disposing of mares before foaling time must pay insurance whether in foal or not. All accidents to mares at risk of owners.
