COMMERCE AND MARINE.

THE WEATHER.—Altho' no rain has fallen in this particular locality since Sunday, yet from the appearance of the heavens, rain must have fallen in great abundance in the immediate vicinity of Kingston. The weather remains very cool, and the crops are getting on well.

MARINE ITEMS.—The arrivals yesterday were very slack, and business was nearly at a stand still. The R. M. Steamer Champion passed up in the evening. The steamer City of Ottawa arrived in the morning from Ottawa, and left in the evening on return. The steamer Ottawa and propeller Brantford passed down in the morning, the former landing 100 barrels and 290 bags of flour at Anderson & Ford's. The Brantford had 14,000 bushels of corn from St. Catharines and Port Dalhousie for Montreal. The schooner Perry Hannah arrived from Milwaukie with 14,825 bushels of corn for Glassford, Jones & Co. The tug Sampson, with the sloops Clyde and St. Lawrence in tow, left for Saugeen, light. The Sampson arrived the day before with the sloops, each carrying 14,500 feet of oak timber for Calvin & Breck. The sloops run constantly between Saugeen and Kingston, carrying timber down and returning light, the round trip generally taking about eight days. Timber can be carried much cheaper in this way, and there is no doubt that barges will be resorted to altogether in a few years, for the timber trade. The schooner J. S. Clark, from Belle River, with staves, and schooner Asia, from Tow Creek, with timber, have arrived for Calvin & Breck. The schooner Trancemontague, with timber for Charlotte, the schr. Admiral, with wood for Toronto, the schr. City of Ogdensburgh, with salt for Chicago, the schooner Linnie Powell, with wood for Toronto, the schooner Elk, with 136 tons of iron ore for Cleveland, the brig Frontier City, from Oswego, light, and schr. Star of Hope, for Oswego, light, left on Thursday night and yesterday.

THE CORINTHIAN.—This fine steamer made her trial trip on Thursday evening and answered all expectation. She was under the able management of Capt. P. G. Chrysler, so well and favorably known on the lake and river route as the captain of the New Era and Empress, of the Royal Mail Line. It has been stated before in these columns, that the Corinthian is intended to run on the route between Coburg and Rochester, and that she is an iron boat of the first class. The Corinthian was designed and modelled by Mr. G. N. Ault, of Portsmouth, and is in every way a credit to him. The draft of hull was sent from here to Scotland, where the hull was made, and then sent to Kingston to be fitted. The saloon is beautifully ornamented with stained glass made in Montreal, and also the panneling which is neat and artistic. The engine and boilers were made by Mr. Tutton, of the Ontario Locomotive Works, and is in every way a piece of workmanship of which he may be proud. After running to Garden Island for a life boat and taking a few turns round the harbor, she was headed for Nine Mile Point, from which place she ran to her wharf in twenty-five minutes, a distance of six and a half miles, having ran a mile in about four minutes with an average of thirty pounds of steam. The Corinthian is expected to leave this port on Saturday for Toronto, at which place she will take on board some portion of her cabin furniture, and commence her trips on Monday or Tuesday.

ANTHRACITE COAL.—Secretary McCulloch has just addressed the following circular to the Collectors of Customs:—All the restrictions heretofore placed by the Treasury Department, on the exportation of anthracite coal are hereby removed.

PETROLEUM.—The trade in this article is dull and but little doing. Prices, however are a little advanced. The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, and are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" * * Thou wilt send me two bottles more of the Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

STKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" * * I have given the Plantation Bitters to hundreds of ——'s disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or, Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston; and all Druggists. Northrup & Lyman, Newcastle, General Agents. 3m608

CHIRIQUI IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—[Lowell, Mass.) Sentinel.
