The Acton Free Press

THURSDAY, JULY 16, 1908

THIRTY YEARS AGO AND NOW.

On Dominion Day, 1875, thirty-three years ago, the FREE PRESS was launched in Acton. During each of the first three years of its history a new editor was at the helm. These were the late Joseph H. Hacking, the founder; the late Steve. W. Galbraith, and T. Albert Moore, who entered the ministry in 1870, and now occupies the important position of General Secretary of the Lord's Day Alliance of Canada.

Thirty years ago this week the present editor and proprietor took over the management of the business. During the three decades intervening there has been no change in the personnel of the editor and publisher. Few newspaper men indeed have such a long-continued connection with a local weekly journal. Our constituency has, however, been a most congenial one—birthplace and boyhood's home of the writer—and it has given very gratifying support to the FREE PRESS, which has ever stood for what it has believed to be in the very best interests of the community, be the issue one of material progress or for the moral betterment of our fellow-citizens. The business has enjoyed a continuous growth. The circulation,—and as a natural consequence, the influence of the paper,—has extended every year. By reason of the support given we have been enabled from time to time to introduce improvements which have enabled us to keep abreast of the times and in pace with the expansion and progress of the town and its environments.

During the past thirty years the FREE PRESS has seen many changes in Acton and vicinity. Among the improvements effected are the following: The town hall has been erected; the steam fire engine and fire equipment have been secured and our splendid fire brigade organized; the fine park of fourteen acres purchased, providing magnificent athletic grounds for the young people's especial pleasure and development; the new school building has been erected and the staff increased from three to seven teachers, with a High School curriculum covering all the subjects necessary to qualify the young people of our homes to enter the University and Normal School; miles of cement pavements have been laid, macadam road beds have been constructed on the principal streets, and hundreds of beautiful maple shade trees have been planted and now line our avenues and boulevards; while Fairview, our attractive and well kept "City of the Dead" has been provided and rendered a place well worthy the purpose to which it is devoted.

While we have been conducting this journal the population of Acton has increased from 700 or 800, to nearly, if not quite, 2000; our manufactories have expanded to very large proportions, employing hundreds of citizens; scores of beautiful homes have been erected, new and commodious hotels have been constructed, and new churches have been built and improved.

Changes have been many indeed, and in no respect has this been more manifest than in the passing away or removal of nearly all the pioneer residents of the locality. Notably among these have been the loss to the town of such prominent families as the Adams, the Agnews, the Browns, the Camerons, the Cummings, the Grants, the Halls, the Hills, the Kennedys, the Littles, the Lasbys, the Matthews, the Manns, the Moores, the McGarvins, the McLams, the Nicklins, the Ryders, the Secords, the Smiths, the Snyders, the Speights, the Storeys and the Zimmermans, all of whom were actively interested in the community, when the present editor commenced his journalistic career.

As in the past the FREE PRESS will endeavor to be all a real live local newspaper should be; always alert to introduce and support what it conceives will be for the best interests of the town and the county; and determined that nothing shall ever appear in its columns which would be detrimental to the mind and heart of its most youthful reader. The aim of the FREE PRESS, under the present management has been to provide every week—and we have never missed a single issue in thirty years—a healthy interesting local and family newspaper, pure in tone and clean in typography. This effort will be faithfully continued.

With grateful acknowledgement of the generous support accorded in the many years that have passed, and wishing every reader abundant prosperity in the future,

I am, very sincerely,
H. P. MOORE

After some discussion in the senate last week, the age limit for the use of tobacco was left at eighteen, though many favored substituting the age of sixteen. Boys are forbidden to chew as well as to smoke on the street.

THE MUNICIPAL COUNCIL

Provision made for the Election of Trustees to fill vacancies in School Board—Fairview Cemetery to have new Gateway.

AUGUST 3rd TO BE ACTON'S CIVIC HOLIDAY.

Council met in regular session on Monday evening. The Reeve in the chair; all members present.

The Finance Com. presented its 14th report, recommending payment of the following accounts:

W. J. Chapman, salt for cemetery	$3 85
Can. Gen. ElectricCo., supplies	5 48
Rankin & Co., bale excelsior	1 50
W. D. Anderson, teaming coal	8 75
M. F. Cobley, labor	6 00
W. Lee, labor	6 00
D. McGregor, teaming	21 81
A. Cook, work on streets	7 10
C. C. Speight; supplies power house	12 65
Morrison Brass Co., supplies power house	7 20
Johnston & Co., supplies	28 57
Messrs. McDonald & McIntosh, constables' fees	4 00
	$113 91

The report was adopted.

A by-law was introduced providing for the nomination, and election of trustees to fill the vacancies left in the School Board by the resignations of I. Francis and J. S. Coleman. The by-law was passed. The 24th of July will be nomination day and the 31st, the day of election.

Discussion was made in connection with the erection of a new gateway for Fairview Cemetery. No action was taken.

The municipal electrician applied for an increase of salary. The matter was left for future consideration.

Reeve Swackhamer gave an explanation of the increased county rate. The increase was due to the shouldering of a debt of the county carried for years past, for the purpose of erasing it.

North Main Street roadway is probably to be repaired shortly. The bridge will likely be replaced and the road bed relaid.

A special meeting for the discussion of various estimates will be held on Wednesday, July 22nd.

Complaint was made of the foul odor from the drains of the cellars on Main St., which has almost become a public nuisance. The matter of misusage of Acton's drainage system was again mooted and protested against.

The Council named the 3rd of August as Acton's Civic holiday.

Council adjourned at 10 o'clock.

ANOTHER WEEK WITH BOWLERS

Interesting Games With O. A. C. at Guelph and Brampton Here.

"Queen's Weather" favored the bowlers last Thursday as they played the crack bowlers of the O. A. C., Guelph, on their beautiful green on the college campus. The day was especially interesting owing to its being "Ladies Day" for the General Hospital and the objective point was the O. A. C. grounds. Thousands of citizens and visitors present gave the promises a most interesting aspect.

The day's play was highly enjoyable and the score was in Acton's favor by 18 points, as follows:

One of the most exciting, but thoroughly enjoyable games ever played on the lawn took place on Friday evening with three rinks from Brampton led on to battle by the redoubtable Tom Thauburn. The match was won by the visitors by one point and this was given them by W. J. Gould, skip of the "Niagara Rink," by a single unlucky turn over of the last bowl of the match. His rink was lying four on the last end, which would have given Acton 18 to Brampton's 16 and a total score of Acton 50 to Brampton's 54. This last turn of the last bowl on the last end game gave Brampton 2, with a rink score of 18 to Acton's 14, and a total of 50 to 55.

BREATHE HELP FOR CATARRH.

Druggist A. T. Brown is Having Splendid Reports from Hyomei Users.

It's the poison germs in the air you breathe that creates and feeds catarrh. Hyomei simply catches these germs on their way to work and destroys them. The first breath of Hyomei air kills all catarrhal poison.

This makes the air you are breathing inward helpful; it goes on its way through the air passages, bronchial tubes and lungs charged with germ destroying power that cannot be resisted; it soothes and heals the wounded and inflamed membrane.

That is why Hyomei is so instantly helpful for any distress of the breathing organs, colds, croup, bronchitis, asthma or dreaded pneumonia. They are the germ life that Hyomei kills.

KNOX SUNDAY SCHOOL PIC-NIC

A Good Time enjoyed by the Pupils of the School and Parents and Friends at Victoria Park, Berlin.

THE OFFICERS HIGHLY GRATIFIED.

Last year the officers of the Presbyterian Sunday School decided to drop the annual Sunday School pic-nic for that year for various reasons. This year, however, it was deemed advisable that a pic-nic should be held for the school and its friends, and the plans for the same were laid accordingly. Tuesday, July 14th, was the day set for the event, and arrangements with the railway were made for the conveyance of the picnickers to Victoria Park, Berlin, where the Sunday School had enjoyed a couple of pic-nics in former years.

On Tuesday morning the pupils of the Sunday School gathered at the school room, according to instructions given by the Superintendent the Sabbath before. Provisions, both substantial and dainty, were brought along in ample quantity for the satisfying of pic-nic appetites at the two meals to be given at Berlin, and other details were easily arranged. The scholars were given their tickets, and the baskets and boxes were loaded on the express wagon for conveyance to the station. The procession of pupils to the G. T. R. depot was a pretty sight as they marched along, the street, the smallest children leading the way; and the appearance of the dainties on the accompanying wagon was tempting to the on-lookers, some of whom, when they saw the parade passing, wished that they were going too.

Three coaches had been detailed for the accommodation of the pic-nickers, and the crowd quickly disappeared inside. After a little wait, during which the provisions were stowed away, the regular 10.11 a. m. train steamed in, and the coaches were coupled on the rear and soon were speeding away to the west. At Guelph a reporter of a Guelph paper made a note of the pic-nic for the daily edition of his paper. The people reached Victoria Park about the noon hour, the courtesy of the Grand Trunk officials in having the cars shunted out close to the park, being a great convenience to those in charge. At the park arrangements had already been made for the preparation of tea and coffee for the noon meal, and a willing staff of helpers soon put the tables in shape for the appetites of the pic-nickers.

The afternoon was spent in different amusements. The boating on the artifical lake was a source of fun to many, while swings, and grounds for tennis, base ball and football were close at hand. Others of those attending went down town. The electric railway carried parties away to Galt and Preston, some to the mineral baths at the latter place.

Late in the afternoon the different groups again gathered in the park for supper, and shortly after seven o'clock the whole company boarded the coaches awaiting them on the railway siding.

Rev. Mr. Wilson, Pastor; Mr. Geo. Hynds, Supt.; and John R. Kenedy, Asst. Supt.; along with the teachers of the school, undertook the management of the trip. Everything went smoothly and successfully. No accidents marred the pleasure of the day, and the pic-nic is reported as the most pleasant the school has had. Those in charge of the pic-nic have been congratulated on its success. The fine weather also added to the day's enjoyment.

The service of the railway was excellent and the officials obliging, enabling the pic-nickers to leave and board the coaches at the park at Berlin. Some 223 tickets were sold at the Acton depot for the excursion.

The 8.45 train brought the company back to town.

THE TOWN'S BASEBALL NEWS.

The Junior Teams Defeat Teams from Georgetown and Guelph Respectively in Good Games

LEAGUE GAME WITH GEORGETOWN NEXT SATURDAY.

Last Thursday evening Acton's juvenile team, the Maple Leafs, played a keen match with the White Sox, of Georgetown. The work of the Maple Leafs was sharp and clean, and the team deserved the praise and encouragement given them by their supporters; the visitors also played a good game. The class of ball was above what might be expected, considering the age of the teams, the result being a score of 4-2 in favor of the local team. Acton's future in baseball seems assured with the appearance of these lads. O. Gans, of Georgetown, and George Hynds, of Acton, umpired the game.

The junior team defeated the York Roaders, of Guelph, in the park here on Saturday afternoon last. The game was more interesting and closely contested than the score of 7-0 would indicate. The locals secured their runs in the first, second and fourth innings, no runs being scored in any other innings of the game. J. Sosnoski and H. Jeans, of Acton, acted as umpires. The score of the game is as follows:

KNATCHBULL.

A furious storm of hail and rain swept over the country around Knatchbull on Monday evening. Hail half the size of hen eggs fell, and many residences had the glass of the windows broken. One resident reports nineteen panes of glass shattered. The damage to the crops will be considerable. The house of Mr. G. Kingsbury, on the Guelph road a little below the Acton sideroad, had a chimney smashed by the lightning.

Last Wednesday afternoon a pic-nic was held in the woods of Mr. Elwood Wilson, on the Guelph road, by Ebenezer Sunday School, under the charge of Rev. Mr. Facey. An amusing game of baseball between the married men and the free bachelors took place, the younger men winning by a score of 20 to 16. A football match was also played, and a good time generally enjoyed.

Eden Mills baseball team defeated the Paisley Street team of Guelph on Saturday afternoon last.

Berrying is in order throughout the neighborhood.

CHURCHILL.

Churchill Congregational Church will celebrate their annual anniversary next Sunday and Monday, July 19, 20. Services will be held on Sunday at 10.30 a. m. and 7.00 p. m. Rev. E. D. Silcox, of Toronto, editor of the Canadian Congregationalist will preach at both services. On Monday evening a garden party will be held on the lawn. An elaborate programme is being arranged for the same. Watch for bills.

EXECUTORS' NOTICE TO CREDITORS.

In the Matter of the Estate of John Moore, late of the Village of Acton, in the County of Halton, Manufacturer, Deceased.

NOTICE is hereby given pursuant to the provisions of section 38, chap. 129, Revised Statutes of Ontario 1897 and amendments thereto, that all creditors and others having claims against the estate of the above named John Moore, deceased, who died on or about the 11th day of June, A. D., 1908, are required to send or deliver their said claims in writing on or before the 15th day of July, 1908, to the undersigned agent for the Executors, and also after the said 15th day of July, the Executors will proceed to distribute the assets of the estate among the parties entitled thereto, and having regard to the claims of which they then have had notice, and will not be liable for the proceeds of the said estate or any part thereof, so distributed, to any person of whose claim notice shall not have been given to them at the time of such distribution.

E. J. McMAHN, Agent for Executors.
Dated at Acton this 20th Day of June, 1908.

NOTICE TO CREDITORS.

In the Matter of the Estate of John McKinnon, late of the Township of Nassagaweya, in the County of Halton, Farmer, Deceased.

NOTICE is hereby given pursuant to "The Revised Statutes of Ontario" chapter 129 and amending acts, that all creditors and others having claims against the estate of the said John McKinnon, who died on or about the eighth day of May, 1908, are required on or before the eighth day of August, 1908, to send by post prepaid or deliver to A. J. MacKinnon, of the village of Acton, in the County of Halton, Solicitor for the Executors of the said estate their Christian and surnames, addresses and description, the full particulars of their claims, the statement of their accounts, and the nature of the securities, if any, held by them.

And further take notice that after such last mentioned date the Executors will proceed to distribute the assets of the said deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable, for the said assets or any part thereof, to any person or persons of whose claims notice shall not have been received by him at the time of such distribution.
