EDITORIAL NOTES

As a result of the high temperature grain is coloring rapidly in Southern Manitoba, and harvest is certain to be much earlier than usual. On the Portage Plains the conditions are far advanced, and grain dealers and farmers are sanguine of enormous yields.

It is noteworthy that the managers of the Franco-British Exhibition in London, England, advertise it as the greatest Exhibition ever held in Great Britain. It covers one hundred and forty acres and possesses forty acres of buildings. The Canadian National Exhibition at Toronto can exceed these statistics in every way; possessing two hundred acres of ground, fifty acres of buildings and $1,500,000.00 worth of fire-proof structures. It is safe to say also that in the matter of attendance Toronto can beat great London, for returns show that the average attendance per day at the Franco-British Exhibition only reaches thirty odd thousand, while the attendance at Toronto Exhibition averages to the eleven days during its existence fifty-five thousand per day.

In the speech from the throne at the close of Parliament on Monday the following interesting reference was made: "When Parliament opened in November last a serious financial depression prevailed throughout the adjoining republic, the effect of which was far-reaching, involving in a limited degree all those countries having business relations with the United States. The crisis in the money market that followed, coupled with the diminished value of the crops in the Prairie Provinces, seriously affected the yearly increasing prosperity which Canada had enjoyed during the preceding eight years. The present hopeful outlook for an unusually large crop of all cereals and other products of the country will, it is believed, mark the beginning of another long series of years of plenty and prosperity.

Considerable complaint has been made lately that certain men in Acton who are known as being on the "Indian List" have been notoriously drunk on several occasions. It may not be generally known that these unfortunate persons are liable to a penalty of $10 to $20 and costs, and to imprisonment if found with liquor in their possession or under the influence of liquor, or lingering or loitering in any place where liquor is sold or dispensed, for a period of twelve months after their names have been placed upon the prohibited list. Further, while on such list, he may be compelled by a magistrate to divulge the name of any person from whom he obtained liquor, the place where, and the date when the liquor was supplied to him, and if he wilfully refuses to disclose this information he shall be deemed guilty of an offence and liable to imprisonment for three months. The person supplying liquor is also liable to fine or imprisonment. These are amendments passed by the Legislature at the session of 1908.

ST. ALBAN'S ANNUAL TRIP.

(BY ONE WHO WAS THERE)

It is a matter of much curiosity to some how St. Alban's people can drive in rigs to Erin every year and make the thing pay—but it would never do to tell it. The propaganda of St. Alban's knows and that is enough.

All the rigs of Acton were at Erin last Thursday, and it was a day that seemed to be especially ordered for the occasion. The drive was much enjoyed, but the merry-go-round always comes first with the children, and perhaps the boating with the adults. The Acton lads seemed to be quite at home handling the bat and ball, and some of them were really smart on the base ball field. But it will not be right to say much more, in case they get conceited.

There was a little incident which created some merriment—the national poet says: "When chapman billies leave the street and drouthy neebors, neebors meet," and so on. One does not mean to insinuate that there were any "drouthy neebors" at Stanley Park that day. But someone who is particularly good at practical jokes ordered a keg of—— at the hotel at Erin, to be sent over, and when the invited guests gathered round, they found themselves treated to—— not the real S——but pure Adam's ale, from the pump at the hotel. I suppose another point worth relating is that we saw a group of people, supposed to be encamped out there, who wanted to pass for canibals. They excited considerable curiosity among the civilized people who arrived from Acton, and it would be well for all decent civilized parties who go there to walk warily when approaching those who give themselves out to be of a savage race, and the tenant of Stanley Park would do well either to exclude such curiosities from his park altogether, or if he will admit them, to put them in iron cages. If such people were on show they would, no doubt, increase his revenue.

There is nothing more of interest to say except that every one from Acton enjoyed themselves, and were much gratified by the dinner and tea provided by the ladies of St. Alban's Church. The trip was managed by Mr. Harry [illegible], with much credit to himself [illegible] concerned.

[illegible] sixteen years the game "Ba[illegible]" stood for the maximum of [illegible] and flavor in blended [illegible] but the only thing [illegible] to [illegible] the [illegible]

THE NIAGARA TOURNAMENT

Our Bowlers Made Splendid Showing and Had Enjoyable Outing.

WON THREE GAMES OUT OF SIX.

This was a record year at the annual tournament of the Ontario Bowling Association at Niagara-on-the-Lake. The entries were more numerous than ever before, comprised 75 rinks and numerous entries in singles and doubles, making an attendance of considerably over 300 bowlers, in addition to as many more friends who accompanied them to enjoy the outing. This necessitated not only the twelve greens on the lawn at the Queen's Royal but in addition the four greens of the Merchants' Club, up town.

During the week Niagara-on-the-Lake was alive with bowlers and this pretty and historical town had many attractions for the visitors, in addition to the contests on the bowling greens.

The rink from the Acton Bowling Club made their third annual entry at this tournament. Each successive year has given them new pointers and additional experience and in the contests this year they made an exceedingly creditable showing. In the trophy competition they went up against one of St. Catharines' crack rinks, and after a keenly contested game were retired with a score of 13 to 17. In the association they won first game against Oaer Howell, but in the second game lost to St. Simons, both of Toronto. In the consolation matches they won the first two against strong and experienced rinks, and in the third found themselves face to face with the trophy-winning Westmount rink brought up from Montreal by Mr. Willie Brown, the popular President of the Association this year. The Acton players well remembered their first encounter with these splendid bowlers, at the tournament of 1906, on which occasion the score was 8 to 26 against our boys. But they put up a different proposition last week. It was a see-saw game from start to finish, a friendly, but a most keenly fought contest, Acton led for two ends, then the Montrealers took the lead, but were again captivated for an end or two. An unfortunate 5-end make the score 10-7 against Acton, but at the close of the game the score stood 18 to 14.

Respecting this game the News says: "The Westmounts did not come all the way from Montreal for nothing. In the fourth round of the Consolation play they managed to get one more shot in than their adversaries, the Actons, skipped by W. J. Gould, and won 14 to 13. Mr. Brown's men did not do all the scoring at first. The Actonites got busy and passed them. Then the Montrealers took five at a crack on the seventh end, making it 10-7. Gould's men held them for a while, and took one on the final end, but it was not enough to win, the score ending at 13-14."

The scores of the various games were as follows:

TROPHY

ACTON	ST. CATHARINES
H. P. Moore	W. G. Yielding
W. S. Chisholm	William Peel
A. J. Mackinnon	A. M. Rogers
W. J. Gould	O. P. Casey
skip 13	skip 17

ASSOCIATION

FIRST ROUND

ACTON	CARRHOWELL, TOR.
W. J. Gould	W. J. Cumming
skip 16	skip 15

FOURTH ROUND

ACTON	ST. SIMONS, TOR.
W. J. Gould	W. G. Parsons
skip 11	skip 15

CONSOLATION

SECOND ROUND

ACTON	NEW BEACH
W. J. Gould	T. H. McDermott
skip 13	skip 12

THIRD ROUND

ACTON	ST. CATHARINES
W. J. Gould	H. Chatfield
skip 13	skip 9

FOURTH ROUND

ACTON	WESTMOUNT
W. J. Gould	W. Brown
skip 13	skip 14
70	82

It is remarkable that in the six games Acton played the total score was just three points against them. That they maintained themselves in the contest for six rounds is very creditable when it is known that such old-time trophy winners as Dr. Hawke went down in one, two, three order, and E. T. Lighthourne, the President of 1907 was bowled out in four games.

The trophy was won by W. B. Smith's rink, of the Victoria, Toronto, one of whose players was John Bain, who is in his 81st year. J. S. Willison, of the Canada's, Toronto, took the Association prize. Owing to the rain on Friday and Saturday, the Consolation contest was not completed. It will be played off some day this week.

WATCH YOUR TONGUE.

If Furred and Coated, It's a Looking Glass Stomach Warning.

When it is the morning after the night before, you do not have to look at your tongue to know that the stomach is upset, the head is aching, no appetite, nerves on edge with all the sunshine of life clouded.

The real time to watch the tongue is all of the time. If it is coated with a white fur, or possibly with dark trimmings, even though the stomach does not tell you by the acute pains of indigestion that it needs help, yet the coating shows that you are getting into a bad way and that there is need of Mi-o-na.

Mi-o-na is so positive, so sure, so reliable in its curative action upon the stomach that A. T. Brown, the local agent, gives a guarantee of satisfaction with every 50 cent box or money back.

FATAL ACCIDENT AT GUELPH.

Saturday afternoon, the printers of Guelph and Galt were to have pic-nicked at Puslinch Lake. Over twenty of the Guelph craftsmen started out about 2.30, in Hooper's tally-ho, with Fred Anderson, of the livery stable, driving. When on Waterloo Avenue, the front wheels struck a switch of the street railway. The driver lost his balance and was thrown between the horses. She threw off two of the wheels [illegible] He was taken [illegible] injuries were not much more than [illegible]

J. D. MCGREGOR WAS NOMINATED

Candidate for House of Commons in Liberal Interests in Halton.

IS WELL-KNOWN THROUGHOUT COUNTY.

Notwithstanding the rain which prevailed last Friday, there was quite a representative gathering at the Convention of Liberals held at Milton to nominate a candidate to contest the County in the coming Dominion elections.

The nomination was made by W. J. L. Hampshire, of Esquesing, and was seconded by D. O. Cameron, of Oakville. Mr. McGregor's only opponent on the ballot-paper was Controller W. S. Harrison, of Toronto, who is a native of Halton, and whose home was formerly in Milton. He is widely connected in the county. It was demonstrated clearly, however, that the convention wanted a local man to carry the Liberal standard in the coming fight, Mr. McGregor's vote standing in the ratio of almost two to one given Controller Harrison.

The choice of the convention is in some respects a surprise, as it was thought by many that J. S. Deason, Esq., the popular Inspector of Schools for Halton, and the Liberal candidate at the last Dominion elections, would accept the nomination again. Mr. Deacon's name was called several times, but he signified to the delegates his desire that his name be not put in nomination, as business reasons prevented him from being a candidate. He pledged his warm and unreserved support to the gentleman on whom the delegates placed the seal of their approval.

Mr. J. D. McGregor, the newly-chosen candidate, is a native of the county and one of our most prosperous and well-known farmers. He has for many years been a staunch, hard-working Liberal, giving his whole-hearted support to the party and his nomination will be particularly popular. He was referred to by an enthusiastic admirer in the convention Friday as a William Jennings Bryan in eloquence, and he will appear on the campaign platform as a worthy opponent to Mr. Henderson, the present member.

Mr. F. G. Inwood, General Secretary of the Reform Association for Ontario, and Mr. R. D. Warren, of Georgetown, the Liberal candidate at the Provincial election last month, were the principal speakers, but short addresses were given by Mr. Henry Robinson and several others. Mr. Inwood showed the urgency of getting a man in the field as soon as possible. It rested largely with the Liberals of Halton and all the other Ontario ridings to insure the return to power of Sir Wilfrid Laurier and his Government, for if this Province sent an unreduced delegation of Liberals there was no question but that the present Government would be returned to carry on the policies which have been so largely responsible for the present prosperity of the Dominion.

ANOTHER VICTORY FOR ACTON.

Georgetown Base Ballists Took Another Drop Here on Saturday.

In rearranged battle array, the local club defeated the Georgetown Base Ball Team in the Park on Saturday, in a Halton-Peel League match by a score of 6 to 1. McDonald broke into the game at the initial sack, for the first time this season, Sosnoski was shifted to left field, and was replaced by N. Ryder behind the bat.

With the exception of the second innings, when the locals scored three runs on Hynds' single, and errors by Kercher and Tuck, after two had been retired, the game was a fine exhibition of ball, and was especially marked by lightning fielding by the home outfield, Williams and Holmes pulling down long difficult drives, that had every appearance of being extra sackers. In the fourth a two base hit by Williams, who scored on Hynds' single, added another tally, and in the Acton half of the eighth two more crossed the plate by clean drives by N. Ryder, Taylor, Williams and Hynds. The visitors' only run came in the sixth, two hits, and an infield error being responsible for it.

The Georgetown nine are showing improved form, but it was a hard luck game for them. They out batted our boys, and had fourteen men left on bases. The score:

A NARROW ESCAPE.

William Macnamara, while doing some repair work on the roof of G. B. Ryan's store, Guelph, fell through the glass skylights to the floor below, a distance of thirty feet. While passing the second storey, head first, in his descent he grasped at a railing which turned him, landing on the ground floor on his feet and back. When taken to the hospital, it was found that his injuries were not much more than [illegible]

SUCCESSFUL ENTRANCE PUPILS

Seventy Per Cent. of Acton Pupils Passed the Examination.

OUTSIDE PUPILS 56 PER CENT.

The following candidates who wrote on the Entrance examination in Acton have passed. The standard for passing is 60 per cent. of the total number of marks, and 40 per cent in each subject. The possible marks obtainable was 550:

Jessie Purvis, (honors)	501
Elva Cole	470
Mildred Matthews	468
Mabel Workman	445
Fred Williams	444
Annie Porter	441
Maggie McDonald	421
Archie McTavish	420
Irene Snyder	419
George Moffat	412
Bertha Brown	410
Katie Morris	405
Christopher Moffat	399
Flossie Grummet	397
Norman Marshall	387

The following, though they did not make quite the requirement on the total, were recommended on account of their good work in each subject, or their age: Norman Lehman, Barbara Cook, Ethel Goldham, Fred McLaughlin, Thos. McMillan.

These have also been passed and their certificates forwarded to Principal Stewart.

The certificates will be presented to all the students who were successful at the annual High School concert.

The showing above is highly creditable to Acton school. Of the 10 pupils in the entrance class, under the tuition of Miss Hudson, 18 were successful, equal to about 70 per cent. The pupils from the rural schools were not so successful. Of the twenty who wrote at Acton seven only passed—35 per cent.

It is expected that most of the twenty who passed at Acton will enter the Continuation School here.

WHEN YOU GO HOLIDAYING.

A Delightful Trip Across Lake Ontario to Niagara-on-the-Lake.

To those resident in this section one of the most enjoyable and inexpensive outings available is a trip across Lake Ontario in one of the splendid boats of the Niagara Navigation Company's line, and a sojourn for a few days or a few weeks at Niagara-on-the-Lake. No other point on the lakes has as fine a boat service. The Cayuga, Chippewa and Corona, the regular steamers on this line, make six round trips daily, so that there is ample accommodation provided.

Niagara-on-the-Lake is delightfully situated as a point for a holiday rest or outing. Board and lodging may be had at very reasonable rates. Among the summer hotels, none is more homelike nor attractively situated than The Oban, conducted by Major Colin Molloy. This hotel in popular with guests from all parts of the continent. It overlooks the lake, is convenient to railway, wharf, churches, post office, etc., and yet is in a quiet and retired location. The Oban has no bar attached to it and is therefore the more desirable as a temporary home for holiday visitors.

In addition to its natural attractions Niagara-on-the-Lake is rich in interesting historical features. It was the seat of Upper Canada's first Parliament; was a strong objective point during the war of 1812; the headquarters for General Brock; has two old Forts, St. George and Mississauga, and across the river is Fort Niagara, garrisoned by United States soldiers. It's 1000 acres of camp grounds, where the militia of Central Ontario have their annual drill; its three century-old churches, with their respective cemeteries, are all points of interest, and many others are pointed out by the older residents of the town.

Brock's monument and the adjacent battle fields, and Niagara Falls with its many attractions, are conveniently reached from this point.

THE LONG SESSION CLOSED.

The House of Commons Adjourned on Monday Afternoon.

Ottawa, July 20th.—The fourth session of the Tenth Parliament came to a quiet close at noon on this, the 236th day of the session. In the absence of his Excellency, Sir Charles Fitzpatrick attended in the Senate, and read the Speech from the Throne, which was an unusually long document. He was not attended by an escort, nor was he received by a guard of honor, both of which were dispensed with for the first time on record, at Sir Charles' own request. The usual salute which marks the closing ceremonies boomed forth from Nepean Point. There was a meagre attendance of members in both Houses for the closing ceremonies.

The address called attention, among other Acts passed during the session, to the Manitoba Grain Act, and the Grain Inspection Act, which, while protecting the high standards of Western grown grain from inferior mixtures, secures to the farmer the increased value attaching to those standards.

NOTICE TO CONTRACTORS

THE undersigned will be at Acton, on Tuesday evening, 28th July, at 6.30 o'clock, for the purpose of receiving samples of gravel, and to receive tenders for supplying same laid down on road between Acton Corporation line and the Brick Church.

J. G. WILSON,
Road Superintendent, County of Halton.

EXECUTORS' NOTICE TO CREDITORS.

In the Matter of the Estate of John Moore, late of the Village of Acton, in the County of Halton, Manufacturer, Deceased.

NOTICE is hereby given pursuant to the provisions of section 56, chap. 120, Revised Statutes of Ontario 1897 and amendments thereto, that all creditors and others having claims against the estate of the said John Moore, deceased, who died on or about the 15th day of June, A. D., 1908, are required to send or deliver their said claims in writing on or before the 25th day of July 1908, to the undersigned agent for the Executors, and also after the said 25th day of July, the Executors will proceed to distribute the assets of the estate among the parties entitled thereto, and having regard to the claims of which they then have had notice, and will not be liable for the proceeds of the said estate or any part thereof, so distributed, to any person of whose claim notice shall not have been given to them at the time of such distribution.

E. J. McNABB,
Agent for Executors.
1-4 Dated at Acton this 20th Day of June, 1908.

NOTICE TO CREDITORS.

In the Matter of the Estate of John McKinnon, late of the Township of Nassagaweya, in the County of Halton, Farmer, Deceased.

NOTICE is hereby given pursuant to "The Revised Statutes of Ontario" chapter 120 and amending acts, that all creditors and others having claims against the estate of the said John McKinnon, who died on or about the eighth day of May, 1908, are required on or before the eighth day of August, 1908, to send by post prepaid or deliver to A. J. MacKinnon, of the village of Acton, in the County of Halton, Solicitor for the Executors of the said estate their Christian and surnames, addresses and descriptions, the full particulars of their claims, the statement of their accounts, and the nature of the securities, if any, held by them.

And further take notice that after such last mentioned date the Executors will proceed to distribute the assets of the said deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable for the said assets or any part thereof, to any person or persons of whose claims notice shall not have been received by him at the time of such distribution.

A. J. MACKINNON,
Solicitor for Daniel McKinnon, John McKinnon and Margaret Bell, Executors.
Dated this Tenth day of July, 1908. 3-6

SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS.

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

The homesteader is required to perform the conditions connected therewith under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of a homesteader has a permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4) The term "vicinity" in the two preceeding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

W. W. CORY,
Deputy of the Minister of the Interior.
